# MATCH DAY PROGRAMME

# WELCOME FROM OUR CHAIRMAN

Good afternoon and welcome to the Seal Bay Resort Stadium for our Isuzu FA Vase Cup match against Tooting and Mitcham United FC. I extend a warm welcome to our visitors, their officials, players, spectators and, of course, our match officials for the game. I hope that you all have an enjoyable time with us this afternoon. It is always nice to be involved in an FA competition and hopefully we can have a successful run in the competition. So, with this in mind, I have to congratulate our U18s who competed in the FA Youth Cup for the very first time on Wednesday 16th August. They entertained Corinthian Casuals U18s and despite going 1-0 down very early, they came back to draw 2-2, with the tie being resolved when we won the penalty shootout 10 to 9.

In today's competition we entertain a side that competes in the Combined Counties Premier South Division. So far, they have won their three league games and they share top spot with Farnham Town, Redhill and Guildford City. As a Club they have played at a higher level, and it was only last season that saw them relegated from the Isthmian League. They will be a strong and well organised team with definite ambitions to gain promotion back to the Isthmian League at their first attempt.

Hopefully we can be a match for them this afternoon and cause an upset.

Our last home game was against Worthing Utd in the Peter Bentley Cup, where we won 2-1. Our goals came from Evan Harris and Kye Hartt, and since this win we have played two further games. Last Saturday saw us travel to SCFA Headquarters where our hosts were Montpelier Villa and Tuesday saw us cross Sussex to face Eastbourne Utd in the SCFA RUR Cup. Unfortunately, we lost both games 2-0. To our credit though we played well in both games and created chances which could have resulted in a better outcome to the games. It is interesting to see how we fared against two good sides. Montpelier have invested in a number of new signings this year and they have started the campaign well. They are unbeaten in the league and sit in second spot behind Worthing Utd. Eastbourne Utd meanwhile, have also had a good start to their season in the SCFL Premier Division. They occupy sixth place and are also unbeaten in the league. I am sure they will look to do well in the league this year with aspirations for promotion as well as our visitors. So, whilst we have lost our last two games, there are plenty of positives to take from them.

On Monday, we return to league action when we visit East Preston FC with the game kicking off at 11am. I am hoping that we can return to winning ways in the league and I would expect to get a result against a side that has not started well. They have lost their first three league games and are obviously finding things tough at the moment. However, we all know that they are a difficult team to beat on their "home patch" and we will need to be fully focussed on the day. We continue our league campaign next Saturday against Forest Row at home. They will be another strong outfit who have started their season well.

Please note that due to today's game being a FA Competition, no alcohol will be allowed to be consumed outside of the Clubhouse.

Please enjoy our facilities today and I hope you are treated to a good game which is played in the right spirit.

**David Lee**  
**Chairman**

# MANAGER'S REPORT

Saturday saw us travel along the coast to Montpelier Villa FC, looking to build on the solid start we'd made to the season so far. Unfortunately Saturday we had to reshuffle the side with injuries, illness and holidays taking its toll on our recent unchanged starting 11.

This is also demonstrated the advantage of having good younger players coming up through our pathway with 4 u18s added to the squad on Saturday.

On Saturday we had "One of those afternoons" we created good chances, played well in long periods of the game, we competed well and never gave in, but sometimes football can be a cruel game when you don't get out what you put in and don't get what you deserve from the game..!!!! We will play a lot worse in games over the season and win games I'm sure but Saturday was a game in which we needed to be at our strongest to get the result we wanted. Montpelier themselves have strengthened well and did cause us some problems and got their 2 goals from good passages of play but from our point of view, we need to be slightly better on these passages of play and deal with them. We ended the game strongly but with the home goalkeeper in fine form we couldn't get the goals to get something from the game and fell to our first league defeat of the season.

Our attention now turns the Seal Bay Stadium on Saturday in the FA Vase v Tooting and Mitcham United ko 3pm

We look forward to seeing all our supporters then...

# TONIGHT'S OPPOSITION:

## TOOTING & MITCHAM

The club was founded in 1932 after a merger between two existing teams, Tooting Town and Mitcham Wanderers. Both clubs had played in the London League and the new entity continued to do so until 1937, when they were accepted into the Athenian League. League form was initially patchy, but consolation was forthcoming in 1938 with the capture of the Surrey Senior Cup as Dulwich Hamlet were overcome at Selhurst Park.

Wartime brought a mixture of friendlies, and a smaller regional league (the South East Combination) was competed in. In 1942, the London Senior Cup was won for the first time with another triumph over south London rivals Dulwich Hamlet - this time by a 5-4 success at Millwall's (old) Den. The club have subsequently lifted this trophy on seven further occasions, most recently in 2021.

The Surrey Senior Cup has been won nine times in total, including a hat-trick in the years 1974 to 1976 - the first time this has been achieved.

Perhaps the most famous fixture in their history was the 1959 FA Cup third round tie. Drawn at home to top flight Nottingham Forest, on a frozen pitch at a packed Sandy Lane the underdogs raced into an two goal lead before Forest fought back with the aid of an own-goal and a dubious late penalty. The first division side exerted their superiority with a comfortable 3-0 win in the replay, and went on to lift the cup at Wembley.

It was around this time that the club changed from their original all-white shirts to black and white stripes, and that has remained their principal colours ever since; a new nickname - 'the Terrors' - was also coined, replacing 'the Lilywhites'.
