The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

Welcome to our opponents this afternoon for the visit of Radcliffe Borough.

We would like to extend a warm welcome to all of the players, fans and officials of Radcliffe Borough.

Last Saturday saw us exit the FA Cup at the hands of a very good Farsley Celtic side. We were disappointed with result as we felt we were capable of providing a sterner test.

Unfortunately this carried over into Tuesday night's match at Ossett Town; suffering back to back defeats for the first time in over a year. But it is still very early in the season and it's certainly not the time to press the panic button.

If you'd have said at the start of the season that we would have ten points from our opening six games, we would have took it without a doubt.

This is where we want to be, it's a big step up in quality and we are still adapting to the division.

Hopefully we can get back to winning ways today in front of our fantastic fans but it won't be easy by any stretch of the imagination, especially with Radcliffe coming here on the back of a credible midweek victory against Kendal.

We hope that you enjoy this afternoon's match and have a safe journey home afterwards.

Finally a big thank you to ICE CUBED CONSULTING who are sponsoring today's game.

The i2i Sports Directors
Matt Gore, James Gore & Kent Mayall

Manager's NOTES

I would like to welcome all the players, management team and supporters of Radcliffe Borough to the i2i this afternoon. I am sure it will be an entertaining game with both teams trying to secure the 3 points.

We have experienced our first back to back defeats since I came to the club and we will be doing all we can to get our season back on track this afternoon.

It certainly isn't a time to panic but a time for everyone to come together and enjoy being in the Evo Stik; after all this is exactly where we wanted to be.

We are pleased that Tom Corner's injury at Ossett wasn't as bad as we first thought and hopefully he will be back in action within a couple of weeks.

Enjoy the game and get behind the lads, your support is second to none.

Radcliffe Borough FC

The Club was formed on 24th April 1949 at the Owd' Tower Inn in Radcliffe by Mr Jack Pickford, the home ground being Ashworth Street. They became members of the South East Lancashire Football League where they won the South East Lancashire Shield and the Bury Amateur League's Parks Cup. In 1950-51 they again won the South East Lancashire Shield plus the League Division Two title and the W Moore Champions Cup.

The following season 1951-52 saw the Club complete the double, again winning the South East Lancashire Shield, together with the Division One title. In 1952-53 the Club won the W Moore Champions Cup, which they also achieved in 1954-55.

After a period in the South East Lancashire League the Club transferred to the Manchester League and also to a new ground in Bright Street. Success was limited to the Manchester Gylgryst Cup, which they won in season 1958-59 and 1960-61.

In 1963 the Club joined the Lancashire Combination. In 1969-70 the Club won the Lancashire Combination League Challenge Cup and the following season were runners-up in the Lancashire Combination League.

In 1970 the Club moved to its present home at Stainton Park and in 1972 overdue success came winning the League Cup and a third place finish in the League. Two years later the Club applied and were accepted in to The Cheshire League, their first foray in to Semi-professional football.

The Cheshire League and Lancashire Combination merged in 1982 to form the North West Counties League and in the first season of the new league Radcliffe secured the Second Division Championship and in the process secured it, beating Caernarfon Town in front of a still record Stainton Park crowd of 1,468.

After one season in the First Division, the Club lifted the First Division Championship, were Runners-up in the Challenge Cup and also the League Shield. In 1987-88 they were accepted in to the newly formed Northern Premier League Division One.

After several seasons of finishing in respectable mid-table positions, season 1995-96 saw an upturn in the Club's fortunes both on and off the pitch. For the first time in its history the Club reached the last 16 of the prestigious FA Umbro Trophy narrowly losing to the then Conference side Gateshead 2-1 in the final minute of the game.

In 1996-97 the Club won its highest honour in winning the Unibond First Division title by 2 points from their local rivals Leigh RMI. Unfortunately the Club's stay in the Premier Division lasted just one season, having sacrificed the playing side for ground development to ensure promotion.

In 1997-98 the Club reached the Manchester Premier Cup Final disappointedly losing to Glossop North End at the then home of Manchester City, Maine Road. For several seasons after the Club finished in respectable positions and just missed out on promotion in season 1999-2000 when a win at home against eventual champions Accrington Stanley would have seen the Club promoted again. After leading 2-0 with just fifteen minutes to go, Accrington managed the unthinkable and came back to win the game 3-2 and promotion was lost.

