“the brewers” John Smith's FC Tadcaster Albion AFC

1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

The Brewers also broke many other records throughout the season – taking more than 200 fans away to Armthorpe Welfare on a cold Tuesday night where they went on to win 10-0.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

i2i SPORTS

Welcome to our opponents and neighbours Garforth Town who have made the short journey north to Tadcaster today. Garforth are currently 14th in the NCEL Premier and come to the i2i Stadium on the back of an excellent 6-1 win over Pontefract Collieries.

Today's game needs little introduction. We've got ourselves into a fantastic position where promotion is in our own hands, and if we can continue with the same positive attitude and determination, there is no reason why we won't go on to achieve our goal of getting into the Evo-Stik.

Though Wednesday's result against Maltby Main was of course disappointing, we couldn't fault the attitude and commitment of the Taddy players. The scoreline really doesn't do the team justice, as they battled for everything and refused to give up, even when we were 4-2 down. We were extremely proud of all the players even though the result didn't go our way.

We were unlucky to have a good goal ruled offside and a number of shots cleared off the line, which on another day would almost certainly have been goals. We also missed the opportunity to score straight from the kick off when the opposition were still celebrating in the dugout. Unfortunately it was just one of those nights and that's why the fans continued to sing and cheer long after the final whistle.

It will be nice to get back onto a smooth playing surface today, which is better suited to our fast, flowing style of football. The pitch at Garforth is also excellent, which will hopefully enable us to get back to dictating the play in our remaining four fixtures.

Prior to Maltby Main, we had won four league games on the bounce against tough opposition in Albion Sports, Handsworth Parramore, Thackley and Pickering Town. If we can do that again, then we've won the league. Your support will be invaluable during the next 360 minutes of football.

On Tuesday, we face Garforth Town for the second time in four days, and we'd love to be able to take a strong crowd to the J.S. White & Co. Community Stadium. If you've never been to an away game before, this is the perfect opportunity to give it a go. The weather's looking up, Garforth is a mere 10 miles away from Taddy and there's an awful lot at stake for the Brewers. We'd love to see you there.

Enjoy today's game, and let's cheer the lads on in the first of our four remaining cup finals.

TAFC Match Preview

Tadcaster Albion v Garforth Town

23rd April 2016.

This afternoon, we welcome the players, fans and officials of Garforth Town. This is the first of 3 home games for The Brewers in 8 days. It is also the first of a double header against The Miners as the teams also meet at Garforth on Tuesday evening.

Garforth Town are in 14th place in the NCEL Premier league table with 42 points from 39 games played. Away from home, they have won 5 and drawn 3 from their 20 games played. In their latest game last

Saturday, they won 6-1 at home to Pontefract Collieries. Their leading goalscorer is Curtly Martin-Wyatt with 21 goals in all competitions including 6 goals in their last 5 league games.

Elsewhere in the league, Handsworth Parramore play away at Brigg Town, so a win today for The Brewers is a must as Handsworth won 6-0 at home to Clipstone on Thursday evening. I will go for a 2-0 win today for The Brewers as the league comes to its climax. 4 wins for the title.

TAFC Manager's Notes

Good afternoon everyone and a very warm welcome to the i2i for the start of what is the most important week in Tadcaster Albion's history. We would like to extend a warm welcome to the management team and players from Garforth FC and wish them a pleasant stay with us.

What a couple of weeks it has been recently. Going into the run of games we have just completed, if you would have said we'd have picked up 12 points from 15 we would have taken it instantly. The victory over Handsworth allowed a little breathing space, but the away wins at Albion, Thackley and Pickering (the in-form teams) were priceless. The lads' effort and commitment was second to none. They produced some outstanding displays to win at Albion and Thackley, then a sensational comeback to beat rivals Pickering. Unfortunately at Maltby on Wednesday we just looked a little mentally fatigued, and against a good side and extremely poor pitch we found ourselves with a mountain to climb. Despite our best efforts it was unfortunately a game too far.

And so we have arrived, in the last week of the season, with a

great chance of winning promotion. The mountain is high but not unclimbable, especially if we can maintain the same level of performance. The support recently has been the best in my time at the football club. Even when we were running on empty at Maltby you drove us on. Keep singing, keep shouting and keep encouraging. You are a big part of what we all want to achieve.

I have spoken to the players and highlighted now is the time to find the will, the mentality, the goals, the saves, the tackles. Now is the time for the brave to step forward. Now is the time for the team, the squad, to earn their place!

This is our chance. We have achieved so much together, but we now sit on the edge of achieving so much more.

Let's have a real go at finishing the job!
ATAW

Garforth Town Football Club were originally formed in 1964 as the MINERS ARMS, a local pub team taking their name from the hostelry where they were based. Formative years were spent in the Elmet Sunday League and then the Leeds Sunday Combination League in 1972.

