1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

Welcome to our opponents this afternoon, Brighouse Town.

We extend a warm welcome to all of their players, fans and officials.

Tuesday night's defeat at home against Ossett Town was of course bitterly disappointing but one thing we cannot question is the players' effort and work-rate.

The lads gave absolutely everything but unfortunately it was just one of those cruel encounters that didn't reflect how the game panned out. On another day (we know hindsight is a wonderful thing) we could have easily been three goals to the good at half-time.

We like to keep our supporters in the know with what's going on behind the scenes. With recent injuries occurring and players missing we are actively looking for players to bolster our squad.

We are pleased to welcome Jordan Armstrong back to the club. The full-back was tremendous throughout last season.

We are still adjusting to life at this level but we have certainly shown that we can comfortably compete in this league.

Recent defeats have been down to extremely fine margins and looking at our start as a whole, we are very pleased as it is still congested in the top half.

Finally we would like to wish Steve Jeff all the very best at Goole Town.

We hope that you enjoy this afternoon's match and have a safe journey home afterwards.

The i2i Sports Directors

Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon everyone and welcome to the i2i for today's game against Brighouse Town. We hope Quinny, Ash and his players enjoy their stay and we wish them a safe journey home after the game.

After last Saturday's bizarre loss at Prescot, we wanted a reaction against Ossett Town on Tuesday night and I am sure anyone who attended the game would have seen that reaction. But Football can be a cruel, cruel game at times. We played some superb fast intricate attacking play but the only thing that was missing was getting the ball into the back of the net. We did absolutely everything but, Ossett cleared off the line three times, it was just one of them nights unfortunately and we have to put it behind us and go again.

The floodlight shenanigans beforehand clearly didn't affect things on the pitch in terms of performance but it obviously

didn't help matters all round with preparation having to wait an hour not knowing what was going to follow. It was of course the same for both teams and credit to Grant and Ossett who held on for large parts but took their chance when it came late on.

Our squad is being put to the test recently with Gregg Anderson, Michael Ingham and Tom Corner struggling with injury and now Andy Milne away with work but I can assure you that we are working hard behind the scenes to bring players in and bolster our options.

We are pleased to welcome Jordan Armstrong back into the squad from North West Counties side Padiham. After several injuries to a number of players, Jordan has thankfully agreed to help us out and we will reassess in the next few weeks.

I would like to thank Steve Jeff and wish him good luck at Goole.

Finally, we would like to say thank you to everyone who has took time out to follow the team. Chatting with you at the games makes us appreciate the effort you all put in to get to the games. Much respect to you all....

Brighouse Town FC

The club was originally formed in 1963, as a representative side of the Blakeborough Valve Company of Brighouse and their home games were played on the Woodhouse Recreation Ground, with the side competing in the Huddersfield Works League.

The club gained various league honours over the years, the most successful coming in the 1968/69 season, when they won both the League Cup as well as the Halifax District Cup.

Following this success, the club took the huge step of obtaining its own ground at Hove Edge. Whilst at Green Lane, where they played for more than a decade, they achieved two more league titles before taking another major step, in applying for and achieving West Riding County Amateur League status in 1975.

The club thrived there, until their Green Lane ground was developed for housing, upon which they moved to their present ground, just round the corner, on St Giles Road. There followed a period of stagnation, competing mainly in the lower divisions of the WRCAL until 1988 when the demise of the Blakeborough Company resulted in a new outlook, as well as a new name. This change proved to be the catalyst for the most successful period in the clubs history so far.

The newly named Brighouse Town AFC won promotion to the WRCA Premier Division

in their first season, as well as winning the WRCAL Division One Cup.

In 1991 the Premier Division Championship was won for the first time and in 1992 soon followed the West Riding County Challenge Cup. In 1994 Town won the Premier Division League Cup and were runners up in the County Challenge Cup, and they were Premier Division Champions again in 1995.

Season 1995/96 was perhaps the most successful season in the clubs history so far. Brighouse Town once again won the WRCAL Premiership title and also completed the double by winning the WRCA League Cup. They also won the Bob Wedgeworth Memorial Trophy.

