The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

## Directors' NOTES

Welcome to this evening's Evo Stik First Division North fixture.

We would like to extend a warm welcome to all of the players, fans and officials of Glossop North End.

We were pleased to get back to winning ways on Saturday after two uncharacteristic performances.

Radcliffe Borough were stiff opposition but thankfully we were able to secure the all-important three points. Our work-rate and intensity was excellent especially in the first half.

It was also pleasing to see last season's top scorer Josh Greening back to his best and back amongst the goals along with Ingham proving his worth once more with some tremendous saves.

We realise that tonight's game against Glossop will be another very tough test. They were FA Vase Finalists at Wembley Stadium back in 2015 and are one of the favourites to win the league this year.

However, these are the kinds of fixtures that we relish and have

wanted to be a part of since taking over three years ago today.

This will be the first time that we have faced a club that has played in the old First Division, the top flight essentially. Glossop actually finished runners-up in 1898/1899 to Manchester City in the Second Division on their way to the top.

We are really looking forward to hearing the TSC making lots of noise this evening as we are sure The Hillmen will be equally as loud.

Finally, we are hoping that Tom Corner has recovered from his nasty looking fall last week to play some part in tonight's match. Tom has played a huge part for us so far and no doubt will continue to do so across the course of the season.

We hope that you enjoy this evening's match and have a safe journey home afterwards.

The i2i Sports Directors  
**Matt Gore, James Gore & Kent Mayall**

## Manager's NOTES

Good evening everyone, a warm welcome to the i2i for tonight's game against Glossop North End.

It gives me great pleasure to welcome an old friend from my school days in Salford, Chris Wilcox. I hope Chris and his lads have a great stay and a safe journey home after the game.

After the lows of losing back to back games for the first time in my reign it was nice to get back to winning ways against a young but clever Radcliffe side.

The first 60 minutes was pleasing, we pressed hard and high winning possession back in some key areas.

Josh Greening's brace was well taken and it was great to see Rob Youhill find some of the form we know he's capable of.

Unfortunately we lost Josh Barrett around the 60 minute mark due to illness and subsequently lost our way a little.

Finishing teams off is crucial at this level, teams will not let you just see out the game like they did last year. We have to earn the right up to and including added time.

I went to Radcliffe a few years back and was leading 3-1 in the 70th minute but by the 81st minute we were 4-3 down. Fitness is crucial to our success and we will not stop until we achieve our aim.

The next two games are going to be as tough as any we have had this season thus so far.

Glossop under Chris reached the FA Vase final the year Taddy were knocked out by Highworth, unfortunately they were beaten in the final but went on to win their league.

Last year Saturday's opponents Bamber Bridge reached the play-offs. This will give us a great indication of just how far we have come, it's exciting for the football club.

A year ago this week I made a decision to offer Heathy the assistant job, what a great decision that has turned out to be. His attention to detail, his wise words and his sense of humour are priceless! Thanks big fella, even if you get on my nerves at times with all your questions!

Finally, as always your support is essential to our success. Thank you for Turning up week in week out.

Enjoy the game...

# Glossop North End AFC

It's a classic quiz question — which is the smallest town in England to have been the home of a top division football club? The answer — Glossop.

Of course, it's a long time since that 1899/1900 season but the Hillmen (or Hillsmen, as they were known back then, in honour of owner Sir Samuel Hill-Wood) supporters never forget the proud history of the club. However more recently they were given some more moments that they will talk about in the town for years to come and are hopeful of providing a few more.

Founded in 1886, Glossop North End began by playing friendly amateur matches. They entered the North Cheshire League in 1890 and introduced professional players in 1894. Their Chairman and benefactor was local cotton magnate Sir Samuel Hill-Wood who later left to become Chairman of Woolwich Arsenal. In 1898, on their third application, they were admitted to the Football League. In their first season, by finishing runners-up to Manchester City, they won promotion to the Football League Division 1. Unfortunately, they spent just one year in the division, the best victory being a 3-0 result against Nottingham Forest.

