## TADCASTER ALBION V MARSKE UNITED

SPONSORED BY

# Formed in 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th. In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title. In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**. In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third. An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by High-worth Town. At the end of the season, the club opted not to renew their contract with manager Paul Marshall, two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers started their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy Miller was back in his old stomping ground and his experience and knowledge of this division was needed.

The Brewers started the season well and were in the play-off spots, then injury problems hit the team and the season seemed to run away from them.

They finished 19th in the league. The Brewers had a great chance for silverware in the West Riding County Cup Final, the game finished 1-1 but they lost out to Farsley Celtic 4-2 on penalties.

At the end of the 16/17 campaign the Directors made the tough decision to change the management team from Billy Miller and Matt Heath to Michael Morton and Simon Collins bringing it more in-house. In the 2017/18 season the new-look management team took a couple months to adapt to the league and mould the squad that they wanted. However it didn't take them long to find their feet as the fortunes took a turn for the better after the new year with Michael & Simon steering the club to its highest ever finish reaching the Evo-Stik League play-offs after a dramatic final day. This once again brought massive excitement amongst the club and town but unfortunately it ended in semi-final defeat 2-1 at Bamber Bridge despite taking the lead and putting in a valiant performance.

There's no doubting that the club is going in the right direction as the 2018/19 season sees the Brewers move into the Evo-Stik East Division after the league switched from a North/South divide to an East/West split. Can the club improve again this year...

## Director's · NOTES

Good afternoon and welcome to the i2i Stadium for today's Evo-Stik East League match against Marske United.

We would like to issue a warm welcome to all of the players, staff, officials and supporters of Marske as well as a safe journey back home later this evening.

When we travelled up to Redcar on a chilly Tuesday night back in September, it was probably one of our most annoying defeats this season. It was a game in which we looked so comfortable in, Lamin Colley gave us the lead at the start of the second half before two goals right at the death saw us travel home empty-handed and bitterly disappointed.

You could say it was a prominent story of our season in the respect that we played very well for so long before a slight switch off sees us punished. We can't begin to dwell on this though as we can only look forward and focus on one game at a time.

It was vitally important that we put the Sheffield result firmly behind us last Saturday winning at

Loughborough. The performance for us wasn't the priority, it was all about getting back to winning ways however which way we could, and we did that thankfully. Guess we can pass on some thanks to Pete Davidson who was passionate about getting Jack Walters in the box on set-pieces and boy did it come to fruition. Two headers from set-pieces and almost a hat-trick saw the left-back open his account for the Brewers – got a feeling he might be in the mix again today.

Yes we've had a few disappointing results to start 2019 but we are still in a good position and still stand a great chance of reaching the play-offs come April 27th. There'll still be lots of twists and turns, it happens every year so we aren't getting too carried away nor are we getting too worried, we'll just continue to take one game at a time.

At the time of writing this we aren't aware of the result of the Buildbase £100K Transfer Deal down at Wembley Stadium, but whatever the outcome we would like to say a massive thank you to everyone who voted for us and also

Sanderson for representing the club in such fantastic light on the day.

Don't forget that Tadcaster Albion now have their very own Lottery in which you can support the club as well as being in a chance of winning £25,000! If interested just head to our website [www.tadalbion.com](http://www.tadalbion.com) for full details and information on how to sign up.

Finally, this is your last chance to book your tickets for our Evening with Tony Dorigo next Wednesday. The event begins at 7pm with tickets just £25 per person which includes your dinner and the prize draw. If interested please call Kevin Derry on 07836 712708. Please support what is sure to be a great night at the club.

We hope you enjoy the match!

Come on Taddy!

## Manager's · NOTES

**Michael Morton & Simon Collins**

Welcome along to Tadcaster Albion AFC for this afternoon's match as we take on Marske United looking to build on last week's victory.

We would like to extend a warm welcome to the staff, players and officials of Marske to the i2i Stadium today as well as a safe journey home later this evening.