Season 2008-09, saw the club make the significant step into Semi-Professional football by entering and being accepted into the Northern Counties East League Division One.

After only two seasons in NCEL Division One, the Club won promotion to the NCEL Premier Division under the guidance of Mark Brier and Daz Attwood.

2011/12 Season saw the appointment of Paul Quinn as Manager and after 4th and 2nd place finishes in his first two seasons, the NCEL Premier Title was achieved with a record points total in 2013/14 – the Club's 50th anniversary season.

Promotion to the Evo-Stik Northern Premier League Division One North brought the highest level of football in the history of the Club only six years after leaving the West Riding County Amateur League, and a new and exciting challenge lay ahead. A very respectable 15th place finish was achieved in the Club's inaugural season, and with valuable experience gained, and Paul Quinn still at the helm, valuable foundations have been laid.

Another 15th place finish but with a far higher points tally for Paul Quinn's side in season 2015/16 brings optimism the Club is still heading in the right direction and coming to terms with the demands of the NPL. The Club's development side winning the Lancashire League East Division for the first time and supplying a steady stream of players to the First Team, brings hope for further progress in 2016/17 season.

Match PREVIEW

picked up just one point from their first three games in November after a goalless draw with Trafford sandwiched in between two losses against Lancaster City and Glossop North End respectively.

The Evo-Stik Division One North is still very congested and three points for The Brewers could see them go level on points with their opponents Brighouse Town in 6th place.

Team News: Goalkeeper Michael Ingham remains out. Gregg Anderson is also out due to injury. Tom Corner is a doubt but Josh Greening should be available for selection again. Another player that will be missing is Andy Milne who is away with work.

On Saturday the Brewers welcome Brighouse Town to the i2i stadium looking to put Tuesday night's baffling defeat against Ossett Town well and truly in the past. The two sides are meeting for the first time this season which sees Billy Miller go head to head with his former assistant at Harrogate Railway Lee Ashforth.

Taddy will be struggling to swallow Tuesday night's defeat after Danny Frost struck in stoppage time after The Brewers missed a whole catalogue of chances across the 90 minutes.

Brighouse's last fixture was postponed but they themselves have had a few slip-ups recently. They have

Tadcaster Albion v Ossett Town

The Dark Night Ends Frosty.

On a night which never looked like getting going due to floodlight problems, ended in disappointment as Danny Frost stole all three points for Ossett Town.

Kick-off was scheduled for 7:45pm as normal for a midweek match but at around 7:00pm half of the floodlights went out.

This was after a pitch inspection was passed at lunchtime but to be fair, the pitch was absolutely immaculate despite all of this week's rain.

Over 200 fans in the i2i stadium patiently waited in the hope of seeing some football but as time ticked by, it wasn't looking promising.

It got to 7:20pm and the match officials made both sides warm-up in case the remaining lights sprung into life.

To cut a long story short, an electrician came to the rescue and kick-off was delayed until 8:45pm, an hour later than scheduled.

Manager Billy Miller made two changes to Saturday's loss at Prescot Cables. Fatlum Ibrahim was recalled to the starting line-up along with Tom Corner who had shaken off a hamstring injury. Josh Greening was away and Gregg Anderson was missing, also with a hamstring injury.

Despite the delayed start, both sides made a surprisingly bright start to the content, pun intended. Conor Sellars had the first sighting at goal after eleven minutes when Adam Baker picked out the attacker in space in an inside right position. The nippy winger cut inside Ashley Jackson but pulled his left-footed strike wide of the mark.

The visitors probably had the better of the opening five minutes with a couple of dangerous crosses but The Brewers took charge after ten minutes. Adam Baker terrifically brought down Mycoe's pass and tested Town stopper Leigh Overton with a crisp shot on target.

Chances may have been few and far between in Merseyside in Taddy's last outing but they were coming thick and fast late on Tuesday night.

Tom Corner's ferocious strike from 25 yards was kindly deflected beyond the defence and into the path of Rob Youhill who couldn't flick beyond Overton.

