1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

Welcome to our opponents this afternoon Scarborough Athletic for a big Boxing Day North Yorkshire derby.

We would like to extend a warm welcome to all of the players, fans and officials of Scarborough.

It felt great to get back to winning ways recently with a terrific victory away at Radcliffe Borough. It wasn't easy though by a long stretch but we got that little bit of luck that we just have not been getting in the past weeks.

We would like to thank all at Alfreton Town for allowing Tom Allan to join us on loan and fortunately, the paperwork was sorted just in time so he could play that game and what an impact he made scoring the first and setting up the other two.

Tom gives us something different from an attacking sense but actually feels more comfortable in defence which could

also be a boost for us in the coming weeks with Gregg Anderson going away on his honeymoon.

We were also very pleased with last Tuesday's County Cup victory at Yorkshire Amateur. Back to back wins will certainly give us great confidence coming into today's game.

And we can't talk about that victory and not mention the legendary Jono Greening who netted a hat-trick including a Zlatan like overhead kick. 38 years of age and still a true professional loving his football.

We hope that you enjoy this afternoon's match and have a safe journey home afterwards..

The i2i Sports Directors

Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon everyone and let me start by saying we hope you have had a fantastic Christmas. We extend a very warm welcome to Steve and his team; all the supports, volunteers and staff from Scarborough Football Club for today's highly anticipated Boxing Day fixture. We hope the game is played in the true spirit and that you the fans are able to enjoy the atmosphere here at the i2i stadium.

After a run of games that, no matter how hard we tried, we just could not gain three points, the result at Radcliffe last week was extremely pleasing. To score three times away from home gave us a sound foundation to see the game out. Josh Greening, Tom Corner and the impressive Tom Allan all getting on the score sheet in a very entertaining game. It was a brave performance and one we hope to repeat today.

Midweek saw us record a comfortable victory over Yorkshire Amateurs in the county cup. The game will surely be

remembered for a Jono Greening hat-trick, the first of which was a spectacular overhead kick executed to perfection. His second a header, whilst his third a converted penalty which he himself won leading up to it. With Andy Milne and Tom Corner scoring either side it was perhaps more comfortable than it felt at the time.

Seeing us through a tough period has been, at times hard and demanding. The players have worked hard. We have said that during difficult periods we need to show a level of togetherness, a mutual trust and respect but most importantly a belief that we are good enough. The league is tough and relentless. It demands a level of commitment and consistency that we are all working hard to achieve.

Finally I must end the year with a very special thank you to our support. Getting to know you over the last 18 months has made the journey worthwhile. We are truly blessed that so many of you follow the team around both home and away. I have had so many complements from managers across the league about the standards you are setting, keep up the good work! Thank You!

Keep it up!

Scarborough Athletic FC

Scarborough Athletic Football Club was formed on 25th June 2007 following the liquidation of Scarborough FC. The new club was set up by the Seadog Trust, a group of supporters who originally started the trust with the aim of gaining fan representation on the board of Scarborough FC. However, as a result of the old club's liquidation, the Seadog Trust moved quickly to ensure a football team continued to represent the town at the highest level possible.

On 25th June 2007, Scarborough Athletic were accepted into the NCEL Division 1 for the 2007/08 season, and an agreement was reached for the club to use Bridlington's Queensgate stadium as part of a ground share with no suitable stadium able to be used in Scarborough.

The Club appointed the experienced Brian France as manager. The former manager of North Ferriby United brought with him his son Darren as his assistant. Brian started to bring in players for the forthcoming season, favouring a mix of players from his former club, as well as some local players unearthed at an open trial held within days of the club's formation.

The club kicked off with a game against local side Edgehill at Hunmanby's Sands Lane Ground finished 0-0, before embarking in a friendly at Northallerton Town. The match finished 2-2, with Shaun Chadburn taking the honour of the club's first ever goal.

The team's first ever League match came in the NCEL Division One at Teversal on August 11th 2007. Boro fans marked the occasion by dressing up in suits to show their status of Joint Owners of the club through their membership of the Seadog Trust. Dave Thompson entered himself into the history books as he netted the club's first competitive goal, but a last minute winner saw Teversal claim a 2-1 win.

The team's first few weeks in existence saw its elimination from several cup competitions, coupled with inconsistent league form, highlights from the first season included an 8-0

thumping of Borrowash Victoria and the club winning through to the North Riding Senior Cup Semi Final. The club finished the season in a respectable fifth place.

The 2008/09 season saw the club claim its first promotion and championship, despite suffering a slow start to the league season. Boro proceeded on a tremendous run of form.

As well as the league, the club also progressed in the FA Vase, with victories over Birtley, Esh Winning, Sunderland Nissan and Blackstones, before unluckily losing to Bideford in the fourth round.

