1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

Welcome to our opponents this afternoon for the visit of Ossett Town.

We would like to extend a warm welcome to all of the players, fans and officials of Ossett Town FC.

Saturday saw us lose by a single goal away at Prescott Cables, a game that should never have been lost.

It had 0-0 written all over it to be honest, the pitch made it incredibly tough for both sides to play on hence why very little chances were created.

It summed our whole afternoon up that the only assist of the match came from the pitch. A long ball forward straight from the second half kick-off looked to be going safely into Gary's hands before what can only be described as a freak incident saw the ball bounce backwards and change direction leaving their forward with a simple finish.

With that being said we didn't create a clear chance of our own which was disappointing and credit to Prescott who took

their opportunity when it came, albeit in fortuitous circumstances.

We are looking forward to returning home to the i2i stadium for the first time since the 29th October tonight. It has been long overdue.

In terms of tonight's visitors Ossett Town, we certainly owe them one after losing at Ingfield back in September.

We know we will be in for an incredibly tough encounter though as Ossett are flying high in fifth at the minute and with ourselves having several key members out through injury we will be up against it.

We hope that you enjoy this evening's match and have a safe journey home afterwards..

The i2i Sports Directors

Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good evening everyone and welcome to a wet i2i for this evenings game against local rivals and friends Ossett Town FC. We hope Grant and his players enjoy their stay and wish them a safe journey home after the game.

Saturday saw a disappointing trip to Prescott end with us conceding a freaky goal on a pitch that should have seen the game called off. However the early inspection meant we had to go and endure two teams battling the pitch more than each other. Whilst I feel we need to learn to adapt the way we play it was a difficult encounter on a more than difficult pitch. The easiest thing to do is to put it behind us and move on quickly.

It has been a difficult couple of weeks for us away from home. Although we have picked up some great results; the 5-2 win away at Ossett Albion was followed with a great league cup win at Frickley 2-0. Tom Corner, Conor Sellars, Adam Baker and Jason Mycoe were all on target.

Injuries have took their toll, Michael Ingham is still out from a poor tackle at Goole, Gregg Anderson is out with a hamstring strain and Jono with a calf niggle will all be missing, whilst Josh Greening is away with work. That a side we must not lose sight of the long term goal, to finish as high as we can.

Finally, we would like to say thank you to everyone who has took time out to follow the team. Chatting with you at the games makes us appreciate the effort you all put in to get to the games. Much respect to you all...

Ossett Town AFC

In 1936, at a public meeting chaired by the Mayor of the Borough of Ossett, a former Yorkshire League referee called John Carter was given the task of bringing to Ossett the highest possible standard of football.

The new club, to be known as Ossett Town Football Club, played in the Leeds League (later renamed the West Yorkshire League in 1939), played on a pitch behind the Fern House Working Mens Club on Wakefield Road and used various local pubs as headquarters.

During World War II, the team switched to the Heavy Woollen League and had to use a pitch on Back Lane when the army commandeered Fern House.

After the war in 1945, Town joined the Yorkshire League and three years later won the West Riding County Senior Cup, beating Salts 4-2 at Bradford City's Valley Parade. In 1950, Town finished 3rd, our best position in the Yorkshire League, scoring a record 120 goals that season.

Attendances at some games were well over 1,000, during the 1940s and 1950s, the Yorkshire League contained the 'A' teams of Leeds, Huddersfield, Sheffield United, Sheffield Wednesday, Barnsley, Doncaster and so on, top players learned their trade in these teams, such as John Charles, Denis Law, Ray Wilson, Peter Swan, Tommy Taylor, Jackie Charlton and many others.

In January 1957, Derrick Blackburn was transferred from Ossett Town to Swansea Town for £1,350. This fee enabled Ossett Town to acquire the Ingfield site in the centre of Ossett and the club moved to their new

ground in 1959, just after being relegated from Division 1, Town bounced straight back at the first attempt, but were relegated again in 1962.

By 1970, Town were members of the newly formed Division 3. About this time, the long serving player, Frank Lloyd, became manager and he signed up two former Newcastle & Huddersfield strikers, Len White and Jim Kerray.

