Formed in 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th. In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title. In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**. In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games, in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers started their first ever season in the Evo-Stik First Division North.

With a mix of old and new players Billy Miller was back in his old stomping ground and his experience and knowledge of this division was needed. The Brewers started the season well and were in the play-off spots, then injury problems hit the team and the season seemed to run away from them and they finished 19th in the league. The Brewers had a great chance for silverware in the West Riding County Cup Final, the game finished 1-1 but they lost out to Farsley Celtic 4-2 on penalties.

In **2017/2018** the Brewers started the season with a new management team, the Directors made a tough decision at the end of last season and decided to change the management team and out went Billy & Matt and in came Michael and Simon. Michael and Simon are full of energy and excitement after finishing the season with the i2i Football Academy and TAFC Under 21 squads both winning silver ware and finishing first and second in their respective leagues. Now the duo have a chance to continue that form and take Taddy to greater heights.

Director's · NOTES

Good evening and welcome to the i2i Stadium for tonight's pre-season friendly against National League North side Boston United.

The fixtures for the debut Evo-Stik East League season were released this morning and we are pleased to open the campaign at home as we welcome Carlton Town for the first time. The traditional Boxing Day match should be a bumper crowd at TAFc as we welcome back former boss Paul Marshall with his newly promoted Pickering Town side so that should be a good day seeing some old faces again.

Another stand-out is the New Year's Day game as we make the mammoth trek up to Morpeth to kick off 2019 which isn't ideal by any means but with just two sides from the North East, ourselves and Pickering are next down geographically.

Back to tonight, we are looking forward to getting our first glimpse at Joe Lumsden in action who we signed from Stocksbridge Park Steels in the summer. Obviously we have all seen his impressive goalscoring numbers from the past two sea-

sons and now hopefully with the chances we create he can continue his hot form in front of goal.

As you may have seen this week it looks as though our FA Cup opponents have been revealed as Team Northumbria have resigned meaning we will now welcome Shildon to TAFc. The cup competitions have become even more lucrative and a priority this year with the prize money doubling at each round so we will be targeting a good run that's for sure.

And finally, to give you an update on our groundsman Dave Wakefield, he was discharged from hospital last Friday after being diagnosed with kidney stones and typically of Dave he was straight back to work on the pitch.

Enjoy the game and we wish you all a safe journey home.

Manager's · NOTES

Michael Morton & Simon Collins

Good evening and welcome along to Tadcaster Albion Football Club for our third pre-season friendly as we take on National League North side Boston United.

It's been a positive two weeks to kick off our second season in charge of the club. We began with two heavy and intense training sessions closely followed by two tough matches in the space of 16 hours.

All of our pre-season fixtures have been carefully hand-picked so that we challenge ourselves against a number of different shapes and formations which is pivotal especially when trying out new formations ourselves.

Tonight will see new striker Joe Lumsden pull on a Taddy shirt for the first time which is exciting for all at the club. He recently returned from his holiday and trained with the lads on Tuesday night looking very sharp. We could see straight away why he's so scored over 50 goals in the past two seasons, hopefully he can replicate that record for Tadcaster in the forthcoming sea-

son as we know that was one area where we fell a little short last year.

Craig Elliott's side will certainly provide a stern test tonight, similar to Jason Ainsley's Spennymoor last year, these are the kinds of teams that you want to be going up against and aiming to play alongside as it's where TAFc want to be.

And finally, as you'll know the fixtures for the new season were released this morning and it's good to kick off the season at home for the first time in a few years. It's vitally important to get off to a positive start and being at home this gives us a great chance but we can't underestimate our opponents Carlton who we may not know too much about now but we will come August 18th that's for sure.

Enjoy the game.

Team · HISTORY

Boston United

The club was founded in 1933 as a successor to a club called Boston Town. Their first game was a 3–1 defeat at home to Grimsby Reserves on 26 August 1933, when a crowd of 1,544 watched Boston's no.7, Blessed, score United's first ever goal. They then had a moderate amount of success in various leagues, including the Midland League and Southern League.

The club's FA cup run of 1955–56 included a 6–1 victory at Derby County, then playing in Third Division North, with Geoff Hazledine scoring a hat-trick. This was a record away win by a non-league team against League opponents in the FA Cup.[3] This set up a Third Round match against Tottenham Hotspur of the Football League First Division at White Hart Lane on 7 January 1956. The match against Tottenham Hotspur was played in front of a crowd of 46,185. The Pilgrims lost 4–0, but the match was more notable for the travelling support. Over 10,000 Boston supporters attended the game. A number of special train services from Boston to King's Cross were set up for the day.

