TADCASTER ALBION V PONTEFRACT COLLIERIES

SPONSORED BY

Formed in 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th. In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title. In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**. In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third. An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by High-worth Town. At the end of the season, the club opted not to renew their contract with manager Paul Marshall, two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers started their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy Miller was back in his old stomping ground and his experience and knowledge of this division was needed.

The Brewers started the season well and were in the play-off spots, then injury problems hit the team and the season seemed to run away from them.

They finished 19th in the league. The Brewers had a great chance for silverware in the West Riding County Cup Final, the game finished 1-1 but they lost out to Farsley Celtic 4-2 on penalties.

At the end of the 16/17 campaign the Directors made the tough decision to change the management team from Billy Miller and Matt Heath to Michael Morton and Simon Collins bringing it more in-house. In the 2017/18 season the new-look management team took a couple months to adapt to the league and mould the squad that they wanted. However it didn't take them long to find their feet as the fortunes took a turn for the better after the new year with Michael & Simon steering the club to its highest ever finish reaching the Evo-Stik League play-offs after a dramatic final day. This once again brought massive excitement amongst the club and town but unfortunately it ended in semi-final defeat 2-1 at Bamber Bridge despite taking the lead and putting in a valiant performance.

There's no doubting that the club is going in the right direction as the 2018/19 season sees the Brewers move into the Evo-Stik East Division after the league switched from a North/South divide to an East/West split. Can the club improve again this year...

Director's · NOTES

Good afternoon and welcome to the i2i Stadium for today's Evo-Stik East League match against Pontefract Collieries.

We would like to issue a warm welcome to all of the players, staff, officials and supporters of Pontefract as well as a safe journey back home after the game.

First of all, we are just happy to be playing a game at home so soon after the recent floods. We were all devastated to wake up and see the pictures after the Spalding game of our ground underwater again. Yes the conditions were horrendous on the Saturday but guess we didn't expect the rain to continue to fall as hard as it did. It was definitely a major concern as the water continued to rise on the Sunday but thanks to help from the, volunteers, Flood Action Group and the Fire Service we managed to put the flood doors on ensuring that it did not get into the clubhouse like it did back in 2015.

This would have been a travesty for us all and incredibly difficult to bounce back from so in that respect we were somewhat fortunate.

We have to thank all of the generous volunteers who have helped out with the recovery process as well as those who have kindly donated money to our JustGiving page. To receive donations from supporters of Leeds United, York City and South Shields to name just a few means a great deal to us, the football community is very special and never fails to amaze when a club suffers adversity.

However, we have thankfully managed to come out of it with far less damage sustained than last time and it won't effect our season with just three home games remaining now. The main challenges and costs incurred were within our motorised maintenance equipment. The repair and replacement is ongoing and costly.

We need your rousing support more than ever this afternoon in what is a massive game for both sides. Pontefract are starting are run where they play all of the top teams in succession so other teams are going to drop points one way or another, which makes today that bit more important for us.

If we can get the three points today this would take us nicely into our next two away at Stamford on Tuesday and Ossett on Saturday, it's games like this that can define your season going into the final month of what has been another very good year for us. Touching on the next two games, your support on the road would be much appreciated, in particularly the game at Ossett, another huge game for us and not far away so please back the Brewers.

Don't forget that Tadcaster Albion now have their very own lottery in which you can support the club as well as being in a chance of winning £25,000! Also, it costs just £1 a week, if interested just head to our website www.tadalbion.com for full details and information on how to sign up.

We hope you enjoy today's match

Come on Taddy!

Manager's · NOTES

Michael Morton & Simon Collins

Welcome to Tadcaster Albion for this afternoon's match as we take on Pontefract Colls in what is a big game for both sides in the race for the play-offs.

We would like to extend a warm welcome to Craig and his side today and hope they enjoy our hospitality before having a safe journey home this evening.

Today's contest is going to be an incredibly tough battle, we all know that, so we are going to have to make sure that we don't let any complacency slip into our game as this could well prove to be costly. We went to watch Pontefract in midweek against Pickering and they are just relentless in their attacking. It's no surprise that they are the joint top scorers in the division along with league leaders Morpeth as they push so many bodies up against your back four whilst launching crosses and throws-ins in at every opportunity possible.

