*In memory of Debbie Williams*

## WALTON & HERSHAM CHARITY FASTNET RALLY 2015

**SATURDAY 6TH JUNE 2015 9.30AM – 5.00PM**

### *Have A Heart For Harvey*

This year we have chosen again to raise for Harvey Bessant. Harvey is the son of Nicola Bessant, Walton & Hershams GK/GD and an avid Walton & Hershams Netball Club Supporter!

Harvey was born with a malformation of the brain, which caused daily severe and relentless seizures from the age of 4 and a half months. The only hope to stop these seizures was to perform a hemispherectomy and disconnect half of his brain. After successful surgery in 2011, Harvey has improved dramatically and has exceeded all expectations!

Unfortunately, the therapeutic resources he needs to access in order to continue to progress are not available and The Bessant Family, along with all of their friends must continue to raise money to ensure that he can receive appropriate therapies and achieve his full potential.

Please help us raise money for this very worthy cause, by coming along to the Walton & Hershams FastNet Charity Rally this year.
