#TogetherWeAreFootball

About Us

The West Riding County Football Association is the governing body of football in the county. We are one of the largest county football associations in the country and oversee all aspects of the game in our territory.

We are responsible for providing the structure and support that enables our players, coaches, volunteers and referees to develop. Our utmost priority is that every participant in our county is given the opportunity to develop in a progressive and enjoyable environment.

In addition to our governance responsibilities, we concentrate heavily on the development of the local game and maintain a strong emphasis on the evolution of players, coaches, volunteers and referees. By promoting "Football for all" we encourage participation across all sections of society, regardless of age, ability, race, religion or socio-economic status.

By developing innovative programmes and cultivating opportunities in alignment with our governing body (The FA), we deliver the national game strategy in our county. We are also immensely proud of our thriving culture throughout the non-professional game, a sector widely referred to as "Grassroots" football.

As a county we believe it essential to uphold our traditions and embrace the legacy of our past. However, we are very much a progressive County FA who are happy to celebrate our history without residing on it. Although the West Riding County Football Association has been the governing body of all association football in the County for over 100 years, today we are an energetic, innovative and ever changing organisation. We remain as passionate as ever about the success of football in the county.

County Cup

The West Riding County Cup is an annual football competition held between the clubs of the West Riding County Football Association which was first competed in 1927. It is the senior county cup for the historic West Riding of Yorkshire since the demise of the Senior Cup in 1999. The first winners were Leeds United Reserves in 1927.

According to the Rules of the County FA, entry to the competition is by invite from the Council or an authorised committee assigned to run the competition. The Cup enables teams to take a break from their local league competition and put their skills to the test against other clubs from across the County.

Bradford Park Avenue FC are the current holders of the Cup after beating Garforth Town 1-0 in last years final. The 2015-16 Final took place at Valley Parade in front of 595 supporters. The winning goal was scored in the 78th minute by Chib Chilaka.

Bobby Madley

Having started refereeing aged 16 in 2002 tonight will be an incredible honour for me. To be selected to referee the County Cup Final in West Riding is something I have always aimed for and I am delighted to share this with my team tonight.

Having started in the Wakefield Leagues and progressed through the West Yorkshire League, Unibond Leagues, Conference and Football Leagues I am now in my 4th year as a Select Group Referee on the Premier League.

This is also my second year as a FIFA International referee. Highlights to date include my first full International last year between Australia and Greece in Melbourne, the Merseyside and Tyne-Wear derbies and last season's Championship Play Off Final at Wembley between Hull City and Sheffield Wednesday. I have been fortunate enough to officiate in different capacities on the FA Vase Final, the Capital One Cup Final, the FA Youth Cup Final and the FA Community Shield and tonight's appointment will be right up there with them as an extremely proud moment in my career.

Good luck to both teams this evening and congratulations on reaching the final!!

Oh one last thing...my mum, Margaret, will be in the crowd this evening so be nice to her lad please!

Joe Starkie

24 years old - Level 3 referee - Leeds FA - Council Member of Leeds Referees Association and WRCFA School of Excellence Coach. I have been refereeing since I qualified when I was 14 after previously playing for a few of my local junior sides. I am currently working as a teacher in Leeds. I have a degree in Business Management and have previously studied a PGCE at Leeds Beckett University. I'm also a qualified football coach and have previously worked as a coach for the Leeds United Foundation since the age of 16.

Akeel Ahmed

I began refereeing in August 2009 after lots of persistence from my Dad and soon caught what we Referees refer to as 'the bug'. In the 2010-2011 season I received the Stan Jackson Award from Bradford Sunday Alliance for up and coming referee of the year. I am now a Level 4 Referee, and my career highlight bar this prestigious final is that have had the privilege to Referee at the IberCup in Portugal in 2015 and to also Referee the Bradford District Association Cup Final in 2015.

Kevin O'Donnell

I am 34 years old and I have been refereeing for 8 years. I am looking forward to the game. Been part of the match day set up is a fantastic experience and one to enjoy. I am a level 4 referee and currently referee on the Yorkshire Pool which includes the West Yorkshire League, York League and the Humber Premier League. I also referee on the Heavy Woollen Sunday League and Leeds Combination Sunday League. Two seasons ago, I had the pleasure to Referee the Heavy Woollen FA Brook Butler Cup Semi-Final.