One of the Club's best achievements in its history to date was saved for the Millennium Year when, for the first time in the Club's history, Radcliffe reached the First Round Proper of the AXA sponsored FA Cup. The game against York City was played at Gigg Lane, home of Bury FC, and although the Club lost 4-1 in front of a record crowd of 2,495 for a Boro game, it was a fabulous day for everyone connected with the Club and was a true measure of the progress the Club was making.

In season 2001-02 Radcliffe again missed out on promotion when after leading the Division until mid February a poor run to the end of the season meant that the Club were involved in the newly instituted Play-Offs, which they subsequently lost to Bamber Bridge in the Semi Final at Irongate.

Promotion was again achieved in 2002-03 in what was a fantastic season for the Boro despite missing out on the Championship by two points from Alfreton Town, the eventual champions. Promotion was achieved through the Play-offs beating North Ferriby United in the semi final and Chorley in the final at Stainton Park. The Club also had a fantastic run in the FA Cup when they reached the 4th Qualifying Round losing out to Conference side Chester City in front of an excellent crowd of 1,138 at Stainton Park. Another highlight of that season was the performance of Jody Banim, who scored 46 goals in what was an unbelievable achievement for both him and the Club. With Boro back in the Unibond Premier Division and a place up for grabs in the newly formed Conference North the Boro needed to finish in the Top 13. By November Radcliffe were on course to do this and were as high as sixth in the league thanks to the 22 goals from Jody Banim, who set an English record by scoring in 14 consecutive games, a record that still stands.

However, the Club sold Jody to Conference promotion chasers Shrewsbury Town in December 2003 for a record fee received by the Club of £20,000. Without his goals Radcliffe slid down the table and eventually finished 19th and entered the Play-offs for the remaining places for Conference North. Having beaten Whitby Town away on penalties 8-7 in the quarter finals, the Club then bowed out at the next stage, losing at home to Burscough in the semi final.

After two seasons in the Premier League the Club were relegated in 2006-07 after making the decision to provide funds for the development of facilities at the ground for future growth at the expense of funding the playing side.

In 2007-08 the Club made a disastrous start to the league and were bottom in December without one league win. The second half of the season was much better, relegation was avoided and the Club reached two cup finals for the first time in 10 years. In the first final, the Unibond Presidents Cup Final the Boro lost 2-0 to FC United of Manchester but fared better in the Manchester Premier Cup Final where they defeated Hyde United 2-1 to win their first silverware since 2003.

In 2008-09 Radcliffe competed in their third final in two seasons when they reached the final of the Lancashire Challenge Trophy. The final was held at the County Ground in Leyland but in their first ever appearance in the final of this competition they lost to Skelmersdale United in the last minute of extra time of a thrilling game. The last four seasons has seen the Club finish 10th, 18th, 15th and 18th, never in danger of being relegated but at the same time never challenging for promotion.

The opening game of the 2014/15 season against Brighouse town brought the shock resignation of long serving Manager/Director of football Kevin Glendon with Paul McGuire taking over. Kevin had been manager/director of football of Radcliffe Borough FC since 1990 when he took over as player manager. Kevin appeared on the team sheet over 200 times in 12 seasons, the last being a win at Gretna in October 2001 (when he chose to leave himself on the bench).

In the 25 years that Kevin was in charge of team/club affairs he together with Bernard Manning developed the ground and had a major part in the building of the sports complex, new changing room block and a new stand.

Kevin also gained a reputation for producing, developing and selling young players, seeing them progress and in most cases progressing to higher level clubs earning the Club much needed revenue. Players such as Paul Mullin, Neil Hardy, Jody Banim, Richard Battersby, Ciaran Kilheaney, Steve Foster, Danny Hurst and most recently Craig Dawson. His teams Won NPL Division one title (1997), Got to the first round of the FA Cup v York City(2000), Won NPL division one play off final (2003), Won Manchester premier cup(2008), Finalists presidents cup(2008) and Finalists Lancashire Trophy (2009).

In January 2015 managerial changes during the season saw the arrival of former Trafford, Ashton United and Nantwich Town boss Danny Johnson, who stepped in just hours before the Manchester Cup semi-final, which was narrowly lost to Curzon Ashton. A good run towards the end of the season saw Danny and his management team avoid relegation with ten points to spare.

Match PREVIEW

On Saturday The Brewers welcome Radcliffe Borough to the i2i stadium looking to get back to winning ways after successive defeats for the first time under manager Billy Miller.