Having no ground of their own and none available in Garforth, matches had to be played on a council pitch in nearby Swillington. Following several years of League & Cup success, the club decided to step up into Saturday Football and joined the West Yorkshire League, at the same time acquiring their own ground at BRIERLANDS LANE, by transforming a former council rubbish tip.

In 1977 Garforth made an application to join the Yorkshire League, however they were advised that pub teams were ineligible to compete so they changed the team's name to GARFORTH MINERS and were duly elected.

At the start of the 1981/82 season they became founder members of the Northern Counties East League, which was an amalgamation of the old Yorkshire and Midland League. In 1985 came the name change to the present one of GARFORTH TOWN.

The 1986/87 season saw Town produce their best ever Cup run when they reached the QUARTER FINAL stage of the FA VASE, eventually bowing out by 2 goals to 1 to the Essex based side Collier Row.

1991 saw the clubhouse erected at Brierlands Lane and in 1995 floodlights were installed following a campaign, which included the handing over, to local councillors of a petition in favour of lights going up which was signed by several hundred people.

The appointment of Dave Parker as manager in 1994 after the departure of the previous manager and nearly all the first team players started what is undoubtedly Town's best period in the NCEL.

The 1996/97 season brought a Division One runners-up spot as well as a Cup Final win when Town lifted The Wilkinson Sword Trophy by defeating Eccleshill United over two legs. In 1997/98 Town won the Division One Championship in style, 18 points clear of the second placed team - their first ever major League victory - and also completed the DOUBLE by winning the West Riding

County Cup, beating Premier Division side Liversedge 2-0 in the final.

For the 1998/99 season Town moved into their brand new purpose built stadium - WHEATLEY PARK

That season saw Town reach the final of the NCEL President's Cup, eventually losing over two legs to North Ferriby United and in their first season in the NCEL Premier Division - although topping the table to Christmas - finish in a very creditable mid-table position.

In the 1999/2000 season, despite a poor league finish, Town proved to be a cup winning side. They won the West Riding County Cup, beating Eccleshill United 2-0, as well as the NCE League Cup with a 3-1 victory over First Division side Glapwell in the final at Ossett Albion's ground.

Success that season was not confined to the First Team. Town's Under 18 side won the Leeds & District Championship at their first attempt and several of the side also made their debut for the First Team. A sign that Town's youth policy is starting to bear fruit.

Dave Parker retired as manager following the League Cup final after six years at the helm. He was the best and most successful manager Town has ever had. His successor was Dave Harrison who had been Parker's assistant manager for the previous 3 years.

His time in charge at Town saw him having to guide a young and inexperienced side through difficult times before being replaced towards the end of the 2001/2002 season as manager by Dave Holmes. Despite the hopes for better with the 2002/03 squad being augmented with more experienced players, The Miners finished bottom of the Premier Division and were relegated to Division 1.

Simon Clifford who ran the Brazilian Soccer Schools then took over as owner of the Club and after a shaky start to the 2004/05 season took over as manager guiding the club to promotion back to the NCEL Premier - the 1st step of his ambition to take Town all the way up the football pyramid. The season also saw The Miners take the National limelight with former Brazilian International Socrates making his Garforth Town debut, alongside former Manchester United player Lee Sharpe.

In 2006/07 Garforth formed a major three-year sponsorship deal with GENIX, which also included the Stadium name

changed to THE GENIX HEALTHCARE STADIUM. Clifford also led Garforth to his second promotion in three years. For the first time in the club's history Town reached Step Four of the National League System and entered the newly formed UniBond League Division One North.

Seasons 2008/09 & 2009/10 saw Town's league position stabilize, however they were more successful in cup competitions; victorious in the West Riding County Senior Cup in both seasons.

The Miners finished a creditable 13th in season 2010/11, the highlight being a famous victory in the last game of the season over 1st Division North Champions, Chester in front of their record highest crowd of 2428.

2011/12 saw Town under manager Steve Nichol reach their highest league finish when a final day victory over Skelmersdale Utd resulted in a 5th place finish and a trip to Curzon Ashton in the play-offs. However despite being the better side, Town bowed out on penalties.

A disappointing season followed in 2012/13 with the resignation of Nichol and disbanding of the first team squad resulting in Town being relegated back to the NCEL Premier Division. 2013 saw Simon Clifford's ownership come to an end, and a new Management Committee was formed with a major sponsorship from RIASA assisting with the rebuilding process. Graham Nicholas, a UEFA 'A' qualified coach, was appointed as 1st Team Manager and a new playing squad was formed.

For the 2013/14 campaign the Club aimed to avoid a second successive relegation and achieve stability on and off the field. With the support of RIASA and the hard work of all involved this was achieved, a league finish of 14th was recorded and the club in a much better state.

This allowed, in the club's 50th anniversary year, a consortium of Chairman Brian Close, Treasurer Jane Close and Craig Bannister to take over and they have already succeeded in bringing much-needed sponsorship and providing a firm footing to take the club forward once more.

