## CHAIRMAN'S MESSAGE

---

### **The 2017 season was such a progressive year both on and off the field.**

The 1st XI managed to maintain their place in division 2, having gained promotion in 2016, even though several key players were not available through injury or moving away from the area. The 2nd XI finished runners up in their division which was well deserved. There were some excellent performances from both the old and the new guard. The development of several youth players stepping up to play in the 2nd XI was a fantastic achievement for both the players, the club and the youth coaches. The Sunday XI had a good year winning more than they lost. Again the encouraging sight were the youth players who were starting out on playing adult cricket, all of whom held their own.

The growth of the youth coaching has continued. The club started this in 2008 with a handful of youths, in 2014 the U11's and U13's entered a cricket league for the first time. In 2017 the club added league cricket for U9's, and 15's as well. Coaching nights are a remarkable sight for such a small club with so many boys and girls having fun. This is a tremendous achievement in such a short space of time and credit to Paul Waters, the coaches and helpers, who put in so much time and effort with the youngsters. I and the club thank you.

Moving forward the clubhouse is the main priority. We now have a building committee which has taken great steps forward in delivering plans for a structure that is fit for purpose, can accommodate our growing numbers and one that sits comfortably in the environment. They have engaged with the Thorley parish council, who are supportive in what we are trying to achieve, met with planners and are moving forward at a pace. To support this project fundraising has been vital and will continue in 2018. Quiz nights, Club Day (sponsored by MCD Interiors), and fireworks night generated great income along with a club sponsorship with Pestell & Co Letting & Estate Agent.

There are a group of people at the club who put in lots of hours to keep everything going to whom we all owe a great deal of thanks. From fixtures to accounts, groundwork to planning, arranging teams to providing refreshments and without whom the club would not function as it does. In saying that more hands make light work and I would encourage all who can help out to do so.

I have highlighted the importance of the youth players and their development to progress the club, but just as vital are the golden oldies who are still enjoying their cricket through the Thorley experience. Their knowledge, enthusiasm and commitment is a credit to see and they always play their cricket in the spirit it should be played.

**Here's to another great season... Cogs.**

## CODE OF CONDUCT FOR JUNIOR MEMBERS

**When taking part at Thorley Cricket Club you are expected to pay attention to these rules:**

I will respect my team mates, my opponents, the officials and my coach at all times.

I will treat all members of the club as I would expect to be treated myself.

I will be on time so that all sessions and matches can begin promptly.

I will follow the coaches instructions when asked to do something and will do my best at all times

I will play safely and be aware of the safety of others.

I will stay with my group at all times and not wander off.

I will not use bad language.

I will not swing a bat unless I am told to do so by the coach as part of the session or match.

I will pay my fees for training or events promptly.

I will report any bullying or unkind behaviour to the coach or any club member.

I will behave well when representing the club at all times both at the club and at away events.

I will play fairly at all times where I win or lose.

I understand that if at anytime I feel unhappy about anything I am asked to do I can talk to any of the coaches.

I understand that if I feel I am being treated unfairly I can discuss it with any of the coaches.

I understand that if I am unsure of anything I am asked to do I can ask the coach to explain it to me.

## SAFEGUARDING POLICY STATEMENT

**Thorley Cricket Club is fully committed to compliance with the ECB Safe Hands Policy which sets out expectations for safeguarding children in cricket.**

The England and Wales Cricket Board is firmly committed to providing an environment that is safe and welcoming for children to enjoy the game.

Creating a culture where their views are asked for, as well as being able to offer their own opinions, helps develop an environment where children feel able to share concerns and everyone can challenge poor practice or behaviour.

If you have any concerns about a child or the behaviour of an adult you should share these immediately.

**Thorley Cricket Club believes that it is important that members, coaches, administrators and parents, carers or guardians associated with the club:**

- should, at all times, show respect and understanding for the safety and welfare of others.
- feel free to contact any coach or committee member to express any concerns in this regard they have.

In addition specific issues relating to child welfare, coaching and general well being of young people within the club can be addressed to the club child welfare officers and senior coaches.

The above has been extracted from the Clubs welfare policies which are displayed in the clubhouse, copies are available on request.
