1892

Tadcaster Albion AFC

The club is believed to have been formed in 1892 as John Smith's FC. It wasn't until 1923 that the Tadcaster Albion name was adopted. In the early years the club played in the local York League. In 1948 Albion won the York League. They continued competing in the York League during the 1950's & 60's.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the lngs ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the lngs ground until 1960, when the club moved 100 yards up river to its present home at the Park.

In 1973 the club joined the Yorkshire League Division 3 and were promoted in 1975 & 1977 to reach Division 1, relegation was to follow in 1979 & 1980.

In 1982-83 they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in 1991. They rarely finish in the top half of the league in the 1990's and finished bottom in 2001-2 & 2003-4.

At the start of 2004-5, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in 2006, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in November 2007, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of 2008-9, in his first season he played mostly local players and the team struggled and finished 17th. In 2009-10, with an influx of a few new key players, Albion won the NCEL Division One title.

In 2010, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish and last season they finished 6th.

Rob Northfield resigned a few days before the start of this season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

Directors Notes

Welcome to today's match against Athersley Recreation. We're all very much looking forward to an enjoyable game. A big welcome to everyone who has travelled up from Athersley.

2014 has started well for Tadcaster Albion. The team has won all three of its home games – scoring an impressive 16 goals in the process. The new players are settling in well, and we're confident that we are building a squad which is really going places.

We've been particularly pleased with our recent home attendances. To break the 300 barrier against Garforth Town was a huge achievement, and we're sure you'll agree it helped to create a fantastic atmosphere. We'd love to break the 400 barrier by the end of the season, so please encourage your friends and family to come along and help cheer the Brewers on.

As we've said previously, everyone at the club will be doing their utmost to gain promotion this season, but we won't be too disappointed if it doesn't happen. The gaffer Paul Marshall has targeted 93 points by the end of the season, and we will be doing all we can to support him in his efforts. Rest assured that if we do miss out this season, we will be fired up and ready to go for it next season.

We are in the process of making all of the necessary ground improvements needed for promotion into the Evo-Stik League Division One North. A big thank you to everyone who has volunteered their time to help with general repairs. If anyone else would like to get involved, we'd be most grateful. For more information, please contact Danny Gore by emailing danny.gore@enteri2i.com

We've recently signed a deal with Nike which means that all of our kits and training wear will be supplied by Nike for the foreseeable future. It's important for any team to look smart, both on and off the pitch, so we're delighted to have signed this deal.

Enjoy the game and thanks again for all your support.

TAFC News

- We've recently had the go-ahead to purchase some new flood doors, which will help to stop the clubhouse from flooding in the future. We're hoping that they will be installed over the next couple of months.
- The pitch at 2Inspire Park is holding up reasonably well considering the recent wet weather. Thanks again to our dedicated gardeners and volunteers who work tirelessly to keep the pitch playable.
- i2i Sports have recently purchased advertising boarding for the entire perimeter of the pitch. These boards will now be sold off to local businesses as advertising space. Our current offer is just £250 for a banner which will be in place until the end of the 2014/2015 season. Please contact Danny Gore at i2i Sports on 01904 606000 for more details.

- TAFC midfielder Joel Dixon is currently in Norway where he is having a professional trial with Ullensaker Kisa IL. Everyone here at Tad wishes Joel the very best of luck in this exciting opportunity.
- First-team training continues to take place on Tuesday nights at Manor School (7.30 till 9.00pm). All are welcome to come along and watch.
- The new website is now up and running at www.tadalbion.com. So far almost all of the feedback has been extremely positive, but do please let us know if we can improve it in any way.

Tad player to run Manchester marathon for charity

Tadcaster Albion midfielder Jake McCormick is to swap his football boots for running shoes when he takes part in this year's Greater Manchester Marathon.

Jake, who signed for The Brewers in January after spells at Middlesbrough and Doncaster Rovers, will raise money for Prostate Cancer UK after losing his grandfather to the disease two years ago.

Having never run a marathon before, the 19-year-old is training hard for the race which takes place on April 6th.

Jake said: *"I've done a half marathon before at Redcar, and it went really well. I finished in 1 hour, 28 minutes, but this is obviously going to be much harder."*

"I'm hoping I'll be able to get round in just over three hours. The furthest I've run so far is 17 miles, so I've still got another nine to add to it."

To sponsor Jake's efforts please visit www.justgiving.com/Jake-McCormick

Athersley Recreation FC HISTORY

Athersley Recreation Football Club was formed in 1979, originally as Athersley North Juniors, and in the years that have followed have quickly become Barnsley's most successful ever amateur football team. The club is based at Sheerien Park on the Athersley North estate, two miles to the north-east of Barnsley. The ground lies adjacent to Athersley Memorial Park - dedicated to the memory of the 58 lives lost in South Yorkshire's worst mining disaster in modern times, Wharncle Woodmoor, which devastated this close-knit community.

Now the only recognised sports facility in the area (following the closure of Athersley Recreation Centre, from which the club took its name), the club is a vital part of the community. The 60-year lease of the ground was bought by ex-Athersley Rec player Geo Horsfield (who went on to represent Fulham, West Brom, Birmingham City and Sheeld United amongst others) and this has paved the way for extensive development of the club and the area he was raised in. Along with the tireless work of club founder/secretary/manager Pete Goodlad and his dedicated team of local volunteers, the foundations have now been laid for future generations to enjoy these excellent facilities, the like of which has never been available to people of all ages and abilities from this area of South Yorkshire.

