MANAGER'S REPORT

Highs, lows, drama and goal mouth action, Saturday had the lot....!!
Most importantly a win and 3 points for us against a very competitive Forest Row side.

As Saturdays go this was like the heading reads a game that had pretty much everything for the supporters that turned up and watched. A great advert for football was to follow with both sides contributing to an eventful game at the Seal Bay Stadium.

The game began with both sides pushing for the all important first goal, unfortunately for us it wasn't us who took the lead but the visitors. We failed to deal with a ball into the box and the visitors striker turned and fired home. The second for the visitors came from the penalty spot as we gave away a soft penalty and with the resulting spot kick dispatched into the corner we found ourselves two nil down when, in all fairness we should of been level with James Henton firing over from 18 yds out.

Just before half time we were forced into a change with the returning Ryan Morey replacing the impressive Aaron O'Brien after he took a knock and couldn't continue. It was Morey who took the game to the visitors, first setting up Ollie Hambleton with a great one-two, with Hambleton finishing off after great footwork, reducing the deficit and then 2 minutes later Morey again broke and crossed but with the ball striking the defender on its way towards Evan Harris the Referee pointed to the spot, up stepped Shane Brazil to fire us level and give the supporters the chance to find their voices at half time.

The second half started and we continued to push our visitors back, with us controlling large parts of the second half and it wasn't long before we got our third through Harris after a good build up, the ball was crossed into the box after we broke with Brazil crossing for Harris to control the ball turn his marker and fire home.. Brazil got the fourth after a corner was delivered and our visitors failed to clear and he slotted home after the rebound was parried by the goalkeeper after Harris's shot.

Home supporters happy....!!!! but right near the end of the game they began to get nervous as our visitors scored from the spot again after Jack North was adjudged to have fouled his man in the box (harsh but that's football sometimes) up stepped the visiting striker again to slot the penalty home 4-3. We managed the final few added minutes of the game with no more near misses or nervous moments to claim the three points and move above our visitors in the league.

A great game for the supporters no doubt 7 goals, 3 penalties, some great football and a win, as Saturdays go it wasn't a bad day to come along to the Seal Bay Stadium.

We now prepare for another tonight's cup game against Worthing United FC in the League Cup ko 7.45pm before travelling to Bansted in the league on Saturday 9th ko 3pm.

TONIGHT'S OPPOSITION:

WORTHING UNITED FC

Wigmore Athletic joined the Sussex County League in 1952 as founder members of Division Two. They won the division at the first attempt, earning promotion to Division One. The club finished second-from-bottom of Division One for three consecutive seasons between 1954-55 and 1956-57, but avoided relegation. In 1959-60 they won the league's Invitation Cup. After finishing bottom of Division One in 1965-66 the club were relegated to Division Two.

Wigmore were Division Two runners-up in 1967-68 and were promoted back to Division One, also winning the Division Two Cup. However, they finished bottom of Division One again the following season and were relegated to Division Two. In 1973-74 the club were Division One champions, resulting in promotion back to Division One. They finished third in Division One the following season, their highest-ever league finish, as well as winning the John O'Hara League Challenge Cup. However, they were relegated back to Division Two at the end of the 1977-78 season after a last-placed finish. After finishing second-from-bottom of Division Two in 1987-88 and being relegated to Division Three the club merged with Southdown to form Worthing United.

Worthing United were Division Three champions in 1989-90, resulting in promotion to Division Two. The club remained in Division Two until finishing as runners-up in 2003-04, after which they were promoted to Division One. After finishing bottom of Division One in 2008-09 they were relegated back to Division Two. A third-place finish in Division Two in 2010-11 saw them return to Division One. After finishing bottom of Division One by avoiding relegation in 2012-13, they finished last again the following season and were relegated back to Division Two.

The 2014-15 season saw Worthing United win both the Division Two Cup and the Division Two title, earning promotion to the renamed Southern Combination Premier Division. In August 2015 two of the club's players, Matthew Grimstone and Jacob Schilt, were among those killed when an aircraft crashed on the A27 road near Shoreham Airport. They were driving to the Robert Albon Memorial ground to participate in a match against Loxwood, which was consequently called off. The club were relegated to Division One at the end of the 2017-18 season after finishing second-from-bottom of the Premier Division.