They were founder members of the Northern Premier League in 1968, of which they were champions four times, and of the Alliance Premier League (now the Football Conference) in 1979. However, their Northern Premier League title wins were not enough to gain them election to the Football League, and when they won the title in 1978 they surprisingly missed out on league status in favour of runners-up Wigan Athletic, who took the Football League place previously held by Southport.

In 1985 Boston United went to Wembley for the first and only time in their history for the FA Trophy Final of the 1984–85 season, after Bob Lee scored a winning last minute goal in the 2nd leg of the semi-final against Altrincham at York Street to put the Pilgrims through. Boston lost 2–1 to Wealdstone in front of 20,775, with Chris Cook scoring United's only goal.

Boston United finished third in the Conference in 1988–89, but were unable to build on this and were relegated to the NPL in 1993. They were transferred to the Southern League, winning the title in 2000, and went fully professional in 2001. In their first season as a professional club, Boston won the Conference and were promoted to the Football League.

However, in the wake of their promotion, Boston's manager, Steve Evans, and former chairman, Pat Malkinson, were charged with breaking the Football Association's rules over the registration of players. Both men received bans from the FA, and the club were fined and docked four points from their first season in the League. This angered some, especially the Conference runners up Dagenham & Redbridge, who believed that any points deduction should have applied to the previous season, which would have meant Dagenham being promoted instead. After their promotion to the Football League, Boston never really looked like challenging for promotion to the third tier of the league and most of their time from 2002 was spent in mid-table, with occasional flirts with relegation and the play-offs.

Wrexham defender Ryan Valentine scores the penalty kick against Boston United which relegated The Pilgrims.

In May 2007 Boston were relegated from Football League Two on the last day of the season. Steve Evans and his assistant Paul Raynor on 27 May resigned from the club, and two days later joined Crawley Town.[4]

Because of the relegation Boston were originally scheduled to play the 2007–08 season in the Conference National but this position was immediately placed in doubt after the club's chairman Jim Rodwell entered Boston into a Company Voluntary Arrangement late in their last game so that 10 points would then be deducted in the 2006–07 season instead of the 2007–08 season.[5] Although this meant that Boston started the 2007–08 season

without a points penalty FA rules dictated that they be demoted 2 divisions as a result of HM Revenue & Customs placing a restriction into the CVA of Boston not being allowed to pay football creditors 100% of what they were owed. They therefore played the 2007–08 season in the Conference North division, two steps below the Football League. This would be United's first season under the new ownership of David Newton and Neil Kempster, who took control of the club over from ex-Chairman Jim Rodwell.

Despite finishing the 2007–08 campaign in 10th place under the guidance of Tommy Taylor, United were still in administration by the 2nd Saturday of May in 2008. This meant they were relegated again to the Northern Premier League Premier Division for the 2008–09 season. Despite coming out of administration just before the start of the new season anyway, Boston United failed to have this decision overturned. Another result of this was that they would also have to enter the FA Cup in the 1st qualifying round, something which they hadn't done for many years. They reached the final of the Lincs Senior Shield but were swept aside by Stamford 4–1, and finished the league campaign in 16th position.

A much more favourable campaign the following season saw The Pilgrims finish 3rd in the league where they won the play-offs, beating Bradford Park Avenue in the final thanks to an Anthony Church extra time winner to earn promotion back to the Conference North.

Joint managers Rob Scott and Paul Hurst resigned from the club in 2011 and were appointed joint managers of Conference National side Grimsby Town. Club chairman David Newton revealed he was beginning legal proceedings against the pair and Grimsby Town, for breach of contract. The Pilgrims wasted no time appointing former Boston player Jason Lee and current player Lee Canoville as joint caretaker managers. With only 7 Conference North games remaining, the pair guided United to a

Boston United

3rd-place finish in the league setting up a play-off tie against Guiseley. Boston lost the first leg 1-0 at Nethermoor Park but fought back in the return leg winning 3-2 at the Jakemans Stadium to take the match to extra-time and penalties. Boston went out losing 2-3.

After a decent start to the 2012/13 season, Boston started to drop off the promotion pace, with a 7-game winless run from November to mid-December not aiding their cause. More inconsistency followed, and Jason Lee was sacked. Graham Drury took over within the same week but left the club after less than 2 months. Dennis Greene took over soon afterwards, but after a good start couldn't help the club from finishing higher than a poor 16th place, just 5 points above the relegation zone.

