1892

Tadcaster Albion AFC

The club is believed to have been formed in 1892 as John Smith's FC. It wasn't until 1923 that the Tadcaster Albion name was adopted. In the early years the club played in the local York League. In 1948 Albion won the York League. They continued competing in the York League during the 1950's & 60's.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the lngs ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the lngs ground until 1960, when the club moved 100 yards up river to its present home at the Park.

In 1973 the club joined the Yorkshire League Division 3 and were promoted in 1975 & 1977 to reach Division 1, relegation was to follow in 1979 & 1980.

In 1982-83 they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in 1991. They rarely finish in the top half of the league in the 1990's and finished bottom in 2001-2 & 2003-4.

At the start of 2004-5, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in 2006, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in November 2007, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of 2008-9, in his first season he played mostly local players and the team struggled and finished 17th. In 2009-10, with an influx of a few new key players, Albion won the NCEL Division One title.

In 2010, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish and last season they finished 6th.

Rob Northfield resigned a few days before the start of this season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

Directors Notes

Welcome to today's match against Pickering Town. After recent games against Long Eaton and Worksop, it's great to be back playing a local side. We know that many of the players from both clubs know each other well, so hopefully this will make for an exciting game.

As many of you are aware, today is TAFC's Junior Day, so a big welcome to all you footballers of the future who have come along to the game today. We hope you have a great afternoon, and are keen to support us again in our push for promotion.

A big thank you to today's match sponsors the Stutton Strollers. For those of you who don't know, the Stutton Strollers are a local veterans' football team who were formed in 2000 by local poet and songwriter Bob Brook. The team are dedicated followers of Tadcaster Albion, and we're delighted to welcome them back as our sponsors again today. The last home game of the season against Barton Town Old Boys is still available for sponsorship, which costs £150 and includes hospitality and programmes for up to 12 people. Please see the website for more details.

The ground grading assessment takes place on Monday afternoon, so fingers crossed all our hard work will pay off. Thanks again to everyone who has helped with the refurbishment of the ground. We hope you're pleased with the recent changes! If any remedial action is required, we will only have a week to get it done, so once again your support would be much appreciated. We will keep you posted over the coming days.

We've been delighted with the response to the sale of our pitchside advertising boards. We've already nearly filled one side of the pitch, and we're hoping to get another 10 in place in the next fortnight. Please keep spreading the word about the offer. It's £250 for a board which will be in place until the end of the 2014/15 season.

Thanks to everyone who came to Long Eaton on the Taddy coach last week. It was a fantastic day which was topped off with a great result. Don't forget there's also a coach going to Bridlington next Saturday with a few places still left. The coach departs Tadcaster at 12.15pm and York at 12.30pm. Tickets cost £10 for adults and £5 for concessions. To book a seat, please call 07920 794038.

The new TAFC merchandise goes on sale next week, so please keep an eye out on our website for prices. The website is now up to 12th in the Pitchero rankings, so thanks to everyone who has been going online and reading our latest TAFC news. The support we've had this season has been superb. Long may it continue!

A massive thank you to TAFC's Junior Chairman Andy 'Charlie' Charlesworth who came up with the idea of the Juniors Day. He also plays for the Stutton Strollers and was instrumental in arranging their matchday sponsorship.

Enjoy the game, and let's hope we're three points better off come 5pm.

"UP THE MINI BREWERS"

Pickering Town FC HISTORY

Pickering Town Football Club were first established in 1888, for many years the club competed in the local football leagues. One of the local leagues they competed in was the York Football League which they joined Division Two, in 1953–54. They were promoted to the league's top division after only one season. In the early 1950s, the York League was heavily contested between York Railway Institute, Market Weighton and Pickering Town. Indeed these were the teams in the top three when Pickering Town first won the York League in 1955–56. The club dropped in form for the rest of the decade in comparison (although they did always finish in the top eight). During the 1959–60 season, they finished as league runners-up to Dringhouses.

Yorkshire and Northern Counties Leagues

Pickering eventually joining the Yorkshire Football League Division Three in 1972. They started well in the league, and during their second season were promoted to Division Two as champions. Pickering Town finished as runners-up to Bridlington Town in the 1974–75 season and thus were promoted to the top division of the Yorkshire League.

They dropped in form a couple of seasons later, getting relegated in two successive seasons. For the rest of the decade Pickering lingered around the mid parts of the Yorkshire League Division Three. In 1982 they became founding members of the Northern Counties East Football League and were in the NCE Premier Division from 1992. It was around this time that the club first entered the FA Challenge Cup, they knocked out Penrith before losing to North Yorkshire rivals, Northallerton Town in the next round.

