1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

Good afternoon and welcome to the i2i stadium for our first home game of 2017 as we entertain Colne.

We would like to extend a warm welcome to all of the players, fans and officials of Colne.

2016 was an outstanding year for the club, most certainly the best in our history and we would just like to say a massive thank you to every single one of you for your continued support.

It was great to see so many of you out in force on Boxing Day. Unfortunately as you know, the result didn't go our way on the day but it was fine margins and a few dubious decisions.

Even looking at the Bank Holiday defeat at Farsley, we had

several clear cut chances and could have been out of sight in the first half an hour.

We've been pleased with Tom Allan who has certainly been a breath of fresh air since joining on loan, scoring three in his first three appearances.

Hopefully we can pick up the three points today and get our season back on track.

We owe Colne one after last season's FA Cup encounter.

We hope that you enjoy this afternoon's match and have a safe journey home afterwards.

The i2i Sports Directors

Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon everyone and welcome to the i2i stadium for today's game against Colne.

We hope Steve and his staff enjoy their stay and have a safe journey home afterwards.

First of all myself and the rest of the team would just like to wish every one of you a Happy New Year.

Obviously we didn't kick-off 2017 how we'd have liked but the score line at Farsley wasn't exactly a true reflection of our efforts.

At this level, if you don't take your chances you will get punished, especially against a side like Farsley Celtic who have National North level forwards in Paul Walker and James Walshaw.

It really is fine margins though as Tom Allan and Josh Barrett both had efforts scrambled off the line in the opening ten minutes before Tom Corner struck the crossbar.

And then, fitting to how things are going at the moment, we went behind after an individual error.

As a group we are still extremely confident in our ability and hopefully the second half of the season will be a successful and enjoyable one.

To say this is our first season at this level I think we have done well; there have been games where we have perhaps been lucky to come out with the points and there have been games where we have somehow come away with nothing from the game.

All we ask from you the supporters is that you stick with the team and keep making lots of noise.

Keep it up!

Colne FC were formed in January 1996, by a group of like-minded people under the wing of now Chairman Dave Blacklock. The enthusiasts combined their strengths and knowledge of non-league football, and arrangements were made for a new club to use the vacant Holt House Stadium, once used by the Dynamos in the North West Counties Football League Division Two.

Colne FC's first ever competitive game was on the 17th August 1996 against Middlewich and the result ended in a 1-0 defeat.

The team was then managed by Keith Mason, but after his resignation soon after, Denzel Hart was appointed to the hot seat. His first game was a 6-0 defeat away at Ashton Town, but just two games later Colne FC recorded their first ever victory thumping Bacup Borough 5-2. The highlight of the season, coming when the reserves won the BEP Cup at Clitheroe's Shawbridge ground.

The club's fourth season was eagerly awaited, but in September 2000 manager Hart left the club by mutual agreement. Player John Lister was placed in temporary charge and his appointment was made permanent a month later. Lister learned lessons from this campaign and in 2001/02 finished 14th.

In the summer of 2002 James Webster took control of the club, to become the youngest chairman in the league at the age of 24. James was a player at the club with plenty of experience and along with his father who was vice chairman, had a strong desire to see the current side emulate the success of its predecessors.

Season 2002/03 started well enough, but in December 2002 John Lister resigned as Manager.

Paul Lynch took over as manager and the improvements continued, but in August 2003, Paul was offered the position of manager at Unibond side Rossendale United and subsequently left.

Webster responded immediately by appointing Nigel Coates as the new manager as well as player Gary Rishton as his number 2. Nigel had played for the Dynamos, being in the FA Vase winning team and had experience of management at local rivals Nelson.

Season 2003/04 brought back the glory days to Colne with a string of successes. In the League Colne had to play catch up after a successful cup run, but ended the season 10 points clear in Division two, scoring 102 goals in their 38 games.

We completed the double by winning the Division Two Trophy 1-0 over Great Harwood. The season was capped by an amazing run in the FA Vase for a North West Counties Football League Division Two club, they progressed all the way to the semi-finals, (via an incredible 1-2 away win at AFC Wimbledon) before being defeated over two legs 4-3 on aggregate to AFC Sudbury.

As the season progressed attendances started to rise as the local population realised we were no longer the whipping boys of the league, and the famous RED ARMY was formed.

Colne took little time in adjusting to life in the First Division, another FA Vase run and a creditable 10th place was secured in 2004-/05. Consolidation has followed and Colne FC's highest league positions to date have been 5th in season 2007-08 and the same again in 2010-11.

