The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

## Directors' NOTES

We would like to extend a very warm welcome to our opponents Spennymoor Town who have today travelled down from County Durham. Moors had a brilliant season last year getting promoted from our new division into the Evo-Stik Premier Division and we congratulate Jason Ainsley and his team on their tremendous achievement.

This is our penultimate pre-season friendly before the real action starts a week on Saturday as we travel to Hyde United for our first ever fixture at Step 4 level.

We were impressed with the 1-0 victory at Bridlington Town last Saturday. Adam Baker's penalty was the match winning goal however it could have been a much more convincing score line.

As you will all now be aware, our new main stand is now in and complete at the car park end. We are delighted with how it has turned out and we hope that you as supporters get the same buzz and can see the rapid progress the club is making.

We hope that you can come down to the i2i stadium next Tuesday night as we are hosting the first ever Sonny Cup. This is an annual charity fixture between ourselves and Tadcaster Magnets will all proceeds going to charity.

We hope that you enjoy this afternoon's match.

The i2i Sports Directors

**Matt Gore, James Gore & Kent Mayall**

## Manager's NOTES

Good afternoon everybody and a really warm welcome to Jason and his Spennymoor team. We wish them a pleasant stay, safe journey home and all the very best for the forthcoming season.

I have known Jason now for a few years and have been extremely excited by their journey to the Evo-Stik league Premier Division. It is a journey that has seen FA Vase success at Wembley, followed by the Northern league title to earn their place in the Evo-Stik league.

Last season seen them promoted via the play off's after a couple of seasons earning the right. It is a journey not to dissimilar to our very own. We only hope we can follow them up the leagues over the next couple of seasons.

It is a journey that will be full of ups and downs. This football club has become accustomed to winning and whilst we will hope to maintain this, the stakes and the clubs competing are getting higher and better. We have I am sure assembled a squad that will hold its own, however, it might take time to settle, it might not. The league we are to enter is competitive, relentless and waits for no-one...

The squad is working hard going into the season and will also have to come to terms with an increase in work-rate, a more physical presence as well as less room for mistakes. We are sure there will be more demand to maximise the squad than ever before, starting line ups will require real thought, depending on who and where we are playing. Our substitutions will require real purpose and should enable us to change the shape of the game more so than ever before.

There will be some tough decisions ahead as well as some tough games. We know the league reasonable well and our expectations are to maintain momentum. We will look to get a foothold, before assessing our position.

It is going to be an historic season for us all, Tadcaster Albion of the Evo-Stik First Division North for the first time in their history. At the time of writing this time next week we will be preparing for the first game away at Hyde. This is quickly followed by a home game against Ossett Albion, then Scarborough in the FA Cup. It is what we have worked so hard for, days and games like the ones we have been handed. Everyone will have a part to play; everyone will need to do their bit, no matter how big or how small. Success comes from good preparation, hard work, re-assessment and a little slice of luck. Our friends Spennymoor Town from the North-East are proof that hard work, patience in the team and maximum support from you the fans will bring reward...

Thank you for continuing support  
Yours in Sport, **The Management** #tadallover

# Spennymoor Town FC

Spennymoor Town FC was born in the summer of 2005 following the demise of both UniBond Premier Division club Spennymoor United AFC and Northern League Second Division club Evenwood Town FC. The club was originally formed in 1904, chiefly at the instigation of local councillor and businessman Thomas Grant, who negotiated use of the Brewery Field, used previously by Tudhoe Rugby Club.

Spennymoor United were six times Northern League Champions, four times winners of the old North Eastern League, on 16 occasions Durham Challenge Cup holders. They 18 times reached the FA Cup first round, twice the second and in 1937 at West Brom in front of a 23,000 crowd, the third. Spennymoor have since faced Wigan Athletic, Tranmere Rovers, Chesterfield & Rotherham United in the same competition. Spennymoor United also reached the semi-finals of the F.A. Trophy in 1978 (the first North East and the only Northern League side to do so), Won the Northern League Cup five times, JR Cleator Cup, Northern Counties East Premier Division and the UniBond League Cup.