For the start of the 2015-16 season the stadium name was changed to the J.S. White & Co. Community Stadium after Town's long term main sponsors.

Head 2 Head Garforth Town FC

Tadcaster Albion and Garforth Miners, as they were then known, managed to avoid each other in their Yorkshire League days. The Brewers were relegated from Division Two in the season when the Miners were promoted from Division Three.

The clubs met for the first time in the Northern Counties East Football League (NCEL) during the 1984/5 season. The Brewers lost 0-3 in Tadcaster and 0-5 at Garforth.

By 2005, there had been 20 meetings in the NCEL but Albion only managed to win one of those games - a 3-1 home win in the 1992/93 season. The Brewers didn't even score a goal in their first eight league visits to Garforth.

Undoubtedly the most famous fixture between the clubs was at Garforth in the 2004/05 season, when a crowd of almost 1,400 turned up to see former Brazilian international Sócrates. The 50 year old made a 12 minute substitute appearance in. 2-2 draw.

Since promotion to the NCEL Premier Division, the Brewers have enjoyed much better results in the clashes with their neighbours. A 4-1 home win, in front of a crowd of 308, in the 2013/14 season is Albion's best result so far.

Last season, the Miners were beaten in both games against the Brewers. At the i2i Stadium, George Bissett and Carl Stewart scored second half goals to earn a 2-0 victory, watched by 398 fans. In the game at Garforth, Danny Gray's 85th minute goal clinched a 2-1 win. Nick

Black had given Garforth the lead, before David Brown equalised on 35 minutes. The nine mile journey back to Tadcaster was a happy one for the Brewers fans in the crowd of 206.

Garforth have won 14 of the 24 NCEL meetings between the clubs, with Albion only winning four. Today's visitors have scored 45 goals in those games, compared to 24 for the Brewers.

The teams have also competed in four cup ties in the last 25 years. Again, the Miners have enjoyed more success than their West Riding rivals.

Garforth have triumphed twice in the West Riding County Cup - 2-1 in the first round of the 1991/92 season and 4-1 at Ings Lane in the 1999/2000 semi final. They also beat the Brewers 2-1 in the first round of the President's Cup in the 2005/06 campaign.

Most recently, Albion won 1-0 in an FA Cup preliminary round tie at Garforth in the 2010/11 season.

A hat-trick from Josh Greening and a brace from Tom Corner saw The Brewers see off 10 man Handsworth after the goalkeeper saw red.

Manager Billy Miller named an unchanged side to the one that beat Albion Sports like week with Jordan Armstrong the only different name on the bench after returning from injury.

Before delving into the match details, it was great to see the i2i stadium rocking again in the sunshine after all it has been through with the floods this season.

However, it was in fact The Ambers who took an early lead in the Yorkshire sunshine. They had a decent sniff at goal inside the first sixty seconds but the visitors did take the lead in the eleventh minute. Danny Buttle found himself in acres of space on the left-hand side allowing the midfielder to pick his head up and deliver to a completely unmarked Jon Froggatt who volleyed into the back of the net from close range.

As the saying goes, you are most vulnerable when you have just scored and this was the case once again as Taddy bounced straight back. Conor Sellars crossed to the back post where Adam Baker's flick down bounced into the path of Josh Greening who diverted the ball into the back of the net.

Six minutes later and Taddy had completely turned the match on its head and it was the in-sync combination of Baker and Greening yet again. Jason Mycoe won the battle in midfield as per usual and Adam Baker played a perfectly weighted through ball which carved through Parramore's defence setting Josh Greening clear on goal and he made no mistake sliding it calmly beyond Andy Sneath. Interestingly, this was Tadcaster Albion's 100th goal of the season.

The next piece of real noteworthy action came five minutes from the break. Connor Smythe, recently joined The Ambers from Rainworth and he tested Stevens with his left-boot striking straight at the goalkeeper who punched clear which incidentally set up a counter attack.

From this break came the most controversial

moment of the match. Adam Baker started the break by driving down the right wing and the attack culminated with Jimmy Beadle flicking over the Ambers' backline to Tom Corner who helped the bouncing ball over Andy Sneath but saw his effort scrambled off the line by Richard Adams. However, when Corner guided it over Sneath, the Handsworth stopper collided with the new Taddy number nine leaving the referee with no choice but to point to the spot.

Now, the referee had a massive decision to make in terms of what to do next with Sneath, as the Taddy faithful cried 'OFF OFF OFF' from the side the man in the middle agreed and showed Sneath a straight red card.

After winning the spot kick, Tom Corner wanted to take it himself but he was made to wait an age as Handsworth made a change bringing on U19 player Tyler Bates to go in between the sticks.

Corner eventually stepped up and stroked it past the stand-in keeper to give The Brewers a two goal cushion plus a man advantage going into the break.

