

# CODE OF CONDUCT

The Baggy Roon is not just a cap.  
The Roon is a symbol of our character as a team.  
When we wear the Roon we represent West of Scotland.  
We agree to,

## STRIVE

We work hard to be the best geezers & cricketers we can be. We play to win. We are always improving.

## RESPECT

We trust each other. We care about each other. We are stronger together. We never let anyone down.

## ENJOY

We smile and enjoy playing with focus, whatever happens. We share every result as a team. We are as social as we are competitive.

## COMMIT

We play and train harder than anyone else. We leave nothing behind. We find a way.

## INSPIRE

We are inspired by our club's great history and players. We regard it an honour and privilege to wear the Roon.

## LEGACY

Everything we do sets an example. We all play a part together in leaving our future legacy.
