Welcome to Rochford Hundred Rugby Club

## Our Club History

Rochford Hundred was the brainchild of John Roden and Ernie Mills and was first discussed in November 1961 when the two met at the White Hart in Hawkwell. John had played at Ilford Wanderers and Ernie was an Old Tottonian, so both were keen to play on their own doorstep. The inaugural meeting was held on the 4th of January 1962 at the Bull Inn, Hawkwell, and was attended by a small group. The club now needed a ground and the assistance of County Councillor, later Alderman, Bill Wright was sought. He was appointed Chairman of the Club and very quickly secured the use of Rocheway School which had been closed due to its proximity to Southend airport.

This of course gave the club changing rooms and rugby pitches immediately. To get players, an advert was placed in the Southend Pictorial and no less than 45 replies were received. Old Westcliffians had seen the advert and invited the new committee to a beer and cheese evening at the Gables. From this Rochford secured a fixture and an introduction to the London fixture Exchange. The first fixture was in fact against Billericay and not Old Westcliffians however. The name of the club had been suggested by John Roden after he saw a poster by Rochford Hundred Licensed Victuallers Association in the White Hart. Rochford Hundred was after all the name of the district.

The club also managed to secure a clubhouse in the car park of the Horse & Groom thanks to Mrs Innell, the licensee, and quickly set to work to make it ready for use for season 1962/63, although it was in use from March 1962.

It is worth noting that the first games were played in March and April 1962 and that Bob Light was captain. Bob was Head of PE at the local comprehensive school and brought along many pupils from the school

to play for Rochford.

In Season 1962/63 the club fielded 2 senior teams and a Colts team which is remarkable for a first full season. It is recorded that over 70 fixtures were arranged for this first season. Tony Davies was the 1st XV captain in this season. The Colts team was made up of several players from Rochford Comprehensive School (now King Edmund), Rayleigh Secondary Modern School (now Fitzwimarc) and Sweyne School. Indeed David Allen (founder of DHL and then a 16-year-old) remembers being at one of the formation meetings at the Bull when he was still at school.

The first few years were not particularly successful, but things changed when the likes of Mike Treasure came onto the scene. He was captain in 1965/66 and 1966/67 and was our first full Essex cap. His team went unbeaten for 18 months and were one of the highest scoring teams in the country. He was fortunate in having players of the calibre of Peter Coster, who was a great centre.

With playing success there came a desire to move to our own ground and in 1968 Jim Sowter, who used to write a column in the local press, printed a story that the club wished to purchase a field in the Rochford district big enough for pitches and a clubhouse. He received a letter from the lady secretary of Southend Manor Football club stating that they had an option on 10 acres of land in Magnolia Road. They were unable to raise the money to proceed and suggested that we might like to take over the option. Jim arranged a meeting between her, and Ernie Mills. Ernie liked what he saw and took up the option. The land cost £3,200 and the purchase was completed in March 1969. The Rugby Football Union provided a loan of £2,100 towards the purchase.

# Rochford Hundred Rugby Club

The lengthy process of obtaining finance, building the clubhouse, and preparing the pitches could now be started. In September 1970 a grant of £5,592 was offered by the Ministry of Housing and Local Government and this was supplemented by grants and loans from the Essex Playing Fields Association and the National Playing Fields Association. In July 1971 the Club gave the go-ahead to Muggleton's to start building based on an estimated cost of £11,320 of which we had raised only £8,000. The clubhouse was officially opened by Dickie Jeeps in April 1974 when the 1st XV played against a strong Eastern Counties XV.

In 1971/72, when Malcolm Fleming was captain, there were two memorable games in the Essex Senior Cup. The first game was against Old Bancroftians when Dickie Kent, who played scrum half for England, and Howard Waller, who was a renowned sevens player for Richmond, were in the Bancroft side. Rochford won 21-6 in a tremendous match and demonstrated that they had joined the top echelons of Essex rugby. The next round was against Barking Park Modern Old Boys at Rocheway, and a pulsating match was finally won by Barking 14-12. To those who were present these were two of the finest matches played by Rochford at that time.