Promotion was achieved with a 2-1 win at Teversal on March 21st, with the championship secured a week later at home against Brighouse Town. Nearly 800 were in attendance to see the club lift the league trophy after the final home against Leeds Carnegie.

Promotion to the NCEL Premier Division in such convincing fashion meant fans started the new season looking for the club to challenge for a second successive promotion. The season started badly with two consecutive defeats. However, the team regrouped and produced a run of 9 successive wins, which saw the team and its fans dreaming of more silverware, but a 4-3 loss at Parkgate was the start of a collapse in the team's away form. The highlight of that season was a 13-0 win against Brodsworth.

2010/11 began with much promise, but a huge blow was suffered when manager Brian France was struck in the face with the ball at Liversedge, and later suffered a brain haemorrhage from the injury sustained. As the weeks went on it was clear Brian was going to be unable to continue, and Paul Olsson took over as manager in November 2010. Results were up and down, and in March Olsson left the club by mutual consent. He was replaced by Rudy Funk.

Funk's first season in charge saw the team have a fairly successful season, but some

inconsistent performances saw them always playing catch up to eventual champions Retford United and perennial rivals Bridlington Town, who finished ten and eleven points ahead respectively.

The 2012/13 season though will certainly live long in the memory of many Boro fans as they finally clinched the NCEL title and promotion to the Evo Stik Northern League, the majority of the squad remained, and alongside new additions Peter Davidson, Andy Milne, Jimmy Beadle and Paddy Miller, the club enjoyed a terrific season suffering only two defeats all season.

Despite this they were pushed all the way by Brighouse Town, who matched them step for step, it all boiled down to a promotion decider between the 2 clubs on a rainy day in April when more than 800 Boro fans travelled to the Dual Seal Stadium, despite a nervous first half, Boro's experience finally paid dividends and a goal apiece from Ryan Blott and Beadle saw them virtually over the line, promotion was achieved the following week with a home victory against Retford United.

The Clubs first venture into the Evo-Stik Northern League meant an upheaval of the squad with no fewer than eleven new players signing on at the start, including the major coup of Gary Bradshaw and Paul Foot. Several favorite's from the previous championship winning side departed the club. The club was placed in the Southern Section and their opening fixture was an away game at Kidsgrove Athletic. Despite having 3 players sent off they hung on for a creditable 1-1 draw.

The new players took time to bed in and the team struggled in the early part of the season, but by October they had found their feet and slowly climbed the table with some impressive displays. The also enjoyed an excellent run in the FA Trophy that ended at Conference North side AFC Telford United. In an up and down sort of a season the club managed a creditable 7th place.

The following season the club was moved to the Northern section of NPL, after a decent start to the campaign the side became very inconsistent. In November 2014 Rudy Funk resigned as manager of the club. Initially assistants Paul Foot and Bryan Hughes were placed in temporary charge before being installed as Joint Managers on a permanent basis in December 2014. The pair led Boro to a sixth placed finish in the 2014-15 season and were kept on for the following season.

After an excellent start to the season, by Christmas Boro had gone on a wretched run and were slipping further down the league table. Hughes and Foot left the club by mutual consent just before Christmas, with Matty Bloor and Chris Bolder taking temporary charge for the festive fixtures.

In January 2016, Steve Kittrick was appointed as manager and steered his new side away from relegation, with Boro finishing 20th in the final table. The highlight of the season came at the end as Boro battled through to the Integro Doodson League Cup Final against Marine.

Despite taking the lead through Callum Robinson and leading 1-0 going into the closing stages, a red card for Dean Lisles and two late goals turned the game on its head and meant Boro finished as runners-ups.

Kittrick is now into his first full season in charge, expected to be the final season playing away from Scarborough as the new Leisure Village development, including 2,000 capacity football stadium, is set to be completed by summer 2017.

Player Profiles

Jordan Porter DOB: 12.12.1994 **Goalkeeper**

Jordan has previously been on the books of Huddersfield Town, Brighouse Town and AFC Emley. In 2014-15 he joined Port Vale Reserves before moving to FC Halifax Town for the following season. Porter was released from Halifax at the end of May 2016, and shortly afterwards became Steve Kittrick's first new signing for the current season. The 22-year-old has been an ever present in goal for the club, demonstrating his shot stopping ability and confident handling from crosses.

Tom Morgan DOB: 29.03.1983 **Goalkeeper**

Goalkeeper Morgan ended last season at Shaw Lane AFC and brings huge experience to Steve Kittrick's rebuilt Boro side. He will take on a coaching role, while also fighting Jordan Porter for the number one's jersey. Morgan is vastly-experienced from spells with Farsley, Guiseley, Halifax Town, Ossett Town and Tadcaster. Morgan was Farsley's goalkeeper in their 2007 Conference North play-offs final victory.

