**Additional Information & Map**

- Car parking. There are approx. 80 spaces in the lower car park. If this is full, cars can park in the far corner of the ground, which is accessed from the top car park. Please bear in mind you need to drive around the boundary edge of pitch 2 and in front of the far sight screen to reach this space so if you're arriving for the Plate Final and need to access this area, the Cup Semi Final may well still be in progress on that pitch. Please do not park on Boughton Hall Avenue in front of the houses that face pitch 1.
- Changing rooms and showers will be available for players.

### Match Regulations

- Pink balls will be provided by the League for both semi-finals and finals.
- Matches will be officiated by two Panel Umpires, therefore normal fielding circles at a radius of 30 yards centred on the two middle stumps will be applied. At the instant of delivery, a minimum of four fielders plus the bowler and wicket-keeper must be within the fielding circle. In the event of an infringement, the striker's end umpire shall call and signal no ball.
- No-balls will result in a free hit.
- Additionally, a harsh interpretation will be applied to wides, especially down the leg side.
- In the play-off semi-finals and finals, should the scores finish level regardless of the number of wickets which have fallen, a Golden Over shall be bowled. Each team shall select three batsmen and one bowler; each team bats for one six-ball over with the team batting second in the original game batting first. The loss of two wickets shall end the innings. If the scores finish level, the team with most six hits in their two combined innings shall be the winners. If still level, the team which has lost fewest wickets in the two combined innings shall be the winners. If still level, there shall be a toss of the coin to decide the winners.