The following season was a marked improvement in both league and cups. Whilst Boston fell at the 2nd hurdle (2-0) at Brackley, they made the last 32 of the FA Trophy with wins over Redditch and Southport, before a 2-0 loss at Tamworth. In the league, they held on to a top 5 spot for most of the season and never fell below 8th, but they couldn't

keep up with late surges by Hednesford and Guiseley, ending 1 place and 6 points off the playoffs in 6th.

The following season Boston did make the play-offs however, securing a place with a 4-1 victory at Solihull Moors before a 0-0 draw at home to relegated Leamington was enough to secure third place. A 0-0 draw at Chorley's Victory Park set up a winner takes it all second leg at York St, and goals from Scott Garner and Kaine Felix put Boston 2-0 ahead. However, Chorley forced extra time with an overhead kick from Adam Roscoe 6 minutes into 5 added on at the end of the match by referee Tom Brammall. Despite Roscoe's extra time red card, Boston failed to score a third and the game went to penalties, which United lost after 7 spot kicks when Sam Ashton saved Rene Steer's penalty.

Boston started the 2015-16 season as play-off favourites once again, but pressure mounted on Dennis Greene due to poor results including losing to Gainsborough in the FA Cup and Solihull Moors in the FA Trophy (both in the first round Boston featured in). However, Boston found veins of form

in throughout the season to ensure 5th place at the expense of Nuneaton- although a 3-point deduction received by the Warwickshire side meant they finished below Boston (who earned 71 points in the 42 league games).

Boston faced North Ferriby United in the play-offs, and won the first leg 2-0 at home through Grant Roberts and Zak Mills' goals. The second leg at Church Farm was watched by approximately 2,000 travelling Pilgrims amongst the 2,500 spectators, but the 20% of the crowd supporting the home side were left happy as Liam King's penalty and Tom Denton's header quickly cancelled out Boston's lead. Danny Hone scored a third for Ferriby, which was ruled out for offside, but Wayne Brooksby won the tie for eventual promotion winners Ferriby as he scored while referee Andrew Miller ignored Nat Brown's head injury inflicted by Tom Denton's overworked elbow. Somewhat of an exodus then occurred as Boston saw Spiess, Mills, Piergianni, Garner, Marrs, Felix and Southwell all depart, Southwell and Mills notably moving to league sides Wycombe and Grimsby respectively.

Tadcaster Albion

Pre-Season Recap:

Tadcaster Albion 0-1 Sheffield United U23's

by Jay Taylor

Tadcaster Albion 0-1 Sheffield United U23's

Team: **Young, Howarth, Walters, Barrett, Coates, Miller, Langton, Roper, Baker, Pugh, Metcalfe**

Subs (all used): **Barkworth, Davidson, Savory, Whitehouse, Papprell, Mycoe**

Bosses Michael Morton and Simon Collins set up with a back-three formation for the first time as they trialed it out ahead of the new season. Taddy created the first clear chance of the contest as Joe Pugh shifted to Alex Metcalfe but the new signing's shot deflected comfortably into Jordan Amisshah's hands. The Brewers looked confident and assured in their new 3-4-3 formation as they continued to threaten in the first of three thirty minute periods. Some more nice build-up play saw front man Pugh swing and miss at Adam Baker's cross but it ran

invitingly for Paddy Miller who's low power-blast was well blocked.

The best chance of the first period fell to the home side as Pugh sent Adam Baker running clean through on goal but the winger's effort was straight at goalkeeper Amisshah who palmed away. Former Taddy favourite Harry Sheppard was starting for the Blades and it was great to see the flying full-back back at Ings Lane but his side were yet to test Tom Young in the Albion goal.

Changes were aplenty all evening but it didn't disrupt Tad's efforts as they were aggrieved not to have been given a penalty on 42 minutes as Alex Metcalfe appeared to beat Amisshah to the ball however a free-kick to Sheffield was the outcome.

Despite having the better of the chances, it was the youthful Sheffield United side

who scored the only goal of the game on 50 minutes as a neat one-two led to Clark Greaves smashing into the back of the net from 10 yards out. As both sides endured a tough work-out in the scorching summer sunshine, Taddy had two good opportunities late on to equalise. First up Billy Whitehouse forced Amisshah into making a top save to tip his strike just wide before Joe Pugh squandered a golden chance in the last minute pulling narrowly wide of the target after Aiden Savory threaded a through ball.

All in all it was good test for the Brewers as they tried out a new shape for the first time. They played some very positive football creating plenty of chances along the way.