Jameel Ible DOB: 26.11.1993 **Defender**

Jameel started the current season at Premier Division side Frickley AFC, before joining Boro in September 2016. Ible has been a constant presence in the Boro defence, apart from a three game suspension in October following a straight red card against Shaw Lane in the FA Trophy. His strong tackling and heading ability have made him a key addition to Steve Kittrick's squad.

Craig Nelthorpe DOB: 10.06.1987 **Defender**

Doncaster-born Nelthorpe began playing for Brodsworth Miners Welfare in 2003, then moved onto Frickley Athletic in 2004 before

joining Doncaster Rovers. He signed a professional contract with Rovers on June 28th 2006, going on to play ten matches for the first team, scoring 1 goal. Craig then signed for Oxford United in 2009, going on to York City, featuring in seven matches for the Minstermen. In this period he also went on loan to Barrow and in 2010 went for a short spell at Luton Town. Nelthorpe joined Gateshead in the 2010-2011 season, playing 34 matches and scoring 5 goals. In 2012 Craig joined Brigg Town and Frickley Athletic, then going on to Gainsborough Trinity for the 2012-2013 season, playing 32 matches and scoring 5 goals. His next club was Harrogate Town, where he stayed from 2013-2015, playing in 51 matches. Nelthorpe signed up with Matlock Town for the 2015-2016 season, before joining Boro in pre-season ahead of the new campaign. Craig's direct style, vicious left foot and pinpoint delivery from set pieces has made him a key player for the club.

Dave Merris DOB: 13.10.1980 **Defender**

Born in Rotherham, South Yorkshire, Merris was a member of the youth system of hometown club Rotherham United before joining Guiseley in 1998. He moved to Harrogate Town in September 1999, with whom he won the NPL First Division title in the 2001-02 season. Dave made 148 appearances and scored 11 goals for Harrogate during this period. Merris has gone on to play for a number of clubs in Yorkshire during his career, such as York City, Harrogate Town and Guiseley. The defender joined NPL Division One North club Ossett Town as a player coach in June 2014 and was appointed player-assistant manager in November 2014. Merris played for Steve Kittrick when he managed Guiseley before joining the Ingfielders in the summer of 2014, and this connection brought Dave to Scarborough Athletic in 2016. Dave has proved an excellent signing in defence with his composed displays, whilst not afraid to get down the left wing when attacking to provide a cross into the box.

Matty Turnbull **Defender**

Matty joined Scarborough Athletic in November 2016 from NCEL Premier Division side Pickering Town. He made 9 appearances for the Pikes earlier this season, scoring 3 goals. A danger from setpieces and not afraid to get stuck in, Matty has upped his game to fit in well with Boro and form a solid partnership at the back.

Dean Lisles DOB: 05.05.1992 **Defender**

Dean started his career going through the youth ranks at York City, and he was handed a professional contract at the Minstermen at the end of the 2009-10 season. During the following season he was released from York and went on loan to Stokesley. Lisles then

signed for Guiseley during the 2010-11 season, before trying his luck at Hull City Reserves. In January 2013 Lisles was involved in a nasty car crash on his way to training, breaking his ankle amongst other injuries. It was his first season for North Ferriby as they pressed for promotion to Conference North, but Dean's career was suddenly plunged into doubt. He fought his way back and signed for Scarborough Athletic in November 2014. After some ups and downs with injuries at Boro, Dean returned to football in January 2016 and was a brilliant addition, making 11 appearances, and he was awarded with the Player of the Year trophy at the end of the season.

Ellis Humble DOB: 10.05.1996 **Defender**

The former Grimsby Town youth defender joined Boro after impressing in pre-season friendlies for the club. The 20-year-old had loan spells at Cleethorpes Town and Grantham Town before joining the club in the run up to the current season. After a quiet start to the season, Ellis stepped in for the home game against Colwyn Bay after a late injury to Dean Lisles in the warm up. He is now a regular at the back, with his pace and strength key to his success.

Scott Brown **Defender**

Before joining Boro in August 2016, Brown had been playing his football in the Swedish Division Two with Sandvikens IF. The 20-year-old defender had come through the youth ranks at Doncaster Rovers.

Jamie Price DOB: 21.10.1981 **Midfielder**

Price began his career as an apprentice at Leeds United in 1997. He did not make any senior appearances for Leeds and moved on to Doncaster Rovers in July 1999. He played a major part in the success of the Doncaster Rovers youth team, signing a full-time professional contract with Rovers in 2001 and breaking into the first team, making 17 league and cup appearances. An injury suffered in November 2002 meant he missed the rest of the season. Jamie joined Halifax Town on a one-month loan in August 2003 to get in some match practice. He then joined Burton Albion in September 2004 on loan, before signing for York City. Price then went to join Harrogate Town in June 2006. Jamie signed for Bradford Park Avenue in February 2009, where he also served as assistant manager. Jamie had some short spells at Garforth Town and Ossett Town before joining Scarborough Athletic last season on deadline day, appearing in seven games at the end of the last campaign. Jamie has missed much of November through ill health, but is working his way back to full fitness for the second half of the season.