After picking up our ninth away win of the season last week at Loughborough, we need to start picking up more points at home if we are going to put up a good challenge of making the play-off places. We know that four wins out of thirteen at home isn't up to the standards that we set, thankfully our form on the road has been excellent though winning nine out of fourteen.

Little things have been going against us recently, we showed great fight and character to pull it back against Sheffield

before a quite incredible left-foot volley from the centre-half saw us lose. Joe's unfortunate penalty miss is another one too, you can't really legislate for that, if he scores that we probably go on to win the game comfortable but it wasn't to be.

Last week's victory at Loughborough was pivotal for us to get back to winning ways after a couple of damning defeats to teams in and around us in the table. We started very well coming out of the blocks nice and sharp and could have gone two goals up if we were a bit more clinical in the final third. Obviously momentum swung slightly, the big man [Michael Ingham] made a couple of vital saves before we got a bit of luck with them missing a penalty. After that we controlled the second half before netting the winner late on.

It was mentioned post-match but Pete [Davidson] was quite keen to get Jack [Walters] in the box on set-pieces and it was a bit of a masterstroke really scoring twice from corner kicks. Hopefully he

can continue to get joy in the box and maybe get a few more before the season concludes.

We've found it tough since the turn of the year, we've played well in the main but there's still a long way to go yet, certain teams will make a massive charge up from mid-table and some will drop off, we just have to make sure that we keep picking up points staying in touching distance with the teams above us.

Hopefully last week's win will give us a confidence boost ahead of today's contest against a very good and strong outfit in Marske.

Thank you for your continued support, please keep it up both home and away, it means a lot to the management and the players.

Enjoy the game!

# Team · HISTORY

Marske United

The club was established in 1956 by members of Marske Cricket Club and initially played in the Cleveland League and then the South Bank League before moving up to the Teesside League in 1976. The Seasiders won both the Teesside League and the North Riding County Cup in 1980–81 and were league champions again in 1984–85, after which the club moved up to the Wearside League. The following season saw the club win the North Riding County Cup for a second time.

Marske were runners-up in the Wearside League in 1993–94 and 1994–95, a season that also saw them win the North Riding Senior Cup and the League Cup. They went on to win the Wearside League title in 1995–96, as well as retaining the League Cup. After finishing as runners-up again in 1996–97, the club were promoted to Division Two of the Northern League.

In their first season in Division Two they

finished third and were promoted to Division One. The club were relegated back to Division Two at the end of the 2003–04 season but were promoted to Division One in 2010–11 after finishing third. They won the League Cup in 2013–14 beating Whitley Bay 2-1 after extra time in a game played at St James' Park to celebrate 125 years of the Northern League and were Northern League champions the following season though promotion wasn't taken as the club had not applied. Division One runners-up in 2015–16, in 2017–18 they reached the semi-finals of the FA Vase for the first time in their history, losing 3–2 on aggregate to Stockton Town. The 2017–18 season saw Marske win the Division One title again, earning promotion to Division One East of the Northern Premier League and to Step 4 of the Non-League System for the first time in their history.

## REPORT | Walters On-The-Double As Taddy Return To Winning Ways

Jack Walters' first goals for the club reignited Tadcaster Albion's play-off hopes after a 2-1 win at Loughborough Dynamo.

by Jay Taylor

With few options to choose from, Taddy's side pretty much picked itself as Simon Collins named an unchanged team from the one that lost to Sheffield FC in midweek.

Albion have fared much better on the road this season and they got off to a confident start in Leicestershire with Pete Davidson sweeping out to an unmarked Casey Stewart on the left but his first-time effort curled straight into the arms of Charlie Taylor.

Stewart and Joe Lumsden were showing promising signs in the opening stages linking up cleverly on 4 minutes only for the former to just be snuffed out inside the penalty area.

The hosts were then awarded a penalty kick after quarter of an hour as Paddy Miller was adjudged to have pushed Luke Foster. Dynamo danger-man Karl Demidh stepped up but got it horribly wrong blazing wildly over the mark giving Albion a lifeline.

