# MANAGER'S REPORT

**Well what a weekend!!!!**

**A 2-1 win against Tooting and Mitcham United in the FA Vase at home, followed up by a 3-2 win at East Preston on Monday morning. As weekends go, this was to prove a tough and busy one, but very enjoyable weekend of football for the lads and the football club as a whole.**

**Saturday was a great game of football with both sides giving it their all to try and progress to the next round. This time it was to be the Blues who came out on top and deserved to progress through to the next round of the Vase, with a James Henton strike and with Corey Burns doubling the lead half way through the first half. Although our visitors got one back before the break the lads played out our game plan together and got the result their efforts deserved, winning the game 2-1.**

**It could have been even more of a convincing win with a Shane Brazil goal disallowed for offside and then Brazil again struck the bar late on. We will now play Haywards Heath in the next round at Hanbury Park Stadium.**

**We followed this up with another victory on Monday morning, beating East Preston 3-2. Although we were missing a few regulars after Saturday's game with injuries, we juggled the pack and with a couple of changes and were able to continue where we left off Saturday. Scoring early and controlling the majority of the game we were not caused too many problems by our hosts with only wayward finishing stopping us from adding to the 3 goals we did score. Aaron O'Brien grabbing 2 and Shane Brazil adding the other with Evan Harris assisting in all 3 goals. Another good performance, with the lads playing some good football and creating openings at will.**

**This, combined with Saturday's performance, was of great importance to us to maintain our league form.**

**We now need to rest up prepare right for the visit of Forest Row on Saturday at the Seal Bay Stadium ko 3pm. Come along and support the lads, everyone welcome.**

# TODAY'S OPPOSITION:

## FOREST ROW FC

The club was established in 1892. Becoming members of the Mid-Sussex League, they were joint Division Two champions in 1951–52. After winning Division Four in 1959–60, the club were champions of an emergency Division Three competition in the weather-interrupted 1962–63 season. They were Division Three champions again in 1971–72 and won the Mowatt Cup the following season. In 1975–76 the club won the Division One and Mowatt Cup double. They won the Mowatt Cup for a third time in 1983–84 and the League Trophy in 1987–88.

After winning the Sommerville Cup in 1999–2000, another rise up the divisions began in 2000–01 when the club were Division Four champions. They finished third in Division Three in 2002–03, earning promotion to Division Two. The following season they were Division Two runners-up and were promoted to Division One. After a third-place finish in Division One in 2005–06, the club were promoted to the Premier Division. In 2010–11 they finished bottom of the Premier Division and were relegated to the renamed Championship division. They went on to finish bottom of the Championship the following season, and were relegated to Division One.

The club were promoted back to the Championship in 2013–14 and were Championship runners-up in 2014–15, earning promotion back to the Premier Division. After a fourth-place finish in the curtailed 2020–21 season, the club were promoted to Division One of the Southern Combination League.
