Woodland Group are a proud, long-standing partner of Chelmsford Rugby Club. Our close relationships with the local rugby grounds, team members, and players enable us to effectively support the sport, whether pitch-side, by air, sea or road.

WE CHALLENGE

We support the growth of some of the top sports, nutrition and fitness equipment brands as we continue to challenge ourselves to set new, innovative and cost-effective logistics standards, globally.

We care. We connect. We deliver.

Chairwoman's Message

As your new chairwoman I am looking forward to welcoming everyone back to play a wonderful season of great rugby. Being elected by the club members to fulfil the position of chair of Chelmsford RFC is an honour indeed. I would also like to extend a warm welcome to all new members and supporters who are joining us for the first time this season. Our club is built on strong foundations of camaraderie, respect and inclusivity, and I know that you will feel right at home among our passionate and dedicated community.

I took over from Paul Redford who has done a superb job over the last few years through some challenging times. My thanks also goes to the outgoing committee members who have done an incredible job in getting the club where it is today.

With senior pre-season well under way I'm please to report that all our teams are looking strong and well prepared for the challenges that lie ahead. Our coaches and player have been working hard during the off season to fine-tune their skills and develop winning strategies and I am confident that this hard work will pay off in the coming months. This season promises to be one of the most exciting and competitive yet. At CRFC we are committed to upholding the highest standards of sportsmanship, teamwork, discipline, and community spirit and I know that our teams, supporters and members will do us proud on and off the pitch.

Youth and Mini section continue to go from strength to strength, with hundreds of children and young adults covering Coronation Park on a Sunday it's a sight not to be missed. One thing is for sure, none of this could be achieved without the countless number of amazing volunteers that we are lucky to have at CRFC. A personal thank you from me for the time and effort you put in to make this place special. We always need more help so even if you can spare just one hour a week please come and find me and join the army of CRFC volunteers.

Finally, along with the excitement of the new season we will be launching a new Mixed ability rugby team called the Blue Stars. This will be for players of all abilities aged between 6-18 and run with the help of the Saracens Foundation to offer the opportunity for everyone to participate in the sport we love helping to eliminate any barriers they might face.

This is just one of the new exciting projects we are working on and if you would like to get involved please get in contact.

Wishing everyone an enjoyable and successful season and may we come out of this season stronger, happier and more united than ever before.

A photograph of a rugby match in progress. Several players are visible on a green field. In the center, a player in a white jersey with "woodland" and "Chelmsford Rugby Club" printed on it is being tackled by a player in a red and black striped jersey. Other players in similar white jerseys are nearby. A player in a red and black striped jersey is also visible in the foreground, reaching out. In the background, a player in a white jersey is running. A white post with "C R F C" on it is visible. The scene is outdoors with trees and a building in the background.

We care. We connect. We deliver.