Half-Time: Tadcaster Albion 3-1 Handsworth Parramore

If Taddy could net an early goal in the start of the second half you would start to worry for Handsworth at 4-1 down but this is exactly what happened. A minute into the second forty five The Brewers put daylight between the two promotion chasers. Conor Sellars' corner was headed away by captain Adams but Jason Mycoe did superbly to guide back up and over the defence to which Tom Corner flicked backwards past the hapless Bates. That's Corner's third goal in just his third appearance for the club after recently arriving from Scarborough Athletic.

As dominant as Taddy were, Handsworth deserve a lot of credit for the way they played, they gave it a good go in the second half and caused the home side some problems.

The Ambers did actually pull a goal back just shy of the hour mark as Simon Harrison bent in a stunning free-kick from 22 yards out which left Gary Stevens with absolutely no chance.

With Handsworth pushing bodies forward because, well why not, this left large gaps in behind for Taddy to exploit and substitute Carl Stewart was the man to find these on a number of occasions. With 68 minutes gone Gregg Anderson played a long ball forward which bounced in the path of Stewart leaving the striker clean through on goal but at a tight angle. Stewart drove goal wards and struck on target but it was a nice height for Bates who managed to keep it out.

Carl Stewart found himself one v one with Bates again two minutes later as long balls in behind were causing The Ambers real trouble however as Stewart drove into the box he poked agonizingly wide squandering another glorious chance to put the game to bed for good.

Taddy were creating plenty of chances to kill the game off with Black and Stewart both seeing their tame efforts stopped by Tyler Bates. Kieran Wells has 32 goals this season for the Parras and he almost made it 33 so set up a slightly nervy finale but the fiery striker saw his header fly inches over the crossbar.

With two minutes to go the three points were already in the bag for Tadcaster but they did make it a five star afternoon as Josh Greening completed his hat-trick. Jason Mycoe unleashed a rocket from 30 yards which Bates actually stopped well but Greening was on-hand to smash into the roof of the net with his weaker right-foot to cap off a brilliant victory.

The three points saw The Brewers replace Handsworth Parramore at the top of the NCEL Premier Division to go a point clear with a game in hand.

Taddy were sensational throughout against an extremely talented Handsworth side. To come from behind so early shows character, to score as many goals as they did shows quality and to boss the game (albeit against ten men) as they did shows true professionalism.

Treating people the way we expect to be treated

Tadcaster Albion AFC (The Brewers)

Tadcaster Albion advanced into the NCEL League Semi-Final after a Carl Stewart hat-trick saw off nearby Division One neighbours Knaresborough Town.

With games coming thick and fast to say the least over the next fortnight, TAFC boss Billy Miller made no fewer than eight changes to the side that beat Handsworth Parramore.

The Brewers boasted four ex-Premier League stars with Seb Carole and Richard Cresswell making their debuts along with Matt Heath and Jonathan Greening also back in from the start.

From the experienced to the inexperienced as U21 players Ryan Woodhead and 17-year old Casey Stewart, who only knew about starting ten minutes before kick-off due to Nick Black pulling up in the warm-up, were both given game time at Manse Lane.

The cup tie started off in a cagey manner with both sides finding their feet without creating any chances.

The home side were massively up for the contest as you'd expect and it was never going to be a walkover with Town looking up towards the play-offs in Division One.

20 goal striker Brad Walker got his first sight of goal after quarter of an hour played. A long goal kick was flicked into Walker's path but the talisman was yet to find his range as he pulled his half-volley way wide.

Knaresborough were dealt a blow to their chances shortly after Walker's effort as the highly rated Will Lenehan was forced off with a shoulder injury after a collision with Cresswell.

Apart from Cresswell's header in the early stages, both sides were struggling to create any noteworthy chances but were finding themselves in decent wide positions. Seb Carole was seeing plenty of the ball on the right-hand side and the 33-year-old Frenchman was showing glimpses of

what he's all about.

He was looking comfortable on the ball as you would expect and he created himself a shooting opportunity from 25 yards out after turning Calum Rodgers inside and out before firing high into the night sky.

Taddy did however strike blood first in the Quarter-Final with less than half an hour played. Seb Carole drove beyond Rodgers in a central position before guiding a perfectly weighted through ball to Carl Stewart who impressively fired low into the near corner past Jack Rushworth.

The goal certainly didn't faze Knaresborough's game plan as they bounced back positively from going behind.

Jack Atkinson tried his luck from 30 yards but his strike was straight at Stevens in the Taddy goal and then Fatlum Ibrihimi pulled out a bicycle kick to set up Brad Walker who also went for the acrobatics but fizzed just over.

Knaresborough were giving a thoroughly account of themselves but their hard work was undone by some quality play by The Brewers. Richard Cresswell got up highest to flick beyond the Town defence to set up Carl Stewart who coolly flicked the ball over the falling Rushworth.