1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

We would like to extend a warm welcome to all of the players, fans and officials of Farsley Celtic for tonight's West Riding County Cup Final.

We are very much looking forward to tonight's Cup Final. Our debut season in the league hasn't quite matched our expectations; albeit we have had significant injuries and absences. Tonight we can forget about that and give it everything to win a trophy.

We know it will be extremely tough though as Farsley still have a fantastic chance of lifting the league title and having played them three times this season, we know we will have to be at our very best if we are going to be victorious.

It is a great honour for the club to host the County Cup Final and we would like to thank the West Riding FA and Farsley for approaching us following the late withdrawal from Bradford City.

One of the defining factors which saw all parties agree to us

hosting was down to the tremendous work put in by Head Groundsman Dave Wakefield. The pitch is in immaculate fashion and is regarded as one of the best surfaces in non-league football and that's a credit to the tireless work that Dave puts in.

On Sunday night we attended the Evo-Stik League Awards and were delighted to find out that both Jono Greening and Gregg Anderson were named in the Division One North Team of the Season. Two true professionals who thoroughly deserve the accolade. We would also like to recognise the great achievement by Farsley Celtic in having Graeme McKibbin, Aaron Hardy, Lewis Nightingale and James Walshaw selected for the team.

We hope you all enjoy the game and have a safe journey home afterwards.

The i2i Sports Directors

Matt Gore, James Gore, Kent Mayall

Manager's NOTES

Good evening everyone and a very warm welcome to this year's West Riding County Cup Final at the i2i Stadium, Tadcaster.

It gives me great pleasure in welcoming Farsley Celtic, Neil and John have had a tremendous season and enter the final couple of weeks with a realistic chance of securing the title. They have built an excellent squad full of talented individuals at this level of football and we wish them all the very best in their pursuit.

Whilst it's disappointing not to be playing at Valley Parade, what a great testament for the club that both Farsley Celtic and the County FA agreed to it coming to the i2i. The pitch is certainly the talk of the league, and I for one often enter conversation with the managers around the league about the condition of the playing surface. Dave Wakefield has done a fantastic job across the season alongside great investment from the owners; it really is a credit to them all.

I am sure tonight's game will be very entertaining and I hope you all enjoy the occasion. It will be a really tough test for us as we continue to adapt to life at this level of football. This is our second cup final in as many seasons; let's hope we can finish this one with a positive outcome.

We attended the Evo-Stik League awards on Sunday night and it was a real pleasure to see both Jono Greening and Gregg Anderson make the Evo-Stik Division One North Team of the Season.

With four of the players coming from tonight's opponents; McKibbin, Hardy, Nightingale and Walshaw, the latter also being named Player of the Year for 2017. Sumner and Connerton from Lancaster, Tyrone Gay from Ossett Town, Aaron Burns from Trafford, and the impressive Sam Bailey from Kendal too, it was a fantastic achievement to be recognised all in all.

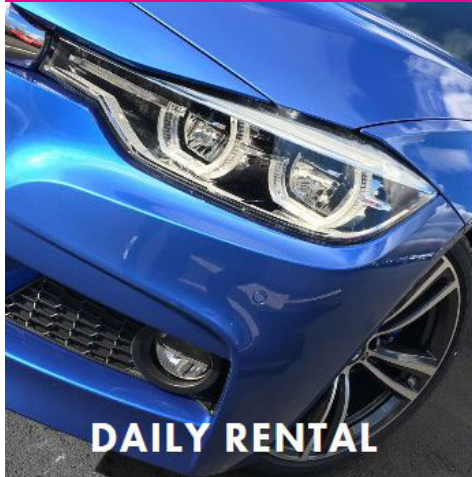

To get one, let alone two, was a great achievement, especially when you think there were only six teams out of twenty two to be recognised on the night. It is a clear indication of how well we have played this season despite the result not always going our way. Well done to all the players named.

Finally, enjoy a great occasion tonight here at the i2i, I hope the game lives up to expectation.

