THE SUPPORTERS CLUB

For over two years BT Sport has been bringing you unmissable sport. And thanks to the support of BT Sport customers, we've been able to raise over £4 million for charities that use sport to help disadvantaged young people.

Together we work to improve achievement in school, tackle exploitation and abuse, and increase skills, opportunities and employment, in the UK and around the world.

In Scotland we fund projects such as childhood cancer charity CLIC Sargent, where our funds help rehabilitate and realise young peoples' ambitions through sport, and StreetGames, a charity working in deprived areas of Scotland supporting young people to gain accredited qualifications.

CAPTAIN'S CORNER

"Make 2016 an important year in Leith Rugby history."

Kenny Dannfald Club Captain

30 JANUARY

7.30PM

Hello and a big Happy New Year and welcome to 2016 from all at Leith. Of course the beginning of a new year is a good time for reflection as well as setting goals for the coming year. Both the team and the club have made significant strides forward over the past 12 months. A first XV which on its day can perform at a level high above its current standing; the second XV is now getting regular games with players pushing for spots in the first XV; and significant steps have been made within the youth development spaces which will secure the future of the club for years to come. However as always there is a sense of what else could we do to progress further. I am hoping that all at the club are committed to pushing to making the club as good as it can be and to make 2016 an important year in Leith Rugby history.

After a bit of a lay off due to the weather today sees the return to action as we welcome Broughton RFC back to Academy Park after they spent a few years in BT East League 3. The previous meeting of the two sides saw Leith run out 23-17 on the Wardie slope in what was a close fought game. The opposition have coped admirably in the step up this season claiming good wins against Northern and Ross High. We all know that we will have to be at our best to run out victors today.

1ST XV **PLAYER PROFILES DOUG WATTERS** 2ND XV

Position Stand-off Appearances 8 **Points** 21 3 Tries Try assists

Previous captain Doug had an unfortunate start to this season, injury and work trips to America leaving playing opportunities extremely limited for the stand-off. However now he's back and it looks like an autumn break in the stateside sun has left Doug as fit as ever, meaning he has put in some important shifts in over the past few games including vital wins at Inverleith and Trinity. Whilst stand-off is his preferred position, Doug can be deployed anywhere along the backline and I'm sure he will even angle to play in the back row in a couple years!

Much of the activities you see in the club today have been as a result of the foundations Doug built in his tenure as captain. By making it a strong and visible club we have been able to achieve a lot over the past few years. Give it a few more and we will be mixing it with the big boys!

JON DERRIN **Position** Winger

Australian Jon arrived at the club at the tail end of the summer and despite being from quite a famous rugby playing nation had never really played rugby before.

Despite this Jon has been keen to get involved and play as many games as possible. It's clear that Jon has all of the physical attributes to slot into the backline at Leith - the understanding of game play is sure to come soon! Jon has already has already featured in a few matches for both the 1st and 2nd XV this year, with a single try coming in the away cup game at Linlithgow.

Jon has been hampered with injury throughout the season, in fact I think he got injured in his first training session. However his worst injury probably came against Duns 2nd XV. While I say against Duns, more like in the warm up after a two hour drive down to the Borders where he then had to sit in a cold dug out on a wet Friday night. Not ideal!
