1892

Tadcaster Albion AFC

The club is believed to have been formed in 1892 as John Smith's FC. It wasn't until 1923 that the Tadcaster Albion name was adopted. In the early years the club played in the local York League. In 1948 Albion won the York League. They continued competing in the York League during the 1950's & 60's.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until 1960, when the club moved 100 yards up river to its present home at the Park.

In 1973 the club joined the Yorkshire League Division 3 and were promoted in 1975 & 1977 to reach Division 1, relegation was to follow in 1979 & 1980.

In 1982-83 they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in 1991. They rarely finish in the top half of the league in the 1990's and finished bottom in 2001-2 & 2003-4.

At the start of 2004-5, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in 2006, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in November 2007, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of 2008-9, in his first season he played mostly local players and the team struggled and finished 17th. In 2009-10, with an influx of a few new key players, Albion won the NCEL Division One title.

In 2010, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish and last season they finished 6th.

Rob Northfield resigned a few days before the start of this season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

Directors Notes

Welcome to today's match against Worksop Parramore. We hope everyone travelling up from Worksop has had a safe journey, and we look forward to an exciting and competitive game.

There is a real buzz around Tadcaster Albion at the moment. Everywhere we go, people are talking about the Brewers and the progress that is being made both on and off the pitch. With just eight games left this season, the excitement is certainly beginning to mount. We hope you're all enjoying the season as much as we are.

The team has been looking strong in their recent games and we're now back on an unbeaten run of four games, which is great news. The gaffer Paul Marshall has set the players a target of staying unbeaten in March, so let's really get behind the team and cheer them on to another three points today.

There's been a lot of work going on behind the scenes as part of the Step 4 ground grading requirements needed for promotion into the Evo Stik North. The new outside toilet facilities have been built next to the Club House, the second turnstile is well under way and the new sound system has been installed. New seats are to be installed behind the goal and the players' tunnel area has been given a makeover.

The majority of this work has been carried out by our loyal band of volunteers, so a big thank you to everyone who has given up their time so far this season. Wednesday's painting day was yet another success – with a number of fans taking time out from their day to come and paint. Hopefully you'll agree the ground is starting to look much smarter.

Despite Tadcaster having a reputation for flooding, we haven't had to postpone a single home game this season, which is testament to the hard work of our dedicated volunteers. When you think of how many professional games are called off every season, this is a remarkable achievement. Keep up the good work Kevin, Gerry, Tony and Ian!

Thanks again to the York City Brewers who are today's match sponsors. The last game they sponsored was back in January when we beat Lincoln Moorlands Railway 6-0, so fingers crossed they bring us some similar luck today.

Enjoy the game, and thanks again for all your support.

Workshop Parramore FC HISTORY

Parramore Sports FC were established in 1936 just 12 years after F. Parramore & Sons, iron founders in Sheffield, were incorporated as a limited company. They played in the works league of the area from 1936 until 1972 and even continued to play football during the Second World War being as much of the workforce were in reserved occupations manufacturing steel for the war effort.

In **1972** they progressed to the Barnsley Junior League where they had immediate success winning the league and cup in their first season before going back to the Works League in **1975**. The major change started in **1977** when they qualified for the Amateur League and following success as that level the team progressed to the highly rated County Senior League in the **1985/86** season. Success was soon to follow and they reached the Premier Division consolidating in the league for a number of years but, in the **1996/97** season, Parramore Sports FC were relegated to the 1st Division where they stayed for some time.

The start of the **2008/09** season heralded a new era with a move to the Central Midlands Football League, Premier Division, being headed by successful County Senior manager Pete Whitehead, assisted by Steve Smith and Geoff Evans. The same management team took the club forward into the Central Midlands Football League, Supreme Division after a successful campaign in the **2009/10** season which resulted in well deserved promotion. For the **2010/11** season the team gained promotion to the Northern Counties East League, Division One (Step 6) for the first time in the clubs history.

