Bridgnorth Cricket Club Registration Update

Dear cricketing friends,

We write to you full of hope as the days are starting to draw out as we move into spring and the thought of a “nearly normal” cricket filled summer is so tantalisingly possible. Although it’s only March, it must be time to start dreaming about those long summer days and the kids playing cricket at Cricket Meadow once more.

The junior committee have been working tirelessly over the winter months to put together a great programme for your children, taking them from the age of 5 with nationally supported ECB All Stars, on to the ECB Dynamo’s programme and then continuing through the age groups with a mixture of hard ball and soft ball cricket for all ages.

As with everything at the moment, we have had to pay scrupulous attention to ever evolving Covid-19 guidance and regulation at government, ECB and local level. Our cricketing action plan has been put together with the complete intention of it running as detailed below as per the ECB’s return to cricket roadmap. However, we must remind you all that we shall always have to be led by the latest legislation and adhere to strict social distancing guidelines and participation ratios.

Junior Membership

In order to ensure that as a club we are as Covid compliant as possible, we have revamped our registration process, moving to an online system, whether this be through the ECB Clubspark app for All stars and Dynamos or through our Pitchero club website for all other juniors from year 7 and above.

Our long-established Friday evening coaching will commence on **29th April with our first All Stars only session from 6pm-7pm**. From **Friday 6th May All Stars and Dynamos** programmes will then take place on the same evening. Both of these 12-week programmes will conclude with an awards and celebration evening on Friday 22nd July.

All Stars

All Stars cricket for 5–8-year-olds (reception to year 3) will commence **Friday 29th April 6pm-7pm**.

Membership including free kit bag is £45 with registration via the following link:

Hawk Cricket

Our kit continues to be supplied by the fantastic team at Hawk Cricket where you will be able to purchase any playing or practice kit should you wish. This is a busy time of year for Hawk so please order as promptly as possible to ensure kit delivery before the first match of the season.

The full range of Bridgnorth CC kit can be found on Hawk's website:
