RBS East League Division 2
Leith RFC v Berwick
25 January 2014

Coach's Corner

"Your continued support is welcomed from myself and the squad www.edinbuthis season"

Our last home game against table position rivals, Edinburgh Northern, saw our most complete performance of the season. Our work at the breakdown was excellent from the start in both attack and especially in defence. Our defensive work was pretty solid and we were unlucky for Northern to cross the whitewash at all having dominated the majority of territory.

Today we'll be looking to build on that performance in what will be our last home League match of the 2013/2014 season. We'll have stiff opposition from our opponents who will be desperate not to slip up in their promotion race after an away win against fellow promotion chasers Forrester last week. By all accounts, our opponents from over the Border play a similar brand of rugby as ourselves, so we should see positive rugby on display today.

As ever, your continued support is welcomed from myself and the squad not just today, but all throughout this season.

Cal McKay

Cal joined Leith in the summer from Liberton citing a desire to play at a higher level following our promotion to East Division 2 and has quickly become a regular in the starting line-up.

Versatile enough to play both sides of the scrum, plasterer Cal has been working hard on his strength and fitness since signing. His aggression and commitment to training make him a valuable member of the squad. Guid pace for a big lad too!

Cal's proudest moment in rugby prior to his joining Leith, was beating Heriot's to win the Edinburgh Schools Cup in 2007. A big fan of a Saturday night bevvie, particularly if it's rose wine, Cal is a popular guy around the club and has a great deal of potential yet to explore.
