## CHESTER BOUGHTON HALL CC

As we approach the 2023 season, as the first female Club President I have the privilege of writing a few words for this season's fixture book. That fact alone shows how far we have come in creating an inclusive and welcoming club environment that enables anyone to be part of this great club and take on a leadership role.

This year is, as I am sure many of you know the sesquicentennial (150<sup>th</sup>) anniversary of CBHCC, and we can look back with immense pride over all our achievements both on and off the field over those 150 years. All of our teams, senior and junior have a long history of success, with many of our players gaining County recognition and some going on to become professional cricketers and receive international honours – thank you to all our coaches and volunteers who have helped them on their journey.

Our clubhouse is the envy of many other clubs, and we are incredibly grateful to our staff and volunteers who have made this possible. We also value the ongoing contribution made by our Vice Presidents, our players, and our social members and we are indebted to our sponsors who keep us going year on year.

During 2023, there will be a calendar of events to celebrate our 150<sup>th</sup> year, and it will be very much appreciated if you can support some of them. In May we have re-introduced the Boughton Hall Knockout Competition, in June we again welcome Lancashire 2s for a 4-day match versus Essex 2s and our Summer Ball will be held in July. With the many other events planned, there will be something for everyone.

A lot of time and effort goes into maintaining the high standards expected at the club, so I ask that you respect what we have and challenge any unacceptable behaviour as our reputation relies on us all playing our part.

I wish every team and every player a successful season, play in the spirit of cricket, win if you can, but most of all enjoy your cricket. Whether you are a senior player or a junior player, every time you pull on that CBH shirt you represent us all, so please wear it with pride.

Good luck everyone, let's make 2023 a season to remember.

Di Totty

# 1ST XI CAPTAIN'S MESSAGE

---

## CHESTER BOUGHTON HALL CC

Looking forward to the 2023 season I think it would be best to congratulate everyone on a successful 2022 season. Notably the 2<sup>nd</sup> team and the over 40s, well done to Dan and Jude and their teams on a great season.

I am hugely looking forward to the forthcoming season. As a first team we will have a bit of a different look to the squad with a few new faces and some more youth to keep the old lads in order.

With these fresh faces it will be great to be able to offer opportunities to some of the lads that have been on the brink of the side over the past few years as well as more senior roles to players that have shown they are capable of stepping into these roles.

Noah Vickery coming back from Hyde is a great addition to the side and with another winter training up at Leeds University we are all excited to see how he develops over the next few seasons.

Josh Leach has also found his way back to CBH and we are really looking forward to seeing how he adds to our side this year. From a few net sessions he is already showing why Worcester rate him so highly and I think the future is looking very bright for him.

We have also managed to secure an overseas keeper/bat for the 2023 season in Angus Kilby. Gus comes highly recommended by CBH legend Ross Dixon who plays against Gus over in Australia. We are really looking forward to welcoming Gus to the club.

---

# 1ST XI CAPTAIN'S MESSAGE

---

## CHESTER BOUGHTON HALL CC

These boys will be joining the existing squad members, all with a bit of a point to prove after a slightly disappointing season last year. With a good blend of youth and experience it will be a good challenge to bounce back to our usual ways of challenging to trophies, but one we are really looking forward to.

I would like to thank Chris Fleet as the outgoing Chairman for all his hard work over the years. Tommy Evans has done a great job in his first winter as Chairman, galvanising an already big management committee and leading the way on the brilliant refurbishments inside the bar area.

I think most would agree with me when I say we have one of the best groundsmen in the country and I'd like to take the chance to thank Keggy and all his helpers for all the hard work they put in to making our ground such an amazing place to play cricket. Also, a massive thankyou to Leggers for all he does for the club, we really wouldn't operate without you. Finally, thank you to Jim Law for all his efforts as scorer and with the website, you will definitely be missed!

I would like to end by wishing the other captains of CBH all the best for the coming

season. Dan, George, Dave and Nicole will I'm sure put in a huge amount of effort and hopefully between us all we can make 2023 another very successful season for the

club!

Rick

## CBHCC Century Club

Hello Fellow and New Century Club Members!

Firstly, thank you to Alan Turner and the team who have run the Century club so well for so many years. It is with great pleasure taking over the running of the club and I hope that I can count on all existing members to continue with their support and promote the Century club to new participants.

There will be a change in the banking details from now going forward, the new account details being below. Please whenever making transfers put the payment reference as your surname and 100Club i.e. SMITH100CLUB.

**Account Name:** CBHCC

**Sort Code:** 309897

**Account Number:** 51430663

The cost of each number will remain at £2 per month, however it would be great if people could consider taking more than one number if they wish. This can be paid on a standing order, BACS transfer, or cheque made payable to CBHCC and posted to 17 Boughton Hall Avenue, Boughton, Chester, CH3 5EL. The £24 per number for the year is due in April. If anybody knows of others who wish to join the Century club, please do not hesitate to forward this e-mail or my contact details onto them.

Your existing number will remain your designated number for the draw and should the number of participants stay the same, there will be the same prizes;

**1<sup>st</sup> Prize of £600**

**2<sup>nd</sup> Prize of £300**

**4 draws of £50**

Details of the Champagne Reception will follow, we will tie this in with a Sunday Lunch at the club and hopefully a game of cricket to watch outside.

Please let me know if you have any queries.
