“the brewers” John Smith's FC Tadcaster Albion AFC

1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

The Brewers also broke many other records throughout the season – taking more than 200 fans away to Armthorpe Welfare on a cold Tuesday night where they went on to win 10-0.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

TAFC Directors' Notes

i2i SPORTS

A big welcome to the Handsworth Parramore players and management who have travelled from Sheffield for today's much anticipated game. The league leaders are on an unbeaten run of 17 games and currently lie two points ahead of The Brewers. But with Taddy still to play that all important game in hand, the title race is looking like it's going to go right down to the wire.

Aside from an unexpected 1-1 draw away to Liversedge midweek, Handsworth have been the perfect model of consistency this season – taking three points from teams like Worksop Town with relative ease. There's no doubting the strike partnership of Jon Froggatt and Kieran Wells has played a huge part in this season's success, and we know Billy has been working closely with our defence to keep them both at bay. It's certainly a hard result to predict, but one thing's for sure, it's bound to be a nail-biting 90 minutes.

It was disappointing to have our Pickering Town tie postponed again. The rearranged game will now take place on Monday April 18th which means we still have nine more games to play before the month is out! As a result, we've brought in some familiar faces in Richard Cresswell and Seb Carole to bolster our squad. Both Richard and Seb have played at the highest level in professional football, so their knowledge and experience will be key as we enter this extremely busy period.

We were delighted with last Saturday's 2-0 win away to Albion Sports. It was great to see new signing Tom Corner get off the mark with a goal. Here's to many more before the end of the season.

Enjoy today's match. It's going to be a good one!

TAFC Match Preview

Tadcaster Albion v Handsworth Parramore

9th April 2016.

This afternoon we welcome the fans, players and officials of Handsworth Parramore. The Amber Parras are 2 points ahead of The Brewers at the top of the NCEL Premier league table having played 1 game more. They have 7 games left to play, 3 at home and 4 away. Their last game of the season is at home to their ground sharing tenants Worksop Town. Away from home, they have so far won 13 of their 17 games played and lost just 1, that being at Bridlington Town back in August.

The away game at Handsworth Parramore was won 4-1 by The Brewers with 2 goals each by Josh

Greening and Adam Baker. Jon Froggatt and Kieren Wells are their leading goalscorers with 32 goals each in all competitions.

3rd placed Cleethorpes Town play away at Brigg Town today, Bridlington Town are at home to Retford Town and Worksop Town are at home to Nostell Miners Welfare, but it really looks now that it is a shoot out between Handsworth Parramore and Tadcaster Albion. The title won't be won today as no doubt there are a few surprises to come, but one team will take a big step towards the title. I will go for a narrow tense 2-1 win for The Brewers.

TAFC Manager's Notes

Good afternoon everyone and welcome to the i2i for today's game against Handsworth Parramore. We would like to take this opportunity to welcome the management and players from Handsworth. We hope they enjoy their stay and, most importantly, have a safe journey back home after the game.

We were delighted with Saturday's 2-0 win over Albion Sports, who have had a solid season in the NCEL Premier. Every game at this stage of the season is prime for a potential slip-up, but the players showed great focus and commitment; coming away worthy winners. I was also pleased to see our new striker Tom Corner grabbing his first goal for the club.

A big welcome to our new signings Richard Cresswell and Seb Carole who I'm sure you're all very familiar with. Both players have bags of experience, which will be vital in the coming weeks as we push to make our promotion dreams become reality. It's important that we have a squad that is big enough to cope with the amount of games we have in such a short space of time, and their quality and experience at the highest level will be invaluable.

Having been with Seb at Leeds, Matt (Heath) contacted him and he was more than happy to help, as well as being honoured to try and get us over the line.

In Richard, everyone knows what a class act he has been throughout his long and successful career. It's great for the young lads that are coming through to be able to call upon the experience of Cressy, Seb, Jono and Heathy; all of whom have played at the very highest level.

There's been a massive build up to today's game. We only hope it lives up to the high expectations.