The pitches in those early days at Magnolia Road were frankly dreadful but over the years there has been considerable work done on them and the 1st XV pitch is now one of the best plating surfaces in Essex. In the late 1980's and early 1990's the clubhouse was expanded substantially with new changing rooms a gym and a new clubroom and kitchen. Floodlights were also installed to the top pitch.

Our youth section started in 1991 has gone from strength to strength and provides players for our 1st XV and other club teams. In past seasons our Mens 1st XV has been almost entirely made up of former youth players and we have a strong, growing ladies' team, the Rochford Hundred Vixens together with a girl's section.

The Mens 1st XV played a lot of its rugby from the turn of the century in the London Leagues, dropping up and down from London 1 to London 3. Around this time the Essex Senior Cup was the major trophy to win and up until 1999 Rochford had never won it. In that year we reached the final and played Basildon at Westcliff in front of huge crowd, Rochford were triumphant that day to record their first ever win of the Essex Senior Cup. After that we reached many Essex Senior and Intermediate Cup Finals, winning them a further 6 times, before the Cup lost some of its glamour, and we are now too high in the league structure to be able to compete in the competition.

In 2017 the Mens 1st XV were playing in London 2 North East when we decided to have a concerted push for promotion. The team then went on an incredible journey to take the title by storm without losing a single league game, gaining a bonus point in every one of them, and knocking up 1280 points in the process. Promotion to London 1 North gave us stronger opposition, but we remained unbeaten for the whole season again, repeating gaining a bonus point in every match, and scoring 1480 points. The London Premier League saw us play at the highest level that the club had ever played at before but gave us our 3rd promotion as Champions in consecutive years. Starting our season again unbeaten and with full bonus points, with that run finally came to an end after 54 matches across 3 seasons.

Covid put an early end to this season, and the RFU league algorithm confirmed us as champions, with Guernsey runners up. Our tremendous performance and win away at Guernsey being the pivotal decider in the league placing, and the fact we only lost 2 matches during the whole season too.

We now find ourselves, for the first time in our history, playing National League rugby in National 2 East, somewhere we hope to stay for a long time, being in the top 81 clubs in the country, and we can look back on 60 years of activity with considerable satisfaction

# CHAIRMAN'S MESSAGE

## Hi everyone,

Good afternoon everyone and welcome again for the second week running to all our regular attendees, and thanks very much for coming along.

Today we extend a very warm welcome to Canterbury. The Kent team have picked up some great results in the New Year so will give us a tough test today. My guess is that after the drubbing we got at home last Saturday against Barnes, Canterbury will fancy their chances of an away win.

I hope that our very long injury list shortens this week so Danny can bolster the team to help secure the win we are now desperate for. With Walsham away this weekend to Westcliff, you would expect Walsham to win that game. If we can't win today or pick up any bonus points then Walsham will overtake us in the league leaving us second from bottom, with Westcliff securely fixed in last place. Who knows, Westcliff might even do us a favour today and beat Walsham. Stranger things have happened.

Whatever happens I know the team appreciate all the support you give them, especially now while we go through these tough times on the pitch.

Away from the game today, our pre match lunch is today sponsored by our main sponsor, SEETEC. Unlike some of our other sponsors, SEETEC raffle off the lunch spaces to employees of the company and we are very pleased to welcome the SEETEC staff along today. On behalf of everyone at Rochford Hundred Rugby Club I hope you all enjoy your time here today.

As always can I please just remind all attendees to today's game, please show respect to both sets of players and especially to the officials.

# VISITORS INFORMATION

After the desolation of the First World War, the 1920s saw a resurgence of sporting and social activity. Rugby was one of the sports that benefitted from this burst of energy and Canterbury was one of the hundreds of clubs that emerged nationwide.

Founder members such as Ernie Knew, Clifford Allen, Henry Westron and Dudley Hallwood meet at the Fleur de Lys in Canterbury High Street to discuss the formation of a rugby club. They write letters to the press with an excellent response. This leads to well attended meetings, practice matches and the creation of the club.

