“the brewers” John Smith's FC Tadcaster Albion AFC

1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

The Brewers also broke many other records throughout the season – taking more than 200 fans away to Armthorpe Welfare on a cold Tuesday night where they went on to win 10-0.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

Welcome to our opponents Harrogate Town who have travelled here tonight for our penultimate pre-season friendly of the summer.

Harrogate Town play in the Conference North, which is three leagues above us, so we're once again expecting another tough game. A big thank you to manager Simon Weaver for bringing his players here tonight. Best of luck for the season ahead.

Town have a number of faces you might recognise from the English Football League including Dave McGurk (former York City defender), Paul Thirlwell (former Sunderland and Carlisle United midfielder) and Jake Speight (former Mansfield Town and Bradford City striker). The club has also recently re-signed former striker Dominic Knowles, after a spell at Burton Albion. Dominic was a great success at Harrogate Town last time around, and is sure to bring plenty of goals and experience to the side.

This pre-season has been a fantastic test for the TAFC squad who have all worked exceptionally hard in both training and matches. We've been delighted to welcome clubs such as Leeds United, Oldham Athletic, FC Halifax Town and Harrogate Town to the i2i Stadium, and I'm sure you'll agree that all of our players have done us proud.

We have one more pre-season friendly on Saturday against Spennymoor Town at the i2i, and then we're just one week away from the main event.

Our opening game of the NCEL Premier sees us take on Maltby Main FC at home on Saturday August 8th (kick off 3pm). Maltby have had a strong pre-season – winning four of their five games so far. So it looks like we will be facing a stronger team than the side which finished 19th last season and lost all six of their last league games.

We hope you'll all come down to the i2i Stadium, as we try to get the 2015/16 season off to a winning start.

Enjoy tonight's game, and let's hope we can give Harrogate Town a good game.

TAFC Manager's Notes

Billy Miller
TAFC Manager

Good Evening everyone and welcome to the i2i for tonight's pre season friendly with Harrogate Town, I hope we can provide a stern test for Simon and his team tonight. We wish then all the very best for the forthcoming season and a safe journey home after the game.

With just two preseason games remaining we are beginning to think about that opening game against Maltby Main FC here at the i2i. What a welcome relief it will be to get going after a very hard and demanding pre season schedule.

Whilst the lads have not registered to many wins the performances against professional teams and teams placed higher up the non-league pyramid must not be underestimated. We have created good chances in each

of our games and can be safe in the knowledge we will create plenty of chances come the start of the season. The side is also showing signs of defensive compactness and look to be difficult to break down.

The previous three games have given a clear indication that come the season we will be very difficult to beat. Whilst it was nice to score plenty of goals against Oldham, the stand out has to be matching Farsley Celtic here at the i2i. We were very compact and pressed out of possession somewhere close to the level of work rate I will expect from my team. On Saturday we matched an extremely physical Scarborough side for 65 minutes until I began to ring the changes and upset the shape and compactness of the team, however it is important that

players get pitch time.

Tonight also sees most of the squad together since the first game of pre season. With Holidays, work commitments and family gatherings it is often difficult to get everyone together at the same time. It will be nice to have a number of options tonight, however there are one or two who now need game time to ensure they are quickly back on track and establish the same working ethos has those that have been here throughout.

Finally, once again thank you for coming out tonight, your presence and support is second to none in this area. Your support throughout the season is going to be essential if we are to fulfil expectations. Enjoy the game!!!!

Yours in Sport, **Billy**

TAFC Match Preview

Tonight we welcome the fans, players and officials of Harrogate Town. The Town have played in the National League North since 2004. After the 3-0 defeat for The Brewers at Scarborough Athletic on Saturday, tonight will be another big test for the team, but great preparation for the upcoming campaign.

In their pre season games, Harrogate Town had a good 3-2 win at home to Gateshead and went down 1-0 against National League

Barrow who were last seasons League North Champions. Last season, they finished in 15th place in National League North. On Saturday, they had a fine 2-0 win at home against York City.

The Town start their league campaign on August 8th away at Brackley Town. We wish them good luck for the upcoming season.

THE CLUB

The club was formed in **1914** as Harrogate AFC, but owing to First World War did not play a game until they joined the West Yorkshire League in **1919/20**.

