TALK OF THE TOWN with Eric Turner Esq.

Good afternoon Ladies and Gentlemen and welcome to today's game and we would like to extend a warm welcome to the players, officials and supporters from London Tigers. Town end their home schedule for January and are enjoying a good run of form which has taken them into third place in the league. While other clubs have been without a fixture due to the weather the Amps have collected vital points with some strong performances. Following their first win of the year at Letchworth we beat Raundshere 3-1 with a Sam Holmes double and a strike from Mark Bunker. But we have since climbed up the table with two hard fought and great away wins. A fortnight ago we won 6-2 at Whitworths with Town racing to a three goal lead by the 15 minute mark. Jamie Cerminara went on to get a hat trick while Sam began the rout and got another in the second period and Phil Draycott also helped Town's fine start.

But perhaps the best win came last weekend at Lutterworth's Leicester home where we won 3-2 on their today artificial pitch. Sam gave us an early lead and Phil Draycott added the second before the hosts pulled one back. Jamie scored our third from the spot before a late home goal and the Amps came home with away win number seven.

It took us into third place with games in hand still on some of our rivals and sadly our midweek home fixture with Sileby Rangers was frozen off again on Tuesday. So the Amps will be looking for more points today against the lowly Tigers who they beat 3-1 away in October. We put 7 past them away last term but drew 3-3 here so will want to improve on that

The Tigers won their last match 5-4 at Buckingham early this month but that was their first win since October and they have beaten Thame Res twice and Burton Park, as well as Real Bedford in the Trophy. The Amps have a busy few weeks ahead with five away games starting with the Div 1 cup semi final at Holmer Green on Tuesday. Then Town are on their travels to Winslow, Eaton Socon, Moulton and Amersham. We finish February with a home game with Burton Park who we visit four days later, although we do have a sequence of home games in March.

NEW SPONSOR

Thank you to The Engine and Tender Pub, Dunstable Street, Amphill for their kind sponsorship of the 1st team Training Kits this season.

A great pub, run by a great host, thanks to Ken and all the staff at The Engine and Tender.

Memo from the Management

Good afternoon and welcome back to the Park Stadium, after the last two weeks on the road its good to be back. Two good away wins for us since we last entertained at the Park Stadium, a convincing 6-2 win at last seasons challengers Whitworths and a great Away win, 3-2 at Lutterworth Athletic, at Leicester City Training ground. This sets us up nicely for a chance to go for another 3pts against London Tigers in what should be a good match.

We also have the pleasure of one of our u12 sides joining us today as Match Mascots, so Id like to extend a warm welcome to all the players, coaches and parents of the Ampthill Town U12 Allstars.

I hope you all enjoy the match and thank you for your tremendous support here at Ampthill Park Stadium, our Average attendance this season so far is 150 which is fantastic and greatly appreciated by the 1st team lads and coaches

All the best

ANCO have been proud sponsors of the club for over 10 years. Originally with the Youth teams and for the last 4 years they have been the sponsors of our Tangerine Away Kit

LONDON TIGERS FC

London Tigers began life as a small local football club in 1986, under the name Marylebone FC. This was run by a handful of dedicated volunteers with a passion for football, who organised training at North Westminster Upper School (now known as Westminster Academy). The training sessions engaged young people from the deprived inner-city areas from across Westminster to enter into all types of sporting activities and to realise their dreams and aspirations around sports in general. Marylebone FC competed in local, regional and national small-sided competitions and became a renowned and dominant force within the Asian sports scene. By the mid 90's the membership and activities of the club became so diverse, there was a clear a need to set up formal structures and processes to ensure the legacy of the work within a quality assurance framework. London Tigers was therefore formed to cater for the health and sporting needs for people living in the North Westminster area. Two youth teams were set up who participated in the Lillie Road 5-a-side league. As the club grew and the young players became older, London Tigers joined the mainstream leagues. In 2002, London Tigers FC joined the Middlesex County Premier League. They won the Alex Smith Premier Divisions Cup in 2006 and having achieved success in the Middlesex County League, London Tigers joined the Spartan South Midlands League, providing opportunities to inner-city young players to play football at a more challenging level; during this time, the amalgamation of London Tigers with Kingsbury Town FC formed Kingsbury London Tigers FC. 2011 was a defining year for Tigers as they moved to a new home the ground in Greenford, setting up as an independent club away from Kingsbury, forming a Football Committee and a formal constitution under the brand of London Tigers FC. In 2015/16, Tigers succeeded in progressing beyond the 2nd qualifying round of the FA Vase cup. Season 2016/17 started with a new management team through a joint venture that saw London Tigers work with external partners for the first time. This change proved to be a difficult process which saw significant shifts in structure and playing styles that impacted on the performance levels on the pitch carrying onto the 2017/18 season and after seeing relegation in 2018/19 season, London Tigers now find themselves in the Spartan South Midlands Division 1.