In November 2013 Colne's manager for the past 10 years stepped down from the hot seat and former Colne player Steve Cunningham was appointed manager, with another former Colne favourite Ted Cockett as his No.2 and Coach.

Steve and Ted had ambitious plans for the club and wasted no time in bringing in a few new faces to boost the playing squad, consolidating for the rest of the season but with big hopes and plans for the following seasons.

Season 2014-15 proved to be the best ever at that time in terms of league placing, with Colne finishing a creditable fourth. No doubt the management team have ambitions to improve on that in 2015-16.

Season 2015-16 proved to be the best ever in Colne FC twenty year history. The reds battled for the NWCFL Premier title with Runcorn Linnets and Atherton Collieries with the reds winning the title with an 81 minute goal at 1874 Northwich securing 100 points and 100 + goals upon the way.

The reds also reached the final of the League Cup before falling to Atherton. In addition the reserves did the double for the second consecutive season.

With all this going on, due to the fantastic efforts of a strong and loyal band of followers and officials including the resurrected "Red Army" and the continued support from our main sponsors XLCR Vehicle Management there is a bright future on the horizon for Colne FC.

The whole team are looking forward to the challenge of playing football at Step 4 for the first time and making new friends on the way.

Christmas Trees & Wingless Wonders

So, do you prefer a "Bolt" or a "Sweeper"? Or are you more of a "Christmas Tree" kind of a guy? No, I'm not referring to your last trip to the DIY store! I'm talking formations...

It's quite mind-boggling how tactical geniuses over the years have managed to devise so many different ways to set up ten outfield players for the simple game of football.

Until the mid-20th Century (in Britain, at least) it would seem that pretty much all teams were advocates of the "W-M" formation; 5 attackers, 5 defenders. Not surprisingly this splitting of the team into separate attacking and defensive units tended to create a plenty of goalmouth drama and little midfield action. Lots of long balls and plenty of crosses aimed at big target men were the order of the day. This was the only way to play! Or so we thought until one day in 1953 when English football was shaken to its very foundations.

The "Marvellous Magyars" of Hungary came to Wembley and thrashed the hosts 6-3! This was the first time England had ever lost at home to Continental opponents and it caused a radical rethink among English coaches. Manchester City were the first to emulate the Hungarian tactic of the deep-lying centre-forward dropping back into midfield to look for the

ball and thus draw the centre-half out of position which created space for others to exploit. It was known as "The Revie Plan" as the great Don Revie played the key role in the formation.

For the first time, coaches realised that there was more than one way to play The Beautiful Game and a period of experimentation and innovation ensued.

The ultimate fruits of this exercise in self-analysis were borne in the form of the "Wing-less Wonders" of Alf Ramsey who of course won the World Cup in 1966 playing a 4-3-3 formation, without wingers.

Elsewhere during the '60s, those wily, defensively-minded Italians, led by Inter's coach, Helenio Herrera, were busy perfecting "Catenaccio". Translated as "the (door) bolt" this formation saw a defensive back-four given extra solidity by means of a fifth man (known as the Sweeper) tidying up any danger that had managed to breach the line of four.

In '70s Holland, Ajax were creating a football revolution all of their own with "Total Football", whereby all ten outfield players rotate around the field ensuring that everyone was equally involved in defence and attack. Every player possessed great technique and finishing ability. It was a breath-taking, counter-attacking style that won Ajax lots of trophies and the national team many neutral admirers.

4-3-3 continued in England in the '70s but with a twist. The front 3 began to be made up of a tricky winger, a big target man to get on the end of crosses and a nippy little strike partner to provide the finish.

Liverpool, with Heighway, Toshack and Keegan, and then Forest, with Robertson,

Withe and Woodcock, enjoyed huge success with this tactic.

Enter the '80s and long-ball football made a return with two-man midfield watching on as the game took place above their heads. Wimbledon and Watford with their 4-2-4s and Sheffield Wednesday with a 5-2-3 were masters of this style. It wasn't always pretty but it was very effective. Liverpool dominated the decade, however, with a dynamic 4-4-2 whereby balls were played predominantly through behind defences or into the channels for Rush and Dalglish (and later Aldridge) to run onto.

Highlights of the '90s were the advent of wing-backs; marauding full-backs-cum-wingers who were given licence to attack down the flanks wherever possible. They provided the width in a 3-5-2 formation. Although perhaps the best-remembered formation of that era was Terry Venables' so-called "Christmas Tree" 4-3-2-1 set up.