On the pitch, the success the Rec has enjoyed is unrivalled in local football. Countless league titles and cup wins have become commonplace, none more so than winning the Sheeld Junior Cup an unprecedented three years in a row (winning it 5 years out of 7, the other two years being runners-up!). Last season saw a clean sweep of honours achieved with a quadruple as well as the reserves winning their league at County Senior level showing plenty of strength in depth.

To date, the record attendance has been over 500 to see the Rec play local rivals Wombwell Main - on a day when every other game in Barnsley was cancelled due to bad weather, this was testament to the hard work and skill of the grounds-men at Sheerien Park. With floodlighting now in place and Charter Standard status awarded, the future looks bright as the club enters into its first season at NCEL level.

Plans are in the pipeline for further redevelopment, including a new club-house on site and new car parking facilities. The club prides itself on its standing in the community and working together with local people, many of whom have given up a lot of their time and effort towards the bettering of the club - and with this bond so strong will endeavour to go on to bigger and better things in the future.

NCEL Premier Division

Saturday 8th February 2014 - 3pm

Tadcaster Albion 4 - Garforth Town 1

This local derby was always going to be one to look forward to, and the postponement of leaders Barton Town Old Boys game only added to the importance as now... a win against Garforth Town would put The Brewers back to the top of the NCEL Premier table. It was a cool windy but dry day at the start, but the forecast was for it to get worse later in the afternoon.

The Brewers had the worst possible start as Garforth scored within the first minute. After last weeks defeat, this could have set the scene for this game, but after 6 minutes they hit back when a quickly taken corner was headed home well at the far post by defender Jamie Williamson.

There then followed a period that was pretty even and there was a fine save by the home keeper as a forward shot from close in from a low cross. The swirling wind was making good football tricky with a number of passes and crosses being overhit. After 35 minutes, a Brewers break down their left was converted well in the centre by Danny Critchlow who stretched to put The Brewers into the lead. Shortly after, a sharp shot flew past the near post and smashed a blue seat behind the goal.

A minute before half time, The Brewers won a free kick just right of centre about 20 yards out. Garforth Town put up a large wall with the keeper in 2 minds as to which side of the goal the ball was going. As Terry Taylor took the free kick, the keeper edged to his left as the ball flew into his top right corner off the woodwork, Beckham v Greece style. It was a superb goal that rewarded the fact that The Brewers had come back strongly with Garforth still dangerous on the break. The 2 goal lead would be very important as they would be against the growing wind in the 2nd period.

The second half started in the very strong wind and Garforth stepped things up with 3 early corners that came to nothing. Carl Stewart had now come on for the home team and went close to extending the lead from a cross into the centre. He then had another good chance to seal the points for the home team, but he drove his shot wide of the near post.

At the other end, the visitors missed a good close in chance that if converted would have set up a nervy end to the game. By this time, the rain was swirling around as conditions got harder for the players. There was a good shout then a penalty for The Brewers with a tackle in the box, but the referee waved play on.

The game was coming to its conclusion and after another Brewers header went over, it looked as if it would end at 3-1. Then with just 4 minutes to go, a fine accurate pass was played into the area to Carl Stewart who as the keeper came out to narrow the angle, neatly finished past him at the near post.

The crowd was a fine 308 which was boosted by a number of vocal fans who came from Garforth and some pupils and their families who came from match sponsors Tadcaster Grammar School for the match. Their man of the match was announced as Tadcaster Albions midfielder Terry Taylor. In the coming midweek, Worksop Parramore play at home to Staveley Miners Welfare in the only game that effects the top of the NCEL Premier table as many teams are involved in cup games.

Next weekend, The Brewers play away at Maltby Main who had a fine win away at Albion Sports in their last game. An important game to win to put pressure on the our title competitors to keep winning their games in hand week in, week out.

NCEL Premier Division

Saturday 15th February 2014 - 3pm

Maltby Main 1 - Tadcaster Albion 2

The Brewers went into this game knowing that their championship rivals were not playing due to the wet weather and they had an excellent opportunity to extend their lead at the top of the NCEL Premier league table to five points. The Maltby game had to pass a mid morning pitch inspection.

The Brewers took the lead in the 20th minute through striker Carl Stewart for his 26th league goal of the season.. Carl's view of his goal. ***"It was a ball in by Terry Taylor which missed 3 of their defenders. It fell just inside the area and I drove it into the bottom corner"***. The home team equalised before half time, so the teams went in on level terms.

Calum Ward put the Brewers into a 2-1 lead with a great strike 15mins into the second half, his fourth goal in four appearances for The Brewers. Calum's View of the goal. ***"My Goal was a long ball from the back which Carl flicked on with his head. I ran onto it, took one touch and smashed it in on the bounce from an angle, about 12 yards out."***

The Starting Eleven for The Brewers was. Reid, Barrett, Williamson, Ingram, Bissett, Rice, Taylor, Thompson, Critchlow, Ward, Stewart. Subs Hope, McCormick, Sparkes and Lawrie

Captain Nick Thompson commented on Twitter, ***"A really satisfying 3 points in horrible conditions yet again! All the lads ran their socks off"*** Head Coach Michael Morton added ***"Hard 3 points gained today by the Tadcaster Albion boys, two very good finishes by Carl Stewart and Calum Ward"***

The final word is from Manager Paul Marshall who said ***"Today was a massive result with 2 quality strikes from Carl and Calum. Everyone worked exceptionally hard and we deserved to win"***.

A superb away result for the team which cranks up the pressure on the other teams by a notch or 3. They have games in hand, but will need to collect a good number of points from them to keep up their challenges. We may look back and realise what an important three points the team gained today. The next game for The Brewers is next Saturday at 3pm when they are at home to Athersley Recreation, so please come down to support the team, it's just £5 to get in with Under 16's free of charge