If we can contain them and frustrate their attacking force then we should be okay as they are susceptible to conceding at the other end; which should make for a thoroughly entertaining spectacle. We are in very good form having won our last five whilst keeping three straight clean sheets so the bar has been set for the rest of the season.

After a spare weekend last Saturday we got the lads in for a light session just to keep them ticking over and keep the spirits high. This also gave us the chance to give a few of the lads who were struggling with knocks a much-needed rest before a big three-game week that we've got coming up.

Will Annan, Aiden Savory, Jason Mycoe and Luke Porritt were all struggling with slight niggles but they should be okay which is a big boost for us especially given that we've got three matches this week, all as important as each other. We really are into the business end of the season now and

this week could definitely make or break us, a lot of it will now be down to mentality, can we go out there and keep finding that winning formula that Morpeth have made such a good habit of doing.

Our latest win over Spalding before the floods was another case of just grinding a struggling team down. Savs [Aiden Savory] is on fire in front of goal at the minute and is closing in on beating his tally for last season so if he can continue with Joe Lumsden up front then this will go a long way in seeing us be successful.

Please keep getting behind the lads, it's very important especially at this stage of the season!

Enjoy the game!

Pontefract Collieries

Pontefract is known to have had a football club as far back as the 1890's when a side, presumably composed mainly of soldiers, completed in the West Yorkshire League as Pontefract Garrison. Much of the history requires further research but it is known that a Pontefract Borough Club reached the dizzy heights of the Yorkshire League in the late 1920's. By 1935 a club called Tanshelf Gems managed to acquire a ground on Ackworth Road, moved there and became Pontefract United.

The current club was formed in 1958 enjoying considerable success on and off the field, much work being done during the miners' strike cementing relationships with the mining industry and the local community. The floodlight opening in 1987 saw the Colls take on Hull City in a friendly watched by a record crowd of 1000.

Recent History

2012/13 – The season ended with only one defeat in the last ten games including victories over Askern Villa of 9-0 and 10-2. The club finished 5th for the 3rd season in a row.

2013/14 – This was a season of consolidation which ended in a disappointing 9th place but with a clear plan in place for the 20/14/15 season.

2014/15 – The plan was delivered as the Colls finished as runners-up in North Counties East League Division One and were promoted back to the NCEL Premier Division after a 15 year absence. Along the way they recorded the highest away win, best aggregate score, most goals scored (joint with Louth Town), 2nd best defence and the most clean sheets.

2015/16 – The latter part of the season saw the Colls with a new management team of Craig Parry, Manager and former Colls Keeper, assisted by Craig Rouse and Nigel Danby. The Colls fought to the bitter end but ended up 3rd from bottom and back in Division One!

2016/17 – A great start to the season led by Manager Craig Parry, Assistant Manager Craig Rouse & Head Player/Coach Luke Jeffs saw the Colls win 9 from 9 (including pre-season friendlies) The League performance saw some brilliant runs of form including

one of 21 games with only 1 defeat. With the Colls fate in their own hands they only needed to win away at Worsborough Bridge in the final game. This they duly did and returned to the NCEL Premier Division at the first time of asking!

2017/18 – Last season was fantastic for the Colls, stamping their authority on the NCEL Premier Division with only 6 league games lost all season. The lads produced some cracking stats – best attack, best defence, most clean sheets, biggest away win (8-0 over Thackley). They finished in top spot with 102 points, a goal difference of +96 and scoring 138 league goals in the process. This fabulous performance saw the Colls gain a 2nd successive promotion in 2 years!

2018/19 – After 2 consecutive promotions the Colls begin their first ever season at Step Four of non-league in the Northern Premier League Division One East Evo-Stik. A good pre-season has seen the Colls gain 2 pieces of silverware already – The Bill Cook Memorial Trophy against Glasshoughton Welfare and most recently the Inaugural Colliery Cup from a keenly contested game against Northern Premier Division One West Evo-Stik side Atherton Collieries. (We are looking to retain the cup when we travel to Atherton in the return fixture next year!)

We do not know what this season will have to offer but the Management Team of Craig Parry, Craig Rouse, Luke Jeffs and goal keeping Coach Jordan Wildey have assembled a great squad and they are all relishing the new challenge of the Evo-Stik!