Carl Stewart, who has had a frustrating season hampered by injury was looking ravenous for goals at Manse Lane and the forward almost completed a first-half hat-trick but struck over the target from inside the penalty area.

Half-Time: Knaresborough Town 0-2 Tadcaster Albion

The second half started with the home side putting The Brewers under pressure but the centre half pairing of Matt Heath and Andy Milne were looking compact and as solid as ever.

Knaresborough were pumping balls into the box

but when called upon, Gary Stevens was out to clear with punch after punch.

With the quality that Tad have, they are always a threat going forward and Richard Cresswell rolled back the years in the 65th minute after driving at the heart of the Knaresborough defence before a mixture of Pascal of Rodgers brought the target man down.

The home side kept plugging away though and really should have been back in the cup tie but the usually deadly Brad Walker somehow slid wide from four yards with the goal gaping.

Walker must have been kicking himself about his missed opportunity but would have felt even worse when Taddy put the game to bed with seven minutes to go.

Hainsworth awarded The Brewers a penalty kick after Toby Lees was adjudged to have deliberately handled the ball.

There were no surprises who picked up the ball to take the spot-kick, yep it was of course Carl Stewart who emphatically stroked past the hapless Rushworth to complete his hat-trick.

The home side did however pull a consolation goal back in the dying embers. Gary Stevens produced a magnificent save to keep out the hard-working Walker but unfortunately for Taddy's back line and Stevens, Toby Lees swiftly hooked into the back of the net to get Knaresborough on the score board.

Tadcaster Albion romped into a three goal lead before holding off a late fight back from Thackley as another match is ticked off with three points.

Taddy boss Billy Miller inevitably made seven changes to the side that beat Knaresborough Town in the League Cup on Thursday with Josh Barrett, Dan Clayton, Gregg Anderson, Adam Baker, Jimmy Beadle, Tom Corner and Josh Greening all coming back into the side.

As the match got underway in the Bradford sunshine, Taddy's nerves were calmed as they took the lead inside five minutes.

Andy Milne's long ball forward in behind Thackley's high back-line was pounced upon by Josh Greening who was forced wide but still managed to stroke the ball past Dayle Coleing and into the bottom right corner from an acute angle.

The early goal didn't unsettle the home side as they almost replied immediately. Ryan Farrell strike from close range was well stopped by Gary Stevens and Dan Clayton's back-pass gave Andrew Wood the chance to let fly but the striker fired just wide.

Both sides were creating plenty of chances in the first quarter of an hour it didn't look like the contest was going to finish with just the one goal scored.

With just over half an hour played in the match Tad boss Billy Miller made a change bringing on Conor Sellars for Adam Baker. It was confirmed after the match that he was feeling unwell.

With ten minutes to go until the half-time break Taddy did go two goals to the good but it has to be said, it was in bizarre circumstances.

Dayle Coleing in the Thackley goal wasn't having the best of halves as it was after some poor kicks as well as being questioned for the first goal, but his afternoon only got worse. Coleing originally came and claimed a Conor Sellars cross and as he waited for his side to push up Josh Greening walked slowly with him. The tall keeper then belted

the ball into the back of Greening which saw the ball catapult backwards over his head setting up a race between attacker and goalkeeper. Josh Greening's tremendous pace, bravery and determination saw him bundle the ball over the line and into the back of the net.

A few red shirts but mainly Coleing protested profusely to the officials as referee Joseph Goodwin looked at his assistant who couldn't see anything wrong with the goal.

It's as if the goalkeeper hit Greening on purpose to make a point to Goodwin to get him booked, but this backfired big time.

Credit to the assistant on the near side, I believe it was Elliot Shiers, a really brave decision to make but a correct one as the referee's assessor confirmed post-match.

With the half-time whistle approaching the brisk sunshine soon turned to wintery hale/snow showers as Tad went into the break in control after a Josh Greening brace.

Thankfully the dreaded white stuff just popped by for the break as the sunshine gleamed once again for the start of the second

Half-Time: Thackley 0-2 Tadcaster Albion

Thankfully the dreaded white stuff just popped by for the break as the sunshine gleamed once again for the start of the second half.

The second half began in entertaining end-to-end fashion once more as The Brewers were denied a third goal by a superb save Coleing. Josh Greening's hung up cross was powerfully met by the head of Tom Corner which flew towards the upper echelons of the goal but credit to Dayle Coleing who soared up to his left-hand side to claw out the fierce header.

However, just seven minutes later and Taddy did score the all-important third and what a goal it was.

The rapid Conor Sellars picked the ball up ten yards inside Thackley's half and drove at the heart of defence. Sellars then played a lovely reverse ball inside to Josh Greening who performed a perfect first-time cryuff flick into his brother's path and Jonathan Greening coolly passed the ball beyond Coleing and into the bottom corner to finish off a sublime move.