A portfolio of players have played for the club and moved onto the Football League over the years, most in particular Johnny Dixon who captained Aston Villa in their 1957 F.A. Cup Final victory over Manchester United, meanwhile John Collins – the father of comedian Frank Skinner – also played for the club just before the Second World War. Following the Northern League's decision not to be part of the pyramid, Spennymoor joined the Northern Counties East League and won the Championship at their second attempt in 1993 for promotion to the UniBond First Division, before promotion was secured on the last day of the season to the UniBond Premier Division with a victory over Ashton United in front of a near 1,000 Brewery Field crowd.

The same season, Spennymoor became the first club from the First division to win the UniBond League Challenge Cup, beating Hyde United 3-1 in the Final at Harrogate Town. Bad news followed at the end of the century when the club lost its main sponsor and faced two disastrous seasons without financial support which told on the field as the club was relegated into the UniBond first division.

The club did, however, bounce back under the leadership of Jamie Pollock to gain promotion back into the Premier division in 2003 and the season after the Moors were in the play offs for entry into the newly formed Nationwide Conference North, but lost to Bradford Park Avenue 3-1.

The Moors social club was burned to the ground in an arson attack on Christmas Day 2003 and from then on the club had no income and, despite the appointment of a new chairman, things got worse. In 2005 the club could not fulfil their fixtures and Spennymoor United AFC were removed from the UniBond League and the club sadly went out of existence after 101 years of senior soccer.

Out of the gloom, people were working hard to get the club back on track and the supporters formed an independent group with the intention of putting a club together as a supporters trust. Evenwood Town, who were also having great difficulties, had ambitions to move to the Brewery Field and both groups submitted their plans to the local council. Following an historic meeting at the Penny Gill in Spennymoor the supporters agreed to stand down and let the Evenwood proposal proceed. The Northern League and FA approved the plan; that Evenwood Town would take the name of Spennymoor Town FC Ltd and play at the Brewery Field in United's colours of Black & White stripes in the ANL division 2. Since then the FA have twice declined permission to rename the club Spennymoor United.

The first season saw the club finish 8th in the Northern League 2nd Division; meanwhile following the return of Jamie Pollock as Manager in 2006, Spennymoor blew apart the 2nd division clinching the title with record points and winning their last 17 games and being unbeaten for 6 months of the season.

Pollock's summer departure saw Spennymoor United legend Jason Ainsley promoted to team manager this coincided with the signing of a long term lease guaranteeing the club a home for the foreseeable future.

The season brought a 12th place in the league and the heart break of a last minute defeat at Gateshead in the semi-final of the Durham Challenge Cup. Season 2008-2009 was, as has come to be expected, another turbulent season following the departure of the club chairman. Spennymoor survived to defy the odds and finish the season having just lost out on the league title finishing with the third best points haul together with Whitley Bay and having had a fantastic run in the FA Vase which included a trip to Devon in the last 16 where Bideford ended the Moors Wembley dream.

The 2009-10 season saw the arrival of former Aston Villa player Bradley Groves as Club Chairman with former England, Newcastle and West Ham United Striker Paul Kitson as President. Manager Jason Ainsley brought a number of new players to the club which saw the Moors top the table from October and win the Northern League Championship by a clear 13 points and become only the third club in the league's history to hit the 100 point mark.

The success continued into the 2010 – 11 season with the Moors retaining the league title this time with a record breaking 103 points. The club exited the FA Cup in the very early stages this season but did progress to the later stages of the FA Vase which included long journeys to Cadbury Heath and Poole Town.

The 2011 – 12 season proved to be a thriller with a third successive championship and more domestic silverware to add to the collection. The season started well with a rare victory in a penalty shootout over Newcastle Benfield in the Cleator Cup and a game against Newcastle United reserves in front of a bumper crowd. The club also had a decent run in the FA Cup progressing to the 3rd Qualifying round where we went out to Witton Albion but the run included one of the best performances of the season when we won against Ashton in the previous round 3-0.

The FA Vase was probably the biggest disappointment this year when we lost a rare Vase home tie against fellow Northern League side Ashington in the third round. The Durham Challenge

Cup on the other hand was another highlight when we defeated Gateshead Reserves 3-0 in the final at the Eppleton Centre in Hetton to take the trophy for the first time in 15 years.