Scarborough Athletic FC

Matty Bloor DOB: 28.02.1990 **Midfielder**

Bloor started his career at North Ferriby United where he progressed through the ranks and became a first team regular during the 2007-08 season, a year in which he went on to captain England Under-18s at Wembley Stadium. Matty then joined Frickley Athletic for the first time at the start of the 2009-10 season, before moving on to Goole AFC where he captained the side in 2011-12. He then returned to Frickley for a second spell at the club before joining Scarborough in July 2015 Bloor made 18 starts for Boro last season, and was also handed the role of caretaker manager after Paul Foot and Bryan Hughes left the club in December 2015. Matty has struggled injuries but has shown he has the talent to run the game from the middle of midfield.

Niall Flint DOB: 01.08.1997 **Midfielder**

The former Shrewsbury youth player is in his second spell at Scarborough after spending much of last season with Boro. Following a short time at Burscough at the start of the new campaign, Flint made the move back to the East Coast. Having previously played under manager Steve Kittrick at AFC Telford, Flint has proved adaptable at playing in a number of positions, appearing at right-back, on the wing and in the middle of midfield when required.

Adam Bolder DOB: 25.10.1980 **Midfielder**

Adam joined in pre-season from National League side North Ferriby United. The 35-year-old has previously played for Hull City, Derby County, Queens Park Rangers, Sheffield Wednesday, Millwall, Bradford City, Burton Albion and Harrogate Town. Adam is an experienced midfielder who is able to pick a pass through the opposition defence and will help win the ball back in the middle of the park.

Cameron Murray Winger DOB: 21.03.1995

A very intelligent footballer with terrific potential, Murray played much of the 2014-15 season for Boro before going on to join FC United in August 2015 after impressing on trial. After appearing four times for the National League North side, the 21-year-old signed for Stalybridge Celtic in January 2016, before returning to Boro in October 2016. A former York City youth team player, Murray has used his trickery and pace to cause problems for opposition defences down both flanks, as well as finding the back of the net on his return for Boro against Ramsbottom United.

Benny Igiehon DOB: 03.11.1993 **Striker**

Benny joined the club following an impressive pre-season up front, scoring goals in friendlies against Harrogate Town and Frickley Athletic. His hard working attitude, strength and ability with the ball at his feet have made the striker

a firm fans favourite among the Boro faithful. Igiehon had signed for Alfreton on a one-year deal in September 2014 having previously played for FC Solothurn and FC Langenthal in Switzerland. The 22-year-old enjoyed short loan spells at Goole AFC and Bradford Park Avenue during his time with The Reds before spending last season at Sheffield FC.

Alhassane Keita **Winger**

The Guinean winger joined the club in pre-season before suffering a nasty fractured leg injury in the pre-season friendly against Pickering Town. His pace and trickery in the short time he has been with the club has excited the Boro fanbase as Alhassane continues his return to full fitness.

Jake Day **Striker**

The striker joined the club after an impressive scoring record at Humber Premier League side East Yorkshire Carnegie. Jake is a hard worker who has added a different threat with his height when coming off the bench.

Jacob Hazel DOB: 15.04.1994 **Striker**

The 22-year-old recently completed a three-month loan at Farsley Celtic from National League North side Gainsborough Trinity, scoring against Boro to equalise in the game at Throstle Nest back in November. The forward scored 4 goals in ten appearances during his time with the Celts. Hazel started his career at Chesterfield FC where he made a number of first-team appearances. Whilst at Saltergate, Jacob went out on loan to a number of teams including Matlock Town, Workington, Norwegian club Sprint-Jeløy, Buxton and FC United of Manchester. After leaving Chesterfield he joined Ashton United before a move to Mickleover Sports, where he scored 18 in 32 games for Mickleover Sports to help them win the Evo-Stik First Division South. Hazel then enjoyed a successful year with Frickley Athletic last season, scoring 23 times including 19 goals in the league, prompting a move to Gainsborough Trinity at the start of the 2016/17 season. Jacob has also gained international honours for St Kitts and Nevis, recently representing the Caribbean nation in a friendly against Estonia. Players currently out on loan / long term injury