With The Brewers now 3-0 and firmly in the driving seat, it was about game management for Billy Miller's men as they took their foot off the gas slightly in order to shut up the shop and hold onto the lead.

With all that being said Thackley did however get on the score sheet and pull a goal back with 25 minutes to go. Kristian Hargreaves' clipped ball to the back post saw Tom Dugdale net his 20th of the season by looping a header over Gary Stevens.

Conor Sellars came close to putting The Dennyboys well and truly to bed by netting a fourth but his saw his reaction header fly narrowly wide of the left-hand upright.

As the second half ticked on Thackley heaped more and more pressure onto The Brewers and with four minutes left of normal time they pulled a second goal back to set up a nervy finish. Samaila Cissa cut inside from the right by-line and poked in a low cross which didn't look to put Tad in any danger until not one but two dummies were executed perfectly to allow Dugdale to stroke in his second of the afternoon.

Credit to the home side, they pushed and pushed until the final whistle but in the end Tadcaster did just enough and held on to a big three points.

Josh Greening

It was the late late show in Pickering as Taddy leave it until the death to turn it around against local rivals to go back to the top of the league.

Tadcaster boss Billy Miller made two alterations to the side that held off Thackley on Saturday with Jordan Armstrong & Conor Sellars replacing Adam Baker & Josh Barrett. Former Brewers manager Paul Marshall named no fewer than four ex-Taddy players in his starting eleven with a further four on the bench.

It was a gorgeous sun packed evening in Pickering and it was the home side who made the brighter start with both full-backs putting in dangerous crosses – both coming to nothing.

Ged Dalton was looking lively up top in the early stages for the home side with some nice foot work in the final third but it was the visitors who carved out the first real chances in the match. Jonathan Greening's teasing cross invited target man Tom Corner to attack but the frontman couldn't stretch enough to head goalwards.

Credit to Pickering though who were playing some impressive football with confidence clearly instilled from leader Paul Marshall, who was looking to get one over on his former side along with the ex Taddy bunch.

It was in fact the home side who scored the opening goal of the contest in the 11th minute. Joe Danby's curling free-kick was nodded past the hapless Gary Stevens by Matty Turnbull. The defender seemed to ghost into the box and was surprisingly given free rein to jump unchallenged and head past Stevens who seemed to lose the flight of the ball.

A couple minutes after the Pikes took the lead they almost doubled their advantage. Sam Calvert showed clever play and impressive vision to switch the play to the free Niall Tilsley who controlled a struck a dipping volley narrowly over Stevens' goal.

Pickering were having the vast majority of the ball in the first half as they sprayed it around confidently

at the Recreation ground much to the delight of the home fans.

Jonathan Greening was a bright spark as ever for Taddy down the left-hand side and he almost teed up his younger brother Josh inside the penalty area. The former West Brom & Fulham midfielder breezed past Denny Ingram, raced towards the goal & pulled a cross back looking for Josh Greening but credit to Nathan Kanara who read the attack and swooped across to slide clear.

Taddy worked more and more back into the contest as the half went on as Jonathan Greening surged beyond Pickering's midfield and looked to scoop Beadle in behind but the fancy through ball was just too heavy for the Taddy number 8.

The home side were looking dangerous 9 times out of 10 on the attack but Nathan Kamara thought he'd cut out everyone by letting fly from 30 yards - he struck it magnificently but Stevens managed to fingertip the rasping drive over the crossbar.

Half-Time: Pickering Town 1-0 Tadcaster Albion

Something had to change in the second half if Taddy were going to get anything from the match as the home side were well worthy of their lead.

It was clear from the start of the second period that Pickering's impressive intensity wasn't to be replicated as The Brewers started knock knock knocking on the pikes' door from the off.

It looked like it was going to be a long half for the home side as all of the football was being played in Pickering's half, could they hold off Taddy's deadly attack for 45 minutes?

Josh Greening's corner in the 87th minute was met by defender Andy Milne heading past Pete Lawrie but was actually hooked clear. However, the header looked to be way over the line and as half celebrations and half protests started, the referee looked over to his official who flagged for a goal to send the away end wild.

Tad were not settling for a point though, oh no, they wanted all three and you could feel the momentum press firmly against the home side as the TSC roared their side on (with a little help from the famous boom box).

The fans were singing, the bench were encouraging, the boom box was blasting out 'Tad All Over' it was an incredible atmosphere to say the least but the best was yet to come.

With one minute left of normal time Taddy had done the extraordinary, they had done the unthinkable, they conjured up a second goal to dramatically take the lead in the dying embers.

It was another perfect corner kick from Josh Greening from the far side and Jimmy Beadle had drifted off his man towards the front post. As the curling cross came in Captain fantastic found that extra inch of spring in his jump to delicately flick past the hapless Lawrie and into the back of the net to send the travelling Taddy fans into absolute pandemonium. The players were in with the fans, the bench were on the pitch, the scenes were extraordinary and the sensational comeback was complete.

