Auction Guide

&

Lots

Dear All,

Welcome to The One Club's Annual Auction which this year is back in its traditional Christmas Day slot!

The auction has been by run the club since the 1950s, and whilst the type of lots have changed, it's still a lovely opportunity to catch up with friends and family, exchange gifts, have a few drinks and perhaps consider buying a few 'bonus gifts' (maybe to replace the ones which didn't go down quite as well as anticipated on Christmas Day morning!!) and generally to support the club.

As you may or may not know, the auction is one of 4 or 5 annual events which help to raise much needed funds for the general day-to-day running of the club.

Thanks as always go to all those who have donated lots, without which the event would be a non-starter, and to those who will support on the day and 'get involved' with the bidding!

~~~~~

This guide is intended as an aid to prospective bidders, providing information (where appropriate) about the various lots available in order to assist with the general process of the auction.

Please note, though, that the guide only covers the lots which were confirmed at the time of 'going to press' and it is likely that additional lots will be presented on the day (all gratefully received), so I would therefore ask that you divert your attention towards the Auctioneer for information relating to any additional lots over and above the ones listed.

### **UNABLE TO ATTEND? YOU CAN STILL BID AND SUPPORT THE CLUB**

If you are unable to attend but would like to register a bid, you still can and all bids, no matter the size, are welcomed. Please contact either Ian (07455 369747) or Steve (07789 712662) who will register your interest and establish a "ceiling" for you bid(s).

Thanks again and enjoy the auction.