During the season break, Pete Whitehead's P&M Leisure company bought the Sandy Lane stadium, clubhouse and function suite in Workshop which was transformed after major works including the laying of a new premier-class pitch. The Windsor Foodservice Stadium,

Sandy Lane, is now the current home of the then renamed Workshop Parramore. Workshop Town were invited back to the ground by new owner Pete Whitehead as tenants and this offer was accepted.

During the **2011/12** season, Chairman and Manager, Pete Whitehead decided to concentrate on his Chairman duties and Darren Bland on 3rd September 2011. Daren began rebuilding the team towards the goal of promotion and a finish of 3rd in Division One was eventually enough to achieve it. The season wasn't without its difficulties but some superb player propelled 'The Parras' into the title frame for the last game of the season but the title was won by Handsworth FC.

Progress continued on the **2012/13** season in Darren Bland's first full season in charge and he strapped his style on the team, bringing in the players suit it. This resulted attractive football with some noticeable results along the way. Parramore managed 7th in their first season in the NCEL Premier (step 5) and a semi final in the League Cup. Although for much of the season the team were in with a shout at a top 3 finish, 7th is seen as something to build on.

Darren Bland decided to step down before the start of the **2013/14** season and Russ Eagle was appointed to continue the chairman's vision of one day playing at the highest level of non-league football. Russ has worked tirelessly in pre-season to assemble a squad he believes is capable of pushing for the top spot. Assisting him is Leon Wainman and a training role for Steve Smith.

More big news in **2013/14** is the partnership of Parramore FC and Handsworth FC with both clubs coming together and working on a merger for **2014/15** and beyond. Steve Holmes has been appointed as Club Development Manager to bridge the two clubs together seamlessly.

NCEL Premier Division

Saturday 22nd February 2014 - 3pm

Tadcaster Albion 2 - Athersley Recreation 2

As it gets to the business end of the season, this was always going to be a hard game for The Brewers. Athersley entered the game in a competitive 9th place in their first season back in the NCEL Premier after their promotion last season. With Barton not playing and Thackley being postponed on Saturday morning, it was another chance to stretch the lead at the top of the table.

It was not long before the action started as Athersley appealed for a penalty as the home keeper made a tackle on one of their forwards as he broke into the area, but the referee gave a corner. Athersley had their first chance soon after as a header went just over the bar. They broke through in the 6th minute as Joe Thornton hit a brilliant strike into the top left hand corner of the home keepers net to give him no chance.

As The Brewers tried to respond, they won a free kick near to Athersley's penalty area. The referee had to talk to both captains as a scuffle broke out. Back at the other end, the away team nearly made it 2-0 as a shot flew just wide of the post. It was quite end to end now in between the scrappy areas of play and The Brewers won a free kick in a dangerous position. It came to nothing as the ball was driven straight into the defensive wall. Both teams now were having lots of shots that were just missing the target, the away team having the edge on the play, maybe due to their very combative tackles.

As the half drew to a close, there was a good break into the area by Stuart Rice, another attempt was well tipped over by the keeper, Carl Stewart drove over as he hit the ball on the turn, and a couple of corners that led to a big scramble where the ball could have gone anywhere. There was still time for the home keeper to make a fine save from Calum Ward to put the ball over for a corner, so half time arrived with The Brewers 1-0 down.

The second half started with The Brewers pushing forward and it only took two minutes for Carl Stewart to convert a penalty after the ball hit a defender high on the arm when under a challenge from Carl. Almost immediately, there was a great chance for Athersley to go back in front with an attempt from close in.

Tadcaster had a great chance with a one on one, but it was well saved by the keeper. An almost identical chance fell to Carl Stewart in the 60th minute, and this time he made no mistake slotting the ball past the advancing keeper. Tadcaster were now putting on the pressure to seal the victory, but in the 66th minute, the away side equalised to make it even again at 2-2.