Yours in Sport.

Farsley Celtic FC

The current football club was formed in June 2010 from the embers of Farsley Celtic F.C which entered Administration in June 2009 whilst in the Blue Square North and which failed to fulfil its fixtures eventually being expelled from that league early in 2010.

The old Farsley club (the name Celtic being added later) initially competed in the Leeds Amateur leagues and played its first game at the current site in 1948.

Throughout the 1950's and 60's Celtic established themselves in the Yorkshire Leagues, being crowned champions in 1959-60 and 1968-69, although failing to be promoted as a result of ground regulations.

A First Round FA Cup tie against Tranmere Rovers at Leeds United's Elland Road ground in 1974 proved to be the highlight of the decade, and the 11,000 crowd that saw the Celts lose 2-0 to a Steve Coppel inspired Rovers is still the largest crowd in the club's history.

leagues merged in 1982, Farsley began in Division One North. By the mid 80's the club was invited into the Northern Premier League. After a few largely uninspiring seasons, the new decade brought unparalleled success.

In 2004-05 under the inspired management of Lee Sinnott, the team won the Unibond League Premier Division only to have points deducted as the result of Spenny-moor Town going out of business and its results being expunged. The reduction in points resulted in the Celts securing only a play-off place, losing controversially on penalties against Workington in the final.

Promotion was secured the following season after a playoff final victory against North Ferriby and in the following season, the club's first in the Conference North, they reached the first round of the FA Cup losing in a replay to MK Dons as well as securing promotion to the Conference National following a memorable evening at the Pirelli Stadium in Burton Upon Trent, when Simeon Bambrook's last minute

penalty saw the Celts beat Hinkley United 4-3.

A single season of Conference National football resulted in relegation to the Conference North. On-going financial difficulties saw the Administrators appointed in June 2009 with the club's results expunged in March 2010 when the Administrator prohibited the club from fulfilling its fixtures.

The re-formed club were placed in the NCEL Premier Division for their first season which turned out to be highly successful with a league and cup double recorded. Many of the former players remained loyal to the club and top spot was held for much of the season, with the title confirmed on the penultimate weekend of the season. The club also reached two cup finals, the NCEL Presidents Cup, in which Tadcaster won but the season ended on a positive note with the League Cup being lifted despite Farsley having to play the majority of the final with 10 men.

The 2011/12 season was almost as successful, with a top five spot being secured ensuring qualification for the play-offs. Unfortunately, the semi-final opponents were Witton Albion who won 3-0 and deservedly booked a place in the final, going onto win promotion after defeating Curzon Ashton in the final.

The following league season didn't quite go to plan with a disastrous run in the closing months, saw Neil Parsley's side go without a win in the final eight games. Inconsistent form before this point had all but put an end to the club's play-off chase and a 14th place finish was all that could be mustered.

On a positive note, Farsley reached

the quarter-finals of the Doodson Sports Cup. After beating Ossett Albion and Clitheroe, Farsley beat Premier Division opposition Whitby Town and Worksop Town before bowing out to Matlock Town in the final eight.

The side made it through to the Final of the Doodson Sport Cup against Warrington Town in April 2015 at Edgeley Park. Despite a goalless score line at full time Farsley eventually lost out on penalties. The game proved to be the last for the club as Farsley AFC as they had their original name reinstated through the close season. On May 19th 2015 the club were officially known as Farsley Celtic FC once again.

2015/16 started disastrously with only two points gained from the opening seven league fixtures and the Celts rooted in the relegation spots. The season though turned with an incredible 15 game unbeaten league and cup run, which started in mid-November with a 2-0 League Cup win over Shaw Lane and lasted until late February when Burscough won 3-0 at Throstle Nest in the league.

That run put Farsley in the hunt for a play-off spot, but the pursuit of promotion was dashed during March, when a single point was taken from a six league encounters. A topsy-turvy season ended with the Celts in ninth place, seventeen points adrift of a play-off spot.

Celts Club QUOTES

John Palmer - Chairman:

The Club is having a great season in the league, but has also been successful in the various cup competitions, and Tuesday night promises to be a great occasion when we visit Tadcaster Albion in the West Riding County Cup Final.

