GROUND ADVERTISING

Ground advertising boards are produced to a high quality using die bond long-lasting material which are not affected by adverse weather conditions.

- Ground Boards are visible from all around the Stadium in eye catching locations with Possible inclusion of Ground Board in match photographs that appear in both local and national media newspapers & television or on websites.
- Visible to a high proportion of visitors to the ground each season (Marine FC, & AFC Liverpool) - the ground is often used for other games including FA Competitions.
- Free season ticket for each advertiser
- Costs include manufacture, delivery and installation of the ground board
