# MANAGER'S REPORT

**The high and lows of a week in football! A win in the cup then defeat in the league.**

**Tuesday night saw us play Worthing United again in the Division 1 League Cup, this time and with a comprehensive performance as we came out 4-1 winners with goals from the returning fit Ryan Morey x2 and a goal a piece from Sam Conolly and Evan Harris. We progressed through to the next round where we will play Roffey away with the date to be confirmed.**

**Saturday we made the trip to Banstead United, looking to keep our league form going but with unavailability and illness we had to make enforced changes.**

**The game, which was played in blistering heat, saw both sides create chances. Both sides looking to open the scoring with our hosts relying on a breakaway where we were creating chances with good deliveries from set pieces and open play. It was our hosts though who took the lead when a break away wasn't dealt with and it led to them taking the lead before half time.**

**Second half we found ourselves dominant on the ball again but just failing to create that final pass or cross to get the equaliser. With the game entering the final minutes we had a chance to equalise but too much time on the ball in the box let the host's defender get back and make the tackle, thus ending the chance for us to capitalise on the good play that got us into this area. Two minutes later, we conceded a second and that was it game over. A loss, two goals conceded and defeat on the road.**

**Then Saturday we are back at home at the Seal Bay Stadium hosting Chessington & Hook fc ko 3pm**

# TODAY'S OPPOSITION:

## CHESSINGTON & HOOK FC

The club was founded by Bill Benham in 1921 as Chessington Football Club, joining Division IV of the Kingston and District Football League. They won Division IV and the Surbiton Times Cup in 1922-23, earning promotion to Division III. However, they were relegated back to Division IV at the end of the 1928-29 season after finishing bottom of Division III.

Despite only finishing fifth in Division IV in 1934-35, the club were promoted to Division III. The following two seasons saw them finish bottom of Division III, and they were relegated to Section A of Division IV in 1937, before moving to Section B in 1938. After World War II the club joined the Sutton & District League. They finished bottom of the league's single division in 1945-46, failing to win a match and drawing only twice, and were placed in Division II for the following season. After finishing bottom of Division II in 1947-48, they were relegated to Division IIIA. The 1950-51 season saw them finish bottom of Division IIIA, resulting in relegation to Division Four A.

In 1952-53 Chessington were Division Four A runners-up, earning promotion to Division Three A. After a season of consolidation, they finished second in the division in 1954-55 and were promoted to Division Two. They subsequently won Division Two at the first attempt, as well as winning both the Junior League Cup and the Junior Teck Cup, and were promoted to Division One. After finishing third in their first season, they won Division One in 1957-58, earning promotion to the Premier Division. In 1959-60 they were Premier Division runners-up. They joined the Premier Division of the Middlesex League in 1967, and after finishing second-from-bottom in their first season, they were Premier Division runners-up in 1968-69, after which they left the league.

Renamed Chessington United, the club moved up to the Surrey Senior League in 1971. The league evolved into the Home Counties League in 1978 and the Combined Counties League in 1979. When the league was split into two divisions in 1981, Chessington were placed in the Eastern Division. The league reverted to a single division in 1982, but Chessington left the league after finishing bottom in 1983-84.

In 1986 the club adopted their current name following a merger with Hook Youth/United. They joined the Surrey County Premier League in 1994, and after finishing as runners-up in 1996-97, were promoted to the Combined Counties League. When the league gained a second division in 2003, they were placed in the Premier Division. After finishing bottom of the division in 2013-14 they were relegated to Division One. Despite being promoted back to the Premier Division following a third-place finish in Division One in 2014-15, they were relegated to Division One again at the end of the following season.

At the end of the 2020-21 season Chessington & Hook were transferred to Division One of the Southern Counties East League.