Glossop played in League Division 2 until the end of the 1914/15 season, In 1908/09 reaching the quarter finals of the FA Cup where they lost to Bristol City in a replay. They ceased playing during the latter part of the First World War but were reformed by Oswald Partington MP, who had been club captain in the 1890's.

Between the wars the club played in the Lancashire Combination and the Manchester League, of which they were champions in 1927/28. They also won the Gilgryst Cup on three occasions.

Matches again ceased during the Second World War, Glossop rejoining the Manchester League afterwards. They won the Gilgryst Cup for a fourth time in 1949.

In 1955 they moved from their original ground at North Road to the present home at Surrey Street. Since then they have played in the Lancashire Combination, the Manchester and the Cheshire Leagues before becoming founder members of the North West Counties League in 1982.

Glossop have spent most of the time in the First (now Premier) division, although much of it was spent at the lower end fighting against relegation, whilst the club itself fought for survival, victim of a criminally corrupt owner in the 1980s. It was only the hard work of board members and supporters kept the club afloat after the disgraced regime. There was a little success — the club was Manchester Premier Cup winners in 1997 and 1998, and Derbyshire Cup winners in 2000-01.

More recently though, things have improved for the Hillmen. 2008/09 saw a once-in-a-lifetime day in the history of the club after the side embarked on a terrific FA Vase run which saw North End reach the final at Wembley.

Whilst the final saw a disappointing result — losing 2-0 to Whitley Bay — the run awakened interest in the Hillmen throughout the town. There is now a thriving Supporters Club, which has funded makeovers to the ground and helped generate interest in the club home and away.

This sparked a dramatic overhaul that saw a refurbishment of changing rooms, a new clubhouse, a new covered standing area

and new perimeter fencing. Ground grading for the Evo-Stik league was achieved, and now what was a required was a team to make that count.

Manager Chris Willcock is the man appointed to the task, and he had a very exciting first season in charge in 2013-14, taking the club to a 3rd place finish – it's highest in the NWCFL – and a Derbyshire Senior Cup Final. However, that was just the start.

2014-15 is a season that will live long in the memories of everyone involved in the club. It started with a decent FA Cup run, only ended narrowly at Chorley, whilst league wins were ticked off.

However, cups runs and replays meant that North End missed games, and found themselves many games in hand on the leaders Runcorn Linnets. At one point 21 points behind, they were required to play three games a week to play catch up. However, the players kept achieving.

Firstly the players clinched a return to Wembley with a 2-legged win over Cornwall's AFC St Austell having defeated strong outfits like Worksop, Dunston UTS and Shaw Lane Aquaforce. Once-in-a-lifetime...pah!

Then, having relentlessly chased down the Linnets they clinched the league with a 3-0 win over Nelson with 3 games to play. Next they completed a league/cup double with a 2-0 victory over Atherton Collieries.

Finally, Wembley beckoned. The FA Vase final build up was perfect, but again the result was disappointing, losing 2-1 to North Shields as the season finally caught up with them. However, the pride of being a Hillman had never been a higher and the feeling of watching your team take the lead at Wembley is hard to beat.

2015/2016 saw the Hillmen make an excellent start to life in Step 4 of the Non-League Football Pyramid when they finished 4th and qualified for the play-offs, only to be narrowly beaten by Northwich Victoria in the Semi Final in a very controversial fashion. The club also achieved what must have been record attendances in their non-league history with an average 383 per home game during the course of the season.

## Match PREVIEW

Match Preview: Tadcaster Albion v Glossop North End  
Tonight The Brewers welcome Glossop North End to the i2i stadium as they look to make it two home wins in the space of four days.

Saturday saw Taddy return to winning ways with a 2-1 victory over Radcliffe Borough. Defeats against Farsley Celtic and Ossett Town in the FA Cup and league respectively were quickly put in the past after a convincing victory over Radcliffe on Saturday.

Taddy were back to their confident selves after two lacklustre uncharacteristic losses. They looked confident and as fluid as ever in the first half with Josh Greening the stand-out. Last season's top scorer hasn't had the start to the season that all

had hoped for but the skilful forward netted his second and third goals of the season to steer the Brewers on to the three points.