Josh Greaves - CEO:

County FA's across the country do an enormous amount of work in regards to developing grassroots football and a whole range of other aspects within the game. At Farsley Celtic, we are proud to be part of the West Riding County FA and privileged in being able to take part in this season Final.

Neil Parsley - Joint Manager:

Both John and I are delighted that we made it through to the West Riding County Cup Final for the first time since 2005/06 when the Club lifted the trophy after beating Harrogate Town 2-1.

Aaron Hardy - Club Captain:

Obviously for the squad, the main aim still has to be promotion, but it's great for the supporters to have a Cup Final to look forward to. As a squad, come the game we will be going all out to win it. It would be nice for us to get some silverware for the Club and the fans – you never know maybe the double can happen.

John Deacey

JOINT MANAGER

John was announced as Joint First-team Manager in July 2016, having been at the club for the majority of the previous season in an unofficial capacity.

Deacey adds a wealth of experience to the Management team of the Celts. He has a long association with the club having been signed as a player in the 1990s and then becoming Assistant Manager to both Martin Haresign and Lee Sinnott.

When Sinnott left in 2007, Deacey took the role of Manager and was assisted by Neil Parsley. Deacey also had a successful spell as Manager of Bradford Park Avenue, before his departure at the end of the 2014/15 season.

Gareth Liversedge

COACH

Gareth joined the club in November 2007 after the departure of Maria Kearns. Gareth is a former footballer with Halifax Town who had to retire due to injury. Since retirement he took up physiotherapy before that he even acted as a kit-man.

Neil Parsley

JOINT MANAGER

After a 12 year playing career, Neil Parsley first went into management with Guiseley, taking them to the First Round of the FA Cup on a number of occasions, and winning the West Riding County Cup. The club decided to dispense of his services in November 2006, despite the Lions holding top spot in the league.

Parsley then moved onto North Ferriby United where he guided the East Yorkshire side away from the threat of relegation, also winning the East Riding Senior Cup at the KC Stadium.

After a difficult start to the 2007/08 campaign, the club parted company with him and he then moved to Farsley, as Assistant Manager, to join now Joint Manager, John Deacey. Farsley and Deacey parted company in October 2008 following relegation and after a successful spell as Caretaker Manager, Parsley was given the role full-time.

With the demise of the old club in March 2010, he agreed to manage the new side for the 2010/11 season and guided Farsley AFC to a NCEL Premier Division and League Cup 'double' in the club's inaugural season. In the following season he guided the club to the Semi-Final Play-offs in the Evo-Stik League First Division North and in 2014/15 the Integro Doodson League Cup Final.

However in 2008/09, he became Farsley's first choice left-back under Neil Parsley and won the Manager's Player of the Year award for that season. He briefly joined Bradford Park Avenue after the old club's demise in March 2010, but returned to the reformed club that summer and has been a familiar fixture in the defence ever since.

He was unable to get much game time with the Quakers and returned on-loan to Farsley at the end of

August 2016, a deal which became permanent a month later. Nightingale progressed through the Huddersfield Town academy before being offered a two-year scholarship in 2008. During his time with the Terriers he spent time on loan at Wakefield FC and Salford City before being released at the end of the 2009/10 season. At the start of the following season he joined Bradford Park Avenue before moving onto Ossett Town and then Frickley Athletic in January

2011, before signing for Farsley AFC just a month later and was part of the 2010/11 NCEL Premier Division winning squad. That summer he moved to Harrogate Railway from whom he joined Curzon Ashton. HEAD 2 HEAD - Brewers & Celts

The two West Yorkshire clubs have had quite a few meetings over the years in both league and cup.

Tadcaster Albion's first league encounter with the original Farsley Celtic club came in Yorkshire League Division Two in the 1976/77 season. Both clubs were promoted, with the Brewers finishing in second place and the Villagers two positions lower in the final league table.

In the following season, Albion enjoyed their most successful season in the Yorkshire League - finishing ninth in Division One - but Celtic were relegated back to Division Two.