Yours in Sport,
The Management

A Brief Club History

Handsworth Parramore FC were formed at the start of the 2014/2015 season after the merger of two highly successful clubs, Handsworth FC of the S&H County Senior League Premier Division and Worksop Parramore of the NCEL Premier Division. The clubs had been working together towards the merger during the previous season after first announcing their plans in the Summer of 2013.

The NCEL and the FA allowed the new club to take over the position of Worksop Parramore, who had just finished in 4th place in the Premier Division, whilst the S&H CFA allowed their reigning Champions to continue under the name of Handsworth Parramore Reserves.

The decision was made for the first team to play their home matches at Sandy Lane, Worksop whilst the Reserves and the other senior teams (Under 21's, Under 19's, Under 18's A & B sides and Over 35's) play their home games at Olivers Mount in Handsworth, Sheffield. The aim of the clubs joint Chairmen, Pete Whitehead and John Ward, is for

the first team to return to Sheffield in a brand new facility within the next two years.

The new club could not have begun life better as in their first game, they crushed Glasshoughton Welfare 6-0 and followed this up with a 5-1 victory over Oadby Town in their first ever FA Cup tie. After leading the table for a number of weeks, a downturn in fortunes led to a change at the top and the installation of the ex Belper Town management team of Peter Duffield and Mick Godber.

The duo rebuilt the squad who ended their inaugural season in 7th place and with the clubs first piece of silverware, the NCEL League Cup, secured after a thrilling 4-3 victory over Cleethorpes Town.

As we enter our second season, hopes are high that we will be one of the main challengers for the title as we aim to progress up the Non-League pyramid. However, the New Year saw the departure from the club of Peter Duffield, with Mick Godber placed in temporary charge.

Richard Adams

Vastly experienced 30 year old centre back Richard joined us at the back end of last season from Belper Town and has already shown The Ambers fans that he is a natural successor to James Cotterill at the heart of the defence with a series of strong performances. He has also appeared for Stocksbridge Park Steels, Goole and Worsbrough Bridge Athletic.

Gareth Griffiths

Gaz has come through the Handsworth FC ranks, and is an NCEL double winner, who has firmly established himself as a regular in the centre of the back four with highly consistent levels of performance. A real winner who is, week in week out, a star performer. His 40 appearances last season are testament to his talent.

Sam Denton

29 year old Sam has recently joined The Ambers from Shaw Lane Aquaforce. A tough, experienced centre back with an eye for goal, Sam has also featured for Bradford PA, Guiseley, Ossett Town, North Ferriby, Scarborough and Frickley. Has become a vital contributor at both ends recently.

Will Eades

18 year old Will made his full debut at Liversedge last season and was voted Young Player of The Year after appearing at every level from Under 18 upwards. Was an instrumental part in the success of the Under 18 A and Under 21 teams last season. Has

just broken back into the first team following some recent departures.

Colin Marrison

30 year old Colin was Peter Duffield's first signing when he joined us from Belper Town. The Sheffield born midfielder is an ex Sheffield United and Bury pro whose qualities include great delivery and work rate. Colin is a box to box midfielder who is equally comfortable wide on either wing or in the centre of midfield.

Luke Fletcher

"Lungy" is a powerful energetic box to box midfielder who possesses fantastic energy levels and regularly features on the score sheet. He joined the Ambers two years ago from Parkgate after a spell with Ossett Town. His surging runs are a trademark of his game and his eleven goals last season helped him sweep the board in the End of Season Awards. Led the appearances table last season, missing out on just two occasions in the 53 game marathon.

Simon Harrison

26 year old Simon is a product of the Rotherham United Centre of Excellence who joined the Ambers from Frickley Athletic in November 2014. Has had spells with Matlock, Ilkeston, Harrogate Town, Retford, Goole and Belper Town. He is full of energy, and with a killer final ball, great things are expected of Simon this season now that he is injury free. His pre-season form was excellent and he re-discovered his scoring touch.

