

## VS GLOUCESTER CITY

**05 NOVEMBER | 12PM**  
**WYNDLEY LEISURE CENTRE**

# WELCOME BACK

A warm welcome to Sutton Coldfield Hockey Club. Today we welcome Gloucester City, the match officials and travelling supporters to Wyndley for this game.

Hockey is back for the 2023 season and with the Ladies 1st team winning the Conference Midlands last year, this year sees them step up to Division 1 North.

Last week saw the Mighty Pinks travel north to Brooklands Poyton. The Mighty Pinks put in another positive performances and created chances to take all three points but the game finished 0-0. The point lifts the Mighty Pinks off the bottom of the table.

After the game we invite you all back to the clubhouse for teas and a drink!
