Rochford Hundred Rugby Club

Welcome to Rochford Hundred Rugby Club

— Our Club History —

Rochford Hundred was the brainchild of John Roden and Ernie Mills and was first discussed in November 1961 when the two met at the White Hart in Hawkwell. John had played at Ilford Wanderers and Ernie was an Old Tottonian, so both were keen to play on their own doorstep. The inaugural meeting was held on the 4th of January 1962 at the Bull Inn, Hawkwell, and was attended by a small group. The club now needed a ground and the assistance of County Councillor, later Alderman, Bill Wright was sought. He was appointed Chairman of the Club and very quickly secured the use of Rocheway School which had been closed due to its proximity to Southend airport.

This of course gave the club changing rooms and rugby pitches immediately. To get players, an advert was placed in the Southend Pictorial and no less than 45 replies were received. Old Westcliffians had seen the advert and invited the new committee to a beer and cheese evening at the Gables. From this Rochford secured a fixture and an introduction to the London fixture Exchange. The first fixture was in fact against Billericay and not Old Westcliffians however. The name of the club had been suggested by John Roden after he saw a poster by Rochford Hundred Licensed Victuallers Association in the White Hart. Rochford Hundred was after all the name of the district.

The club also managed to secure a clubhouse in the car park of the Horse & Groom thanks to Mrs Innell, the licensee, and quickly set to work to make it ready for use for season 1962/63, although it was in use from March 1962.

It is worth noting that the first games were played in March and April 1962 and that Bob Light was captain. Bob was Head of PE at the local comprehensive school and brought along many pupils from the school

to play for Rochford.

In Season 1962/63 the club fielded 2 senior teams and a Colts team which is remarkable for a first full season. It is recorded that over 70 fixtures were arranged for this first season. Tony Davies was the 1st XV captain in this season. The Colts team was made up of several players from Rochford Comprehensive School (now King Edmund), Rayleigh Secondary Modern School (now Fitzwimarc) and Sweyne School. Indeed David Allen (founder of DHL and then a 16-year-old) remembers being at one of the formation meetings at the Bull when he was still at school.

The first few years were not particularly successful, but things changed when the likes of Mike Treasure came onto the scene. He was captain in 1965/66 and 1966/67 and was our first full Essex cap. His team went unbeaten for 18 months and were one of the highest scoring teams in the country. He was fortunate in having players of the calibre of Peter Coster, who was a great centre.

With playing success there came a desire to move to our own ground and in 1968 Jim Sowter, who used to write a column in the local press, printed a story that the club wished to purchase a field in the Rochford district big enough for pitches and a clubhouse. He received a letter from the lady secretary of Southend Manor Football club stating that they had an option on 10 acres of land in Magnolia Road. They were unable to raise the money to proceed and suggested that we might like to take over the option. Jim arranged a meeting between her, and Ernie Mills. Ernie liked what he saw and took up the option. The land cost £3,200 and the purchase was completed in March 1969. The Rugby Football Union provided a loan of £2,100 towards the purchase.

Rochford Hundred Rugby Club — Telephone 01702 544021 — Website www.rochfordrugby.com

Rochford Hundred Rugby Club

The lengthy process of obtaining finance, building the clubhouse, and preparing the pitches could now be started. In September 1970 a grant of £5,592 was offered by the Ministry of Housing and Local Government and this was supplemented by grants and loans from the Essex Playing Fields Association and the National Playing Fields Association. In July 1971 the Club gave the go-ahead to Muggleton's to start building based on an estimated cost of £11,320 of which we had raised only £8,000. The clubhouse was officially opened by Dickie Jeeps in April 1974 when the 1st XV played against a strong Eastern Counties XV.

In 1971/72, when Malcolm Fleming was captain, there were two memorable games in the Essex Senior Cup. The first game was against Old Bancroftians when Dickie Kent, who played scrum half for England, and Howard Waller, who was a renowned sevens player for Richmond, were in the Bancroft side. Rochford won 21-6 in a tremendous match and demonstrated that they had joined the top echelons of Essex rugby. The next round was against Barking Park Modern Old Boys at Rocheway, and a pulsating match was finally won by Barking 14-12. To those who were present these were two of the finest matches played by Rochford at that time.

The pitches in those early days at Magnolia Road were frankly dreadful but over the years there has been considerable work done on them and the 1st XV pitch is now one of the best playing surfaces in Essex. In the late 1980's and early 1990's the clubhouse was expanded substantially with new changing rooms a gym and a new clubroom and kitchen. Floodlights were also installed to the top pitch.

Our youth section started in 1991 has gone from strength to strength and provides players for our 1st XV and other club teams. In past seasons our Mens 1st XV has been almost entirely made up of former youth players and we have a strong, growing ladies' team, the Rochford Hundred Vixens together with a girl's section.

