BT East League Division 2  
Leith Rugby v Forrester  
13 September 2014

## Captain's Corner

*"Those down to watch are in for a great game"*

Doug Watters

Welcome to Academy Park for the second home game of the season, and a warm welcome to our visitors Forrester RFC. It's also the second visit by the men in green this season, after Forrester 2nd XV kindly stepped in to play our 2s on President's Day a fortnight ago. Having had our scheduled opposition call off, it was greatly appreciated, and the game was an exciting one played in good spirit, won 41-33 by the visitors.

If it's as close and as high-scoring a match today those down to watch will be in for a great game. We'll be hoping to take the decent form of preseason and the first two league games (won 38-5 v Lismore and 54-16 at Earlston) into today's encounter, against a side who steamrollered us twice last year, winning 72-10 at Broomhouse, and 65-0 at Academy Park. Forrester have started the season well, running up big scores at Trinity (45-10) and at home to Edinburgh Northern last week (54-6), and are one of the favourites for promotion.

We remain confident of an improved showing however, as the additions and improvements made over the summer have seen us playing some good stuff over the past couple of months. I hope the loyal Leithers have been enjoying the rugby we've been playing, and I know you'll give us your vociferous backing again today. The guys certainly appreciate it. Here's to a good game and enjoy the match.

### Player Profile

### Ross Kilgour

Having first broken into the team as a youngster in 2009/10, Ross has always been possessed of great pace. Having switched to play centre for much of our Championship winning season of 2012/13, he has moved back to the wing to great effect. Apart from his speed and quick feet, 'Kigoul' is tough in the tackle and his reading of the game keeps getting better and better.

A freakishly fit guy, (he was actually born under the bench press at Leith Vicsies) he's a dedicated trainer and relished preseason more than most. Kigoul has been in among the tries this year too, with a brilliant long-distance effort at Hyndland and a predatory double at home to Falkirk. Big things are expected of Ross in 2014/15 and everyone at the club is looking forward to seeing him fulfil his undoubted potential.