The Brewers finally wore down a supremely hard working Pickering side who had worked their socks off all night. As they say, it only takes a second to score a goal, and it only takes two minutes to score two goals in this instance.

Just to add insult to injury and sprinkle that bit of icing on what was a terrific cake, Taddy netted a third in stoppage time. Just to add insult to injury and sprinkle that bit of icing on what was a terrific cake, Taddy netted a third in stoppage time.

Pickering Town FC
v TAFC

Monday 18th April 2016

Maltby Main end Taddy's six match unbeaten run as The Brewers miss the chance to go four points clear at the top.

TAFC boss Billy Miller made three changes to the side that dramatically turned it around to beat Pickering on Monday night with Adam Baker, Carl Stewart and Josh Barrett all back into the starting eleven.

It's fair to say that there are better pitches in the NCEL with Muglet Lane's field sporting incredibly long grass, large slopes and bobbles all over making it extremely difficult for either side to get the ball down and play.

The home side took an early lead as the sun slowly started to set in Maltby. A long throw-in from the right hand side was glanced into the far corner by the leaping Lee Hill.

Nine minutes later and Maltby had shocked the title chasers as they doubled their lead. Cameron Rigby drove down the left wing and pulled a cross back to Ryan Carroll who swept in from inside the penalty area.

Taddy, who were kicking downhill in the first half thought they had replied three minutes later as Jonathan Greening's corner dropped to an unmarked Gregg Anderson who powered a shot goalwards but Danny Rusling got a strong hand on the strike to push it out of danger.

The Brewers were giving it everything to try and get back into the match as the TSC kept on encouraging their boys and they had another super chance to pull one back but Adam Baker's free shot from the edge of the penalty area soared narrowly over the bar.

Maltby were looking increasingly dangerous when going forward but it was Taddy who netted the third goal in the match. The referee pointed to the penalty spot after Lee Hill tripped Josh Greening. Captain Jimmy Beadle stepped up and saw his power blaster of a penalty outstandingly pushed onto the bar by Danny Rusling but Beadle was

on-hand to nod in the rebound.

However just two minutes later and the home side restored their two goal cushion with undoubtedly one of the goals of the season. Lee Hill who was the pick of the bunch for Maltby; taking long throw-ins, heading every ball away and now scored an absolutely incredible goal. Andy Milne's header looked to be bouncing over Hill but the Maltby defender flicked up into the air, controlled and met the bobble with an amazing left-footed looping strike which dipped into the top corner from 35+ yards.

Half-Time: Maltby Main 3-1 Tadcaster Albion

Into the second half and Taddy had to produce another impressive comeback if they were going to win their penultimate away match of the season.

Danny Rusling was putting in a decent display in the Main goal as Jimmy Beadle bent a shot towards the far corner but again Rusling didn't just get across to save, he also held the fierce strike.

As expected, The Brewers dominated the second half putting Maltby under heaps of pressure but they continued to defend heroically heading and blocking everything thrown at them.

Taddy's tremendous efforts finally found a reward with ten minutes of normal time to go as they set up an exciting finale. The goal was really well worked as Nick Black did superbly to escape two red shirts and shift to Josh Greening who teed up Beadle whose blast at goal flicked off Black and diverted in by Carl Stewart for his sixth of the campaign.

The pressure was severely on the home side now as The Brewers threw absolutely everything at them. Gregg Anderson's long ball forward was chased down terrifically by Carl Stewart who managed to flick sideways before the goalkeeper Rusling could grab the ball but Joe Austin managed to clear out of the six yard box.

You always felt that Taddy would get one more chance to equalise and that chance did come with five minutes to go, but unfortunately it wasn't taken.

Jimmy Beadle's hook over Main's defence was impeccably brought down by Josh Greening who when looking up saw goalkeeper Danny Rusling had come right out to the edge of his area.

Greening then faked a shot which allowed the attacker to dribble round the keeper and shoot but remarkably it was cleared off the line by two determined Maltby defenders. The rebound ricocheted back out to Jimmy Beadle whose effort was also blocked.

Taddy did find the back of the net once again with a couple of minutes to go but much to the visitors' dismay, the flag went up. Jimmy Beadle rose highest to flick onwards to the advancing Carl Stewart who was lively all evening but unfortunately the striker was adjudged to have been offside. However, on second viewing it looks as though Stewart timed his run to perfection before forcing past Rusling.

With that being said Maltby Main wrapped up the win and the three points in stoppage time after an awful bobble gifted Ryan Carroll his second of the match.

With the home side celebrating the goal in their dugout and Taddy ready to kick-off, the referee looked to state that Tad could get the match underway with Maltby still celebrating including the keeper but when The Brewers did kick-off they opted to pass it forward and the attack died down as the match did.