Glossop were tipped alongside Farsley Celtic as one of the clear favourites to push on up into the Evo-Stik Premier Division this season but currently sit just underneath Taddy in 10th place.

The Hillmen are coming into the contest on the back of back-to-back 2-2 draws against Droylsden and Kendal Town respectively.

Jamie Rainford is the leading talisman so far for North End netting four times.

Team News: Tom Corner is likely to return to the squad after a heavy fall last week at Ossett Town.

Tadcaster Albion AFC (The Brewers)

<https://twitter.com/TadcasterAlbion>

A first half double from last season's top scorer Josh Greening was enough to see off Radcliffe Borough despite the visitors pulling a goal back.

Josh Greening fired Taddy into a four minute lead after capitalising on Timmy Raheem's error.

Greening doubled The Brewers' lead half-way through the first half after a terrific solo goal.

Borough bit back in the second half with Frank Van Gils bending a super strike into the top corner to reduce the deficit but in the end Taddy held on to the points.

Manager Billy Miller made three changes to Tuesday night's loss at Ossett Town with Jimmy Beadle, Josh Greening and Steve Jeff all recalled to the starting eleven.

After back to back defeats The Brewers responded in the perfect way breaking the deadlock after just four minutes.

Conor Sellars did well originally to keep Rob Youhill's deep cross in-play before Steve Jeff's pull-back was miscontrolled by Timmy Raheem and fired into the bottom corner emphatically by Josh Greening.

The Brewers were looking for a quick reaction after consecutive poor performances and they certainly got that as Radcliffe struggled to cope with the early hoard of yellow pressure.

Rob Youhill started lively on the right as Daniel Ashburner struggled to deal with the sheer directness of the winger. It was Youhill's pinpoint cross in the 9th minute which almost resulted in Taddy doubling their lead, Jimmy Beadle guiding a header onto the roof of the net.

## Greening Brace Fires Tad Back To Winning Ways.

After a vibrant opening twenty minutes from Tad, the away side began to grow in the game and venture further forward.

When Radcliffe did carve out an opportunity to try and test Ingham in the Taddy goal, Andy Milne was in the right place to block Jack Hindle's strike.

The Brewers still looked threatening and full of ideas going forward through the likes of Youhill, Beadle and Greening and these first two combined for what would have been an extraordinary goal.

Rob Youhill got the better of full-back Daniel Ashburner once again and put in a simply sublime rabona cross to Jimmy Beadle who controlled well but half-volleyed over the crossbar.

With Michael Ingham virtually a spectator for the first portion of the contest, he was made to work incredibly hard to keep his side in the lead.

Boro captain Jack Hindle cut inside from the left and unleashed a bullet which looked destined for the top corner but the towering figure of Ingham flew up to his right and brilliantly tipped over.

That save proved to be even more pivotal moments later as Taddy doubled their lead courtesy of Josh Greening once again. He orchestrated this goal all by himself as firstly he out-muscled Ishmail Suliemam, then nutmegged Jacques Kpohomouh and outpaced Dilon Lomas before rounding it off with a cool as you like finish under Borough goalkeeper Matthew Johnson.

With half-time approaching it was almost game-over as the woodwork saved Radcliffe from further woe.

After scoring a stunning goal in the defeat to Ossett Town on Tuesday night, Jason Mycoe was almost at it again as the midfielder saw his strike from 25 yards deflect off Lomas and onto the crossbar with Jimmy Beadle volleying the rebound narrowly wide.

Into the second half and the visitors were almost victims of their own downfall after being caught guilty of over-playing at the back as Jimmy Beadle couldn't quite beat Johnson in the Boro goal.

Taddy's tempo and urgency dropped off somewhat in the second half as Radcliffe grew in confidence. Elliot Rokka looked lively when on the ball and he had a fantastic chance to pull a goal back on the hour mark.

The attacker was played clean through on goal but Ingham stood tall and denied Rokka with his legs.

However Borough did pull a goal back in the 66th minute and what a goal it was. Former Manchester City youngster Frank Van Gils cut inside from the left and curled an unstoppable strike into the top right-hand corner.