TAFC PLAYER INTERVIEW

Pirlo setting his sights on second place...

After three relatively straight forward wins in a row, how tough a game are you expecting today against Pontefract Collieries?

"Saturday will be a very tough game, they're up in the play-off positions with ourselves" said Davidson.

"We will just focus on playing our own game and hopefully get the three points."

Would you say it's a must win game given where they are in the league and how tight it is at the top?

"I wouldn't say it's a must win game, there's still a few more games to be played and there will be some points dropped from other teams around us but it would obviously be nice to pick up a win against a fellow play-off rival."

After five wins on the bounce, do you think the lads are coming into form at just the right time?

"Yeah the lads are buzzing, we as a team know what we're capable of. Standards in training are high and we're taking that into the games."

With Brighouse and Pontefract dropping points last week, do you think 2nd place is a realistic goal now?

"Yes we should be aiming for 2nd place really, Morpeth look like they are running away with it so it's looking like it's going to be a fight for 2nd place and we want that spot as it would give us a home advantage in the play-offs."

It's a big week for the Brewers with Pontefract, Stamford and Ossett all coming up, is this upcoming week season defining would you say?

"We will just take each game as it comes, if we win all three then that would obviously be great. There's always going to be teams taking points off each other but we will be going into them games full of confidence we can assure you that."

REPORT | Savory Double Helps Taddy Win Again

Tadcaster Albion recorded their fifth straight victory in the Evo-Stik East League after second half strikes from Aiden Savory and Joe Lumsden saw off strugglers Spalding United.

by Jay Taylor

Aiden Savory eventually broke the deadlock for the dominant Brewers on 59 minutes before quickly firing home a second to add daylight between the two sides. Top scorer Joe Lumsden made sure he was on the scoresheet once again tapping home with a minute to play.

After the most recent victory over Wisbech, Simon Collins was forced to make a change as the injured Corey Roper was replaced by Jason Mycoe who was coming in for his first league start since October. Collins had to make another change after the warm-ups as Luke Porritt pulled up which handed a second Taddy debut to new signing Will Annan.

Conditions were abysmal and downright miserable with strong winds and swirling heavy rain making for a difficult contest for both sides. The first ten minutes was definitely a bedding in period with countless balls being over-hit and slung out of play. Taddy took to the challenge quicker though and the first sighting at goal fell to Joe Lumsden when Aiden Savory flicked in behind setting his strike partner away but his audacious attempt wasn't executed.

Albion were swiftly getting into their groove as Casey Stewart arrowed in a brilliant ball after quarter of an hour but Lumsden couldn't quite adjust his body enough to divert on target. Wave after wave of Tadcaster attacks were being forced upon the Tulips who were desperate for the points at the opposite end of the division. Colossal centre-back Harry Coates stormed out from the back before Will Annan threaded a lovely ball through to Casey Stewart who's cross was gathered by Michael Duggan with yellow shirts queuing up.

The first clear-cut opening of the contest fell to the aforementioned Coates but he could only shoulder over the bar after Stewart superbly crossed in. The Brewers continued to dominate proceedings in the woeful weather and it seemed like only a matter of time until they took the lead. First Joe Lumsden was denied by Duggan, then Pete Davidson saw two shots blocked by the same man before it ran out for Aiden Savory who side-footed just the wrong side of the post.

Moments later and Spalding had their backs against the walls once more as a sumptuous first-time flick from Lumsden found its way to Will Annan who's low fizzing effort was well kept out by Duggan. Aiden Savory had another opportunity from the resulting corner as his close range blast was blocked in the goal mouth. The match really was as one-sided as it sounded as Spalding's first shot saw Isaac Cooper fire wildly over the Loxley Homes Stand from distance.

Tulips stopper Michael Duggan was keeping his side in it for the time being as he made an outstanding save on 38 minutes. Jason Mycoe's deep cross was headed back across goal by Annan before Joe Lumsden's volley took a wicked deflection seeing the ball spiral towards the top corner only for Duggan to superbly claw out. As half-time approached, a miscued clearance from Neal Spafford allowed Aiden Savory to race in on goal but he dragged his left-footed shot wide of the mark.