Taddy are coming into the contest on the back of a disappointing 3-1 loss at Ossett Town on Tuesday night. Just the second loss of the Evo-Stik Division One North campaign. Radcliffe are coming into the fixture full of confidence after a very credible 3-1 victory over Kendal Town on Tuesday evening. Frank Van Gils netting a brace and Raul Correia rounding off the win.

Borough currently sit in 12th place just one spot above Albion who have a game in hand. A win for either side could see them rise to as high as fourth as the Evo-Stik Division One North table continues to take shape.

After an impressive run of six games unbeaten, The Brewers have now lost the last two; one in the FA Cup to Farsley Celtic and one in the league at Ossett Town so manager Billy Miller will be desperate to get back to winning ways in front of the home fans.

Team News: Adam Baker is away and Tom Corner is a serious doubt after landing awkwardly on Tuesday night. Josh Greening and Jimmy Beadle could be in-line for a return to the starting line-up.

Tadcaster Albion

Ossett Town FC v Tadcaster Albion

Tadcaster Albion fall to defeat for the second time in four days as Ossett Town win the Yorkshire derby.

First half goals from Ashley Jackson and Anthony Mackie put Ossett Town in the driving seat at half-time.

Jason Mycoe fired in a screamer with four minutes to go to give The Brewers a glimmer of hope.

But Ossett sealed the victory from the penalty spot in injury time as captain Alex Peterson kept his cool to stroke down the middle.

Manager Billy Miller made three changes to the side exited the FA Cup on Saturday with Michael Ingham, Conor Sellars and Charlie Binns all back in the starting eleven.

Conor Sellars came close to giving The Brewers the lead in spectacular fashion after fourteen minutes. The lively attacker was picked out as he darted into the box, chested and pulled off an impressive bicycle kick but Overton held well.

Devonte Morton was looking sharp for the home side putting his weight about and driving at Taddy's defence. He thought he had a glorious chance to open the scoring after sixteen minutes but Andy Milne recovered with a perfectly timed challenge.

The home side looked the more threatening as they kicked down the slope in the first half and incidentally they broke the deadlock on the 28th minute.

Steven Ridley's clipped free-kick was flicked on by Peterson and prodded home at the back post by Ashley Jackson.

Taddy did respond positively after going behind with Tom Corner and Jono Greening both having shots at goal, but failing to test Leigh Overton nonetheless.

But things went from bad to worse for Billy Miller's side as Ossett doubled their lead on the stroke of half-time.

Michael Ingham rose high to punch clear but looked to have been impeded somewhat. Nevertheless no foul was given and Anthony Mackie nodded over the hapless stopper, much to Taddy's dismay.

The Brewers needed to respond in the second half and they did to an extent as they pushed Town deeper and deeper.

There were huge appeals for a penalty eight minutes into the half when defender Andy Milne looked to be pulled to the ground but nothing was given.

Moments later the visitors came close again to pulling a goal back but Tom Corner saw his glancing head drop inches wide of the mark.

With The Brewers pushing hard for a breakthrough, this left space at the other end for Ossett to all but secure the three points.

And it was almost three just after the hour mark but defender Tyrone Gay volleyed narrowly wide.

Michael Ingham had to stay concentrated in the Taddy goal as Xander McBurnie's curling effort had to be tipped over.

Jimmy Beadle entered the contest with time running out and he spurned a good chance with eight minutes to go as he dragged a shot wide.

Two minutes later however and The Brewers did pull a goal back to set up a nervy finale, for both sides.

Jason Mycoe drove forward into a plethora of space and blasted in a beauty from 25 yards.

But in the dying seconds Ossett Town secured the victory from the penalty spot with captain Alex Peterson coolly firing straight down the middle.

Tadcaster Albion

Tadcaster Albion v Farsley Celtic FC

Tadcaster Albion have been knocked out of the Emirates FA Cup to local rivals Farsley Celtic after a 2-0 defeat at the i2i.

James Walshaw got the visitors up and running from the penalty spot before Paul Walker capitalised on a mistake by Charlie Murphy.

Taddy were awarded a penalty of their own with twenty minutes to go with the possibility of setting up a grandstand finish but Tom Corner saw his spot-kick well saved by Graham McKibbin.

Taddy boss Billy Miller made three alterations to the win over Clitheroe with Charlie Murphy deputising for Michael Ingham, Jimmy Beadle back in for Charlie Binns and Rob Youhill preferred to Conor Sellars.

The two sides met in the league just over two weeks ago and that produced no goals, however, the deadlock was broken after just eleven minutes this time around Liam Shepherd was adjudged to have upended Richard Marshall just inside the box and James Walshaw stepped up and stroked the penalty down the middle to give the Celts an early lead.

