WHAT IS A FOOTBALL CLUB?

To us, it's the place that no doubt your family first brought you to and where you share (or shared) many highs and lows together. It's the only place where you can be patriotic about where you're from and demonstrate some civic pride. For us at Frickley it's a bastion of the community South Elmsall used to have and needs to work back towards.

We believe that the commitment that comes with being a proper football club supporter needs to be reflected in a better way. Whilst we will continue to offer season tickets in the 2019/20 season we are also really excited to introduce a new way of being a supporter – through the Frickley Athletic Fans' Membership programme.

WHAT IS THIS TRYING TO ACHIEVE?

This membership scheme is trying to reflect the relationship that real loyal supporters have with their club and what we as a club should be doing to better reflect that. There's no lump sum (you pay monthly), you receive discounts in the areas that are most relevant to you and your membership acts as your season ticket for entry to every single first team and under 21 league game.

You also receive discounts at local shops away from the football club as we look to cement a movement of people and organisations with a genuine desire to improve the SESKU area and reward those who feel the same about our home as we do.

WHY BECOME A MEMBER?

Become a member because it offers so much in terms of savings and opportunities. But also become a member for yourself, because you understand the responsibility of being a supporter. The responsibility you have through the tradition that has led to you being a fan and because you share the values we have and the ambitions we want for the club and the community. Being a member is a statement that you are 'in' that process, that you stand for something, that you care.

We can't wait for you to join us.