Steve Warne

31 year old midfielder Steve made four league appearances for Chesterfield before moving to Hucknall Town. He has also played for Matlock, Alfreton and Belper Town and is a very fit and hardworking player. Joined up with The Ambers at the start of this season after being voted Belper's Player of the Year.

Kieran Scargill

Versatile 24 year old midfielder Kieran joined The Ambers from Athersley Rec in November. The former Barnsley Academy youngster has also featured for Stocksbridge Park Steels. Since making his bow against Bridlington, Scag has become an integral part of the Ambers midfield, showcasing his wide range of skills.

Mitch Ward-Cupitt

Mitch is a combative 24 year old midfielder who skipped Swallownest against The Ambers and caught the eye of the Handsworth management team who promptly signed him up. He had a debut to remember when

he scored a screamer after coming off the bench against Hallam in the FA Vase.

Tom Claisse

Ex Tadcaster midfielder Tom joined us from Ossett Albion in March. Captain of the RAF football team, Tom has also served Farsley, Bradford Park Avenue, Shaw Lane Aquaforce and Ossett Town. Made his Ambers debut as a sub at Albion Sports.

Alex Rippon

24 year old striker Alex was leading the scoring charts for The Ambers Reserves side in the County Senior League last season which earned him a promotion to the first team, an opportunity he grasped with both hands. A real grafter with no little skill, "Raggy" works his socks off to help the team and his confidence is growing game by game.

Kieran Wells

22 year old striker Kieran joined us from Long Eaton United late last season and helped galvanise the team in the run in. After grabbing a debut hat trick in three minutes at Liversedge, he never looked back and also bagged a brace in the League Cup Final. Has also featured for Belper Town and Heanor Town amongst others.

Jon Froggatt

34 year old goal machine Jon is a major signing for The Ambers. After starting his career at Buxton, Jon played for Worksop Town, Boston and Wakefield before joining Belper Town in 2009. Whilst there, he gained legendary status by bagging 150 goals from 210 starts, winning the League Golden Boot award twice. He also took over as Manager for a short while after the departure of Peter Duffield and is now ready for a new challenge.

Danny Buttle

Left winger Danny is a traditional out and out winger who loves to beat his man and deliver accurate crosses into the danger zone. The 31 year old joined us from Brigg Town and is an exciting player who makes things happen. Generally, if Danny is on his game, then so are The Ambers. Danny previously spent time with Bridlington and Barton Town as well as clubs further up the non-league pyramid.

Ant Wilson

The signing of 28 year old striker Ant in early February was a major capture for The Ambers. Wilson was a prolific scorer as Alfreton Town rose through the pyramid and then had spells with North Ferriby United, Barrow and Gainsborough Trinity before joining The Ambers until the end of the season.

Head 2 Head Handsworth Parramore FC

The Brewers have met the Ambers and, prior to a merger with Handsworth in 2014, Worksop Parramore in seven Northern Counties East Football League (NCEL) fixtures.

In the 2012/13 season, Albion picked up a brace of 2-1 victories over Worksop Parramore. Terry Taylor scored a last minute winner in the away game, when the Brewers came back from 0-1 down with only a few minutes to play.

The following season's away fixture also saw a 0-1 deficit being turned around in the closing minutes - Carl Stewart scoring both goals in another 2-1 win. Nick Thompson scored the only goal in the return fixture at Tadcaster, watched by 274 fans.

Handsworth Parramore were beaten 3-0 in their home game last season, when Josh Greening bagged a hat-trick with 72nd, 75th and 86th minute goals.

When the Ambers visited Tadcaster last February, they took a two goal lead after 55 minutes - Bruno Holden and Luke Fletcher scoring. George Bissett reduced the deficit on 62 minutes but Sam Smith put the visitors 3-1 up with ten minutes remaining. In

another late show by the Brewers, goals from Josh Greening (84) and Denny Ingram (90) salvaged a 3-3 draw to the relief of the majority of the crowd of 312.

When the Brewers visited Sandy Lane in November, they were six points ahead of their hosts but having played four games more. It was critical that they didn't return to Yorkshire empty handed - a draw would have been more than acceptable.