Pre-Season Recap:

Tadcaster Albion 2-0 Knaresborough Town

by Jay Taylor

Team: **Lock, Barrett, Mycoe, Miller, Howarth, Walters, Savage, Langton, Baker, Metcalfe, Pugh**

Subs (all used): **Davidson, Barkworth, Coates, Holmes, Reynolds, Roper, Savory, Whitehouse**

Taddy picked up their first pre-season victory of 2018/19 just hours after their opener as they saw off newly promoted Knaresborough Town at York St John's Haxby Road.

Albion controlled the match from the off and could have easily scored more than they did. Paddy Miller saw his glanced header cleared off the line and Joe Pugh turned a great chance wide in the opening ten minutes in York. They did however score their first goal of the season after the half hour mark as new signing Alex Metcalfe raced in

behind and poked powerfully into the roof of the net.

Another new face to look out for is defender Harry Coates who joined from Hyde United in the summer. The 22-year-old powerhouse almost opened his account for his new club at the start of the second half. Nobody was getting in the way of him heading the ball but the powerful effort flew just the wrong side of the post.

It was a new-look Taddy playing the second 45 on what was another glorious day, which even included two water breaks, I know, not often you hear that in England. Nevertheless Albion continued to look solid at the back and dangerous going forward as Aiden Savory blazed over from close range after a rapid counter-attack. As aforementioned, Alex Metcalfe scored his first goal for TAFC,

Harry Coates almost did and that was the same for left wing-back Jack Walters who's low drive was superbly kept out by the goalkeeper.

Michael Morton's side did net a deserved second goal in the final minute of the contest when Billy Whitehouse was impeded in the box and the former Doncaster man stepped up himself and coolly slotted it into the bottom corner.

Another good blow out for the lads especially coming so soon after taking on Sheffield United's youngsters. More positive performances and all round food for thought for the management team to take into the forthcoming friendlies and beyond.

Pre-Season Preview: Taddy vs Boston United

Jay Taylor - TAFCA Media Manager

[@JayTaylorMedia1](#)

#ATAW

The Brewers ramp up their pre-season exploits this evening with a tough test against National League North side Boston United.

Taddy kicked off their campaign last week with a narrow defeat to Sheffield United U23's before seeing off newly promoted Knaresborough Town 2-0 at York St John.

The introduction of experienced defenders Paddy Miller and Harry Coates has allowed Albion to try out a new 3-4-3 formation and both Morton and Collins were happy with how the lads have quickly adapted to the new shape. There were plenty of positives to take from the Sheffield United game, the only thing that was missing was a goal or two but with the signing of Joe Lumsden they are hoping these will soon come. Just hours later on the Saturday morning Taddy picked

up a win against Knaresborough Town after putting in another impressive performance with Alex Metcalfe and Billy Whitehouse both on target.

Tonight's visitors are gearing up for another strong push in the sixth tier of the English pyramid after finishing in 9th place just missing out on play-offs by four points.

The Pilgrims have a vastly experienced squad including the likes of Ryan Qualter, John McCombe and Andi Thanoj who have all enjoyed many years plying their trade in the National League and higher.

Craig Elliott's side began their pre-season with a 3-2 defeat at newly promoted Evo-Stik Premier side Basford United.

Enjoy the game!

Team News:

Joe Lumsden trained for the first time on Tuesday night and should feature this evening.

Fraser Papprell, Chris Howarth, and **Aaron Hardy** are the only absentees as number one **Michael Ingham** returns.

BREAKING NEWS | Taddy Land Jewson Grant

We are delighted to announce that Tadcaster Albion AFC have won £4,000 worth of materials from Jewson's Building Better Communities competition. **by Jay Taylor**

Jewson launched the competition last April and it was a great success with thousands of entries coming in from across Great Britain. We would like to say a massive thank you to everyone who took the time out of their day to vote for the club, it certainly paid off and you will soon see the rewards down at the club with more building work in the planning. We will soon be starting renovation work on the toilets, changing rooms and an additional spectator standing area.

The awards event was held in Coventry last week with TV personality George Clarke presenting the prizes to the many deserving winners.

"It's sports groups like Tadcaster Albion which help bring people closer together" said Clarke.

"Jewson does great work in supporting them with Building Better Communities. This competition is a fantastic idea and it's always great to see so many happy faces at the awards presentation."

"By giving something back to the areas that support them, Jewson is creating brighter futures for those who need it. I'd like to congratulate Tadcaster Albion on their deserved win."

Andy Charlesworth from TAFAC said: "It's really appreciated that Jewson ran a scheme that

allows local sports clubs to tap into for some much needed financial support."

"Obviously winning the award was not possible without the incredible support of the local community & especially our dedicated fans so thank you to Jewson & all our supporters."

Thank you to everyone at Jewson for giving us the opportunity as well as putting on a fantastic awards event.