As the Brewers were relegated at the end of the 1978/79 season, the clubs met again in Yorkshire League Division Two in the following campaign. Sadly, it was another relegation season for the Tadcaster club and they wouldn't play Farsley Celtic again in that league.

Both clubs were founder members of the Northern Counties East Football League (NCEL) in the 1982/83 season but were placed in different divisions. However, they did meet in a West Riding County Cup first round tie at Throstle Nest, which the Villagers won 1-0.

After two third place finishes for the Leeds club and a reorganisation of the league, Farsley Celtic and Tadcaster Albion found themselves together in the NCEL Division One North for the 1984/85 season.

The Villagers won 4-0, when the teams met at their home ground early in the season. However, the return fixture in late February brought the Brewers' finest result of the season - a 3-2 victory against the eventual league champions. Unfortunately, Albion failed to win any of the remaining 14 games of the season - losing 13 - and finished bottom of the 17 club NCEL Division One North.

Although the Brewers would not play another league match against the original Farsley Celtic team, they did meet on four occasions in cup competitions.

In the 1987/88 season, when Albion finished bottom of the 15 club NCEL Division Two, the Villagers visited Ings Lane in a West Riding County Cup second round tie. Against their Northern Premier League (NPL) Division One opponents, the home side gained a creditable 0-0 draw. Farsley Celtic progressed into the third round with a 2-1 victory in the replay.

Eleven years later, the clubs were drawn together in two competitions - both at Tadcaster. In an FA Cup second round qualifying tie, Farsley Celtic won 2-1 and in the West Riding County Cup first round they registered a 3-1 victory.

In the 2010/11 season, the newly formed Farsley AFC joined the recently promoted Brewers in the NCEL Premier Division.

In November 2010, Albion travelled to Throstle Nest and a 20th minute Tom Woollard goal was the winner against the league leaders, in front of a crowd of 228.

In the last month of the season, Farsley visited Tadcaster, knowing that three points would virtually guarantee them the NCEL Premier Division championship. The Villagers raced into a 3-0 lead at halftime, with two goals from Ben Jones and one from Lee Connor. Goals from Terry Taylor (57 minutes) and Marc Thompson (73) gave the Brewers hope but Jones completed his hat-trick on 77 minutes, to give the visitors a 4-2 lead. Nick Thompson's goal for Albion, with ten minutes remaining, was not enough to prevent defeat. A crowd of 304 witnessed the seven goal thriller.

Following the 4-3 victory, Farsley were 12 points ahead of Bridlington Town, who only had four games remaining. With a far superior goal difference, the championship

had almost clinched the title.

Eleven days later the teams would meet again at Tadcaster in the NCEL President's Cup final. Farsley arrived on a 19 game unbeaten run - 18 wins - and had now won the NCEL Premier Division. They had also booked a place in the NCEL League Cup final against Winterton Rangers.

The Brewers raced into a 2-0 lead, with goals from Carl Stewart (10 minutes) and Stuart Rice five minutes later. Ryan Qualter extended Albion's lead ten minutes into the second half but Ryan Serrant pulled a goal back, with a quarter of the game remaining. There was to be no comeback for the Villagers, when goals from Graeme Whitehead and Terry Taylor, in the final 10 minutes, sealed a 5-1 victory. Tadcaster Albion lifted the NCEL President's Cup in front of a crowd of 284.

Early in the new season the clubs met for the first time in the Evo-Stik First Division North on 29th August. Farsley Celtic arrived at the i2i Stadium as the season's early leaders, having beaten Colwyn Bay (1-0), Goole AFC (3-0) and Kendal Town (1-0). After a tight encounter, the visitors maintained their 2016/17 record of not conceding a goal but lost their 100% status, with a 0-0 draw. The game was watched by a Bank Holiday crowd of 510 - the second highest in the Evo-Stik First Division North so far this season.

Tadcaster & Farsley meet in The Emirates FA Cup and a great crowd of 464 witnessed a hard fought 2-0 win for Farsley.

The away leg was in the league was a different game with Farsley showing why they are one of the favourites to go up this season. The Brewers couldn't live with Paul Walker's trickery and powerful wide play and James Walshaw's goals and went down to a 5-1 loss.