Joe Lamplough DOB: 18.02.1990 **Defender**

Joe started his career playing for Hull City Under-19s, earning a contract and first team squad number 38, but was released in January 2010. When Joe left the Tigers, he had a serious back operation and it took him a while to get back playing football again. Lamplough moved on a free transfer to Mansfield Town, but the versatile left-sided player struggled for regular game time due to injury. He moved to Sorrento FC (Spain) in January 2011 and to Jerez Ind. in January 2013. He also had shorter spells

in Denmark and Australia before returning to England. In the summer 2012 he had a trial at Hartlepool United, and after playing a pre-season friendly against AFC Telford United, the visitors liked what they saw and offered him non-contract terms. Joe made his debut for the Bucks as a second-half substitute against Southport in 2012. Joe signed for Scarborough Athletic on 1st October 2013. But Lamplough's stay at Boro has been blighted by injuries. He initially ruptured his quad at Goole on Boxing Day 2013, and after recovering from that, suffered a hernia and ligament release in the groin during the 2014/15 season opener at Salford City. He was sent to Rudy Funk's AFC Mansfield to recover his fitness before returning to Boro. Last season he managed to play 16 (+11) matches for Scarborough.

Paul Robson DOB: 04.08.1983 **Defender**

Robson was on the books of Doncaster Rovers as a youth team player until 2001, when he joined Charlton Athletic and became an integral part of the reserve team system. His contract was extended in 2002, but with an injury disrupting his 2002-03 season, he failed to break through to the first team. In June 2003 20-year-old Robson was released. Paul then went on to sign for Northern Premier League team Bridlington Town (3 matches) for one month before heading to America in 2005. He joined Long Island Rough Riders (46 matches, 1 goal) in 2006 and stayed with the club through to the end of 2007. He left to join Crystal Palace Baltimore in 2008. He was not offered a new contract in January 2009, but the club re-signed him in March 2010. On July 28th 2011 Robson was back in Britain and signed a professional contract with Conference side Newport County, but left the club in October. Paul signed with Lincoln City in January 2012. After helping keep Lincoln City in the Conference National with some impressive performances, Robson signed a new contract with the club until May 2013. However, Robson left Lincoln by mutual consent and swiftly linked up with North Ferriby United, appearing in 51 matches and scoring 1 goal. Robson is now in his 3rd season at Scarborough, making 32 starts last season and 2 substitute appearances.

Callum Robinson DOB: 07.07.1996 **Midfielder**

Callum started his career at Grimsby Town's youth team, but was released in May 2014. Following this he went on loan to Harrogate Railway, playing in four matches. Callum joined Scarborough Athletic in February 2016, going on to score the opening goal in the Integro Doodson League Cup Final defeat to Marine.

Match PREVIEW

After going over a month without a win, Billy Miller's men have bounced back into form recording consecutive victories.

As aforementioned, Taddy and Boro have already met this season in the Emirates FA Cup. The visitors on that day looked to be in complete control at the break leading 2-0.

But Miller galvanized and regrouped his side at half-time and they then produced a stunning second half comeback to win 3-2 thanks to goals from Rob Youhill, Josh Greening and Tom Corner.

Team News: Defender Andy Milne is a doubt after twisting his knee at Yorkshire Amateur. Gregg Anderson will definitely be missing as he jets off on his honeymoon. New signing Tom Allan set to come back into the side.

Boxing Day always offers up plenty of fantastic derby games, and this one is no different as The Brewers welcome Scarborough Athletic to the i2i stadium.

Scarborough boss Steve Kittrick will most definitely be gunning for revenge after getting knocked out of the FA Cup by the Brewers back in August surrendering a two goal lead. The Boro currently sit in 6th place in the Evo-Stik Division One North four points off current leaders Lancaster and Ossett Town.

Three points for the Brewers today could see the gap between the two sides reduced to four as the second half of the season kicks into action.

NEWS TAFC CLUB

The former York City pro only found out he was eligible to play hours before kick-off, but that certainly didn't affect his performance.

The Brewers signed the defender/midfielder on a one month loan deal from National League North side Alfreton Town to gain match fitness.

"My move to Taddy came about because I needed to get match fit as I haven't featured for Alfreton in a month. I spoke to Michael Ingham and it just materialised from there" said Allan. Coming in at 6"4, Allan has predominantly been used as a centre-back but his parent club have seen something different in the player and are looking to mould him into a left winger.

"When I started playing football full-time I was a centre-back/left-back but it's only this year that I've been playing left wing. I like both positions but I think I'm best in defence because I am still learning my positional sense for midfield."

As previously mentioned, it was unsure whether the deal would go through in time for the new signing to mark his debut at Radcliffe Borough. "I went to bed Friday night like any other game. When I woke up I got a message off the gaffer saying that the paperwork had gone through so my mind was always on the game from then on."

Allan made his Taddy debut in the 3-2 victory away at Radcliffe Borough on Saturday; scoring one and playing a part in the other two.

"Looking back at my debut I am really pleased with how I played. I settled in pretty quickly I thought and I can't wait to play the next game." Following the long overdue victory at the weekend, Tadcaster boss Billy Miller spoke about the signing.