What followed was beyond the hopes and expectations of many of the Brewers fans in the crowd of 155. Josh Greening and Adam Baker put Albion 2-0 up at half time and it could have been even better, if Jason Mycoe's goal hadn't been harshly disallowed. Baker extended the lead mid-way in the second half but Parras joint top scorer Jon Froggatt pulled one back after 87 minutes. The last word came from Greening, when he scored his second goal in the dying minutes, to clinch a 4-1 victory.

So, prior to today's game at the i2i Stadium, the Brewers have won six and drawn one of the seven meetings. However, this afternoon's match is significantly more important than all of the previous encounters.

By Ian Tyssen

<https://twitter.com/TadcasterAlbion>

Tadcaster Albion showed their courageous and professional side to see off Albion Sports and reduce the gap at the top to just two points.

The assist king Josh Greening set up both goals with perfect free-kick deliveries to which were headed in by defender Andy Milne and Tom Corner for his first for the club.

Tadcaster boss Billy Miller made three changes to the side that played out a goalless draw with Cleethorpes Town last week. Josh Barrett came in at right-back for the injured Jordan Armstrong, Conor Sellars came in for the ill Liam Ormsby and Adam Baker was preferred to Nick Black.

The pitch at Throstle Nest, which is actually home to Evo-Stik side Farsley Celtic, took a hammering on Saturday morning following persistent rain. The surface was extremely bobbly making it difficult to play football on and both goal mouths were incredible boggy.

The first real effort of the afternoon came in the third minute and it included the aforementioned goal mouth. Conor Sellars' cross from the left-hand side was cleared out to Jason Mycoe who took one touch and went for goal striking from 25 yards which bobbled into the muddy goal mouth but Kyle Trennary managed to palm it out for a corner.

The Brewers did in fact take the lead sixteen minutes later and the goal came from a set-piece. Josh Greening's floated free-kick from the right-hand touch-line was flicked into the far corner and out of Trennary's reach via a deflection from Tamar Khan.

The home side were passing the ball about neatly with all attacks going through prolific striker Marcus Edwards and they could have actually equalised immediately after going a goal behind. Aran Basi's lofted free-kick was headed down at the back post to Matthew Mathers whose first flicked effort was thwarted and sharply grasped by Gary Stevens.

For all of Albion Sports' hard work, they were struggling to test Stevens in the Tadcaster goal as Joe Barden's tame effort from 30 yards was comfortably picked up by the Taddy stopper.

Sports did think they had levelled the match up shortly after the half hour mark though as

Marcus Edwards tapped in a parried Stevens save but was adjudged to have been offside.

With nine minutes to go until half-time, The Brewers doubled their lead and it came from another Josh Greening free-kick. The talented Greening curled in from the opposite side this time to Tom Corner who did brilliantly to slow down his run and guide his header into the top corner from twelve yards out.

Taddy were growing in confidence and were looking more and more dangerous as the half ticked by. The Brewers should have been going into the break three goals to the good. Adam Baker picked the ball up half-way in Sports' half and it suddenly opened up for the attacker who glided past at least five yellow shirts and into the penalty box but saw his goal bound strike superbly blocked by Khan. The best chance however was probably the rebound as the flying block fell kindly for Tom Corner who side-footed over from thirteen yards out.

The towering figure of Aran Basi found himself constantly battling with Beadle, Corner and co on a number of occasions as the midfielder curled narrowly wide on the stroke of half-time.

Half-Time: Albion Sports 0-2 Tadcaster Albion

Into the second half and it was The Brewers who had the first sighting at goal as Josh Greening had a bouncing ball at his feet with his back to goal but the forward couldn't generate the power required to trouble Trennary.

With the pitch cut up, bobbly and not in the best condition to say the least, the afternoon saw a lot of niggly fouls but Morgan was perhaps lucky to stay on the field at the start of the second half. The ball cannoned into space which created a 50-50 with Jason Mycoe. Whereas both players went in full blooded, Morgan clearly had both feet off the ground and was out of control however the referee didn't batter an eyelid.