Farsley were looking ominously dangerous as they dominated possession and pushed The Brewers backwards. Ross Daly and Walshaw both came close to further extending Celtic's lead but couldn't quite force Murphy into making a save.

Taddy were looking unusually lacklustre as Farsley continued to pile the pressure on.

Defender Ryan Serrant had a good chance to make it two but he fired wide from an inside left position.

Tadcaster did finally create a good chance of their own five minutes from the break. Jono Greening's clip in behind was latched onto by brother Josh whose rasping half volley was impressively kept out by Graham McKibbin.

McKibbin however almost went from hero to zero in less than sixty seconds after completely missing the corner kick but luckily enough for the Celts keeper, no yellow shirt was on-hand to turn home.

Despite a poor first half, manager Billy Miller opted to make no changes and his side initially started the second half brighter. Josh Greening was set in down the left once more but the forward fired narrowly over the mark.

A bright start to the second half swiftly turned into a dark and demoralising start as Celtic doubled their lead. Richard Marshall's fierce looping header across goal was dropped by goalkeeper Charlie Murphy and Paul Walker reacted quickest to turn in from five yards.

This seemed to completely deflate The Brewers as the visitors continued to get more and more familiar with the ball.

Richard Marshall and Paul Walker both then

came close to rounding off the FA Cup tie. Conor Sellars' introduction seemed to inject some life and lift into Taddy as they had just twenty minutes to try and salvage the tie.

Tad were handed a life line in the 70th minute as referee Dean Craig pointed to the penalty spot for the second time of the afternoon after Ryan Serrant clicked the heels of Tom Corner.

The upended player grabbed the ball and stepped up himself but the in-form Tom Corner saw his penalty well saved by Graham McKibbin which really did leave Tadcaster depleted.

The Brewers had one final chance to pull a goal back as Rob Youhill set Corner in on goal but once more, McKibbin denied the striker.

Focus is now back to the league campaign as Taddy crash out of the Emirates FA Cup in the Second Qualifying Round. They barely got out of first gear but credit has to go to Farsley who have nullified Tadcaster's potent attack on two occasions now.

TEAM: : Murphy, Barrett, Shepherd, Milne, Anderson, Mycoe, Youhill, Beadle © (Ibrahimi 77), Corner, Josh Greening (Sellars 65), Jono Greening.

TAFC U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system.

Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email info@tadalbion.com.

Tadcaster Albion

Here we look back at previous games played by the Brewers on 24th September.

On This Day

By Ian Tyssen

1983

The Brewers' winless start to the Northern Counties East Football League (NCEL) Division Two North season continued with a 0-1 home defeat against Collingham. Albion had picked up just two points from their opening four league games and would finish the season in 13th position - just one place above the bottom of the league.

1988

Tadcaster Albion picked up their first draw of the campaign, after two wins and two draws, with a 1-1 stalemate at home against Yorkshire Main. The visitors would end the season in eighth place in the NCEL Division Two table - two positions higher than the Brewers.

1994

The Brewers picked up a 3-1 victory at lowly Parkgate in their sixth league fixture of the season. After that result, the Tadcaster club were eighth in the league table, with two wins, two draws and two defeats. They would eventually slip down to 12th place in the 16 club NCEL Division One.

2005

Tadcaster Albion had started the NCEL Division One season with three victories and

were looking to maintain their 100% record at Borrowash Victoria. In front of a crowd of 62, the Brewers took an early 2-0 lead - goals from Steve Mallory (five minutes) and Simon Kehoe (17 minutes). Victoria halved the deficit before half time and equalised with just over 20 minutes remaining. To complete the home team's comeback, they scored another goal in the final minute and clinched a 3-2 win. Albion still managed to finish the season in an impressive third place out of 16 teams.

2011

The Brewers visited Parkgate for an NCEL Premier Division match, which was watched by a crowd of 74. The hosts took the lead after just three minutes but goals from Danny Gray (20 minutes) and Ryan Qualter (23 minutes) put Albion 2-1 up at halftime. The game exploded into life with ten minutes remaining, as the hosts equalised and then Gray restored the Brewers' lead within a minute. Sadly, the visitors couldn't hold on to claim three points and Parkgate made the final score 3-3 in the final minute. After losing their first two league games, Tadcaster had now gone unbeaten in the next five games and would finish the campaign in eighth place, just below Parkgate.
