

REFEREE APPOINTMENT PROCEDURE

1. All League and Cup games at U/15 and older age groups will be appointed to by the Referee Society. U/13 & U/14 Cup semi-finals and finals **only** will have appointed referees. Friendly games at all age groups should be refereed by club referees.

2. The referee appointments will be posted on the referee website bucksreferees.co.uk/appointments/ where by clicking on the relevant match contact details for the appointed referee will be shown. Should the referees details not be shown then phone me on **07786 395446**, do **NOT** Email me.

3. The referee should be contacted, by telephone and **NOT** Email alone, to confirm match details at the latest by the Wednesday evening proceeding the date of the match. If the game is not going to take place both the referee and me should be contacted as soon as possible. This allows time to re-appoint the referee should I have games requiring referee cover.

4. The dates of re-arranged games, due to postponements, should be made known to me ASAP to allow me time to source a referee for that game. **Do not call me on the Friday night or Saturday before the re-arranged game as the then likelihood of obtaining a referee will be extremely unlikely.**

5. My contact details are the number shown in serial 2 above and/or paul.stanley811@mod.uk the latter only available Monday to Friday.