Frank eventually became secretary and was replaced as manager by John Riley. Town were promoted in 1973, but were relegated back to Division 3 in 1975. Again Town won promotion from Division 3 in 1976, but this time they stayed up and won promotion to Division 1 in 1978. However they were relegated again in 1980.

In 1982 Town again won the County Cup beating Bradley Rangers 2-0 at Huddersfield Town's Leeds Road ground in the final season of the Yorkshire League finishing runners up in Division 2.

Ossett Town joined the newly formed Northern Counties East League in 1982/83. Initially they played in Division 1 North to 1984, then Division 1 Central for a year before joining Division 2.

Graham Firth became Chairman in the mid-1980's and it was 1987 that really saw the start of the rise in fortunes at Ossett Town. Mickey Bullock was appointed manager and Town won the Division 2 Championship in 1988/89.

The following season Town gained promotion to the Premier Division and won the League

Cup beating Vase finalists Bridlington Town 1-0 at North Ferriby's ground – Bridlington Town won the FA Vase that season and were managed by our current manager, John Reed.

Under the Chairmanship of Graham Firth floodlights were installed, the pitch re-laid, new dressing rooms built and the social club extended as Town prepared to move up the pyramid, also the record attendance of 2,600 was set when Town entertained Manchester United in a pre-season friendly in 1988. The President of Ossett Town, John Carter, died in 1994 at the age of 88. He had performed every role within the club, including chairman, secretary and team manager.

In 1998/99, Town under manager Trevor Best, were unbeaten at Christmas and top of the table, however Best left the club and was replaced by Gary Brook, Town finishing runners up to local rivals Ossett Albion but due to ground grading issues The Unicorn's were denied promotion meaning, after nine seasons in the Premier Division, Ossett Town gained promotion to the Northern Premier League.

Finishing eighth in the first two seasons in the higher league Town finished runners up in 2001/02 and thought they had gained promotion to the Premier Division, but this time the ground grading rules worked against them and promotion was denied as ground improvement work was twelve hours late. Ossett Town appealed this decision, but the decision was not overturned.

That decision was a catalyst for a period of struggles for the club, first a number of key players left the and Town just avoided relegation finishing in 20th place, Gary Brook leaving the club at the end of the season.

In 2003/04, Scott Cooper started the season as manager, but by October Town were bottom of the league and Steve Richards took over as manager, Town finished 14th.

However, because of the newly created Conference North Division Town found themselves promoted to the Premier Division – it was supposed to be the top 13 but the demise of Telford United created an additional place.

In 2005/06, Ossett Town achieved their best ever performance in the FA Cup, reaching the 4th qualifying round. Town lost 2-3 to Leamington who were drawn away at Colchester United in the 1st Round, losing 9-0.

Despite the cup run, Town were in the relegation zone, a few weeks later the

manager Steve Richards was replaced by his assistant, Steve Kittrick, results improved considerably and Town eventually finished 11th and a year later 10th.

In 2007/08, after a bright start, Town were surprised in November when manager Steve Kittrick resigned to become Guiseley manager. A number of players left the club and new manager Simon Collins had to endure a miserable run of results as he brought in a lot of new players, including former Huddersfield Town colleagues, Simon Baldry and Chris Billy. Town finished the season in 18th and avoided relegation on goal difference.

Despite being clear favourites for the drop in 2008/09 the side finished an impressive 12th place. Manager Si Collins brought in his old Macclesfield Town manager Peter Davenport as an advisor and the results and performances started to improve.

Sadly, the season was overshadowed by the death, on 8 March at the age of 80, of long serving player, manager and secretary Frank Lloyd. The directors room at the ground was renamed The Frank Lloyd Hospitality Suit in his memory, inside there is a photograph of him with the FA Cup taken a few years earlier when it visited Ingfield.

In July 2009, Simon Collins resigned after a dispute with the committee over the size of next season's budget and was replaced by a joint management team made up of reserve team manager Paul Lines and former Bradford Park Avenue reserve team manager, Mick Couzens.

The partnership was not harmonious and in October, Couzens resigned after an argument with Lines, who continued as first team manager until the club appointed former Hull City and Wolves player Peter Daniel as manager, Lines reverted to reserve manager.