It now could go either way as Athersley broke through the middle to be denied by a great save by the home keeper. Stuart Rice went down the right and drove the ball over only for it to be just missed by the diving Nick Thompson. Athersley drove the ball wide again and you wonder how many they could have had by now with more accurate shooting.

Still time for a Brewers header to be headed off the line by the defender as he jumped. By now Mitch Hamilton had come on as one of the subs for the injured Carl Stewart and he made a great effort to get onto the end of a cross from the right. He was then picked out again in a good position by a cross and as he turned inside, his effort was well saved by the keeper as the ball was hit at him.

It was a fair result overall in front of a good crowd of 214. The result leaves The Brewers 6 points clear at the top of the table from Barton Town Old Boys who have 4 games in hand, 11 clear of Brighouse Town who have 7 in hand and an outsider in Worksop Parramore who are 21 points back with 10 games in hand. We need to keep winning and watch the others hopefully drop points in midweek matches over the next few months.

Nostell Miners Welfare 0 - Tadcaster Albion 5

The Brewers travelled to West Yorkshire today to play Nostell Miners Welfare and came home with a convincing 5-0 victory in front of a crowd of 76, an impressive 60 of them from Tadcaster.

The Brewers took the lead in the 21st minute through a goal by Danny Critchlow against his former team. Danny. "My first goal was a great ball by Nicky (Deverdics), the ball was bobbling a lot, but I managed to smash the ball past the keeper." Half Time came and it was still 1-0 to The Brewers. In the 54th minute, Calum Ward converted a penalty kick. Calum. "It was cross from the right hand side which missed all the Tad players, before the right back tried to control at the back post and it bounced up and hit his hand. It was a hard working performance on a poor pitch but in the end the quality shone."

Captain Nick Thompson then made it 3-0 in the 73rd minute. Nick. "A scuffed finish, but delighted to score as I've been due a goal for a while! Good to win, thought we were much better 2nd half than the first. It was a tough pitch to play football on but delighted to score 5 and keep a clean sheet" although Nick called it a scuffed shot it was a much better finish than he recalls. Danny Critchlow then made it 4-0 in the 85th minute. Danny. "My second goal was good flick from Calum, the keeper came out, I faked a shot and then chipped it over him. It was a great result on an awful pitch." The scoring was finished just 3 minutes from full time by striker Calum Ward with a fierce shot at the far post.

Peter Lawrie was strong in goal, Denny Ingram was at his commanding best. Stuart Rice was everywhere, Nicky Deverdics was pressing and passing, Danny Critchlow was attacking with pace, Calum Ward was his usual strong menacing self, whilst Matt Sparkes, Josh Barrett and George Bissett were all strong in defence with the full backs joining in well. Richard Batley protected the back four whilst Nick Thompsons linked well with the front men. The subs Will Pepper Terry Taylor and Joel Dixon all did very well when they came on with Dixon playing a part in two goals.

This was a deserved win against a determined and dogged Nostell Miners side. The second half performance was much better with more direct attacking play.

Elsewhere in the NCEL Premier, Barton Town Old Boys kept up the pressure with a good 5-0 win at home to Liversedge. So we are still 6 points ahead of Barton Town Old Boys who have 4 games in hand. The dangerous Brighouse Town are a further 5 points back, but they have 7 in hand. Worksop Parramore are still in the running if they make the most of their 10 games in hand, but they will need to go on a very good run. The challengers all play in midweek. Pickering Town became the first team to hit 100 goals for the season today, they now have 103 goals after they won 4-2 at Staveley Miners Welfare, a win that moved them up to 5th place in the NCEL Premier.

So today it was very much job done for The Brewers and now the other teams need to keep doing theirs if they want to maintain their title challenges. Next game for The Brewers is on Saturday at home to Worksop Parramore, yet another important game that needs winning. A big crowd is expected for this top of the table clash.