A few seasons later in 1996–97, they knocked out Pontefract Collieries 2–1 in the competition, but lost to Bishop Auckland in the next round. In terms of the draw, the club has had very bad luck in the competition, as every time they reached the 1st Qualifying Round, they were forced to play away from home. In 1999 Pickering were relegated to the NCE First Division. This was to last only two seasons and promotion back to the Premier Division came in 2001.

Jimmy Reid transformation

The club underwent a great transformation with manager Jimmy Reid and his assistant Steve Brown in charge. Reid was a former player with St. Johnstone and York City and Brown a former "Pikes" player and coach at the Leeds United Academy. At the end of 2001–02 season Jimmy Reid left the club and Steve Brown took control.

At the start of the 2002–03 season 5 first team regulars were lost for a variety of reasons which left the club struggling for much of the season. The hard work and dedication of Brown, his management team and the players was rewarded towards the end of the season as it all started to come together and with only 4 defeats in the last 15 league games the club finished the season in 13th position.

2003–04 season was an exciting one for the club as they were in the top half of the league table all season and for much of it, with games in hand, looked possible championship contenders.

However with a glut of fixtures, and possibly with the knowledge that promotion to the re-structured Northern Premier League was not an option due to ground grading, at the season's end the club were not able to capitalise and finished in a creditable 5th position.

Early into the season 2004–05 owing to ever increasing business commitments Steve Brown stepped down as Manager to be replaced by ex-Ipswich Town and Newcastle United striker Alex Mathie, veteran of over 200 league games and 20 years as a professional.

After much ground improvement work in recent years, including the erection of floodlights, a new 120 seater stand, covered standing accommodation and more recently an additional 100 seater stand behind the "scoreboard end" goal, the club now possess one of the best grounds in the league.

Recent events

In the 2005–06 season the club reached the quarter finals of the FA Vase the furthest in the club's history. The team eventually lost out to Nantwich Town.

After an encouraging start in the 2006–07 season, results took a turn for the worse over the winter period, and a run of one win in eleven games led to the resignation of Mathie as manager on 6 January 2007. Within a week, the board announced they had appointed ex-Pickering player and Mathie's assistant Mark Wood as the new manager.

The 2007–08 season saw the club finish in third in the NCEL Premier Division, their highest league position in over a decade. Off the pitch the club saw significant change and Pickering applied for promotion to the Northern Premier League. The club erected a removable fence for the cricket pitch side and improved the existing exterior toilet facilities. Ground development has continued with the club resurfacing and floodlighting the car parking facilities, adding new goals, corner flags and dugouts and improving the drainage of the pitch.

Mark Wood stepped down as manager early in the 2010–11 season and he was replaced by Scarborough FC legend Mitch Cook. Cook oversaw a change in philosophy mainly focussed on youth and passing football. This approach had mixed success but the club eventually finished in a very respectable 7th. Cook resigned just before the end of the season to take up the vacant managerial role at rivals Bridlington Town taking with him much of the playing squad.

Following Cook's resignation the club invited applications and eventually offered the job to former York City player and coach Peter Vasey.

They reached the Second Round Qualifying of the FA Cup 3 times (1999–00, 2001–02 and 2003–04).

On 30 April 2013, the club won the North Riding Senior Cup for the first time in their history following a 3–0 win over Marske United. The goals were scored by Liam Shepherd, Liam Salt and Joe Danby in the second half. The game was played at the headquarters of the North Riding County FA in Stokesley in front of 439 spectators.

Match Reports NCEL Premier Division

Saturday 8th March 2014 - 3pm

Tadcaster Albion 1 - Worksop Parramore 0

This was a game that could really mark The Brewers championship credentials with a win. At this stage of the season, it was about getting 3 points and if the performance was good, then that would be a bonus. It was a bright day with a hint that Spring was just around the corner. After the wet Winter we have had, there was now every chance of going through the season without losing a home game to the weather.

The game started in a pretty even way and the early signs were that it could be a good game between two footballing teams. The deadlock was broken in the 10th minute when George Bissett drove down the left and put in a beautiful cross for skipper Nick Thompson to power home with a header, a superb goal. Soon after, a Brewers corner led to a good effort by Carl Stewart at the far post. Tadcaster were playing well now and there was a great tackle in midfield by Joel Dixon.

Another flowing move by The Brewers ended with a header just over by Nicky Deverdics. Worksop were having their moments and had an appeal for a penalty kick for a tackle, but it was not given. Worksop were building a bit of pressure but at the same time, The Brewers were playing some lovely football. They won a couple of free kicks around the box, one for a foul on Calum Ward, and Carl Stewart nearly got a chance to double the lead but the keeper beat him to it as he lunged for the ball. So the game was 1-0 at half time.

The second half had just started when Carl Stewart broke through the middle, but he was given offside. There was then a great take of a cross by Brewers keeper Arran Reid. A free kick given for a foul on Nicky Deverdics came to nothing and Carl Stewart had a spectacular effort with a scissors kick that didn't quite come off.