The Mens 1st XV played a lot of its rugby from the turn of the century in the London Leagues, dropping up and down from London 1 to London 3. Around this time the Essex Senior Cup was the major trophy to win and up until 1999 Rochford had never won it. In that year we reached the final and played Basildon at Westcliff in front of huge crowd, Rochford were triumphant that day to record their first ever win of the Essex Senior Cup. After that we reached many Essex Senior and Intermediate Cup Finals, winning them a further 6 times, before the Cup lost some of its glamour, and we are now too high in the league structure to be able to compete in the competition.

In 2017 the Mens 1st XV were playing in London 2 North East when we decided to have a concerted push for promotion. The team then went on an incredible journey to take the title by storm without losing a single league game, gaining a bonus point in every one of them, and knocking up 1280 points in the process. Promotion to London 1 North gave us stronger opposition, but we remained unbeaten for the whole season again, repeating gaining a bonus point in every match, and scoring 1480 points. The London Premier League saw us play at the highest level that the club had ever played at before but gave us our 3rd promotion as Champions in consecutive years. Starting our season again unbeaten and with full bonus points, with that run finally came to an end after 54 matches across 3 seasons.

Covid put an early end to this season, and the RFU league algorithm confirmed us as champions, with Guernsey runners up. Our tremendous performance and win away at Guernsey being the pivotal decider in the league placing, and the fact we only lost 2 matches during the whole season too.

Following two fantastic years as one of the top 81 clubs in the country, playing National 2 rugby for the first time in our history, relegation unfortunately happened at the end of the 2022/23 season by a narrow margin, and we are now playing in Regional 1 South East, renewing some old rivalries, and we can look back on over 60 years of activity with considerable satisfaction.

CHAIRMAN'S MESSAGE

Good afternoon and welcome all to our last home game for 2023.

Danny Cleare and our lads will be hoping for a repeat of the last local derby clash, which saw Rochford triumph 33-22 at Westcliff in September. It's been a tricky season, with a crazy amount of injuries that have hampered the results we have wanted. Please get behind the lads today and make this the turning point we need after the recent spate of losses.

So the club has been busy the last few weeks. The fireworks night was a success, where the club took over 10k from ticket sales, bar and food. It was our first one where we opened the event up to the public, so to have such a great turnout was extremely positive.

There have been some great results for the Harts and Stags over the last couple of weeks. The Stags go unbeaten this season and currently sit top of their League. The Harts played Southend at their place which resulted in a 45 - 0 loss, however, Southend 2s are at the top of their table and there were some positives to take from this game. The lads were ready for a home game v Brentwood who cried off, so the boys had a home friendly against Southend 2's again as they also had a cry off. This was a proper mud bath of a game, but with a 0 -0 result against Southend. This is a massive improvement, and the rest of the season looks very promising for both the Harts and Stags.

The Vixens are continuing their development journey and played Stanford at home two weeks ago, with a comfortable 32 - 5 win. Sunday just gone saw the Vixens play a friendly against Southend, who are a league above and again came away with a 17 - 12 win. Fantastic work. The Vixens have the potential to go up at the end of the season if they continue this winning streak.

Our Mini and Youth section are doing well week on week with new members joining, they are the future of our club and it's great to see their Rochford journey.

Today is our Christmas jumper day and is sponsored by Seetec Training and Swiftclean.

Your Ball boys are from our u14's.

Please be respectful of all the players and officials and may the best team win (Rochford).

After the game, please stay as the festivities continue with a DJ.

Regards

Martin Renshaw

ROCHFORD HUNDRED RUGBY CLUB

VISITORS INFORMATION

The club was founded in 1922 as the Old Westcliffians RFC, for the benefit of the old boys of the recently-formed Westcliff High School for Boys. The first president was H.G. Williams MA, the first school headmaster, who was an avid Welsh rugby fanatic. The club led a nomadic existence in its early years, playing at a variety of grounds, but by the outbreak of the war was running three sides, mainly against Essex clubs, London Old Boys clubs and the second fifteens of established First Class clubs such as Wasps, Saracens, Harlequins, Rosslyn Park and London Welsh.

In 1954, having previously used rooms in a variety of Public Houses in Old Leigh, the club became proud owners of "The Gables" – a former dance school on the A13 London Road, which was to be its home for the next thirty years. Around this time, the club joined forces with their neighbours from Southend RFC to host the annual Southend Easter Rugby Festival, which for many years was the biggest such festival in the world.

In the early sixties, with recruits from the school dropping, the club went semi-open, enabling players from outside the area to join, and the club went fully open a few years later, although many playing members are still old boys. The club continued to play high-standard rugby against the better Essex sides, running six teams and being particularly successful on the sevens field, winning the Essex Sevens six years out of seven between 1964 and 1970, as well as several other tournaments.

In 1984, the club relocated to Aviation Way, enjoying surroundings which were then certainly amongst the best in the South East of England. At this stage, the club was running seven senior sides and all appeared rosy.