Man' United ruled the '90s and Noughties with Fergie's classic 4-4-2. The individual personnel changed over time but the system remained essentially the same. And these days, of course, most of the successful teams (including our own mighty Brewers!) tend to line up with a 4-2-3-1.

It's true to say though, that while ingenious formations can ensure that the combined strengths of the individual players are given the best opportunity to be most effective, nothing beats having a team filled with 11 top players. Let's hope that our top players have too much for Colne to cope with today, whatever formation they face us with – Come on you Brewers!

Match PREVIEW

Three points for the Brewers today could see the gap between the two sides reduced to just two as the second half of the season gets underway.

Steve Cunningham's side come into the fixture on the back of a 3-2 victory over Kendal after a last gasp goal from Connor Gaul.

Today The Brewers welcome fellow newcomers to the league Colne to the i2i stadium.

Taddy boss Billy Miller will be looking to reignite our season after a turbulent last couple of months.

The two sides actually met last season in the Emirates FA Cup where the North West based club ran out 5-2 winners over a ten man Tad.

Last season's North West Counties winners currently sit in 9th place in the Evo-Stik Division One North, five points better off than the Brewers.

Taddy will be looking to right the wrongs after the Bank Holiday defeat at Farsley Celtic, a 5-1 score line that was a little harsh on Albion.

Team News: Defender Andy Milne could return after twisting his knee at Yorkshire Amateur before Christmas. Carl Stewart should also return but Gregg Anderson and Michael Ingham remain unavailable for selection.

NEWS TAFC CLUB

Incredibly this is Michael's first ever operation during his long 16 year professional career. He will be visiting the specialist on the 25th January and we all hope he will receive good news.

Michael has now had his operation and is itching to get back between the sticks for TAD.

Michael sustained his injury against Goole back in October when a short back-pass (he has never let Jono forget it) was chased down by a Goole player and Ingham struck the forward after clearing the ball.

Ingham hasn't featured since and was diagnosed with a ruptured plantar plate. He had an operation on the 16th December 2016.

"I never thought I would need an operation and coming just before Christmas wasn't the best of timing, but I'm determined to be back as quick as I can."

Jono has been great and has been my chauffeur and drink carrier at work, it's amazing what a bit of guilt will do."

Prolific forward James Walshaw netted a second half hat-trick for Farsley as Taddy rue missed chances.

Manager Billy Miller initially made two changes to the team that narrowly lost to Scarborough Athletic on Boxing Day however this was to change as Jono & Josh Greening were caught in horrendous traffic.

Both Greening's were named in the starting eleven but didn't arrive till the game had kicked off therefore Jordan Armstrong and Conor Sellars stepped in.

Despite the late alterations, it was nearly the perfect start to the game and the year for Tadcaster.

In the very first minute a Jordan Armstrong free-kick caused Celtic problems.

Rob Youhill nodded down for Josh Barrett who saw his close range effort beaten away by McKibbin.

The Farsley stopper could only push back to Youhill who picked out Tom Allan who also saw his strike cleared off the line.

The home side were slightly on top in terms of possession in the opening exchanges but there was no doubting who looked the more dangerous as the Brewers were denied again seven minutes later.

This time they weren't denied by a player but the woodwork.

Rob Youhill did well to create the half a yard of space needed to fire a cross to Tom Corner who had pulled off his man but could only direct his header onto the face of the crossbar.

The rebound fell to Conor Sellars who's reaction header was blocked and eventually Graeme McKibbin pounced on the pieces.

Taddy Punished By Celtic.

Farsley were coming into the contest on the back of a defeat at Ossett Town on Boxing Day and there were certainly signs of uncertainty at the back in the first fifteen minutes.

First it was McKibbin, then a clearance off the line, then the crossbar. Well next it was the referee's turn to deny Taddy a chance to take the lead.

Adam Baker floated a diagonal ball over the top which started a race between Aiden Savory and Tom Corner.

The Tadcaster forward got to the ball first and it was clumsy from the defender however referee Aaron Bannister wasn't convinced.

Tom Allan has been a breath of fresh air since joining the Brewers on loan from Alfreton Town and the defender/midfielder/attacker came close once more from a set-piece as Farsley gleefully fired off the line for a second time.

The home side were always going to wake up at some point and they did so after 25 minutes.

