Leith RFC v Lismore  
16 November 2013

## Coach's Corner

***"We are certainly not where we want to be."***

**Eric Jones**

Sitting at the halfway point in the season we are certainly not where we want to be. A couple of disappointing results have left us sitting in 7th. However, for those that doubted our ambition, I'm sure you'll agree that we are looking ahead to the 2nd half of the season in the knowledge that we can turn around the losses, starting with today's game against Lismore.

We will be looking to replicate the open and fast rugby we played in the first half on day one of this season, which saw us lead 19-0 at half-time, in a match which was very much a game of two halves at Inch Park.

Unfortunately I am away with the Women's Under-20 squad so the players will have more responsibility on and off the park today, a task which they should be relishing after our 'Values Session' on Tuesday evening. Again, you support plays a big part in helping the team perform. Enjoy the match.

## Craig Winton

Craig started his schoolboy rugby career at stand-off but made a very successful switch to loosehead-prop at senior level, where his playmaker skills are still evident.

Craig had another good season in the front row in 2012-13, and his good from has continued this season, where he has also covered at hooker. His abilities in the scrum, coupled with his line-out throwing, pace and power (just ask the Broughton 2nd row he flattened after catching a kick off last year), make him a valuable member of the team.

Playing alongside step-father Paul Allison in the front row today, Winton's talents are not limited to the rugby field. He's also a mean bowler (the 'old manny' kind) and is usually first up at club karaoke. Try buying him a pint and asking for a bit of Proclaimers.