The goal certainly gave Radcliffe confidence in abundance as tension grew at the i2i stadium.

Pressure began to pile up on The Brewers as it turned into attack v defence, luckily Jack Hindle and Raul Corriea couldn't keep their cool in front of the goal.

Taddy struggled to keep hold of the ball in the second half as the precarious score line of 2-1 looked somewhat jittery.

However Elliot Rokka spurned Radcliffe's final chance of the afternoon in stoppage time as the former Northern Ireland goalkeeper Michael Ingham stood tall once more as The Brewers held on to an important three points.

# TAFC U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system.

Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).

## Taddy Youngsters Off To The Perfect Start.

First half goals from Donald Chimalilo and Casey Stewart put The Brewers in control before Stewart added a second in the second half to seal it.

Taddy's West Riding County FA U21 season kicked off on the road with a trip to Bradford to face Champion AFC.

Taddy gained complete control from the first whistle, dominating the ball and suffocating the home side.

The Brewers made their dominance count after half an hour as the smallest player on the field rose highest to glance in. Rob Hutton's in-swinging corner was flicked in at the near-post by winger Donald Chimalilo.

The home side came close on a couple of occasions to drawing level but Nick Lock in the Tad goal was in fine form tipping two onto the crossbar.

Morton & Collins' side then doubled their lead on the stroke of half-time as the effervescent attacker Casey Stewart danced past three red shirts before bending into the far corner.

Just fourteen minutes into the second half and the points were effectively sealed for Taddy as Stewart notched his second of the evening.

Taddy's high fierce pressing game forced Champion into a mistake and Stewart made no mistake of rounding the goalkeeper and rolling the ball into the empty net.

Champion rallied as time ran out and hit the crossbar for a fourth time before they did break the Brewers' stingy back-line with a neat move and finish.

Next up for Taddy's U21's is Goole United at the i2i stadium on Monday 10th October.

**Team:** Lock, Barber, Woodhead @, Marshall, Holmes, Sheppard, Chimalilo, Stewart, Birley, Hutton, Hullock.

**Subs** (all used): Anderson, Rushworth, Dunnett, Hunter, Davison.

# Tadcaster Albion

Here we look back at previous games played by the Brewers on 27th September.

## On This Day

By Ian Tyssen

### 1986

Tadcaster Albion picked up an unlikely 2-0 victory at Glasshoughton Welfare in an Northern Counties East Football League (NCEL) Division Two fixture. The home side went into the game in fourth place and the Brewers were much lower down the table with only one win in the opening seven league games. Their second victory of the campaign lifted Albion to ninth place but they would slip to 13th in the 18 club NCEL Division Two by the end of the season.

### 1997

After a win in their opening NCEL Division One game of the season, the Brewers slumped to a third successive league defeat - 1-3 at Rossington Main. Albion were in 13th place in the league, which is where they would finish the 1997/98 campaign.

### 2003

Following a 0-3 loss at highflying Sutton Town, the Brewers had only picked up one win from their first six NCEL Division One games of the season. They were just one place above bottom placed Pontefract Collieries, thanks to a better goal difference, but would eventually finish the season bottom of the 18 team league table.

### 2008

Barton Town Old Boys visited Tadcaster for an NCEL Division One match, watched by a crowd of 52, and went home with three points after a 3-0 victory. A first half goal for Danny Ricketts and a brace in the second period from Gareth Barlow gave the visitors their convincing win. With six losses and one victory from the opening seven league games, Albion only had Glasshoughton Welfare - who would finish 23 points adrift at the bottom - below them in the league. The North Lincolnshire club finished the season in fifth place.

### 2014

Watched by a crowd of 296 at the i2i Stadium, Tadcaster Albion beat Liversedge 3-0 in an NCEL Premier Division match. The Brewers' goals came from Josh Greening (29 minutes), George Bissett (42) and Calum Ward (66). It was the eighth consecutive league game in which Greening had scored - a run which had seen him score 16 goals, including hat-tricks in three games. After nine league games, Albion topped the table by one point from eventual champions Shaw Lane Aquaforce, who had beaten the Brewers in the opening game of the season.