Paul Walker powerfully drifted in-field and hung up the perfect cross for James Walshaw but the striker on this occasion couldn't hit the target.

As the half wore on, Celtic began to grow in the encounter and Ross Daly had a glorious chance to break the deadlock eight minutes later.

The midfielder stormed into the penalty area but could only poke straight at the advancing Gary Stevens.

However the home side did in fact take the lead six minutes from the break.

Richard Marshall's low shot somehow found its way through Stevens' legs and into the back of the net.

The goalkeeper may have been unsighted by Thirkell and saw the effort late but nevertheless Farsley took the lead.

And it could have been two five minutes later, this time Stevens made amends to deny Marshall his second.

Taddy did find a way to goal before the half-time whistle went however, it was adjudged to have been an illegal way.

Josh Grant's high cross squirmed past McKibbin but Tom Allan clearly jumped into and impeded the goalkeeper.

Into the second half and Conor Sellars was given a golden opportunity to equalise after being played in behind but the nippy attacker couldn't beat McKibbin who stood up tall.

Farsley were building momentum as the second half ticked by and had an effort of their own cleared off the line by Dan Thirkell.

They did double their lead in the 69th minute though with James Walshaw turning in at the near post.

But back came Taddy as the deficit was pegged back to just one four minutes later.

A double change saw Tom Allan move from centre-back to centre-forward and the man on loan scored his third goal in three games.

Allan capitalised and pounced on a mix up between McKibbin & Clayton to reignite hope for the travelling Taddy fans.

Having said that though, with nine minutes remaining the contest was all but over as Richard Marshall netted his second and Celtic's third of the afternoon.

The Brewers couldn't live with Paul Walker's trickery and powerful wide play and Marshall leathered into the net after several fortuitous ricochets.

With the game effectively over, James Walshaw scored two more in the final two minutes to complete his hat-trick and add a certain gloss on the score line.

His second and Farsley's fourth was a fantastic goal. The ball was sharply played into him on the edge of the penalty area and the experienced striker turned and arrowed into the bottom corner in one swift motion.

The fifth and final goal of the afternoon came deep in injury time when Walshaw raced through Taddy's back-line and deftly dinked over Stevens.

Brewers Undone By Late Boro Turnaround.

A dubious penalty decision with ten minutes to go ignited a Scarborough comeback as Cameron Murray's late strike wins it for Boro

Former Boro marksman Carl Stewart gave Billy Miller's men the lead six minutes from the break looping over goalkeeper Jordan Porter.

Benny Igiehon tapped in at the start of the second half to equalise before Tom Allan controversially put the Brewers back in front.

The referee then took centre stage once again with ten minutes to go after awarding the visitors a questionable penalty.

This drove Scarborough on and Cameron Murray completed the comeback with five minutes to go.

Taddy boss Miller made five changes to last week's County Cup victory with Josh Grant, Tom Allan, Jason Mycoe, Tom Corner and Josh Greening all coming back into the starting eleven.

After a very cagey opening twenty minutes, it was the home side who had the first two efforts on goal.

Both Carl Stewart and Jono Greening tried their luck from outside the penalty area but could only shoot straight at Jordan Porter in the Boro goal.

However, Scarborough unlocked the door at the other end and carved out a glorious chance as new boy Jacob Hazel drove past Josh Barrett but was denied by a terrific one v one save from Gary Stevens.

But it was Taddy who drew first blood in the 39th minute. Josh Grant's long raking ball down the left-hand channel was met by Carl Stewart.

Stewart saw that Porter had come flying off his line and the former Boro striker ever so coolly flicked over the goalkeeper.

It seemed to take an age to make its way goalwards but after bouncing once it nestled into the back of the net to give the Brewers the lead as chants of 'he's one of our own' rang around the i2i stadium.

It was a bitterly cold and blustery afternoon in Tadcaster but the contest certainly heated up in the second half.

Taddy began the half on the front foot as Dan Thirkell and Tom Corner both came close to establishing a healthier two goal cushion.

Despite that however, it was the visitors who netted next and drew level nine minutes into the second half.

A ball in behind the Brewers' defence lead to a mix-up between goalkeeper Gary Stevens and Tom Allan which allowed Craig Nelthorpe to square to Benny Igiehon who helped himself to a tap in.

The 721 watching on football fans were being served up a Boxing Day treat as both sides were going hammer and tong for all three points.

Josh Greening must have thought he'd put his side back in front after latching onto Tom Allan's flick on and firing low and hard only to be miraculously kept out by goalkeeper Porter.