Worksop were still dangerous as they had a close in effort blocked. Nick Thompson then had another effort saved as the keeper closed in on him. Calum Ward had a good attack and appeared to be fouled but it was not given by the referee who was now getting much more involved in the game, not always in a positive way.

There was then what I think was a key incident in the game and as important as a goal as Arran Reid made a great save low down as the ball was fired into the box. The game now was pretty even. A Carl Stewart cross was challenged for by Calum Ward, but he was beaten to it by the keeper. Back at the other end, keeper Reid saved an effort from 20 yards out at the second attempt. A freekick from the halfway line was played into the box by Worksop and a header went over the bar. The Tadcaster defence was now playing well as a unit and in one incident, Denny Ingram used his experience to let a through ball go safely by for a goal kick.

Striker Carl Stewart was now replaced by Terry Taylor. Josh Barrett had a good run and shot over the bar. Calum Ward appeared to be fouled by the last defender, but he only got a yellow card and there was more controversy to come as he was clattered by the keeper in the box for a clear penalty. The keeper appeared to be injured, and I thought he might get a red card when he got himself back together. The referee didn't appear to even give him a card for the incident. He then proceeded to make a fine save of the penalty kick from Calum as he dived to his right.

There was just time for Worksop Parramore to get a late corner that their keeper went up for, but the referee blew for full time shortly after and The Brewers had earned a very important victory. A good solid defensive performance, a couple of key saves and a very well crafted goal that was powerfully finished by the skipper.

Elsewhere in the NCEL Premier, it was no change at the top as both Brighthouse Town and Barton Town Old Boys had wins, so the biggest loser on the day was Worksop Parramore. Hopefully they will bounce back in midweek when they are at home to Barton Town Old Boys.

So, a good days work done by The Brewers in front of a crowd of 274 and all we can do is to keep winning and make the others match us as they play their catch up games.

Today's team: Arran Reid, Calum Ward, Carl Stewart, Denny Ingram, George Bissett, Joel Dixon, Josh Barrett, Matthew Sparkes, Nick Thompson, Nicky Deverdics, Stuart Rice. Subs – Terry Taylor, Richard Batley, Danny Critchlow, Ash Hope, Pete Lawrie

Match Reports NCEL Premier Division

Saturday 15th March 2014 - 3pm

Long Eaton United 0 - Tadcaster Albion 1

The Brewers travelled to play Long Eaton United in a NCEL Premiership game and came away deservedly with all 3 points thanks to a late winner by Carl Stewart. Carl, "A Long Eaton defender sliced the ball and then the keeper punched it out to Terry Taylor who lobbed the ball back over the keeper. It hit the bar and then as it came out, I headed the ball past the last defender on the line from 6 yards out, and wheeled away with much delight. It was a tough game where they tried to slow the game down at every opportunity. But Up The Brewers, Another Win!" Skipper Nick Thompson added, "No better feeling than winning in the latter stages of a game with a 1-0 win. They frustrated us for most of the game and so delighted to get the 3 points".

Tadcaster dominated the early stages of the game and looked like league leaders as they pressed for the opener. It could easily have been 3 nil to the brewers following several good chances including Rice's effort hitting the bar. The defence was strong and worked extremely hard throughout. There has been mention of smash and grab but this certainly wasn't that. We got what we deserved and when you look at the stats you will see from the shots on target, free kicks, corners etc that we were dominant throughout. Reid pulled off a couple of great saves too.

Long Eaton's game plan of smashing the ball out of the ground, taking way too long on every throw in, goal kicks, free kicks, corners, kicking the ball away, rolling new balls on the pitch in the wrong direction and every other trick in the book nearly paid off. But the constant pressure from the Brewers finally paid off and because of what had been going on coupled with their attempted bully boy tactics made the win even sweeter!

Elsewhere in the Championship race, Barton Town Old Boys were unexpectedly held to a 0-0 draw at home to Parkgate so The Brewers now lead them by 4 points with Barton having 2 games in hand. Brighthouse Town had a comfortable 2-0 win away at Maltby Main to remain likely championship favourites if they can take advantage of their 6 games in hand to catch up their 10 points deficit on The Brewers. Worksop Parramore had another blow to their title ambitions with a 1-0 defeat away at Basford United, that is 3 games in a week without a win for them. In the coming midweek, Brighthouse Town travel to Thackley and Worksop travel to Liversedge.

A good day for The Brewers again, Carl Stewart has his 30th goal of the season, a third consecutive clean sheet for keeper Arran Reid and the defence and Barton drop points again. The plan stays the same. Keep winning to put pressure on the others and see where we end up.

Today's team: Reid, Barrett, Bissett, Sparkes, Ingram, Dixon, Thompson, Deverdics, Ward, Stewart, Rice. Subs. Taylor, Batley, Critchlow, Hope, Lawrie (GK).