Demidh's dreadful attempt didn't seem to deter Loughborough however as Josh Riley played Alex Steadman clean through on goal but was outfoxed by the experienced Taddy skipper Michael Ingham who brilliantly waited until the very last second before saving with his feet.

The giant Northern Irishman was called into action again on 25 minutes when a short back-pass by Ellis Barkworth saw the goalkeeper unsure whether to come out or not, he chose to storm out which turned out to be the correct choice brilliantly smothering the shot.

After a good spell for the home side, Taddy responded well and could have opened the scoring themselves on the half hour mark. Corey Roper struck a perfect raking ball over the top picking out the advancing Joe Lumsden who jinked past his man a couple of times but the eventual shot was again straight at the gleeful Taylor.

This was now the Brewers' time to turn the screw as another clear-cut opening was squandered. After Lumsden fairly challenged the goalkeeper, Savory poked past the Loughborough number one back to Lumsden but his tame prod goalwards was comfortably cleared off the line by Foster.

Anguish quickly turned to delight though as Taddy did open the scoring on 35 minutes. Defender Jack Walters hadn't scored for Tadcaster before today but he opened his account from the resulting Casey Stewart corner leaping like a salmon to thunder an unstoppable header into the back of the net.

The travelling Albion faithful were in fine voice at this point however anguish returned in a matter of seconds as Loughborough replied immediately, 18 seconds to be precise. Ryan Robbins used all of his experience to power his way into the box before arrowing hard into the bottom corner drawing the contest all square again.

Dynamo continued to pose a threat from set-pieces with centre-back Luke Foster being the main target but a couple of important headers and blocks saw the two sides go in level at the break.

Taddy began the second half in the ascendancy as they looked to regain the lead. Corey Roper was enjoying his afternoon in midfield as another brilliant switch of play out to Casey Stewart created another chance, but the shot deflected over. With Walters buoyed by scoring his first goal of the season, he had the ball in the net again from the resulting corner but a free-kick was given for a foul somewhere in the melee.

With the match three-quarters complete, it got a little bit bitty with referee Mr Myatt going through a spell of awarding a countless amount of soft free-kicks denying either side the chance to gain some momentum. With 25 minutes left on the clock, Taddy looked the more likely side to claim maximum points with the vast majority of play occurring in the Dynamo half. Pete Davidson did well to skip up the by-line before stinging the hands of Taylor and Howarth couldn't guide his header back on target.

The travelling supporters were doing all they could behind the goal cheering their side on throughout the second half. Joe Lumsden held off his man well and teed up Aiden Savory who had a clear shot at goal from 23 yards out but he dragged his effort wide of the mark.

The pressure was intensifying on the Loughborough back-line as the Brewers went for the jugular. Casey Stewart was impressing down the left with his clever tricks and he did superbly to dance up the by-line before a ball rolled out to the edge of the box dying to be hit and Corey Roper duly obliged hitting a rocket only for a couple of ricochets to take the sting out of the shot.

However the pivotal winning goal arose nine minutes from time when another Casey Stewart corner kick was turned home by left-back Jack Walters, not quite as stylishly as his first but it didn't matter. You wait all season for your first goal then two come along at once, like London buses.

Remarkably, Walters came incredibly close to sealing his hat-trick in the closing stages when springing higher than everyone else in the box but his header was hooked off the line.

Tadcaster had their goalkeeper to thank in the first half but the second 45 was controlled seeing out a much-needed three points to keep them within touching distance of the play-offs.

# TAFC PLAYER INTERVIEW

## Roper Relaxed Ahead Of Run-In

This week's featured player is midfield general Corey Roper who is still confident of reaching the play-offs come April.

Taddy returned to winning ways last week with a 2-1 victory away at Loughborough Dynamo thanks to a brace from full-back Jack Walters.

"After the disappointment of the Sheffield game, last Saturday's win at Loughborough was massive for us and a big confidence booster for the lads. However today is equally as important as we need to back last week up with another victory to push for the play-offs.

