

THE SUPPORTERS CLUB

For over two years BT Sport has been bringing you unmissable sport. And thanks to the support of BT Sport customers, we've been able to raise over £4 million for charities that use sport to help disadvantaged young people.

Together we work to improve achievement in school, tackle exploitation and abuse, and increase skills, opportunities and employment, in the UK and around the world.

In Scotland we fund projects such as childhood cancer charity CLIC Sargent, where our funds help rehabilitate and realise young peoples' ambitions through sport, and StreetGames, a charity working in deprived areas of Scotland supporting young people to gain accredited qualifications.

CAPTAIN'S CORNER

"The home side will be firing on all cylinders to get the result."

Kenny Dannfald
Club Captain

It has been a while since Leith last played Langholm as the leagues have kept us apart for a number of years, and today the two sides lock horns in what should be an interesting battle. Langholm have found themselves at the wrong end of the table, but a confidence boosting win last time out against Edinburgh Northern will ensure they are right up for the game today. Leith on the other hand, got back to winning ways as we emerged as victors over Broughton at Wardie which leaves us third in the table. A few weeks has passed since then and after a loss away to Linlithgow in the cup, the home side will have to be firing on all cylinders to get the required result.

The Rugby World Cup has had a stop start effect on the 2nd XV's season too, however last week they got back on track with a well-earned victory against a hard to beat Penicuik team. The 2nd XV have a run out away to Currie 3rd XV today before returning to Academy Park next week for a home game against Dunbar/North Berwick, so make sure your back at Academy Park for that one.

I hope to see as many of you as possible up in the bar trying our new beers 'Pods of Four' and 'Leith Hamstrung' whilst enjoying the Rugby World Cup games from now on in and we're gearing up for a spooktacular finale on 31 October with our Halloween party, so make sure we are your first port of call!

GAMES

POINTS

BEN WILKINSON

Position Stand-off
Appearances 8
Points 30
Assists 1

Stand-off Ben has had a flying start to the season playing every minute in the 1st XV's campaign. He's been pivotal in controlling the forwards and ensuring the backs have been on song out wide. As well as attacking duties, Ben is no slouch in defence and can often be seen putting in the big hits. The optician has made a telling contribution with the boot too with 33 points so far including some conversions from pretty tight angles.

After almost one year of marriage Ben and better half Emma have recently made the big decision and have become proud... owners of a dog. This means Ben's days and nights out are hampered by the responsibilities of taking the dog out for a walk or cleaning up after it. It will only get worse Ben! However we have been assured he will be at the Halloween night out and everyone is wondering if he can top last year's costume. Turn up and find out for yourself!

1ST XV

PLAYER PROFILES

2ND XV

CRAIG DAVITT

Position Flanker
Appearances 2
Points 5
Tries 1

With injury and unavailability (although everyone agreed Comic-con looked pretty cool!) the start of Craig's season has been quite limited in terms of opportunities on the pitch. However now that he is back fit we're all hoping that Craig can kick on from here with a run of performances in the 2nd XV to build his fitness and understanding of the game further.

Craig and partner Alisha are always fantastic supporters of the club and Craig symbolises what it means to be a good Leith Rugby club member: comes to training when injured, always makes himself available when possible, volunteers and helps out wherever he can in any way he can and is always a good supporter of club function nights. Many of us can take lessons from Craig and use him as an inspiration to better ourselves as players and club members!