The appointment was not a success with Peter Daniel resigning in March and Lines was again re-instated as first team manager until the end of the season. The club finished second from bottom but avoided relegation due to the closure earlier in the season of Newcastle Blue Star and King's Lynn.

Phil Sharpe was appointed manager in June 2010. He brought in former Ossett Town player Paul Sykes as assistant.

Sharpe used his contacts in local football around Leeds to bring in some youngsters. The season got off to a bright start; but

financial difficulties at the club saw some player's leave and results deteriorated. With the team losing 14 of 16 games from mid-October, leaving the team situated precariously close to the relegation zone.

Phil Sharpe took charge for the 2010-11 season but with a tight budget and under-par performances Town suffered relegation to the Northern Premier League Division One North after only one home win all season. The only relegation the club suffered under the chairmanship of Graham Firth.

Town kept faith with Phil Sharpe for the 11/12 season and added Eric Gilchrist to the dug-out, the ex Ossett Albion manager of many years, as Sharpe's assistant.

Town had many good games in both the cups and the league but there was a lack of consistency overall and league performances were below-par. Phil Sharpe stepped down and he was replaced by his assistant Eric Gilchrist as caretaker manager. Town finished the season in 17th place.

Season 2012/13 saw a new man at the helm with the appointment of Craig Elliott as first team manager. With a number of new players being brought in, it took time to find a settled side and the team finished a credible 12th in the league, ending up the highest placed West Yorkshire team. However, this season will go down as a cup season with the team arguably playing in their biggest game of the club's history, when we lost away to Stockport County in the FA Trophy. Town also reached the semi-final of the County Cup before going out to FC Halifax Town.

2013/2014 was a momentous season on and off the field, first of all Graham Firth stood down as chairman after 28 years, taking up the Honorary President role at the club. The members voted for the Junior Chairman, James Rogers, to be his replacement.

The club also lost some key players to clubs in higher divisions, the biggest been Ryan Qualter who stepped up to the Conference North.

Despite this on the field an excellent FA Cup run was ended at Colwyn Bay in the third qualifying round and the league form was superb, the club enjoying a run of just three defeats in 23 games at one point.

Despite this Craig Elliott decided he could take the club no further just 24 hours before a game in February, stepping down two divisions to a job in the NCEL First Division.

Full back Steven Jeff was asked to take over as caretaker manager which he did admirably, winning four points from two games. It would have been six but for two penalties conceded in injury time against New Mills!

John Reed, assisted by Clive Freeman were the big name replacements to run the side and they guided the club to an impressive eighth place finish.

Once again there was a high turnover of players at the club, a number of youngsters joining the side such as Brad Dixon from Leeds United and Nathan Curtis from Bradford City.

The on field performances were very inconsistent leading to a 18th place finish in a tough division. The majority of players, a year older and with a lot more experience have re-signed for the 15/16 season.

Tuesday 2 June 2015 saw the untimely death of honorary President Graham Firth, age 64. He dedicated his life to this football club, taking the mantle from John Carter to bring the highest level of football to the area, something that can be said he did.

It is now up to the members of Ossett Town to honour the memory of Graham by continuing the work and progressing this football club as far as possible.

2015/2016 continued to be a transitional period for Ossett Town with no less than three managers required to see safety, eventually comfortably, assured. John Reed left the role in November 2015 and his replacement, Graham Nicholas, was winless in 11 games.

Grant Black joined the club, his first managerial role, on Valentines Day 2016 and it proved to be a match made in heaven as the club took more points from then to the end of the season than from August through to his appointment.

With the squad further strengthened in the summer the prospects of a much better season are on the cards.

Match PREVIEW

Ossett however are in good form as they currently occupy the final play-off place. Their game away at Radcliffe Borough on Saturday was postponed so they will be chomping at the bit to get back out there.

Three points for The Brewers could see them climb eight places all the way up to third whereas a victory for Ossett would see them move just two points behind leaders Scarborough Athletic.

Team News: Goalkeeper Michael Ingham remains out with injury along with Gregg Anderson. Josh Greening is away but Tom Corner should be fit after being an unused substitute in Saturday's defeat at Prescott Cables.