Speaking of Jason Mycoe, he was putting in another stellar performance in the heart of Taddy's midfield throwing himself into absolutely every challenge and winning them more often than not. Conor Sellars was another one who gave it his all, literally running himself into the ground for the team working backwards and forwards tirelessly.

Taddy were looking to contain and soak up the pressure of Albion Sports in the second half to protect their two goal lead.

The home side were always going to create opportunities though and this they did in the 57th minute as Alex Cusack's free-kick was cleared out to the young midfielder Joe Barden who volleyed ferociously over from inside the penalty area.

The home side were having the vast majority of the ball in the second half but still struggled to create any clear cut chances as Cusack could only find the side-netting from an acute angle.

Marcus Edwards was the one for Albion Sports who was trying to make things happen, dropping deep to pick up the ball but the 28 goal striker was becoming increasingly frustrated as Taddy were defending terrifically.

Josh Barrett has only just recovered from a back injury but he slotted in comfortably at right-back not putting a foot wrong. Clayton was composed as ever at left-back and the centre-back pairing of Gregg Anderson and Andy Milne were showing their class and experience and not for the first time.

With fifteen minutes to go, it looked as though Taddy were going to pick up a valuable three points and keep the pressure firmly on leaders Handsworth Parramore but Stevens was called into action. Cusack did well to pull back to Lewis Morgan whose slid shot was well saved by Gary Stevens.

Stevens was determined to keep the clean sheet intact as he easily tipped over Mohamed Kaba's rasping drive from the left-hand side and then held Edwards' long-range free-kick.

The Brewers didn't come close to adding to their tally for the afternoon but they didn't need to as two brilliant deliveries, two superb headers and a lot of heroic defending was enough for Taddy to pick up the three points.

Tadcaster Albion and Cleethorpes Town played out an uneventful goalless draw at the i2i as The Brewers slip to four points behind leaders Handsworth.

Taddy boss Billy Miller made two changes to the side that edged past Grimsby Borough in the League Cup with Jordan Armstrong returning from injury and Tom Corner coming in for his debut.

It was the visitors who started the brighter winning three early corners, all coming to nothing though.

It was a flat start from both title chasing sides but the Owls would have certainly been the happier as Alex Flett saw his long range strike whistle wide of the mark.

Cleethorpes went one better and hit the target four minutes later as a long raking diagonal ball to the left hand side was struck on the volley first time by Jon Oglesby who forced Stevens to get down well.

It said a lot about the first 30 minutes that Jimmy Beadle's wayward strike from 35 yards was the closest Taddy came.

The Owls' goalkeeper Liam Higton is surely the shortest goalkeeper in the league, by some stretch I imagine also, but he was never phased when The Brewers pumped in a couple corners as the stopper punched well clear.

For a contest that promised so much, it wasn't a great spectacle as both sides were stuck in first gear and weren't looking like upping the ante.

At the break midfielder Liam Ormsby was worryingly taken ill and had to be replaced by Adam Baker.

Half-Time:

Tadcaster Albion 0-0 Cleethorpes Town

Into the second half and The Brewers raised the tempo, for the first five minutes that is as Higton did brilliantly once again to punch clear Greening's corner from a heavily crowded penalty box.

Marc Cooper was looking dangerous as ever up front for Cleethorpes as he almost haunted Tadcaster once again with a clever turn and shot making Gary Stevens push clear.

It wasn't a classic by a long way and it never really looked like sparking into life, however Cleethorpes nearly took the lead nine minutes into the second half in bizarre circumstances. Jon Oglesby clipped a corner in from the left-hand side and goalkeeper Gary Stevens must have took his eye off the ball for a moment which saw him drop the ball behind him but luckily Dan Clayton hooked clear off the line.

The first half wasn't pretty and it didn't get any prettier in the second half as the gale force wind picked up making it even more difficult for the players.

The away side were playing the better football as Marc Cooper came close again seeing his downward header pushed clear by Stevens.