The next season they also played in the newly formed Yorkshire League.

In **1921/22** they played in the Midland Counties League and after a disastrous season in the Northern League in **1931/32**, Harrogate F C folded.

In **1935** a new team called Harrogate Hotspurs was founded and in **1948** changed their name to Harrogate Town. They played in the West Yorkshire League until **1957** when they rejoined the Yorkshire League. After the introduction of the Non-League Pyramid in **1982** they joined the Northern Counties East, but after just five years they joined the newly formed Northern Premier League First Division in **1987/88**. Town remained at this level until **2002** when they won the Championship and were promoted to the Premier division.

When Nationwide Conference North and South were created in **2004/5**, Town's 5th place finish in the Unibond Premier Division secured them a place in this new league. In their five seasons at this level Town finished sixth three times and reached the play off's once, where they lost to Stafford Rangers. Long standing manager Neil Aspin left at the end of season **2008/09** when Town finished ninth. His place was taken by Simon Weaver the ex-Lincoln, Scarborough and Nuneaton player.

Unfortunately, Town finished rock bottom in **2009/10** with 30 points, only to be saved from relegation to the Evo-Stik League by the expulsion of Northwich Victoria. Following their reprieve Town finished in a creditable 12th position in season **2010/11**.

An injury blighted **2011/12** season saw Town finish in 15th place after a tense

battle against relegation. Last season saw Town just miss out on a play off place when they finished sixth, but they reached the second round of the F A Cup with a victory over Torquay United, their first win over a League club, before losing to Hastings United on penalties.

In season **2012/13**, Town challenged for a play-off place but eventually finished ninth, whilst in the West Riding County Cup, they reached the final only to fall to a last minute penalty against Eccleshill United.

In season **2014/15**, Town finished in 15th place in the Vanarama Conference North.

HONOURS

Harrogate's first League title came in **1926/27** when they won the Yorkshire League First Division Championship, but they had to wait for over fifty years before they won the Yorkshire League Second Division in **1982**.

Their only other League title was won in **2001/02** when they won the Unibond First Division.

Their only cup success in the Yorkshire League was a losing appearance in the **1961/62** League Cup.

They were Unibond First Division Cup winners in **1989/90** and Unibond Chairman's Cup finalists in **2000/01** losing on penalties to Barrow.

In **2002/03** they reached the first round of the FA Cup for the first time losing 5-1 at Farnborough. They repeated the feat in **2005** when they drew 1-1 at Torquay United before losing the replay 6-5 on penalties before a crowd of 3,317.

In **2012** Town reached the second round of the F A Cup for the first time losing to Hastings United. Town have also won the West Riding County Cup eight times and been runners up on four occasions.

THE GROUND

The club began playing behind the County Hotel (now Mujib restaurant) before moving to Starbeck Lane in **1919**.

A year later they moved to the present ground after raising £3000 with a share issue. After disbanding in **1931** the club sold the ground to the council who own it to this day.

Floodlights were installed in **1982** and a new cantilever stand built for the **1990/91** season. The bar has been extended twice, new changing rooms have been installed and the floodlights were improved to the level needed for Conference football in **2006**. In summer **2007** two new turnstiles were added, the clubhouse was revamped, and a new toilet block built.

The record attendance was set in the **1949/50** when 4,280 saw the Whitworth Cup final between Town and Harrogate Railway.

TAD'S History

by Ian Tyssen

The NCEL Years 1994 -1995 Season

For the second successive season, the membership of the Northern Counties East Football League (NCEL) increased by one club. The Premier Division remained with 20 clubs and Division One again increased by one, to 16 teams.

Arnold Town and Hallam had been promoted to the Premier Division, with Eccleshill United and Winterton Rangers moving in the opposite direction. Tadcaster Albion were also joined in Division One by Blidworth Welfare, who returned to the NCEL after a ten year absence.

The season kicked off with a 0-2 home loss against relegated Winterton Rangers and this was to be the start of a four game run without a win. That sequence came to an end with a 3-1 home victory against Worsbrough Bridge Miners Welfare, who would finish the season in second place. One week later, another 3-1 win was picked up at Parkgate.