The visitors may have been wishing for more darkness to descend at this point as The Brewers continued to pepper Overton's goal.

Taddy should have been clear in front at this point and the chances only became more clear cut as the half went on. Ridley's curling cross was headed away by Andy Milne which ignited a promising counter-attack. Adam Baker's clever round-the-corner flick set Fatlum Ibrahim away down the heart of the pitch.

The former Harrogate Railway midfielder drove at the Ossett defence before sliding Conor Sellars in behind who touched past the advancing goalkeeper Overton but saw his powerful strike hooked off the line by Ashley Jackson.

From the resulting corner the woodwork was struck as Andy Milne got the better of Tyrone Gay but could only guide his header into the ground and onto the top of the crossbar. The visitors were struggling to deal with Taddy's quick intricate forward play, especially Conor Sellars, but the only thing that was missing was the finishing touch.

Conor Sellars got in behind Ossett's back line when Rob Youhill curled a delightfully inviting ball over the top but when the former Boro man honed in on goal he skewed his shot wide of the target.

The closest Ossett came to taking a shock lead was in the 35th minute when Ridley's high cross was flicked inches wide.

Leigh Overton in the Ossett goal was in inspired form and was proving to be a real nuisance for the watching on home fans.

He kept the match goalless once again when Baker's dinked cross was headed goalwards by Tom Corner but the man between the sticks stuck out a right-hand to deny the forward his tenth of the season.

The second half began and nothing changed, Conor Sellars continued to be frustrated in front of goal.

Four minutes into the half and Sellars was unleashed in behind once more. His deflected effort was almost put into his own goal by Andy Hawksworth but the defender just managed to beat Sellars to the ball and scoop off the line for a second time.

Sellars was involved in everything as a minute later he almost gifted the away side a goal. The Taddy attacker was dispossessed by Sam Wright in Ossett's half but one ball forward set lethal frontman Danny Frost through on goal but on this occasion he couldn't trouble Gary Stevens.

Six minutes later and yep you guessed it, Conor Sellars again. Ossett were hanging on by the skin of their teeth and should have been two if not three behind as they cleared off the line for a third time.

Conor Sellars squeezed it through Overton's legs from an acute angle but again, Town incredibly cleared off the line denying Andy Milne with a tap in.

After a frenetic start to the half with still no goals somehow, the match calmed and the chances dried up for the time being.

With 14 minutes to go Overton was called into action again superbly keeping out Rob Youhill's vicious strike at goal.

As calm was restored for the final ten minutes, not one person would have predicted what happened in the end.

In stoppage time at the end of the second half, The Brewers were dealt with the suckerpunch of all suckerpunches as Ossett Town robbed the three points with their first shot on goal.

Gary Stevens was challenged by Frost and Josh Barrett's unfortunate slice dropped perfectly at the feet of Danny Frost who swiftly fired past the Tad keeper.

Football can be a cruel cruel game but credit to Ossett Town, they rode the constant pressure and took their chance when it came.

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with Bryan Hughes.

The team have only known each other three months but are making great progress day by day and week by week.

On Monday night they moved back to the top of the West Riding County FA U21 Floodlit League with an impressive 3-0 victory over Ilkley Town in tricky conditions.

Frenchman Ilyess Jeridi started the scoring off with a powerful header from Nick Massey's pinpoint cross.

And then with five minutes to go Californian talisman Marcos Garcia sealed the three points with a quick fire double.

I2i doubled their lead when Garcia finished off a superb run

by Ilyess Jeridi and the forward made it 3-0 in the final minute with an unbelievable strike from 25 yards.

In the BUCS University League the i2i International Soccer Academy/York St John University sit in joint second just two points behind leaders Newcastle University.

And i2i showed they are serious contenders for promotion after coming from two goals down at the league leaders last week.

Newcastle rifled into an early lead but Marcos Garcia pulled one back before half-time and a composed finish from Michigan midfielder Nick Massey in the dying embers saw i2i take a commendable point back to York.