Taddy's chances were few and far between to say the least but their best chance of the afternoon probably arose in the 63rd minute. Josh Greening's superb delivery from deep in

his own half was inches away from being met by debutant Tom Corner. Having said that, it was one of those crosses to which you see fly straight into the back of the net on a weekly basis up and down the leagues so Liam Higton did well once again.

The best passage of play in the match came nine minutes later and it was The Brewers who did turn it on for a couple of seconds but just lacked the finishing touch. Dan Clayton carried the ball down the left hand side for a good thirty yards before shifting to Josh Greening on the edge of the box who tapped first time into Adam Baker, who only needed one touch to return it back to Greening but the tricky attacker's scuffed effort bobbled agonizingly wide.

This was probably Taddy's best spell of the afternoon as Tom Corner's clever touch and volley was promising but never testing the Cleethorpes number one.

Cooper for Cleethorpes had the final attempt on goal in what was a fairly drab encounter which never took off.

All in all a point was probably a fair result as both sides didn't really do enough to take all three points on a blustery afternoon at the i2i stadium.

Adam Baker's close range volley in the 109th minute saw The Brewers sneak past Grimsby Borough to make the NCEL League Cup Quarter-Finals.

The Brewers went into the cup tie on the back of a 5-0 league win over Nostell on Saturday and this fixture saw the pressure of the league relieved for a night.

Tadcaster manager Billy Miller made just the one change to the side that saw off Nostell Miners Welfare with Adam Baker coming in for Conor Sellars.

The first half shall we say wasn't the best advert for the NCEL League Cup. It was a fairly even half of football to which the home side had the best opportunity to take the lead. Right on the stroke of half-time James Petronzio went on a superb run down the left-hand side which saw him carry the ball all the way up the by-line and towards the goal. The defender then pulled it back to the unmarked Adam Drury whose effort was well blocked by Dan Clayton and the attack soon fizzled out.

In terms of Taddy, they didn't create a clear chance at goal in the first 45, only conjuring up long range attempts or nearly met crosses.

Liam Ormsby went closest with a well executed volley which bent agonizingly wide of the left-hand post.

Half-Time: Grimsby Borough 0-0 Tadcaster Albion

However, into the second half it took The Brewers less than 60 seconds to take the lead. Captain Jimmy Beadle had the composure and vision to slide it side wards to Nick Black whose low drive crept under Scott Drury in the Grimsby goal. The lively attacker now has three goals in his last three appearances.

For anyone who haven't seen Grimsby Borough play before, you would have been watching the cup tie thinking, 'How is this side down the bottom end of the NCEL Division One' because they were playing some very good football. They were organised and structured at the back, solid and fluent in midfield as well as looking a threat going forward.

And on the stroke of the hour mark, their good play paid off. Former Manchester City player Adam Drury fired low and past Gary Stevens into the bottom left-hand corner to level the cup tie. I think it was fair to say also, they probably deserved it.

The home side could have edged in front shortly after as Lee Briggs unorthodoxly headed just over Jack Debnom's free-kick.

Adam Baker was looking likely to send Taddy into the next round on a number of occasions throughout the match. Firstly, a cross from the left wing found it's way to Baker at the back-post who sliced way over the mark. His second effort was much closer though, smashing a rasping left-footed shot inches wide.

With 90 minutes done, the cup tie went into extra-time to see if a winner could be found, if not, penalties.

The elusive third goal in the match came in the 109th minute and it was that man Adam Baker who scored it. Jason Mycoe's chipped cross was nodded back across goal by Josh Greening allowing Adam Baker to roam in unmarked to side-foot into the back of the net.

Grimsby pushed hard for an equaliser to send it to a penalty shoot-out but in the end Tadcaster held on to reach the NCEL League Cup 5th Round (Quarter-Final).

Taddy have added another ex-professional to try and help the club get over the line and into the Evo-Stik.

The former Stoke City & Leeds United front man Richard Cresswell is the latest name to join the club with nine massive games to go in the NCEL Premier Division and NCEL League Cup.