On Tuesday night The Brewers return home for the first time in almost a month as they welcome Ossett Town to the i2i stadium.

The two sides met at Ingfield back at the end of September which resulted in a 3-1 victory for the Wakefield based outfit.

Taddy come into the match on the back of a 1-0 defeat away at Prescott Cables. A goal which was a freak incident assisted by an unpredictable pitch.

Prescot Cables v Tadcaster Albion

A freak goal assisted largely by the pitch was tapped in by Dom Marie as Prescot scored the only goal of the game against Taddy on a difficult day.

Manager Billy Miller made four changes to the League Cup victory at Frickley Athletic with Josh Greening, Conor Sellars, Josh Grant and Gregg Anderson all back in from the start.

Tom Corner was only fit enough for a place on the substitutes bench after going off in the opening ten minutes in midweek with a hamstring injury and The Brewers were to lose a player in the early stages once again.

Gregg Anderson was making his first start after recovering from knee surgery but unfortunately the defender pulled up inside twelve minutes with a hamstring injury of his own.

Fatum Ibrahim was the man to come on which saw Jason Mycoe revert back to right-back and Josh Barrett once again shift across to centre-back.

The pitch at Prescot Cables passed a 10am inspection and credit to those who worked hard to get the game on. However, there's no doubting that the sandy and uneven patches across the turf made it difficult for both sides to play any kind of attractive football.

Dan Thirkell did well to set Rob Youhill in behind the Cables defence but some good covering by Brad Johnstone forced the winger into rushing his shot.

The home side threatened to break the deadlock in behind several times and should have at least made Gary Stevens make a save in the 24th minute.

Defender Ben Cartwright did brilliantly to dribble the ball from his own half all the way to the right-hand by-line before pulling back to James Edgar who completely missed his kick from close range.

Taddy's best chance of the half came nine minutes from the break when Josh Greening cleverly flicked back inside Valter Fernandes but tamely side-footed on target making it comfortable for Phil Priestley in the Cables goal.

It was a half of very few chances, but the second half saw a goal inside twenty seconds, albeit in bizarre circumstances.

There looked to be no danger as Prescot drove forward from the kick-off and Andy Milne shielded the ball back to goalkeeper Gary Stevens until the ball took a wicked bounce changing direction in the meantime and falling perfectly for Dom Marie who guided into the empty net.

It's fair to say it was a freak goal assisted by an unpredictable pitch.

Despite Marie's goal, The Brewers were in charge of possession and looked comfortable for most but just struggled to carve out any real clear cut chance.

As the half ticked on and Taddy pushed increasingly harder for a way back into the contest, this left the door slightly open at the back. Dom Marie had a glorious chance to seal the three points after being set one on one v Stevens but the Taddy stopper superbly saved with his foot.

With just under twenty minutes to go central defender Andy Milne was moved up into the centre forward position to give them a greater target to hit.

As much as Taddy dominated the final part of the match, they created next to nothing as long ranged efforts from Josh Grant and Fatum Ibrahim both failed to test Priestley.

Prescot Cables worked incredibly hard for each other and dug in when required and in the end held on to all three points.

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with Bryan Hughes.

The team have only known each other three months but are making great progress day by day and week by week.

On Monday night they moved back to the top of the West Riding County FA U21 Floodlit League with an impressive 3-0 victory over Ilkley Town in tricky conditions.

Frenchman Ilyess Jeridi started the scoring off with a powerful header from Nick Massey's pinpoint cross.

And then with five minutes to go Californian talisman Marcos Garcia sealed the three points with a quick fire double.

I2i doubled their lead when Garcia finished off a superb run

by Ilyess Jeridi and the forward made it 3-0 in the final minute with an unbelievable strike from 25 yards.

In the BUCS University League the i2i International Soccer Academy/York St John University sit in joint second just two points behind leaders Newcastle University.

And i2i showed they are serious contenders for promotion after coming from two goals down at the league leaders last week.

Newcastle rifled into an early lead but Marcos Garcia pulled one back before half-time and a composed finish from Michigan midfielder Nick Massey in the dying embers saw i2i take a commendable point back to York.