The league title was only secured on the last game of the season at home to Vase finalists Dunston UTS. The Moors had not topped the table once during the season and to clinch it by winning the last 8 games in a row made it even sweeter.

The 2012-13 season proved to be the most successful in the clubs short history, despite only being runners up in the league to a runaway Darlington side; the Moors enjoyed success at Wembley Stadium in the FA Vase, won the League Cup, retained the Cleator Cup and were also runners up in the Durham Challenge Cup.

With the league being extended to 24 teams this year with the inclusion of Durham and Darlington, fitting in all of the games was always going to be difficult. Along with the cup runs and the loss of winter games due to the bad weather, the season was eventually extended into the middle of May as the club played over 80 games if we include pre-season friendlies. One other record was broken during the season and that was the attendance at a league game. The home tie against Darlington was witnessed by 2670 supporters and is the one and only time we have segregated a league game.

The FA Cup threw up an away tie with Trafford FC in the 2nd Qualifying round which saw the Moors 3-0 down after a disastrous first 20 minutes. It was only then that the team found the right gear and started a fight back to make it a thrilling game however the home side held strong eventually running out 5-3 winners.

It was in the FA Vase however that the club were to make history. Other than the 1st round away to Bridlington and a trip to Guernsey in the semi-final, in all of the other rounds we actually got home ties playing Newcastle Benfield, Billingham Synthonia, Lordwood, Bemerton Heath Harlequins and Gornal Athletic respectively. The first leg of the semi-final was a daunting task both on the pitch and off it, logistically. Having explored every avenue we eventually chartered our own flight to carry 39 players and staff and 39 supporters. Following a very dodgy landing on the Island we found the home team drying out the pitch the following day with a helicopter.

Our 39 supporters were drowned out in the 4300 crowd but it was a superb performance on the pitch that saw the Moors run out 3-1 winners. The game was also beamed back to the clubhouse and numerous pubs in Spennymoor where many more fans savoured the victory.

The second leg was a tense affair with the game being scheduled for 5:30 to allow the game to be shown back in Guernsey. Shildon had already suffered a defeat to Tunbridge Wells in the other semi-final so we knew it wasn't to be an all North East Final. It was Stephenson who finally broke the deadlock with the only goal of the game in front of a 1700 strong crowd who went into raptures at the goal and the final whistle. We were finally going to Wembley for the very first time.

The Town Council really got behind the club for the Wembley trip and donated the use of a vacant high street shop for the duration of the build-up. Selling Wembley merchandise and bus tickets it was a bustling enterprise and whenever we took delivery of the black & white shirts there were queues the length of the high street. Eventually we filled 24 busses of supporters for the trip with many more travelling independently. Some 5000 supporters out sang the 12000 from Tunbridge Wells. They also looked magnificent decked out in the black & white.

The noise when Graydon smashed in the second goal to win the game was deafening. With Daniel Moore breaking his ankle weeks before the game, he and Chris Mason the captain on the day lifted the trophy in the Royal Box together.

The bank holiday Monday after the Final saw the Moors back in League action on the morning but after a quick wash and brush up it was back on with the suits for an open top bus tour of the town followed by a civic reception.

Nobody could have predicted the turn out by the townsfolk that day. Everywhere there were banners, flags and scarves and the whole of the town virtually came to a standstill when the bus reached the town hall. Totally unprecedented scenes greeted the players and officials that day and it was nothing short of magnificent to see the town get behind the team in such a way.

The league form was starting to suffer at this point and while it was still mathematically possible to catch Darlington in reality it was a bridge too far. The club took the opportunity to play a few of the U17 Academy players to give some of the first team a break and they slotted in to the team very well which bodes well for the future.

The 2013 - 14 started where we left off with the club retaining the Cleator Cup against Whitley Bay, with the league champions Darlington declining the invitation to compete.

Following the very late end of the previous season, preparations for the new season had to be rushed through which affected form to some extent and the team suffered an early defeat away to West Auckland. With the emergence of Celtic Nation, Marske's early form along with Shildon putting up a strong team it was clear from the start that the push for promotion was not going to be easy.