Cresswell joins up with former teammate and close friend Jonathan Greening. The pair both worked together at York City stepping in as caretaker managers in October of 2015.

Cresswell's most successful period came at Lancashire based side Preston North End where he made 176 appearances scoring 46 goals.

The now 38-year-old joined Leeds United in 2005 for a fee of £1.15 million and ended up scoring nine times in 38 appearances. He also had spells at Sheffield Wednesday, Leicester City, Stoke City and Sheffield United.

The target man is expected to make his debut in next Thursday's League Cup Quarter-Final against Knaresborough Town.

Tadcaster Albion Chairman Matt Gore said: "We are delighted to have Richard on board, he will bring knowledge and experience on and off the field. The club approached him to sign on before the deadline in case required.

"We have lots of games coming up over the next three weeks and he is more than happy to help out. We are all looking forward to seeing him in a Taddy shirt next Thursday at Knaresborough."

French midfielder Sébastien Carole has joined The Brewers to bolster the squad for the run-in.

Carole, 33, started his career in France with AS Monaco where he was signed at the age of 14. Overall, he was at Monaco for six years and was part of the squad which reached the Champions League final in 2004. During his time on the books of the Ligue Un side, Carole went out on loan to Premier League side West Ham United.

In the mid noughties, Carole decided to move to England permanently signing for Brighton & Hove Albion. The wide man went on to make 42 appearances for the Seagulls scoring two goals.

The name Seb Carole will ring the bell of Leeds

United fans after joining the Yorkshire side in 2006. Carole spent two years at Taddy's local neighbours scoring three times in 41 appearances and was part of the famous -15 squad which also included assistant-manager Matt Heath.

Following his time at Leeds, the tricky winger went on trial with Spanish giants Valencia CF and Atletico Madrid.

Carole has also represented and scored for his native country of France for several years from youth level.

The winger joins Taddy to help strengthen the squad for a hectic schedule to end the season with the club looking to achieve promotion.

Tadcaster Albion AFC (The Brewers)

1892

TAD'S History

By Ian Tyssen

The NCEL Years 2012-2013 Season

For the 2012/13 season, the Northern Counties East Football League (NCEL) expanded by four clubs to 44 - 22 in each division.

Heanor Town rejoined the NCEL from the East Midlands Counties League and took a place in the Premier Division. Glasshoughton Welfare and Worksop Parramore were promoted from Division One, with Selby Town being relegated in the opposite direction.

Despite being the Division One champions in the previous season, Handsworth left the NCEL and rejoined the Sheffield & Hallam County Senior League. Athersley Recreation (Sheffield & Hallam County Senior League), Cleethorpes Town (Lincolnshire League), Clipstone Welfare (Central Midlands League) and Knaresborough Town (West Yorkshire League) all moved up to the NCEL Division One.

Bradford City visited Tadcaster in a pre season friendly, which attracted a crowd of 693. The Bantams, who would reach the Capital One Cup final later in the season, won 7-1.

The Brewers started the league season in fine style - winning 2-1 at Bridlington Town, who were one of the fancied teams after finishing second in the 2011/12 season. That win was followed up with a 2-0 home victory over Winterton Rangers.

A 1-5 loss at another highly rated team - Brighouse Town - followed, despite going 1-0 up in the first minute. This was one of three away defeats in four games, when 14 goals were conceded.

Albion picked up six wins and two draws in the next eight league games to get the season back on track. The unbeaten run included a 1-0 win over the previous season's champions Retford United, last minute victories at Worksop Parramore and Maltby Main, thrashings of Arnold Town (4-1) and Hall Road Rangers (6-1) and a 1-1 draw with another one of the title chasers - Scarborough Athletic.

The good run of results came to an end with a disappointing 0-1 defeat against strugglers Lincoln Moorlands Railway.

Fortunately, the Brewers put together another five games without defeat, which included a 4-1 victory at fourth placed Barton Town Old Boys and another win against Worksop Parramore. Tadcaster were now in fifth place, just three points behind Bridlington Town at the top of the league.

