Captain's Corner

"We look forward to today's test with relish"

Doug Watters

Welcome to Academy Park for today's game with table-toppers St Boswells, and a particularly warm welcome to those who've travelled up from the Borders. St Boswells is a club that holds a special memory for a lot of our squad, as it's where we were presented with the East 3 league title two years ago.

Last year it was the turn of our visitors to scoop the same trophy, and they've gone from strength to strength this year, winning 7 out of 7 to sit top, so we know we're in for a tough encounter. Save for two performances which have let us down this season - the debacle at Inverleith and disappointing home loss to Forrester - we're pleased with our form in 2014/15 and look forward to today's test with relish.

We've had some cracking games with Boswells over the past few years. Here's hoping it's a more free flowing game than last week's home encounter with Edinburgh Northern, and that both sides put on a good display for those watching. Enjoy the game.

Player Profile

Stuart Fox

Stuart made his debut for Leith as a 17 year old back in 2006, and belied his youth to put in some powerful performances against more senior opponents. After a short break from the game he has picked up right where he left off, returning to the club in the off-season providing, as all good tight head props do, a solid platform for the rest of the team.

As well as anchoring the scrum, Foxy is an explosive tackler and has put in some tireless shifts in the loose, including two involvements in one sweeping move for a try in the derby win at Trinity, a game in which he was awarded Man of the Match. A scaffolder by trade, we're all excited to see the heights to which he can reach this, and in future seasons.