Taddy needn't have worried though as they did in fact retake the lead a minute later.

Tom Allan marked his second appearance for the club with a second goal after turning in Josh Greening's deep free-kick.

There was certainly an element of controversy about the goal though as at first the visitors were appealing for offside before shouting for handball.

They may well have had a point with the latter but gesticulating with referee Tristan Greaves only resulted in a flurry of cautions and the goal stood.

Following the goal, the game entered somewhat of a lull as Scarborough held

the majority of possession but could only waste a succession of free-kicks.

As time rapidly ticked by, Gary Stevens was on-hand to terrifically rush off his line and thwart Jacob Hazel.

However the away side were awarded a penalty kick a mere thirty seconds later.

Midfielder Dan Thirkell was the guilty party after allegedly bringing down Jacob Hazel but it looked as though the Boro man was already on his way to ground.

Nevertheless the penalty kick was given and despite a touch from Stevens, Adam Bolder side-footed confidently into the top-right hand corner to set up a grandstand finale.

Taddy may have been the comeback kings in the FA Cup meeting earlier in the season but this time it was Boro who came from behind with five minutes remaining.

After a mixture of several pinball like ricochets and Taddy not being able to clear their lines, the ball fell for tricky attacker Cameron Murray who expertly fired low into the back of the net to send the travelling fans into ecstasy.

From this moment on Scarborough ran the clock down effectively and held on to the victory.

i2i International Soccer Academy **Next Game**

i2i International Soccer Academy **v** Durham University

Date: Wednesday 1st February 2017 Time: 13:00

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with ex-Premier League's Bryan Hughes.

The team have only known each other three months but are making great progress day by day, week by week and have been outstanding in their first term.

On Monday night they suffered just their second WRCFA U21 defeat of the season losing 4-0 on a miserable and foggy night in Leeds.

On Wednesday they played their final BUCS University match before heading back home for the Christmas break. They entertained

the University of Sheffield at the Haxby Road Sports Park and were unfortunately on the wrong end of a seven goal thriller.

The Soccer Academy worked tremendously hard throughout the 90 minutes and battled hard to pull it back from 3-1 to 3-3 thanks to a double from Michigan man Nick Massey.

With the game on a knife edge and both sides gunning for the elusive fourth goal, it could have easily gone either way with chances missed at both ends.

But it was Sheffield that netted the pivotal seventh goal in the last minute.

U21's Back To Winning Ways

Tadcaster Albion U21's put in a convincing performance against Garforth Town U21's on Monday night and returned to winning ways thanks to goals from Dan Davison, Sean Hunter and Joe Wales. The young Brewers broke the deadlock after just four minutes when Dan Davison sprung the offside trap, kept his cool, rounded the goalkeeper and tapped into the empty net.

Taddy were in complete control from the off dominating possession and keeping their opponents penned in their own half. Their lead was almost doubled after just seven minutes when Matty Savage's tame effort was parried by the Garforth stopper and somehow neither Davison nor Hunter managed to scramble over the line. The visitors were under immense pressure as they struggled to get out of their own half and the contest could have been all but over inside ten minutes as Dan Davison squandered two good chances after being released in behind.

The inevitable second goal did arrive in the 18th minute when Sean Hunter flicked in at the near post from an in-swinging corner. Despite the somewhat drab start from the away side, they did work back into the match and did pull a goal back just short of the half hour mark. The advancing midfielder drove into the box and clipped a cute curling effort into the far top corner.

It's been a case of not putting chances away for both the U21's and the first-team in recent weeks and the game could have definitely been done and dusted if Tad's youngsters were a little more clinical in front of goal.

Taddy started the second half like the first, like a house on fire and somehow they didn't re-establish their two goal cushion two minutes into the half.

Harry Sheppeard was getting plenty of joy bombing down the right wing time and time again and the defender almost got himself an assist. The 16 year old drove to the by-line, pulled it back towards Woodhead, three yards out but was denied by an outstanding last ditch tackle from a Garforth substitute.

The three points were almost in the bag when Taddy did make it 3-1 in the 57th minute. Matty Savage's clever reverse through ball was latched onto by Davison who was incidentally brought down by the goalkeeper.

Joe Wales was the man to step up and he made now mistake sweeping low into the bottom left-hand corner.

Substitute Simpson and Joe Wales both came close to adding gloss on the scoreline but it ended Tadcaster Albion U21's 3-1 Garforth Town U21's.