Tadcaster Albion AFC (The Brewers)

1892

TAD'S History

By Ian Tyssen

The NCEL Years 2013-2014 Season

The Northern Counties East Football League (NCEL) increased its membership by one to 45 clubs for the 2013/14 season. The Premier Division now had 23 teams.

The previous season's champions, Scarborough Athletic, moved up to the Northern Premier League (NPL) Division One South and Garforth Town returned to the NCEL from the NPL Division One North.

Basford United joined the NCEL Premier Division from the East Midlands Counties League, with Arnold Town moving in the opposite direction.

At the end of the 2012/13 season, Hall Road Rangers were relegated from the Premier Division, whilst Albion Sports and Athersley Recreation were promoted from Division One.

Dronfield Town (Central Midlands League) and Shaw Lane Aquaforce (Sheffield & Hallam County Senior League) joined the NCEL Division One. Having lost all of their final 22 games, Askern Villa finished bottom of Division One in 2012/13 and moved down to the Central Midlands League.

The Brewers' season started with the upheaval of Rob Northfield resigning and i2i Sports Ltd taking control of the club.

Albion's league campaign had an unspectacular start, with a last gasp 3-2 win at Winterton Rangers, who would finish 22nd in the league, and a 1-3 home loss against title favourites Brighouse Town.

What followed was a 24 game unbeaten run - 15 wins and nine draws - which lasted until mid December. There were big home victories over Armthorpe Welfare (4-1), Nostell Miners Welfare (4-1), Long Eaton United (4-1) and Basford United (5-0) as well as a 4-0 win at Pickering Town. The Brewers also completed a double over Heanor Town.

The unbeaten run almost came to an end in the 21st game, when Parkgate were leading 3-2 with only a few minutes remaining. However, Josh Barrett and Mitch Hamilton scored to seal a dramatic 4-3 victory for the home side.

Tadcaster Albion topped the league but Brighouse Town were looking threatening with several games in hand.

Albion Sports inflicted the Brewers' second league defeat of the season when Liam Ormsby scored the only goal at Tadcaster.

Another disappointing defeat followed quickly - losing 3-5 at Basford United, who were 4-0 up at half-time. Two late Mitch Hamilton goals made the score slightly more respectable.

Albion got back to winning ways with three big wins against the bottom two clubs. Lincoln Moorlands Railway were beaten 6-0 at Tadcaster and 8-1 away, with four goals from Carl Stewart. Winterton Rangers were then thrashed 6-0, thanks to a Calum Ward hat-trick.

The Brewers visited Brighouse Town for must win game in early February but, in awful weather conditions, they were crushed 8-1. They never recovered from being 6-0 down at half-time, having played against a strong wind in the opening 45 minutes.

Once more, Albion embarked on another unbeaten run - seven wins and a draw from the next eight games. Big home wins came against Garforth Town (4-1) and Pickering Town (5-0) and notable away victories were picked up at Nostell Miners Welfare (5-0) and Bridlington Town (4-0).

Mid-table Glasshoughton Welfare subjected the Brewers to a 0-1 home defeat but victories were secured in the final three league games. The final game was a 4-0 win at Liversedge, where Carl Stewart bagged a hat-trick.

Having had four points deducted, Tadcaster Albion finished third in the league with 93 points from 44 games - eight points behind champions Brighouse Town and trailing Barton Town Old Boys on goal difference. They only lost five games, which was lower than any other team in the NCEL. Also, with only 48 goals conceded, the Brewers had the best defence in the Premier Division.

With over 30 goals, Carl Stewart was the club's top scorer in league and cup competitions. Danny Critchlow (12), Nick Thompson (10) and Calum Ward (10) also contributed to the 122 goals scored by the Brewers in competitive games.

There was a 75% increase in average crowds at the Brewers' home league games - growing from 106 to 186. The attendances at all of the final nine home games were over 200, with the biggest being against Pickering Town (522) and Barton Town Old Boys (501). The lowest turnout was 64 for the visit of Basford United.

The Brewers were drawn away in all ties in the four cup competitions and there was very little success on their travels.

In the FA Cup extra preliminary round, Albion brought Bishop Auckland back to North Yorkshire for a replay after a 0-0 draw. The Northern League Division One club then won 3-0 in front of 214 fans at Tadcaster.

Another Northern League club, Birtley Town, ended the Brewers' hopes in the FA Vase - winning 4-1 in the first round qualifying.

Ossett Town of the NPL Division One North thrashed Albion 5-0 in the first round of the West Riding County Cup.

In the League Cup, Glasshoughton Welfare were beaten 4-2 in the second round but the Brewers lost 1-2 to Division One Eccleshill United in the third round. The Bradford club defeated three other Premier Division teams and the Division One champions, Cleethorpes Town, to reach the final.

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system. Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United.
