BRIGHTLINGSEA REGENT FC COVID-19 MATCHDAY CHECKLIST

AS OF 11th November 2020

MATCHDAY COVID-19 OFFICER

ON ARRIVAL - A track and trace register will need to be completed. Visiting teams should provide a squad sheet with all players and support staff details to make this task easier prior to travelling. Any person showing, or declaring, signs and/or symptoms of Covid-19 will not be permitted entry. A temperature test may be taken too

STEWARDING – Brightlingsea Regent FC will provide matchday stewarding in the car park, and within the ground to ensure smooth undertaking of fixtures. Please respect their guidance and support.

CAR PARKING - Brightlingsea Regent FC matchday stewards will direct vehicle users to the designated parking areas.

HAND SANITIZER - hand sanitizer stations will be located on entry to the ground and the clubhouse, as well as soap water and drying facilities provided in toilets.

SOCIAL DISTANCING - All attendees will observe social distancing in line with government guidelines.

SPECTATORS – A Track and Trace System on arrival must be completed (evePass App) & NHS Track & Trace QR Codes are displayed throughout the ground to be used. A one-way system will be in place where spectators will need to walk clockwise around the ground to avoid contact with others, keeping a two-metre distance. Spectators are encouraged to bring their own Face coverings, gloves, and sanitiser with them to matches and discouraged to shout

CHANGING AREAS - A maximum of 7 people will be allowed in the changing rooms at any one time, officials will change on an alternating basis. All waste to be removed and disposed of in available external concealed bins.

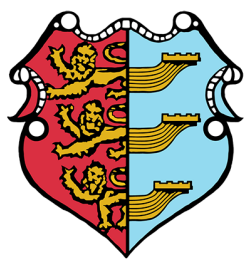

SHOWERS - where necessary, a maximum of two people at any one time may shower.

TEAM TALKS - All team talks to be conducted at the side of the pitch adhering to social distancing, this includes half time. Shouting of Instructions external to the pitch perimeter should be kept to a minimum.

WATER BOTTLES - Players to provide their own marked water bottle, and for personal use only.

INJURIES DURING PLAY - The pitch side First Aid responder [Physio'] under Instruction from match officials, may render support to all adult players displaying signs of injury, whilst wearing a face mask and gloves. For Under 18s parents must attend to their own child but may request the support of the first aid responder.

TECHNICAL AREAS - The technical area will be used by the team manager or designate, along with the pitch side First aid responder **only**. All other players and support staff will have a designated seating area available. Monitored and socially distanced within: **The Danny Gee Stand**

GROUP CELEBRATIONS - At present group celebrations are not allowed. It is requested that no chanting or shouting takes place throughout the fixture.

BREAKS IN PLAY - During breaks in play all footballs will be cleaned and sanitized. Along with all balls retrieved external to the stadium perimeter.

MATCH OFFICIALS - Prior to the game match officials may convene in the "Boardroom". All players and officials should always maintain one metre plus distance when in conversation or during a booking.

HOSPITALITY - Where this agreed to be provided, it will be served plated or in a takeaway container with plastic cutlery. There will be a nominated bin for food items to be disposed in. Upon mutual discussion in advance, visiting officials may be offered pre-match, half time and full-time hospitality.

BAR AREA - The bar area will be managed by the Ultra Bar team. This will be available pre-match, half time and full time. There are toilets in the bar. There will be clear guidance and signage for the safe use of the facility. There also a snack bar external to this which may be open and offer refreshments. Please observe social distancing.

TOILETS - There are limited toilets within the ground. Please be patient and use a socially distancing two in two out policy. Remembering to wash dry and sanitise your hands. And dispose of waste in receptacles available.

Any Issues please contact Secretary Tony Osborne via tony_osborne59@hotmail.com or 07818888817

Thank You For Your Co-operation