The FA Cup threw up a home tie against Lancaster from the Evo-Stik Division one and Moors suffered a rare home defeat going down to a single goal to a well organised Lancaster.

The defence of the FA Vase started with a falter with a nil all draw away to Winsford, though the return tie saw a seven nil victory at the Brewery Field. Bridlington and Causeway were the next two teams to fall to the Moors but in the 5th round we suffered another home defeat to Newcastle Benfield to end this year's run.

The defeat however spurred the team on to a 23 game unbeaten run to finally overhaul the points total set by Celtic Nation when the club clinched the league title for the fourth time in five years topping the 100 points mark again.

One of the key moments of the season was the away game at Celtic Nation where a 1000 plus crowd witnessed the Moors come back from 3 - 1 down with 10 minutes to go to finish up 3 - 3 with Kallum Griffiths smashing a 25 yard shot into the bottom corner with barely a minute left on the clock.

The support for the club increased again rising to an average of 425 for the home games making the Moors the highest supported club in the league and the second highest support in the whole of Step 5. Spennymoor Town also made their third consecutive appearance in the Durham Challenge Cup final and like last year lost the tie to a late goal this time to Shildon who won the trophy for the first time since 1972.

The club are now looking forward to starting life in the Evo-Stik Division One in the 2014 - 15 season with the first phase of the clubs ambition to achieve 3 promotions in 5 years complete.

At the start of the first season in the Evo-Stik league the club chairman Brad Groves set out the targets for the year. These were to have a good run in the FA Cup and FA Trophy and to reach the playoffs.

In the FA Cup following wins over Tadcaster, Bishop Auckland and Dunston, Moors were drawn at home against Telford of the Conference. Moors were two goals up going into extra time when the Referee somehow found eight minutes of added time to everyone's disbelief, which allowed Telford time to draw level in front of an 863 strong crowd. Telford were too strong in the midweek replay though we did feature in the first round draw.

In the FA Trophy the Moors made it through to the first round and were the lowest placed club in the competition at that stage. A lack lustre performance saw the club lose away to Hyde in December. The first game in the league saw us drawn away to Padiham in Lancashire where a positive start gained the first points of the campaign. The second game however was the first real test when we played Darlington 1883 at home the following Tuesday.

The crowd of 1882 saw Darlington take the points and left Moors in no doubt what the league was all about.

The season saw some excellent victories both home and away and the club were well in contention towards the end of the season, but then a run of bad results saw the title hopes slip away leaving the club in the fifth and final playoff place.

The playoff game against Darlington has been hailed by many of the 1987 crowd as the game of the season in a fiercely competitive game which swung backwards and forwards.

Spennymoor were 2 - 1 up with 5 minutes to go and if Kallum Griffiths shot from 40 yards had hit the net rather than the bar then Darlington would have been struggling to recover. As it turned out, two Darlington substitutes made the difference with two very late goals to seal the victory.

All in all it was a very successful season for Spennymoor with all of the targets met. The Reserve side also had a successful first season in the Wearside League finishing fifth.

# TAFC U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system.

Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).

**U21's** | Contact: Mike or Simon on **01904 606 000**

Our Under 19 team is a newly formed side, which has been set up to help local talented players develop and hopefully progress into the Under 21s and the Tadcaster Albion first team. Players are all aged 16 and over. Coach Rich Taylor has coached in the USA and has also had a spell at Leeds United.

For more information on our U19 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).

**U19's** | Contact: Richard on **01904 606 000**

**Tadcaster Albion Juniors**  
have age ranges from Kinders,  
age 4 to U16.

## Kinders

Is about introducing kids to football in safe environment & giving them the basic skills to allow them to progress into the U7 teams. Training on a Saturday morning at Riverside school, new players are always welcome, come down & give it a go !

The U9s team currently have 10 registered players who play 5 a-side, non-competitive matches in the York Mitchell League on a Sunday morning.

**U9's** | Contact: Andy on **07842 923753**

The U10's age group is split into two sections, Juniors & Colts, with both sections usually able to field two teams on a match day. Run by FA Licensed coaches and assisted by parents the emphasis is on developing and improving players in a safe and fun way.