October brought another four game run without a victory, which included a 0-2 loss at champions Hatfield Main and a disappointing 1-1 draw at bottom club Brodsworth Welfare.

A pair of 2-1 home wins were achieved in mid November - against Blidworth Welfare and Rossington Main - but that would be the last time that the Brewers won two successive games in the season.

In the remaining 18 games of the 1994/95 season, Albion would only win two and draw five games. The victories came against Parkgate (3-1) in January and at Winterton Rangers (1-0) in April.

In the second half of the season, heavy defeats were

suffered against Worsbrough Bridge Miners Welfare (1-4), Immingham Town (2-5), Blidworth Welfare (0-3) and Yorkshire Amateur (0-4). Perhaps the most disappointing result came in the final game of the season, when the Brewers lost 0-1 at home against Brodsworth Welfare, who had not won a game since August.

As in the 1993/94 campaign, Tadcaster Albion finished in 12th place with 26 points. Although, it was from two more games in this season.

In the FA Vase preliminary round, Glapwell were beaten 3-1 at Ings Lane, before a 0-3 loss at Oldham Town in the first round.

Mid table NCEL Premier Division club Ossett Albion thrashed the Brewers 5-0 in the second round of the League Cup. Whilst Harrogate Town ended Albion's hopes in the West Riding County Cup with a 3-1 victory at Wetherby Road.

The Reserve Division reduced in size to 15 teams and the Brewers again finished bottom of the league. In their 28 games, they accumulated just eight points, with a -84 goal difference and 110 goals conceded.

The only two wins for the reserves were at Ossett Albion (5-2) in September and at home against Eccleshill United (2-0) in December.

The heaviest losses of the league season for the second XI were against Brodsworth Welfare (0-8), Hall Road Rangers (0-8), champions Emley (2-9) and Thackley (0-7). However, the worst defeat came in the Reserve Team Cup, when Ossett Town hit double figures, with a 10-2 victory.

David Brown Striker

Date of birth: **29/5/89**

Place of birth: **York**

Nickname: **Brownie**

Player position: **Striker**

Current job: **Sports coach**

What is one thing people would be surprised to know about you?

People may be surprised to hear that I've never actually been drunk.

What were your best and worst subjects at school?

Best subject – PE.

Worst subject – History.

What is on your bookshelf?

Where's Wally?

What is your biggest pet peeve?

Bad drivers. Far too many of them on the road.

What is your most prized possession?

My son Dylan Rylee Brown. He is one cool little guy. Very proud to call myself his Daddy.

What is your favourite day out?

Anything involving Dylan, sun and ice cream.

If you could have one superpower, what would it be?

Cure cancer!

What are you most scared of?

Death. Nothing frightens me in life except that. Complete unknown.

What is the best piece of advice you've ever been given?

In terms of football, that a football career is very short and to not let any game pass you by, because one day a time will come where you will do anything for just one more game.

Who is the best player you've ever played alongside and why?

Gary Kelly was my favourite Leeds player growing up as a kid, so it was special to be on the same pitch as him. Also Jermaine Beckford. We were quite a quick front two and that goal against Manchester United gives him ultimate legend status.

Who is the best player you've ever played against and why?

Xabi Alonso. His passing range was outrageous.

What is the highlight of your football career?

I've had some great memories, but ultimately scoring on my professional debut with my first touch in a 1-0 win was pretty epic.

If football didn't exist, what sport would you play instead?

Pool. Anyone willing to lose any money please feel free to challenge me to a game.

Who is the fastest player at TAFC?

I would definitely put myself into this category alongside Josh Barrett.

Who is the fittest player at TAFC?

Well with the amount of pictures posted with the altitude mask and all the tweets about the early morning gym sessions Paddy Miller has to be surely?!

Who is the toughest tackler at TAFC?

Would fancy Tom Claisse in any 50/50. After all, he's a war hero.

What would you say is your biggest strength on a football field?

Well putting my amazing heading ability to one side, I'd say my pace is probably my best asset.

How do you motivate your teammates 5 minutes before kick off?

To be fair 5 minutes before the game all the talking has been done by the gaffer, at that point it's simply time to deliver!

What do you hope to achieve in the 2015/16 season?

Promotion.

Describe the current TAFC squad in three words?

Strength in depth.