"It was just by sheer chance that Tom ended up on the left-hand side as after having a conversation with Tom and Russ [Alfreton Manager] about where they wanted him to play."

"We had originally brought him as cover for Gregg Anderson who is going to get married next week and will be away."

"Great start for him though, great lad, great attitude and did really well. Tired towards the end as you'd expect but he's not played a lot of football recently but it's a great start for Tom and if he continues that I'm sure he'll achieve what he needs to achieve and he'll be back with his parent club within a month."

Allan and co will be in action at Yorkshire Amateur tomorrow night for a rescheduled West Riding County Cup tie (7:45pm).

Tadcaster Albion AFC (The Brewers)

<https://twitter.com/TadcasterAlbion>

Manager Billy Miller made two changes to last week's defeat to Lancaster City with Gary Stevens returning in goal and a start for new loan signing Tom Allan.

Allan is a centre-half who has recently been moulded into being a left-winger and that is where he started on his Taddy debut.

Coming in at 6"4, Allan is certainly one of the tallest wingers in, well, football alone.

And the man on loan from Alfreton should have opened his account for the Brewers after just eight minutes.

Tom Corner's powerful flick on was misjudged by Alex Ahmed and dropped kindly for Allan who fired narrowly wide from twelve yards.

Borough began the contest seeing more of the ball as they persisted on playing out from the back and an outstanding sliding block from Josh Barrett kept Stanislav Zhekov and the home side at bay.

The home side may have been enjoying more spells in charge of the football but it was Taddy who were creating all of the chances as Josh Greening's out-swinging free-kick somehow evaded Dan Thirkell and Tom Allan.

With almost half an hour played, Miller's men continued to look dangerous going forward. Carl Stewart's inviting cross was latched onto by Corner who couldn't quite force beyond a mixture of Kpohomouh and goalkeeper Ryan from a couple of yards.

The ball then popped out to Josh Greening who attempted a Cryuff flick finish but asked for a penalty after colliding with Alex Ahmed. The appeals weren't strong and referee Simpson wasn't convinced.

Two minutes later and Radcliffe Borough took the lead against the run of play.

Goals from debutante Tom Allan, Josh Greening and Tom Corner saw Tadcaster see off Radcliffe and win for the first time in over a month.

Skipper Lassana Nalatche tried his luck from thirty yards and his luck was certainly in as it took a wicked deflection off Andy Milne and past Gary Stevens into the back of the net.

Number nine Raul Corriea was looking a threat for Boro up front and he came close to putting them further in front on a couple of occasions.

First of all Corriea was brilliantly denied by Gary Stevens who was rapid off his line to narrow the angle before the forward then missed the target sixty seconds later.

With seven minutes to go until the break, Taddy did then deservedly draw level through debutante Tom Allan.

Allan used his strength to bully Nalatche off the ball before hooking his foot around the ball and firing exquisitely into the bottom right-hand corner.

The Brewers came out and started the second half meaning business as the Borough were caught napping.

Josh Greening drove into the penalty area and hammered a right-footed effort through Ryan in the Radcliffe goal who will be disappointed with his efforts.

And less than two minutes later Taddy were firmly in the driving seat as Tom Corner netted his eleventh goal of the campaign, and what an aesthetically pleasing goal it was.

Tom Allan skipped beyond his man on the left flank before hanging up a cross towards the towering figure of Tom Corner.

Corner then tremendously used all of his neck muscles to loop his header up and over the full stretching Ryan from all of fifteen yards.

A goal and two assists on his debut for Tom Allan prompted the travelling Taddy fans to humorously start calling him Allan-autovic.

But the momentum then swung back in the favour of the home side as striker Raul Corriea reduced the deficit to just one after firing low into the bottom corner.

This goal sprung Radcliffe into life as the crowd roared their side on and confidence was clearly growing.

The introduction of Conor Sellars almost paid off within 90 seconds as he turned his man inside and back, inside and back before sliding a through ball to Josh Greening who saw his vicious shot tipped over with the faintest of touches.

Credit to Radcliffe however who continued to believe in their philosophy of playing out from the back, even when trailing with few minutes remaining.

This was definitely something you don't see every week in non-league football, or league football for that matter, very refreshing to see.

Borough's big chance fell to defender Nalatche in the dying embers.

A dangerous cross from the left squirmed past Stevens to captain Nalatche at the back post who could only direct his shot onto the upright.

Conor Sellars and Adam Baker had glorious chances to make sure of the points in stoppage time but both were denied by goalkeeper Ryan.

But fortunately for the Brewers it did not matter as they held on to a much needed victory going into a tough Christmas period.

i2i International Soccer Academy **v** Durham University

Date: Wednesday 1st February 2017 Time: 13:00

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with ex-Premier League's Bryan Hughes.

