

Covid-19 Track & Trace

As part of Chenies & Latimer CC commitment to providing a safe and secure venue for cricket a new 'Track & Trace' system for all players, officials, spectators and visitors will go live on [5th August 2020].

evePASS provides easy and secure check-ins and check-outs on arrival and departure from the Club. Check in using your phone, no pen or paper required.

Register once using your smart phone and use at any location that uses evePass. Rest assured your data stays yours.

For more information please go to;

<https://evepass.app/#download-app>

Please download the app as detailed below before your next visit to the Club. You can register with evePass, learn how to use QR Codes and save yourself time on your next visit.

All players, officials, spectators and visitors will be required to check-in using evePass when visiting the Club. You may check-in as a party of up to 10 persons including yourself. If you check-in a party, you become responsible for the 'track and trace' contact information for each member of your party you check-in.

How to Use

1. Go to the AppStore and search for evePass.
2. Download the app.
3. Open the app and register following the instructions provided.

4. On arrival using the app scan the Club QR code to check-in. The QR Code will be displayed at several points around the Club.
5. When you leave click (tap) 'check out' in the app to check-out.

1. Test your phone to see if it can read QR codes. Open your camera and scan the QR code below.

If your phone can scan the QR code, you will be taken to the evePass website to register. Follow the instructions to register.

2. If your phone does not scan the QR code go to the Google Play Store or Windows store and search for 'QR Reader'. Download the QR Reader of your choice.
3. Open the QR Reader app, scan the QR code and follow the instructions to register.
4. On arrival using the app scan the Club QR code to check-in. The QR Code will be displayed at several points around the Club.
5. When you leave click (tap) 'check out' on the open web page to check-out.

I Don't Have a Phone

If you do not have a phone or smart phone you must check-in manually using the registration form provided.
