SELEY FC

MANAGER'S REPORT

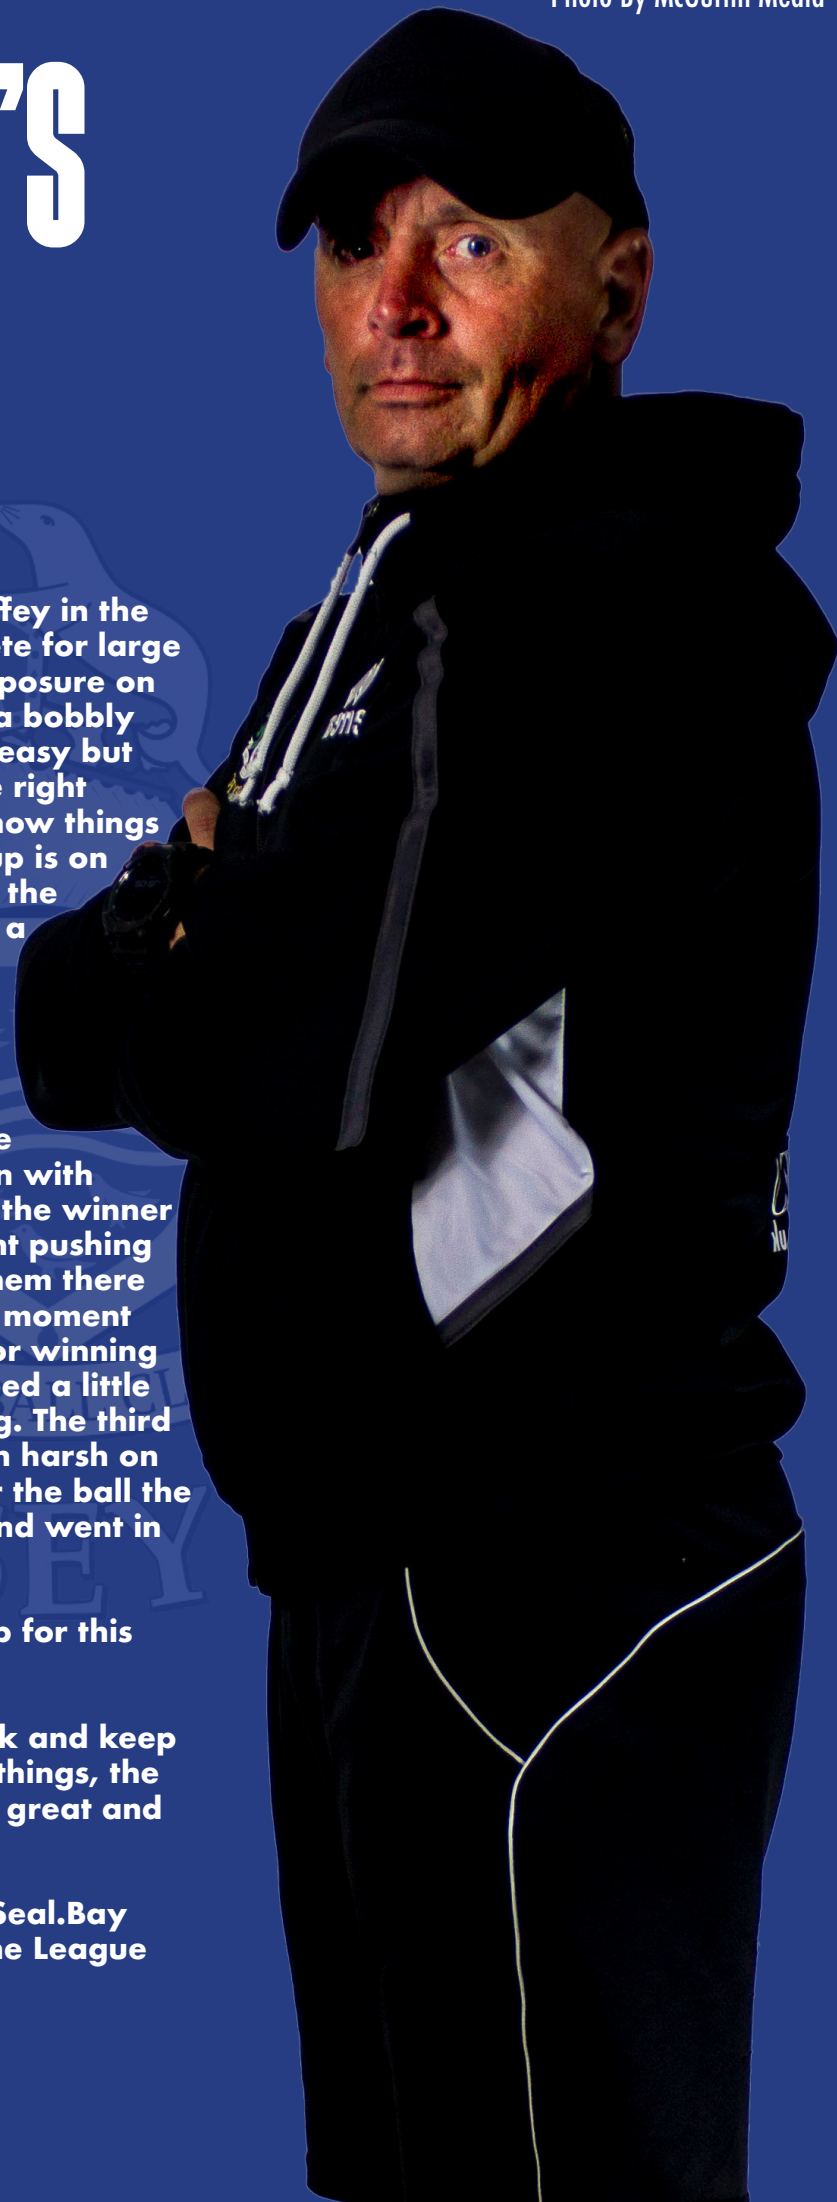

Saturday saw us travel to high flying Roffey in the league cup, a game which saw us compete for large periods of the game and have more composure on the ball than on Tuesday night although a bobbly dry pitch didn't make our passing game easy but the lads tried to do the right things at the right times. Will we not change our beliefs in how things should be done and the process this group is on is a credit to them and there desire to do the right things and learn how to develop as a team.

Although Roffey took the lead on the half hour mark in the first half, Evan Harris leveled in the second half with a good strike from just outside the box. The game then seemed to be pretty level then with both sides trying to create a opening for the winner unfortunately for ourselves we got caught pushing forward and a Roffey break away got them there second goal. Seems to be our luck at the moment when we are pushing to get the second or winning goal we get punished on the break or need a little bit of luck to go our way when defending. The third goal near the end of the game was again harsh on us, when Brad Vaughan in trying to clear the ball the ball come off his boot hit his own head and went in thus giving Roffey a 3-1 win.

This results means we exit the league Cup for this season.

The lads will be back in training this week and keep working hard in learning to do the right things, the desire from them to learn and develop is great and we will keep pushing the group.

Saturday will see us return home to the Seal.Bay Stadium when we host Copthorne fc in the League 3pm ko.

TODAY'S OPPOSITION:

COPTHORNE FC

Copthorne has had a football club in the village since the 1930's and were known at that time as the "yellow bellies". There have been a few different iterations of the club since then and the current club was formed in 2006. The intention of the club was to encourage players from Copthorne Youth FC to progress from youth to adult football. The club grew quickly from one team to three in successive seasons.

Following the merger with Copthorne Rovers in 2011, the club has continued to have three teams playing in the Mid Sussex Football League. In 2018 our first team gained promotion to Division 2 of the Southern Combination Football League and we maintained two teams in the Mid Sussex Football League, Premier and Division 2 North.

Post Covid19 the club has maintained its senior side in Division 2 of the Southern Combination Football League.

At the end of the 22/23 season our first team were promoted to Division One in SCFL County and we continue to ground share at Horsham FC.

The club continues to develop with the help and support of many local people, sponsors and organisations. The club is a FA Charter Standard Club.