The first match is held at Jackey Baker's Sports Ground in Ramsgate. The Canterbury captain is Dudley Hallwood, a speedy threequarter. They lose to a well established Thanet team. Hallwood moves jobs mid-season and is replaced by Clifford Allen.

The club regularly field two Saturday sides as well as a mid-week, Thursday, team. The home matches are played on a ground in the New Dover Road ground – this is now the Barton Estate. Success on the field does not come easily and there are just two winning seasons under captains Francis Gilder and Will Simpson. Scrum half, Ernie Knew, becomes the first Canterbury player to represent Kent.

In July 1937, the club gets its own ground when president Stephen Williamson, owner of the St Mildred's Tannery, buys the Merton Lane ground and rents the eleven acres to the club. This major step is celebrated in October 1937, when there is a match between C G Williamson's Blackheath XV and Canterbury. The club has a pitch but there are no facilities there except a small hut.

In May 1953, the club begins to build its first pavilion, overseen by Martin Osborne, who becomes honorary secretary for over twenty years. On December 10th 1954, the new pavilion is opened by Gabriel Hevvs.

There was a major extension to the pavilion in 1972, which was celebrated with a match against a side led by England skipper, Budge Rogers XV.

At the start of the 1990s the team was playing at its lowest point in Kent Division 2 but from that unpromising position a revival was born. Throughout the next ten years the first team climbed steadily up the league ladder and made it their ambition to be a London Division One club by the millennium.

In 2002 came consolation for the disappointment of two years earlier as promotion was won to London Division One. This heralded one of the finest decades in Canterbury's history. In 2006 they were promoted to the National Divisions and won the Kent Cup in four consecutive seasons, 2005 to 2008, beating Blackheath three times and Westcombe Park once.

There was a tentative start to the first venture into National League rugby but the team exceeded all expectations by ending 2006/07 in fourth position in National 3 South. The demands of the higher league, which subsequently became National 2 South, increased every season but Canterbury responded to the challenge and were consistently in the top half of the table. In what was now a semi-professional era this was an exceptional effort when competing against many clubs with heavy financial backing.

Having established themselves in the National structure the club suffered a temporary set back when they were relegated from National 2 South to National 3 in 2010/11. The following season they bounced back to Level 4 and made it an ambition to win a place in National Division One. This was achieved in the 2018/19 season when they defeated Chester in a play-off game in front of the largest crowd ever seen at Canterbury.

The step up proved difficult and relegation from Division One in 2020 coincided with the outbreak of the Covid 19 pandemic which was to bring rugby to a complete halt. It was an unexpected end to a period in which the club had further broadened its reach by the introduction of a Wheelchair rugby team, produced international players in the Touch Rugby game and made huge strides in strengthening its community engagement.

# COACHES CORNER

## Good afternoon all, and welcome Canterbury to Magnolia Road.

Last week was a tough day at the office as we played a quality Barnes team who are rightly sitting near the top of the league. I actually thought we competed really well for the first half hour and looked dangerous with the ball and our defence was quality. But 2 charged down kicks which led to their first 2 try's was obviously disappointing and unfortunately sapped the energy out of the players and then the floodgates opened.

There is no excuse for us to fall apart like we did and we need to ensure that we stay in games better and react better to mistakes rather than capitulate and lose our heads. We were obviously frustrated with how we played last week, but the beauty of team sports is that there is always next week to put it right and that is what we are planning on doing today.

When we last played Canterbury we put ourselves in a good position to win the game, we got ourselves back within a score playing down the hill, with the wind and had all the momentum but we shot ourselves in the foot and lost the game. Canterbury are a very good team with a very effective set piece and a very talented back line, and they really vary their attack up which makes them hard to defend against. But we take encouragement that we beat them here last

season and felt we could have won at their place earlier in the year, so if we play to our potential there is no reason why we can't win again today.

In terms of team news we still have a horrendous injury list missing a number of experienced players, however we are hoping to welcome back a few players that are facing late fitness tests, so there is potential for Caley Gray, Mac Duaibe, Sonny Gay and Ewan Richmond to return for todays game.

Enjoy the Game.