The team have only known each other three months but are making great progress day by day, week by week and have been outstanding in their first term.

On Monday night they suffered just their second WRCFA U21 defeat of the season losing 4-0 on a miserable and foggy night in Leeds.

On Wednesday they played their final BUCS University match before heading back home for the Christmas break. They entertained

the University of Sheffield at the Haxby Road Sports Park and were unfortunately on the wrong end of a seven goal thriller.

The Soccer Academy worked tremendously hard throughout the 90 minutes and battled hard to pull it back from 3-1 to 3-3 thanks to a double from Michigan man Nick Massey.

With the game on a knife edge and both sides gunning for the elusive fourth goal, it could have easily gone either way with chances missed at both ends.

But it was Sheffield that netted the pivotal seventh goal in the last minute.

Greening Hat-Trick Inspires Tad To Cup Victory.

Former Premier League star Jono Greening netted a sublime second half hat-trick as The Brewers advance in the County Cup.

Manager Billy Miller changed his side around and made six changes to the win at Radcliffe Borough. Jordan Armstrong, Liam Shepherd, Fatlum Ibrahim, Adam Baker, Conor Sellars were all handed starts plus, there was a return for Jono Greening.

And Greening almost marked his return with a goal inside sixty seconds. Conor Sellars cut back on his left-foot and curled in an inviting cross to Greening who flicked goalwards but Amateur goalkeeper Suwara Bojang reacted well to push wide.

The Brewers well and truly dominated the first fifteen minutes as the home side struggled to get a hold of the ball.

Taddy could have easily been two or three goals to the good inside the opening ten minutes as Carl Stewart and Dan Thirkell both saw their headers miss the target.

However Miller's men did in fact take the lead after 22 minutes as captain for the night Andy Milne brilliantly controlled Josh Barrett's flick-on before lashing past Bojang and into the back of the net.

Yorkshire Amateur did grow into the game as the first half went on but Gary Stevens never looked troubled.

It all appeared to be going swimmingly for Taddy but right on half-time they were dealt a blow as defender Andy Milne twisted his knee after a me-lee in the six yard box.

Milne was then replaced by Jason Mycoe at the break as Dan Thirkell dropped back into defence to partner Josh Barrett.

The NCEL Division One side began the second half with greater purpose as James Rothel and Carl Heard both came close to levelling the cup tie.

As the contest heated up, the home side came even closer to gaining a foothold as Carl Heard raced in behind but was denied superbly by Gary Stevens and then Josh Barrett.

Heard's double denial proved to be pivotal as just three minutes later Tadcaster doubled their lead and in some style too.

Jason Mycoe's lofted free-kick was headed towards the penalty spot by Ibrahim and Jono Greening perfectly executed an exquisite overhead kick past Bojang in the Amateurs goal.

The celebrations were somewhat short lived though as the Leeds based outfit responded immediately. Gary Stevens did well to save the initial shot but Carl Heard turned in the rebound at the back post.

And incredibly, it was almost two a piece a mere thirty seconds later but a tremendous point blank stop from Stevens kept the Brewers in front, just.

Having said that, the cup tie was effectively over in the 74th minute as substitute Tom Corner crossed perfectly onto the head of Greening who powered in his second of the evening.

This third goal certainly dampened Yorkshire Amateur's spirits as Taddy looked to pounce immediately.

It was almost further joy for Tadcaster and Greening two minutes later but Bojang did well to push over the midfielder's fierce strike.

The fourth goal was inevitable and it did indeed arrive eleven minutes from time as that man Jono Greening completed his hat-trick from the penalty spot.

Greening won the penalty kick after cleverly flicking around the corner leading to the Amateur defender handling the ball.

There was no doubting who would step up to take the spot kick and there was no doubting the outcome as Greening coolly stroked into the back of the net.

Greening was revelling in the more attacking role and he almost netted a fourth for himself after audaciously touching past the committed defender but Bojang did well on this occasion.

The Brewers sealed the victory with a fifth goal right on a final whistle as Tom Corner raced down the right-hand side channel and fired low into the back of the net.

Half-Term Report A Fans Column

"If you fail to prepare, prepare to fail!"

So the old adage goes... Watching as the lads went through their pre-match warm up routine last week, I couldn't help but be reminded of how "professionally" teams are prepared for kick-off these days – even those at semi-pro' level.

After some initial stretching, the entire squad (minus the 'keeper) are directed through a series of carefully-choreographed shuttle runs designed to make them twist, turn and jog, warming up all the major muscle groups in turn. Most teams then tend to move across to a pre-designed 20 x 15 yard area neatly bordered by brightly-coloured disks, where they don "high-viz" bibs and take part in a 7-a-side game (often two-touch) in which no goals are scored. The aim being for outfield players to progress towards "match-sharpness" with the emphasis placed on passing, moving, ball-control, retaining possession and closing down and pressing in a confined space.

