

STADIUM & KIT SPONSORSHIP OPPORTUNITIES 2019 - 2020

Being a partner of Frickley Athletic is not just about the traditional process of sponsorship. You see, what we are working towards at Frickley is being a movement for social and economic improvement in our area.

We're also absolutely focussed and determined to lead by example on and off the field to demonstrate that goal and draw others who feel the same as we do to join us in a common and mutually beneficial aim.

By becoming a partner at the club you don't only get all the traditional benefits of exposure across our award winning media channels and outlets but you'll also be part of that movement.

Our football club is growing; we've adopted the academy into the football club and now have a thriving Community Foundation working across the SESKU area. We're also doing loads in the community. Whether it's community days, the town's annual fireworks event (which attracts over 2500 people) or all the club events, we are trying to be a driving force for change.

We want you to join us! We want you to help us prove that this area can be much greater than the sum of its parts. Be part of something - stand for something - join us.