The arrival of the leagues saw the club initially in London Three North East, where it stayed until the mid-nineties, having changed its name to Westcliff RFC in 1989. The mid-nineties saw a fall in fortunes, with successive relegations and league restructuring finding us languishing in Eastern Counties Division Two South. The rebirth was, however, just round the corner. The club has always had an excellent youth policy, and today must be counted as one of, if not the best youth and mini set up in Essex. The success of the youth has dramatically been transferred to the senior teams, with regularly at least fifteen of the first team squad of eighteen on match days having risen through youth and mini ranks. From the start of the millennium, the club enjoyed five promotions, culminating in finishing as Champions of London One North in 2011, losing only one match all season. Thus the club entered the National Divisions for the first time, finishing a creditable tenth the first season before finding the increased demands too heavy to contend with in 2013. We refused to be downhearted by this, however, and bounced back at the first attempt, winning the London One North championship for the second time in four seasons. We then enjoyed five seasons at Level 5, twice surviving by the skin of our teeth and, more pleasingly, gaining promotion to the National Leagues for the first time. This has proved something of a baptism by fire, and was further disrupted by the Covid pandemic.

During our three seasons at this level, we can at least boast victories over the likes of Redruth, Old Albanian and Esher – sides we wouldn't even have dreamt of playing twenty years ago. We are renowned for fast, exciting and entertaining rugby, with a young side who have learned quickly. Success has not been confined to the first team – the second (Lions) third (Rhinos) and, when they were still running, the fourth (Bulldoga) and fifth (Honey Badgers) fifteens are and were on numerous occasions champions of their respective merit tables, often winning the end of season cups for good measure. The Colts and Junior sides have many times been county cup winners champions at their respective age levels and the future is bright. The club has recently reformed its ladies' team, the Lionesses, who have won back to back promotions, and caters for children right down to under five, the Lioncubs.

With the expansion of Southend Airport, we are in the process of moving to bespoke new premises and pitches a short distance away from our current base in Aviation Way, with the move provisionally planned for 2019. This will once again afford us some of the best facilities in the South-East of England and provide a perfect precursor to our centenary celebrations in 2022.

COACHES CORNER

Welcome everyone to the last game of 2023 and here is hoping for a decent game of rugby to finish the year off against our nearest and dearest.

Four months ago, when we had just finished Pre-Season and with how good our team was looking and the positive start we made to the season I would never have thought we would be in the position we are in right now.

We have had some horrific luck with injuries in which our whole back line was decimated with long term injury after long term injury which seemed to happen game after game. After the first 4 league games we had lost Jake Spivey, Sam Cappear, Tauren Henwood, Nathan Lockwood, Mark Ikhifa, and Sonny Gay, and out of these players only Jake has properly come back. So, to lose 6 really important backs for the majority of our games so far this season it has been a real uphill task, and now we add Chris Dudman to that list. To compound things even further we then started to lose influential forwards such as Aston, Josh Cavey, Craig Strachan, Lewis Brunger, Harry PK, Pat Jennings, and Kieron Scutt to mid/long term injuries and have all had limited game time. I hate to make excuses with injuries as having squad depth is important and part of the job, but I think any team in this league would struggle with having as many as we've had.

But with injuries it does provide opportunities for others, and it has been really nice to give first team debuts to a number of young lads who have come through the system at Rochford, which hasn't always been the case in recent history. So hopefully some valuable minutes to these guys will benefit their development for the long term and they will be regular first team players in the future.

Last week at Tring was a better performance and it was nice to have a few senior players back into the squad which helped a lot. The playing conditions were very difficult with a strong downhill wind, so the game felt like whoever makes the most of the elements would win the game, and unfortunately, they managed the game a lot better than us. Tring played their slope well with long accurate kicks and as soon as we went behind in the second half it was always going to be tough to come back. That being said, we take a lot of confidence from the game and are looking to finish the year with an important

and much needed win today.

Westcliff have had some difficult years recently, but they have stuck together and look to have turned a corner looking at their recent results and recent wins. They have some very good players in their team and have the capability to score from anywhere. I think with both teams sitting bottom of the league the need for a win has been magnified, so I think we'll see a cracking game of rugby full of intensity and desperation mixed with some quality. It certainly has all the ingredients for a great game.

Lastly, I would just like to take this opportunity to thank everyone for their support over these difficult few months and thank the players and staff who continue to work tirelessly to turn our fortunes around. Also, a big thank you to all the volunteers and the wider club who make this such a fantastic club to be a part of.

Enjoy the game.

Danny Cleave

THORPE HALL SCHOOL

Proud to support Rochford Hundred RFC

Thorpe Hall School is a non-selective, co-educational, independent day school for boys and girls from Nursery to GCSE.

As a fully inclusive, co-educational school, we celebrate our students' individuality and achievements - and the enormous value we add to their learning. We challenge pupils to aim higher, whatever their ability, nurturing their talents and actively encouraging the best in everyone.

From an early age, our students are valued and respected as part of a supportive team within a close school community. Sport is a big part of school life, and we are proud of our excellent record of sporting attainment, with notable individual and team successes at local, regional and national level.