"It was a massive lift for us after recent results, we just haven't been getting the rub of the green in games or the performances haven't quite been there, but we know as a group what we are capable of producing."

Albion's home form has been a stumbling block this campaign winning just 4 out of 13, but is it playing on the mind of Corey?

"No I think the performances have been good, barring the first half against Sheffield. We have played some good stuff this year both home and away so hopefully this Saturday will be no different and we come out with the right result."

Corey isn't in the side to score goals, but having yet to

open his account this season, he thought the time was last week at Loughborough when he hit a cracker from just inside the box.

"Haha yes, I thought it was my moment to be honest. In recent weeks the gaffer has altered the formation slightly which has moved me further up the pitch rather than holding in front of the back four. Hopefully this will allow me to get forward and get involved a little more when attacking."

With the race for the play-offs hotting up in the Evo-Stik East, is the former Leeds United youngster confident?

"Definitely, every team has a dip in the season and I think we've had ours now. With one or two games being the exception, performances have still been good this year so I am confident that come the end of the season we will be in the play-offs."

Tadcaster Albion look to record back-to-back victories for the first time in 2019 this afternoon as Marske United visit the i2i Stadium for a North Yorkshire Derby.

Last Saturday's 2-1 victory at Loughborough Dynamo was Albion's second win of the calendar year keeping them within touching distance of the play-offs. Jack Walters hadn't scored for the club until last week where two came around at once for the defender ensuring the Brewers returned to Yorkshire with the points.

The visitors are without a win in three in the league however they did pick up a respectable point against fourth place Pontefract

Collieries last time out drawing one apiece.

The Seasiders are having a good season in their first year at this level sitting 10th in the Evo-Stik East just six points behind the Brewers with a game in-hand.

When the two sides met back in September, Taddy looked to be on course for the win after Lamin Colley's 48th minute opener however the hosts had other ideas as late strikes from Jamie Owens and substitute Damien Stevens saw Marske win 2-1.

Taddy will be hoping that league leaders Morpeth do them a favour by beating Ossett United as a win over Marske would then see them reclaim the final play-off spot.

Tony Dorigo enjoyed an incredibly successful career in professional football making 535 appearances for some of the biggest clubs in the world. The Australian-born defender was first taken on by Aston Villa after writing to 14 top flight clubs in England asking for a trial. Dorigo went on to feature over 100 times for the midlands side scoring two goals. His appearance tally would only go on to increase too after running out almost 150 times for Chelsea, winning Player of the Year in his first year before moving on to Leeds United in 1991. In his first season with the Whites he won the First Division title as well as winning Fans' Player of the Year. Dorigo enjoyed eight years at Elland Road accumulating 171 appearances before moving on to play for Torino, Derby County and Stoke City. Despite being born 'down under' by his Australian mother and his father being Italian, the solid defender went on to represent England at International level picking up 15 prestigious caps, one of which being at the 1990 World Cup. Dorigo retired in 2001 at the age of 35 where he went on to work in media as a pundit/commentator for ESPN, Al Jazeera and many more.

# SPORTS TRAIIDER

CREATING A LEVEL PLAYING FIELD

Sports Traider Charity, Registered Charity No. 1156175

Youth-focused charity offering young people the kit and support they need to discover and fulfil their sporting ambition and potential.

**Sports Traider has established the first chain of charity retail shops in the UK that specialise in sports kit and equipment. The aim is to make clothing and sport equipment affordable to all, and at the same time generate a sustainable source of funding to help disadvantaged young people participate in sport.**

Each year Sports Traider Charity organises a number of events to engage with the sporting community to raise funds and awareness of the charity.

The charity is heavily reliant upon donations, both cash and equipment, from the goodwill of members of the public, and corporate businesses. These are received through UK Virgin Money Giving,

collections, Direct Debit, Standing Order, and through corporate and individual membership of our '100 Club'. Every contribution is most welcome and makes a difference within the donors' local community.
