Car Parking – Important Instructions – Please Read Carefully

Please ensure that you don't park in Marefield or the surrounding roads highlighted in Yellow on the map below.

We have had a number of complaints from local residents relating to parking issues on a Saturday morning and it is likely that council parking enforcement or police will be visiting the site and issuing tickets to anyone causing an obstruction or blocking access.

Visiting teams should use the car park at Maiden Place Community Centre (RG6 3HE) and walk to the ground. The pitches are a 5-6 minute walk from here.

For LPFC players we would encourage people to walk or cycle to matches as much as possible, and as a community club we ask that you be respectful of our neighbours to ensure that roads, footpaths and driveways are not blocked.

There are toilet facilities situated in the changing Pavilion, in the small car park at the top of Marefield. There is also the Laurel Park Cafe, which serves hot and cold drinks, confectionery, bacon rolls and more.

Laurel Park Recreation Ground, Rushey Way, Lower Earley, Reading.