Three straight defeats followed, including a brace of losses against North Yorkshire rivals Pickering Town. The Brewers then went unbeaten again for seven games, which culminated with a 4-0 victory over Staveley Miners Welfare.

Tadcaster remained in fifth place after Danny Critchlow's winner for Nostell Miners Welfare but they were now 16 points behind the leaders Scarborough Athletic.

The Brewers again strung together another sequence of victories - three wins with no goals conceded, including 1-0 over third placed Bridlington Town. However, the good results came

to an end too quickly, with defeats at Retford United (1-4) and Scarborough Athletic (0-2), with Paddy Miller on the scoresheet.

A four game winning run, with home victories over Long Eaton United (5-2) and Barton Town Old Boys (5-1), lifted Albion to fourth place in the league.

The final game of the season was a 3-4 reverse against Brighouse Town, who had just lost out to Jimmy Beadle's Scarborough Athletic in the title race.

The Brewers eventually finished the season in sixth place, with 77 points from 42 games - 22 points behind the champions and below Pickering Town on goal difference.

Steve Jeff was the top scorer, with 17 goals in league and cup games. He was backed up by Calum Ward, who scored 14 goals, plus Danny Gray, Nick Thompson and Tom Owen, each with eight goals.

Average league attendances at Ings Lane fell from 107 in the 2011/12 season to 106. The biggest crowds were 337 against Scarborough Athletic and 288 for the visit of Barton Town Old Boys, which was the last game of an Easter NCEL groundhlop. The lowest attendance at a league game was 59, when Long Eaton United came to Tadcaster.

The Brewers enjoyed success in the previous season's FA Cup but this season would be even better.

In the extra preliminary round, Albion were taken to extra time in a 3-2 replay victory at Consett. There were 3-0 home wins against Norton & Stockton Ancients and Holker Old Boys in the preliminary round and first round qualifying, respectively.

In the second round qualifying, the Brewers were drawn at home to Skelmersdale United, who would go on to be Northern Premier League (NPL) champions with over 100 points. Thanks to a Calum Ward hat-trick, which earned him a nomination for player of the round, the home side won 4-1 in front of 182 fans.

Conference North club Boston United were the visitors to Ings Lane for the third round qualifying. The game attracted a crowd of 368 but the Brewers fans went home disappointed after a 0-2 defeat, with two second half goals.

There was no success in the FA Vase, as a 2-3 loss at Esh Winning in the first round qualifying ended hopes of bringing this silverware to Tadcaster.

Bradford clubs Thackley and Eccleshill United were both beaten 2-1 by the Brewers in the West Riding County Cup. Harrogate Railway were the opposition in the quarter final and a last minute Nathan Cartman goal for the NPL side clinched a 3-2 win.

Tadcaster Albion also reached the quarter finals of the League Cup. Having defeated Brighouse Town (2-0) and Winterton Rangers (4-1) in away ties, the Brewers lost 0-1 at home against Nostell Miners Welfare.

Tadcaster Albion U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system. Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email info@tadalbion.com.

Our Under 19 team is a newly formed side, which has been set up to help local talented players develop and hopefully progress into the Under 21s and the Tadcaster Albion first team. Players are all aged 16 and over. Coach Rich Taylor has coached in the USA and has also had a spell at Leeds United.

For more information on our U19 set up, please email info@tadalbion.com.

Tadcaster Albion Juniors have age ranges from Kinders, age 4 to U16.

Kinders

Is about introducing kids to football in safe environment & giving them the basic skills to allow them to progress into the U7 teams. Training on a Saturday morning at Riverside school, new players are always welcome, come down & give it a go !

The U9s team currently have 10 registered players who play 5 a-side, non-competitive matches in the York Mitchell League on a Sunday morning.

The U10's age group is split into two sections, Juniors & Colts, with both sections usually able to field two teams on a match day. Run by FA Licensed coaches and assisted by parents the emphasis is on developing and improving players in a safe and fun way.
