

# THE SUPPORTERS CLUB

**For over two years BT Sport has been bringing you unmissable sport. And thanks to the support of BT Sport customers, we've been able to raise over £4 million for charities that use sport to help disadvantaged young people.**

Together we work to improve achievement in school, tackle exploitation and abuse, and increase skills, opportunities and employment, in the UK and around the world.

In Scotland we fund projects such as childhood cancer charity CLIC Sargent, where our funds help rehabilitate and realise young peoples' ambitions through sport, and StreetGames, a charity working in deprived areas of Scotland supporting young people to gain accredited qualifications.

## CAPTAIN'S CORNER

*"The team spirit was commendable - more of the same will be required today"*

**Kenny Dannfald**  
Club Captain

It has been about a month since the 1st XV last took to the field at home. On that day it was a bitterly disappointing defeat at the hands of Langholm, a game which upon reflection we should have performed much better and won.

Today's visitors have been the early pace setters in the league. With a 100% record Penicuik are building on a strong end to last season. An impressive scalp in the cup against Forrester of BT East League 1 point to this game being difficult on a number of levels. However Leith are buoyed by a gritty and determined victory on a heavy pitch at Inverleith. The team spirit shown in the 13-10 win was commendable and more of the same will be required today.

The club has been lifted by the continued success of the 2nd XV over the past month too. Despite results not always going in favour of the Leith side, being able to field a 2nd XV on a regular basis has been a massive step forward for the club. The guys that have been representing in the 2nd XV have put in some sterling performances and are pushing those in the 1st XV hard for their spot.

A number of new faces continue to join the club which is good to see. In fact what other club in Scotland can boast 16 fit and available front row players with a few out injured...The future at Leith Rugby is bright!

Prop  
5

Hawick boy Bruce has improved leaps and bounds since joining the team last year. Whilst the young prop is still learning his trade in the dark arts of scrummaging he is improving and becoming a useful player in the open, a big ball carrier, and not one to shy away from making a big hit. You can always count on Bruce to be there when he is most needed.

Outside of rugby Bruce can often be found in the gym or even more than likely following Celtic in any way that he can, whether it be home or abroad (he can't have everything go for him!).

Everyone at Leith hopes that they will never become one of undertaker Bruce's clients, although the private ambulance can often provide an intimidating welcome to any opponents at Academy Park.

### DANIEL BERGER

Daniel is a player who has recently come back to rugby after a period away from the game due to work and other commitments. Once a flying winger whilst at school D has since moved to the back row where he is learning with every game that he plays.

Using the power he has built up in the gym combined with the speed that served him well as a school boy Daniel is a very useful player to have around.

Having recently moved job it has given Daniel more time to make it to rugby where before he had been hampered by shifts. He is also a keen graphic designer and has put together some cracking graphics which will be on display in the club very soon.