This is often followed by each department of the team breaking off to focus on practising the skills especially relevant to their roles in the team. Strikers having some shooting practice into an empty net. Midfielders

knocking passes back and forth across the park. And some teams even set up the back-four in formation and send in a variety of long-balls and crosses for them to deal with as a defensive unit. All this time, the goalkeeper will have been put through his own personalised routine, usually well away from the actual goalposts, so as to protect the goalmouths, immaculate as they usually are these days.

The entire warm-up programme tends to take around thirty to forty minutes. Contrast this with days of old!

In the "Swinging Sixties" it was apparently commonplace for the great Jimmy Greaves to arrive in the changing room at a quarter-to-three (on a good day!) wearing his dishevelled Carnaby Street suit from the night before and regaling his team mates with tales of his latest off-field exploits. Then at ten-to-three he'd think about putting on his kit, knock a ball against the dressing room wall a couple of times, do a quick keepy-uppy routine and then proceed out to the pitch where he'd invariably run rings around the opposition and score a sack-full of goals!

Even in the Seventies, many teams tended to remain holed-up in the dressing room until five minutes or so prior to kick-off, whence they would emerge in their own time with perhaps 2 or 3 balls to share between them. Pride of place would be given to the main striker who would fire shots at the goalkeeper (actually IN the goalmouth). The rest would simply do their own thing. The only "nod" given to limbering up would be a few vigorous lunging groin stretches which triggered

memories of Monty Python's "Ministry Of Silly Walks"!

Fast-forward to the Eighties and I remember one young striker, who was just establishing himself in a Football League team not a million miles away from here, confiding that (with the then-manager's full encouragement!) it was standard practise for a bottle of Scotch to be passed around the changing room pre-match, to ensure everyone was fired up for the battle ahead. "Team spirit" they called it! It certainly did them no harm at all as they enjoyed 3 or 4 seasons of success almost unparalleled in the history of the club!

With the advent of the Premier League and the influx of a large number of clean-living overseas players and coaches, the mid-Nineties heralded the start of a completely new era in football. There is no doubt at all that modern-day footballers are fitter, stronger, faster, healthier and far-better prepared to give of their very best on the field.

And one thing IS for sure... Ahead of a Boxing Day North Yorkshire derby at home to one of the better sides in this division, our lads will have no need of any LIQUID "team spirit" to be fully fired up for today's clash. The opportunity to claim 3 points, local bragging rights and continue our climb towards a play-off place will be all our boys need to pull together and get stuck into Scarborough Athletic this afternoon – Come on you Brewers!

U21's Back To Winning Ways

Tadcaster Albion U21's put in a convincing performance against Garforth Town U21's on Monday night and returned to winning ways thanks to goals from Dan Davison, Sean Hunter and Joe Wales. The young Brewers broke the deadlock after just four minutes when Dan Davison sprung the offside trap, kept his cool, rounded the goalkeeper and tapped into the empty net.

Taddy were in complete control from the off dominating possession and keeping their opponents penned in their own half. Their lead was almost doubled after just seven minutes when Matty Savage's tame effort was parried by the Garforth stopper and somehow neither Davison nor Hunter managed to scramble over the line. The visitors were under immense pressure as they struggled to get out of their own half and the contest could have been all but over inside ten minutes as Dan Davison squandered two good chances after being released in behind.

The inevitable second goal did arrive in the 18th minute when Sean Hunter flicked in at the near post from an in-swinging corner. Despite the somewhat drab start from the away side, they did work back into the match and did pull a goal back just short of the half hour mark. The advancing midfielder drove into the box and clipped a cute curling effort into the far top corner.

It's been a case of not putting chances away for both the U21's and the first-team in recent weeks and the game could have definitely been done and dusted if Tad's youngsters were a little more clinical in front of goal.

Taddy started the second half like the first, like a house on fire and somehow they didn't re-establish their two goal cushion two minutes into the half.

Harry Sheppeard was getting plenty of joy bombing down the right wing time and time again and the defender almost got himself an assist. The 16 year old drove to the by-line, pulled it back towards Woodhead, three yards out but was denied by an outstanding last ditch tackle from a Garforth substitute.

The three points were almost in the bag when Taddy did make it 3-1 in the 57th minute. Matty Savage's clever reverse through ball was latched onto by Davison who was incidentally brought down by the goalkeeper.

Joe Wales was the man to step up and he made now mistake sweeping low into the bottom left-hand corner.

Substitute Simpson and Joe Wales both came close to adding gloss on the scoreline but it ended Tadcaster Albion U21's 3-1 Garforth Town U21's.
