What to do

- Stay calm but act swiftly
- First check that you and the casualty aren't in any danger, and, if possible, make the situation safe
- In an emergency (if the casualty is seriously ill or injured or if life is at risk) call 999
- If you are not sure call NHS 111 for guidance
- Find a First Aider to carry out basic First Aid
- Do not move someone with a serious injury – wait for emergency medics
- Ensure that the rest of the group is adequately supervised
- Contact the casualty's parents/carers or other family member
- Complete the Accident & Incident Book (located in the Clubhouse kitchen or behind the bar)