The visitors from Lincolnshire will have been very happy to have been still all square at the break but Taddy just continued where they left off and if anything kicked into a higher gear. Casey Stewart was looking dangerous on the ball as always as he cleverly jinked inside James Hugo and let fly only for the strike to deflect wide. Just as frustration began to grow around Ings Lane, the breakthrough finally arrived. A one-two between Will Annan and Joe Lumsden broke down but the danger was by no means averted as Aiden Savory powered past two blue shirts before firing into the back of the net from 12 yards.

If the result was in any doubt, it wasn't anymore as the goal only added greater confidence for Albion as Will Annan went close again to reopening his account for the club. Annan retrieved a Lumsden pull-back before beating his man and striking firmly with his left-foot but Duggan got his angles spot on again to push clear.

However Duggan was beaten for a second time just four minutes after the deadlock was broken. Harry Coates did brilliantly to acrobatically keep a free-kick alive before Aiden Savory expertly rolled his marker and volleyed in his 10th goal of the season. Taddy were playing some scintillating football and it was a case of 'how many' at this stage as poked agonisingly wide after a gorgeous piece of interplay with Joe Lumsden.

As the contest reached its conclusion, substitute Jake Buckle came incredibly close to his first Tadcaster goal before the result was rounded off with a third goal. Casey Stewart, Pete Davidson and Aiden Savory worked a short corner effectively teeing up Harry Coates on the edge of the box, his effort was parried straight into the path of Joe Lumsden who smashed home his 22nd goal of the season. Five straight wins, three straight clean sheets, Taddy are coming into form at the most important time of the season.

Match Preview: Tadcaster Albion vs Pontefract Collieries

As the race for the Evo-Stik East play-offs intensifies, Tadcaster Albion welcome second place Pontefract Collieries to the i2i Stadium with three vital points up for grabs.

Taddy had no fixture last week and whether that was a blessing in disguise or a hindrance remains to be seen. However Simon Collins' side are in a rich vein of form of late winning their last five on the spin whilst keeping three straight clean sheets in the process, a mean feat.

It's sure to be a thrilling encounter to see out the month of March as Colls are arguably in greater form having lost just twice since October, a phenomenal record for their debut season at this level.

They were close to chalking another win off in midweek as they led Pickering Town 2-0 before the floodlights failed forcing the match to be abandoned. Their last loss was an eye-raising one as struggling Spalding United steamrolled their Yorkshire opponents 7-3 in South

Lincolnshire back in January.

Another reason why this contest is so finely balanced is that the two leading goalscorers in the division are on show this afternoon. Albion's Joe Lumsden looks to record his 20th league goal of the season with Colls' Eli Hey leading the way in the Evo-Stik East having scored 22, 3 of which from the penalty spot so there's an extra incentive for the strikers to perform.

The Brewers were victorious when the two sides met earlier in the season in September as goals from Lamin Colley and Aiden Savory handed them a 2-1 win over nine-man Ponte. This has turned out to be an even more impressive victory as the season has panned out with Sheffield FC the only one team to win at Beechnut Lane.

The last time Pontefract visited TAFAC was in the NCEL back in 2015 as goals from Jimmy Beadle and Adam Baker sent Taddy top of the league before eventually going on to claim the title.

Team News:

James Hodges to deputise in goal for Michael Ingham who is away with work. Corey Roper (ankle), Jack Walters (knee) & Josh Barrett (shoulder) all still side-lined. Will Annan and Aiden Savory should both be fit to start after shrugging off knocks. Luke Porritt should be available again. Jake Buckle is also away.

SPORTS TRAIIDER

CREATING A LEVEL PLAYING FIELD

Sports Traider Charity, Registered Charity No. 1156175

Youth-focused charity offering young people the kit and support they need to discover and fulfil their sporting ambition and potential.

Sports Traider has established the first chain of charity retail shops in the UK that specialise in sports kit and equipment. The aim is to make clothing and sport equipment affordable to all, and at the same time generate a sustainable source of funding to help disadvantaged young people participate in sport.

Each year Sports Traider Charity organises a number of events to engage with the sporting community to raise funds and awareness of the charity.

The charity is heavily reliant upon donations, both cash and equipment, from the goodwill of members of the public, and corporate businesses. These are received through UK Virgin Money Giving,

collections, Direct Debit, Standing Order, and through corporate and individual membership of our '100 Club'. Every contribution is most welcome and makes a difference within the donors' local community.
