14 Peterborough Lions are proud to be sponsoring 'Little Miracles' this season.

Little Miracles is a parent led support group and Charity for families with children that have additional needs/

disabilities based in Peterborough. We run daily sessions at our centre at 15-17 Skaters Way, Werrington, Peterborough where the whole family is welcome to come and chat, play and socialise and engage in meaningful activities chosen by the families, for full details on what we have happening please check out our events page.

We are entirely voluntary with no paid members of staff and so we are always looking for help. There are many ways that you can help us from donating, volunteering, doing a sponsored event or even just telling other people about us.

If you want any more information then please contact us on
